## Zoning Board Approves Multimillion Dollar Development On Sanibel

The County Zoning Board approved a multimillion dollar development on Sanibel Monday.

The zoning changes will be considered by the County Commission on October 3.

The development on Sanibel will consist of single family homesites west of Bailey Road and East of Dixie Beach Boulevard, with the zoning changed from general use to Residential I.

William Vines, a Naples land developer, will develop the 330 acres into 100-by-125 foot homesites. Also included in the plans are a series of lakes, a recreational area and a central sewer system.

Lester Bulson, representing Vines at the meeting, said that the development will cost over \$1 million.

Vernon McKenzie, representing the Sanibel-Captiva Planning Board, said that the plans had received his board's endorsement.

In other action the board:

-Approved a request for a special permit for six months for one mobile home in

a Residential I zone on Dixie Boulevard, Sanibel. The mobile home is being used by a nightwatchman on land that is presently being developed as a sub-division. The request for the zoning change came from Gulf Islands Development Company, Inc.

-Approved a request by Dale F. Conde to rezone 24.9 acres from general use to Residential I south of the airstrip on Upper Captiva Island. Most of the land will be used as winter residences for the owners.

Miss DORIS ARMSTRONG, retired personnel manager of Sears' Detroit store and Mrs. BERNARD STRICKER visited beautiful Sanibel Island and surprised Mr. and Mrs. DON WILLIAMS of Ibis Lane - the two ladies are on a tour of Florida and will visit the East Coast before departing for home.

Some of the most beautiful birds on the islands are not even real ones. LOUIS PAUL JONAS of New York fashioned some very beautiful miniatures that are on display in "Fur, Feathers and Scales", and "The Shop" has another group of them, too, from a different artist, but very beautiful. Both are ceramics, and Jonas' are made of a resilient ceramic, scaled to 1/10 size. The birds are of subdued coloring, just as they are in nature, to blend in with the backgrounds.

The ARTHUR PERRYS are anxiously awaiting the completion of their new home in the North, in Kohler, Wis. They will commute between Sanibel and Kohler. The five children will be missed on the islands along with their parents, as they have been busy with so many worthwhile projects. They participated in the Sunfish Regatta, along with PAT BAILEY, JOHN RUSHMORE, ROBBIE WAKEFIELD and the KONTINOS children, and of course the IRELANDS girls, and MIKE WOODS.

A memorial service was held at the Sanibel Community Church for JACK KIRKPATRICK on Monday. Many of his friends were present to help console ISABEL.

#### FISHING PIER PROGRESS REPORT

Don Case reports on the progress made on the fishing pier by the Sanibel-Captiva Chamber of Commerce. He states: "Thanks to the efforts of Dave Holtzman and all the other members and contributors, the achievement of our goal for \$10,000 is well in sight. Ralph Woodring made an appeal for contributions in speaking to the Community Association. I made a talk on the TV program, Fishing with George, about our program. And we are almost there as far as money for the pier is concerned. The sooner the money is received, the sooner the new fishing pier can be started. Any Chamber member will be happy to receive any contribution."

#### JOHN F. KIRKPATRICK

John F. Kirkpatrick, 72, of Sanibel Island, died Tuesday. A retired chef from Erie, Pa., he had made his home here for the past 19 years and was a member of the Rabe O. Wilson Post No. 38 American Legion.

He is survived by his widow, Mrs. Isabel Kirkpatrick of Sanibel Island; son Robert D. Kirkpatrick of Omaha, Neb. and four grandchildren.

Memorial service will be announced later by the Harvey Funeral Home. The family has requested that flowers be omitted.

## WHO'S WHO AND WHY

BELLA and JOHN KONTINOS have just returned from a northern holiday in Maine and Highlands, N.C. The restaurant will be closed for a few days, "but not for a vacation", says Bella, "Because we want to do some redecorating before the season". And other Islanders who are still enjoying the cool mountain breezes in the Highlands area of North Carolina are the BILL SHANNONS. The MIKE McQUADES have just returned from the Franklin area.

And surely one of the most romantic treks of the year is planned by CHET and ELLEN SMITH who will be leaving soon on an oriental junket. But Ellen is ailing with a virus that may postpone their journey for awhile. They plan a buying trip to Taiwan, Bangkok, Singapore and other places with romantic names, and far away. Ellen has never been to the Orient, and is dying to see where all the beautiful Jades and other gems come from in their Jade Butterfly.

And, of course, the MacINTOSH junket is about to get underway. We are hoping to hear a full report from these world travelers, too. And also from PRISCILLA MURPHY who will be journeying far from these shores shortly.

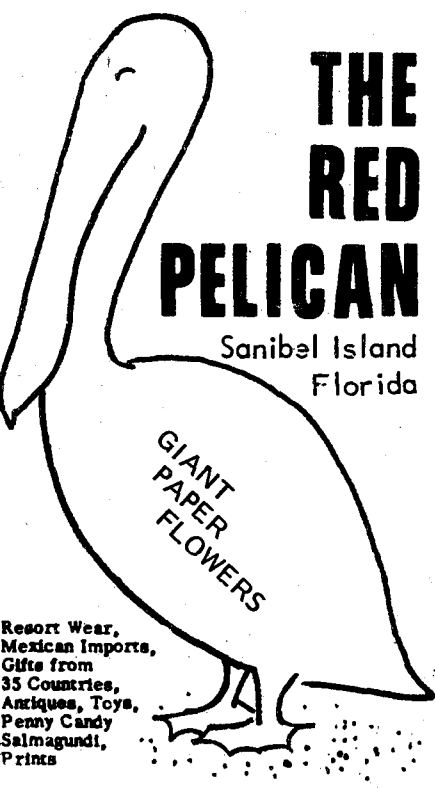

Friends of EDITH MUGRIDGE believed that she had to be adopted by a new dog on the death of CHERIE, and so they presented her with a tiny handful of pink poodle, weighing in at 8 oz. PINKIE is only eight weeks old. That isn't her real name, but she is just as cute as a button and loves everybody, because she knows everybody loves her.

Two other dogs on the islands are leading a happy dog's life, the GLASS dog, JOSHUA and the PERRY'S dog COLONEL. Both dogs took off after the Glass jeep when CHRISTINE was leaving the island. They followed the jeep all the way to the Lighthouse end of Sanibel, and both dogs had to be brought back forcibly.

Guests at THE COLONY this week from Florida are: Mr. and Mrs. B.G. BARRETT of Tampa; Mr. and Mrs. SPITZER and family from Miami; Mr. ARMAND TRIO and family from Miami; Mr. and Mrs. T.B. THOMAS and family from North Miami Beach; the CHARLES KELSEY family from Ft. Lauderdale; Dr. and Mrs. FRIEDMAN and family and Dr. and Mrs. B. ALPERT from Hollywood; Mr. B. KAUFMAN and family from Hollywood; Mr. and Mrs. H. CHITWOOD and family from Miami; Mr. and Mrs. CHARLES I. HARPER and family, Mr. and Mrs. Albert Levey and Dr. and Mrs. STEVEN ZELLNER from Miami; Mrs. IDA GREEN from Orlando; Mr. and Mrs. ROBERT J. LESPERANCE and family from Winter Park; Mr. and Mrs. H.S. Lauderdale; Mr. and Mrs. PAUL TUCKER and family from Pinellas Park; Mr. and Mrs. CHARLES GRAVITT and family and Mr. and Mrs. CLARENCE RICH and family from Hialeah; Mr. and Mrs. SIDNEY POE and family from Miami; Mr. and Mrs. D. Dear Mr. Wasson:

Your suggestion of a debate between us is very attractive.

My record book of eight years in the Legislature is an open book for all to see. To any challenger, with an equal record in any field of endeavor, a debate for public information between two people and their records would be most worthwhile.

I will await your publication of such a record as you might have that will, in your opinion, balance mine which has been many times publicized.

Sincerely,

Pierce; the DANIEL CARROLLS of Satellite Beach; TOM ZANNIS and family of St. Petersburg; and Mrs. EVELYN STARKEY of St. Petersburg, after a brief respite from her dress shop in Treasure Isle. MAKING TRACKS with Sandy

There are some very important inhabitants on Sanibel who should be recognized for their steadfast devotion and loyalty to the families with whom they live. Up to now, they've seldom if ever, had their names in print; rarely have gone far from home; never protest; never vote; seem quite happy with their lot in life (though many times they live on scraps thrown their way); and couldn't care less about politics. Yet, the importance of this minority group is an undisputed fact and if they were to form their own two-party system, they'd no doubt call themselves RePUPlicans and DemoCATS! So, without further ado, I will catapult with dogmatic emphasis into today's subject: "Our four-footed friends on Sanibel." With many of them I am most fortunate to be on a speaking, barking and mewing acquaintance and thus feel honored.

I'll begin with my cat friends. First off come Meanie and Miney Culpepper. They have a fine home on the bay and sort of rule the roost, y'might say. They and their parents, Adelaide and Francis Winterbotham owe their very existance to the late Tags Chaplin. She was a southern belle from Kentucky who made her debut at a "coming out" party in the closet of the McWhorter home where her other child, Kitten Kat McWhorter now lives. All these cats carry on the Kentucky tradition of beauty and brains(K.K. knocks on the door to be let in or out, and Miney says "Let me-owt"). Their brother, Herman Chew, has long since disappeared - what a catastrophe! Kitty-cornor from the Culpepper cats live Saru, Macho, Tatchu Meko and Morenita Darst. I would like to be around when Betty calls THAT crew. Down the street that-a-way from my house live Spook, Nicole and females (?) Steve and Scott Aleck. (Obviously there was some mistaken identity there!) Near them live Phoenix, Sputnik, Gemini and Pinkie Winterbotham (along with the aforementioned Adelaide and Francis.) Very famous for their Burmese lineage are B.T., Jennifer and "Mr. Simmons" Simmons who hang out in Chateaux Sur Mer. Buffy Rose used to live near them but he has changed names and homes and so Buffy Rose Patten now lives on Rabbit Road. Nipper Kirkpatrick was so-named because he nips. It's as simple as that. And Yellow Peril Glass will trip you if you don't watch out. Midas and Puddy Bailey are very much a part of the large family of people and pets in the house on Periwinkle.

Now we come to my doggie pals: Lucky Sur, a beautiful Siberian Husky; Gretel Holland; Tootsie Vous Irwin; Little Bit Kearns; Tu Tu McQuade (who wishes you Bon Jour at Dotti's); Herman Gigstadt and Diamond Alquist, who only spend the winters here; Senor Gault, who barks a welcome at the Sea Horse Shops; Boots, Queenie and Whitey Runnells (Whitey being distinguished for possessing one blue and one brown eye); Joshua Glass; Charley Causey, who sometimes spends weekends on the island and who quakes in his paws when he hears thunder; Calpurnia, Prince and Jimmy with their pal Poncho the Parrot Winterbotham; Coco Kontinos, who speaks in no uncertain terms when I ride by on my bike; Whiskers and Thistle Lucas, who like to chase Miney Cupepper, and Jake Carnahan who likes to PLAY with Miney; Liebschen White and Herky Castle - two good pals (Herky, on command, will run get a pen if you want to write a letter); I mustn't forget to mention Muggs Irene Chaplin - nothin' but a hounddawg, long since gone to doggie heaven, but a dog's dog if there ever was one. These are just a few of the animals who are important in the lives of people on the island and who demand nothing more than a pat on the head, doggone it!

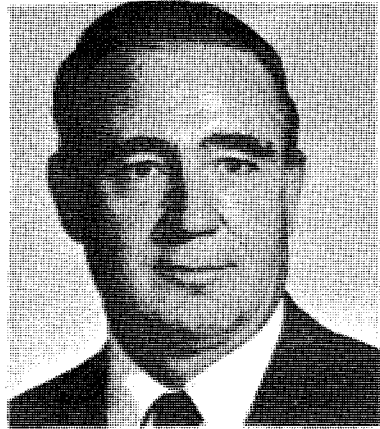

So, with a pocket full of cookie bones and a carton of cream, I'm going visiting!

# STAY WITH RAY!

We, the teachers of Sanibel Elementary School, feel that RAY L. Williams has discharged the duties of the Office of School Superintendant in a fair and honest way, with children's educational welfare always having top priority. He deserves your vote for re-election so LET'S STAY WITH RAY!

IT'S TIME FOR CHANGE VOTE FOR **GEORGE WILLIAMS** AS THE NEW SUPERINTENDENT OF SCHOOLS

## VOTE TUES, SEPT 12 "LET'S PUT THE CARDS ON THE TABLE"

YOU HAVE NOT BEEN TOLD THE TRUTH ABOUT YOUR SCHOOLS!!

EVERYTHING IS NOT FINE

GEORGE WILLIAMS believes that -----

- the last millage election failed because the taxpaying public has lost faith in the present school administration.
- the election of the school superintendent and school board members must be on a non-partisan basis in order to help regain this support.
- the opening day of school should be after the Labor Day holiday.
- remodeling and airconditioning of existing classrooms must have priority over future building programs.
- greater emphasis must be placed on maintenance and cleanliness of the present school structures.
- parents must not be forced to pay voluntary assessments.
- the taxpayers, students and teachers all must have a voice in the educational process and the functioning of our schools.
- the kindergarten program must be given top priority in all areas of the county.

GEORGE WILLIAMS will work to -----

- implement a drug abuse program for all students from elementary through high school as a part of the curriculum.
- develop a stronger overall disciplinary policy in order to restore discipline in our schools.
- redesign the transportation and housing of students.
- upgrade the teaching staff and curriculum.
- implement a more efficient school supply system.
- increase the teacher aide program -- give teachers time to teach.
- place greater emphasis on principal, staff, parent and student involvement in the decision making of the individual school program.
- use an "open door" policy on all phases of school activity. THERE SHOULD BE NO SECRETS IN ANY BUSINESS THAT BELONGS TO THE PEOPLE!!!

GEORGE WILLIAMS will be a working superintendent who is willing to meet the public, talk with the students, negotiate the problems with the teachers and help the taxpayers to build a quality educational program for all the children.

- \*CONFIDENT -- Has faith in the public school system
  - \*DEPENDABLE -- Will work for needed change
  - \*AGGRESSIVE -- Will fight for full value of each tax dollar

**RECREATION AREA SEEN ON SANIBEL**

The State Cabinet moved a little closer Tuesday to creation of a freshwater recreation area on Sanibel Island.

A request for federal matching funds to aid in land acquisition for a project designed to preserve the islands' freshwater wetlands will be resubmitted, the Cabinet decided.

The request for \$281,000 had to be reentered because the state has taken over coordination of the project from the county. The island park idea was promoted by the Sanibel-Captiva Conservation Foundation and backed by private donations totalling about \$250,000.

The change in status of the request brought with it a reduction of the number of park areas requested - from 423 to 212. The conservation group plans to use the park as a marine research area and a nature study area.

## LETTERS TO THE EDITOR

**TO THE ISLANDER:**  
The following letter was sent to the Islander for publication: Mr. C. Duane White, President Sanibel Community Association, Inc.

On behalf of all the members of the Sanibel Volunteer Fire Department, I wish to express sincere gratitude for the enjoyable evening and dinner given us along with our wives at the Community House last night. Also, we are truly indebted to the members of the Community Association for the generous contribution given the Department for the purchase of suitable "jump-suits" for the men. Please convey our best wishes to the Board of Directors.

**TO THE ISLANDER:** A copy of the following letter, mailed to all the County Commissioners, was sent to the Islander for publication:

Once again you are called upon to prevent the destruction of one of the few remaining spots that has a unique charm and tranquility all its own - Sanibel Island.

I am referring to Ru-3 request number 72-7-32, among others. Think of your position this way. You are in office to serve the people - all the people - not just one or two vested interests.

Why don't you do your duty as by those who put you in office - the vast majority who do not want you to kill Sanibel? Stop the Ru-3 rampage now before it's too late. That's what the people who put you in office want you to do.

SQUADRON COURSE**

The new Boating Class, under the direction of the San Carlos Bay Power Squadron and sponsored by the Sanibel Community Association, announces the first meeting for Monday evening, November 6, at 7 p.m. at the Community House.

Instruction will continue for twelve weeks with a break for the Holidays. This is a brand new course and it is aimed primarily at the small (under 26 feet) boater. This is the second year that

the San Carlos Bay Power Squadron and the Community Association have cooperated to bring this important course to the Islands. Instruction is, again under the direction of Harley Brown from Shell Harbor, who is Assistant Squadron Educational Officer. There is no advance registration. Just be in attendance the evening of November 6.

The U.S. Power Squadron is a non-profit, non-political, non-military organization dedicated to safe boating through education. All members work on a voluntary basis. The only prerequisite to take the course is an interest in boating.

C.D. White, on left President of the Sanibel Community Association, joins with Harley Brown, Ass't. Squadron Educational Officer of the San Carlos Bay Power Squadron, to announce Association sponsorship of the U.S. Power Squadron Boating Class.

That's what the Fort Myers News Press on July 23, 1970, called Dick Sayers when he dived into the State Senate race in a fight to gain a seat for Lee County.

Excerpts from that editorial: "Win or lose, Dick Sayers deserves the thanks of all Lee County voters of both parties . . . is fully qualified . . . he had experience in government as a city councilman . . . an accomplished speaker and a devoted family man with a wife and seven children . . . Dick Sayers should command universal support here as he steps forward . . ."

The Law And Order Judge

I'm a candidate for Circuit Judge, Group Six On Sept. 12th.  
I ask your support for these reasons:

1. To me, the courtroom is the Temple of Justice. No man is above the law... or below it. All who walk before the judge's bench... black, white, red or purple; millionaire or pauper; teenager or senior citizen... all walk in the same pair of shoes. Each deserves equal treatment.
2. I believe in the rights of the individual, but I never forget the public has rights, too, a fact too often ignored.
3. I believe soft judges make hardened criminals. I am fed up with too much leniency.
4. I believe you must be protected on the streets and in your home.
5. For 12 years I've been Collier County judge. Collier has one of the lowest juvenile crime rates in the nation. Working with your youth, parents and juvenile officers, I pledge to help lower delinquency here.

**LABOR DAY REGATTA FOR THE YOUNG**

Most Happenings in Lee County are for the older people, but a change is in the wind for Sanibel.

Saturday and Sunday afternoon over the weekend were filled with the competitive sport of sailing at the inauguration of the Snook Invitational Regatta open to Sunfish sailors. The turnout was greater than expected with nine Sunfish and three catamarans showing up for the contest. The majority of the Sunfish sailing talent was from Sanibel with the Saturday winners Dave and Lorie Woods. Second place went to Debbie Ireland. Sunday afternoon proved that you had to be good in a "drifter" as well as a "good air" race, and Debbie and Dave proved to the rest that they were still on top. A flip of a coin by race committee chairman, Mynton Ireland, left Dave Woods the undisputed winner and Debbie Ireland the runner-up of Regatta Number 1. The two boats had an equal number of points after the three Sunday races.

The youngest skippers and crews were Bill Perry, John Constanzo, Rob Wakefield, June Ireland, Jennifer Rushworth, Art Perry, Jr., and Pat Bailey.

The Ireland clan consisted of the largest number of contestants, including Mynton, Dolly, Daphne, Debbie, Jane-Ann, June and little Jr. All of these members were delightful and indispensable to the ultimate success of the regatta.

Assistants to the race committee and helpers on the committee boat were Dr. Kramer and Rickey, Mrs. James Meyer, Art and Bill Perry, and John Kennedy.

Third place went to Daphne Ireland on Saturday, and was captured by Bill Perry on Sunday.

The Bailey family was notable by their presence and activity. Mrs. Bailey was on hand with Ann Susan, Mary, Pat and Jane.

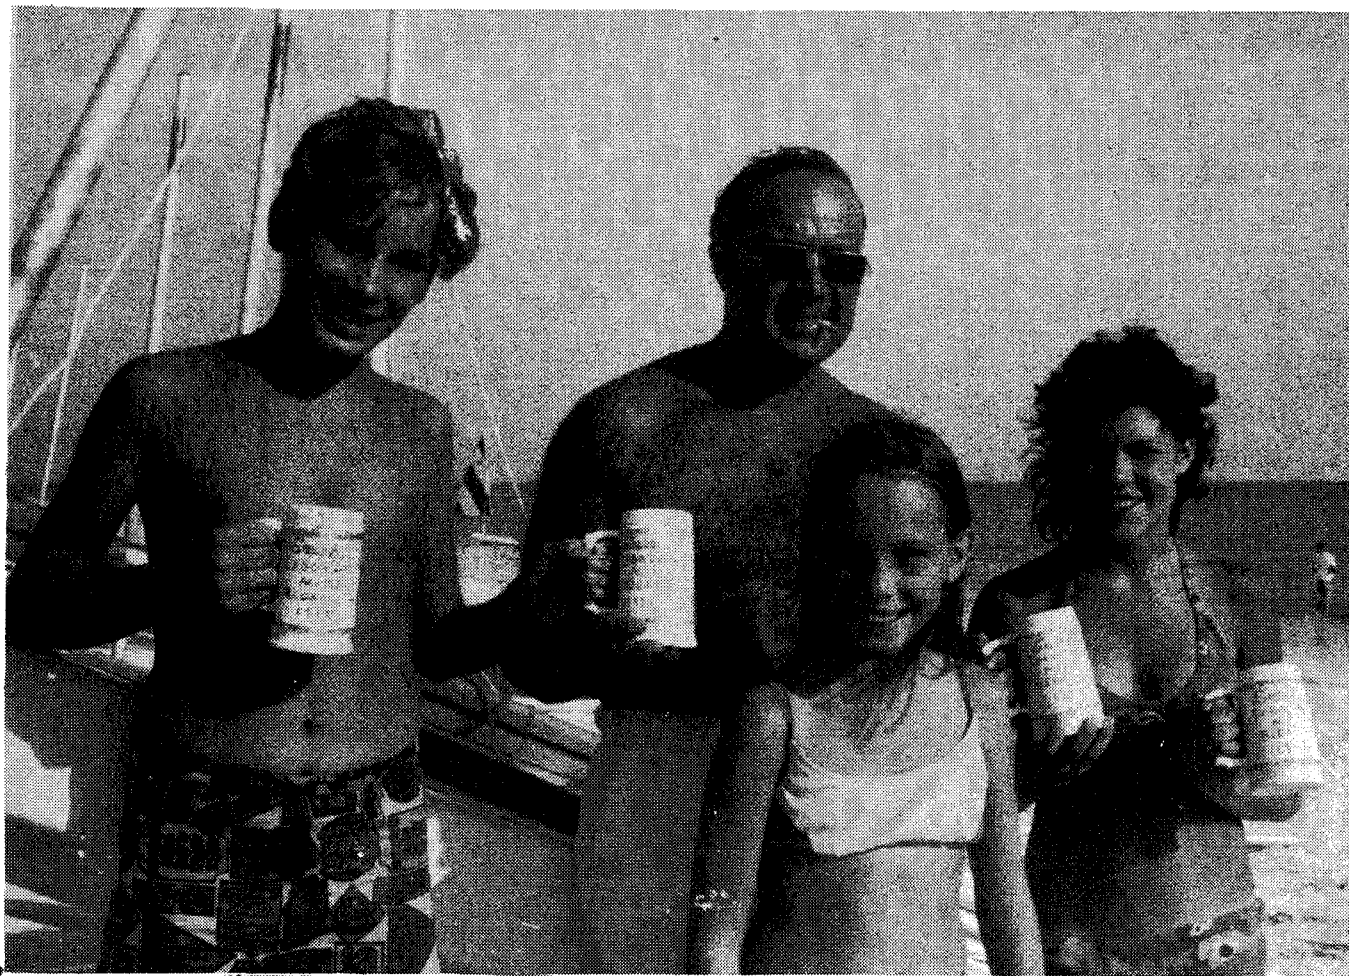

Crew members and skippers who helped their boats' victories or standings should not go unmentioned. They include John, Merrill, and Jennifer Rushworth, Pam and Rob Ireland, Kip Buntrock, Barbara Ann Stokes, Dennis Duncan, Sergio Antumes, Tom and Ann Kontinos, Pamm Rainbow, Stephanie and Brock Peterson.

The catamarans included one aptly manned by Emil Bulck and family and Ken Ericson of Cape Coral, a second by Rob Holland of Sanibel and the third by the Irelands of Sanibel.

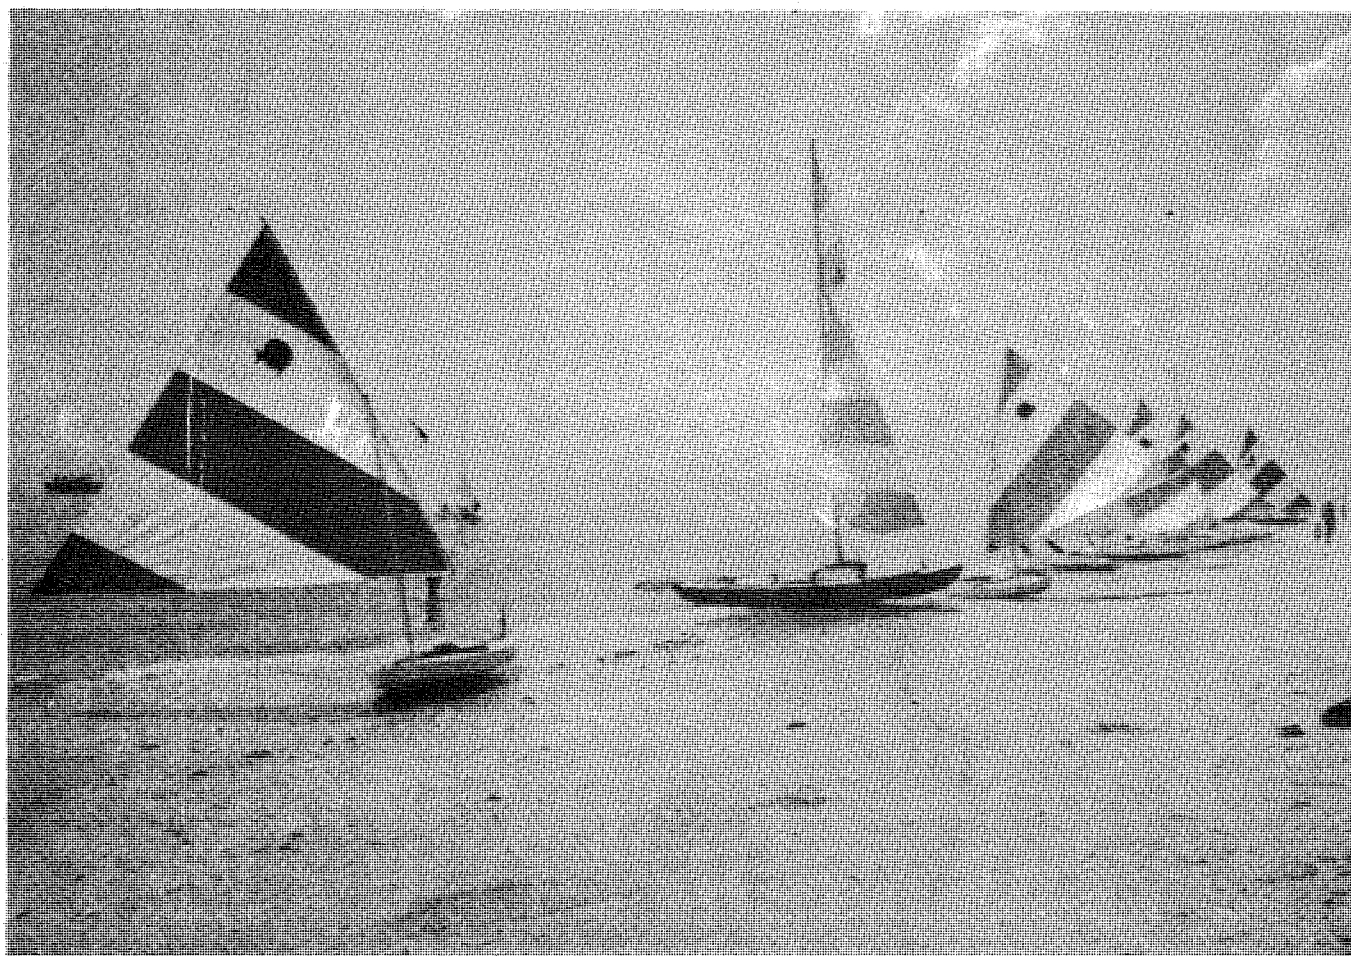

Beer, soda and kool aid was served in the club house overlooking the race cours. The expert hand of Mrs. Dotty Stearns properly inscribed the trophies.

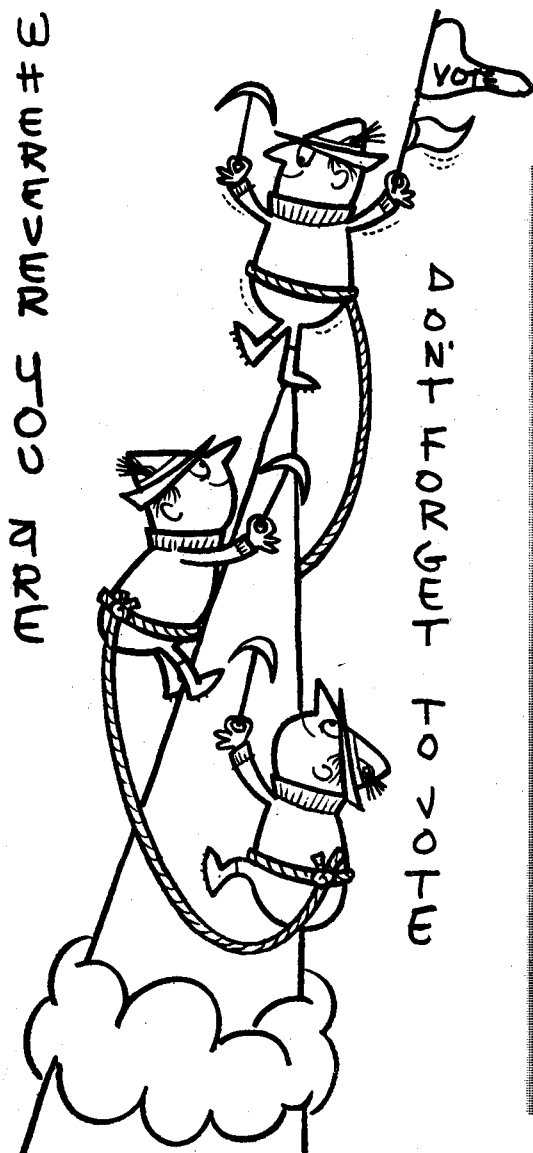

Happy skippers and crews at Sanibel Regatta.

Left to right: Dave Woods, Mynton Ireland, Lorie Woods, and Debbie Ireland.

Mr. and Mrs. Preston Woodring, Jr., came from Fort Riley, Kansas.

A number of guests came down from Tampa, including: Mr. and Mrs. Hugo Reina, Sr.; Mr. and Mrs. Michael Reina and children, Richard, Anthony and Michael; Mr. and Mrs. Hugo Reina, Jr.; Mr. and Mrs. Gene Lee and children, Richard, Robert and Michael; Mrs. Richard Morgan and children, Richard and David; Mr. and Mrs. John D. Almas, Jr. and children, John, Cindy and Manuel; Mr. and Mrs. Billy Marshall and children, Jimmy, Rhonda and Billy, Jr.; and Mr. and Mrs. Bill Almas, Sr., and children, George and Marisue.

Other guests included Miss Kathy Conant and Mr. and Mrs. Bill Almas, Jr. and children, Richard and Susie, from Lakeland, Fla.; Lt. Col and Mrs. Harry Hink and children, Linda, Mary Ellen and Harry, from Annandale, Va.; Col. and Mrs. Jerry Lamason and children, Mitzie, Patty and Renee, from Fort Huachuca, Ariz.; Mrs. Jane Cavanaugh and Mrs. John Cotter and children, Barbara and Carol, from Western Springs, Ill.; and from Miami, Mr. and Mrs. R. Dampier.

Mrs. Marie Niven, from St. Petersburg, Fla., another sister, was not able to join the rest of the family at the reunion.

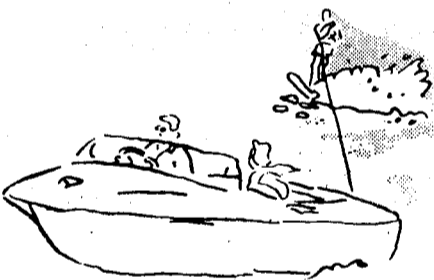

The oldest member of the family is Mrs. Esperanza Woodring and the youngest is Michael Lee, who was just 13 days old.

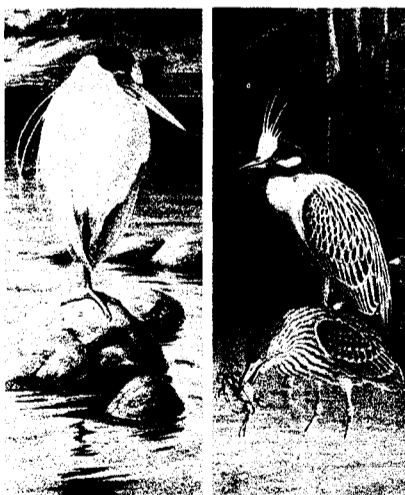

From left to right: Esperanza Woodring with her son, Preston Woodring, his daughter, Melia Lacy, and Mrs. Lacy's children Joey, Mickey and Charles.
