THE ISLANDICH Tuesday January 5, 1961 18A

Being a highly successful angler of redish his always cluded inc but I have a few new theories you might try if you wait to chose these great tasting fith From the alk on the tackle shops and from what I have read it seents reds are supposed to be easy to eatch. Don't

beheve it One thing is for sure - nobody is every going to porrinate he redfish for Smart Fish of the Year That a because they the volume for small random and patiently wait their turn to guip stay in tught little pods and patiently wait their turn to guip down a shrump with a hook in it. They school up like that and make anyone coming upon them, either by design or so lent look like an expert

Schooled reds are exciting fishing and the bail part is Schooled reds are exclude that may and the test part is that they usually stay put while you here hauling them is it we never understood this about reds. In a shallow spot with say a couple of snook a hooked fish usually scarse the hell out of the others Not so with reds but that a just bared

on my experience Actually the redflab and the snook are often compared in their fighting abilities and i lean toward the red being the stronger fighter although not as spectacular a fighter as we

During these cold monshits the snock almost seem to go to steep and become a difficult flats to catch. On the other hand the redish get more active and previde ists of dateres in the other and previde ists of dateres. There is the bettern the past is the bettern the sariour plastic body cold wather flaternen. In the past few years you probably have beard much about fabring for redish under the mangrove or with a popping cork and live string combination. This takes of the talands in Pine faland Sound and along the Sambel of the talands in Pine faland Sound and along the Sambel of the talands in Pine faland Sound and along the Sambel Private because in the states you have to work arouny Private because in the states work have to work arouny our call is do a could be the state work in the states of the states of the states and bridge are good places too II Fishing for redish under anter areas the roots at the betases in the states work have to work arouny provide the states the states work have to work arouny proversities.

the right the because in these shallow water areas the rods can only feed when the water is high. They leave when the

moderate success too

This is nothing startling to longtime red flabermen but I hink most anglers feel they can only fish reds at high tide

The right the because in here shallow water areas the rock at the better the right the because in here shallow water areas the rock at the better the right the because in here shallow water areas the rock at the because in here shallow water areas the rock at the because in here shallow water areas the rock at the because in here shallow work at the because in the and a low tide to boot

is concrustive end of the server support of the server serve

Augei wings are a prized find for many shellers and they are usually thought to be white in color once they are cleaned But liave scene more brown angle wings and some on his plot side. Both are much more beautiful that the pialo white one but finding an off-color shell like this is pure hick and there will be many trips in between before yo

"Tween Waters Inn has featured a Seafood Buffet every Friday (5.30-9:30P.M.) for many, many vears. It has proven to be so popular that it is now widely copied. In everything but the price. Our Seafood Buffet is only \$11.95 plus tax and gratuity. A savings of about \$7.00 over what our friendly competitors are charging. Our competitors do have excellent Seafood Buffets. But if you wish to partake of the perimer Seafood Buffet of the islands you will not only get the very best but you won't break yourself in the process. If you go away hungry, it's not our fault.

'Tween Waters Inn is proud of it's succulent Prime Ribs of Beef au jus featured every Tuesday and Saturday evenings (5:30-9:30P.M.). For only \$8.95 plus tax and gratuity you can get a complete Prime Rib dunner along with our great house salad (almost a meal in itself) vegetable du jour, potato or rice and rolls and butter. All served in a lovely old-fashioned setting.

# SAFETY HARBOR CLUB

First you relax — relax as you have never been able to before Just lay back and enjoy the sectusion that only an out island can give you

Then when you do want to do something deciding may be the hardest part. Swim in the warm Guif waters take a sail look for shells fish for snook Just do as you please. Nobody mirds You re on an island

on an island Safety Harbor Club otfers waterfront homesites on the out island of North Captiva in a setting that is still untrampled by tourists and almost untouched by the outside world

# The Grand Escape

Hideaway waterfront homesites on the Gulf of Mexico.

For boaters docking facilities will be available and there s easy access to the Guil of Mex co and the Intercoastal Waterway Jaunt off to nearby Cabbage Key for dinner if you like Embarkation points for North Capitiva are Capitiva Island Boca Grande or Pine Island

Safety Harbor Club residents will also enjoy a swimming pool tenns courts and clubhouse to make the safection of things to do even more varied Whether you want to be lazy or lively the decision is yours at Safety Harbor Club

"I'm so convinced that Resort Sharing is the best way to vacation, that I'll pay you \$25 just for touring one of our resorts!"

Dick Van Patten, TV Star and Captran Resort Sharing Advocate

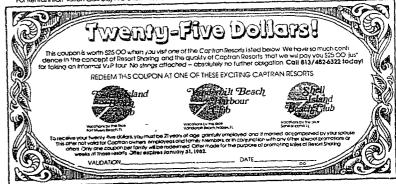

Captran Resort Sharing is simply the most practical and affordable way to enjoy luxurious vacations year after year. It has become so well accepted because of the consistent quality of our resorts, their superb locations, and the pure enjoyment of truty hassle-free vacations. Visit a Captran Resort soon, see the luxury and convenience we offer, and hear the complete story about this amazing new way to assure your family a first-class vacation experience for years to come. All for a surprisingly low one-time cost!

You'll find out why I'm so confident about Captran Resort Sharing, and, if you remember to bring this coupon, you'll be \$25.00 richer, too!
