

Florence Harbosch Active At Centenary Jr. College

Miss Florence Harbosch, daughter of Mr. and Mrs. Henry Harbosch of 46 Laurel avenue, participated in a student recital last week at Centenary Junior College, Hackettstown, N. J. The program included several other voice students as well as piano and organ students.

Miss Harbosch's extra-curricular activities at Centenary are glee club and international relations club. She graduated from Summit High School, Class of 1943.

She was born in Yarmouth, Me., and had lived here practically all her life. Beside her husband, she is survived by a son, Alexander H. Twombly, Jr., who is in the merchant marine; a daughter, Miss Ruth Twombly of Summit; her mother, Mrs. Howard Russell of Yarmouth, and two brothers, Harold L. Russell of Albany, N. Y., and Philip Russell of Falmouth, Me.

DEATHS

Mrs. Alexander Twombly

Mrs. Ruth Russell Twombly, 47, wife of Alexander H. Twombly of 3 Fernwood road died Monday morning, Mar. 6, at home, after an illness of a year.

Funeral services were held on Wednesday afternoon, March 1, at the Cowen Funeral Home in New Brunswick, for Eugene Papp of 202 Morris avenue, this city. Mr. Papp died in Overlook Hospital on Monday. The services were conducted by the Rev. Julius Sathmayer.

Mr. Papp was assistant chief of the police department of the Carteret Ordnance Motor Reception Park. Members of this department were honorary pallbearers. Interment was in Rosehill Cemetery, Linden.

Besides his wife, Mr. Papp is survived by one daughter, Olga, who lives with her mother at the Summit address.

Open Meeting to Hear Talk on Rehabilitation

An open meeting will be held in the headquarters of Summit Post No. 138, American Legion, on next Monday night, Mar. 13, at 8:30 o'clock. The purpose of the meeting is to hear from Frank Kane, Rehabilitation Director from the Veterans Administration, Lyons, what the Government is planning to do in its rehabilitation work for those men in service who have or who soon will return from the far-flung battle fronts. The Government will have a big job on its hands to care for these men when they are ready to return to civilian life, and the directors of the program urge all who are interested to attend not only this meeting, which of course is of first interest to Summit, but any that may be held elsewhere.

If there are any civilians in Summit, and of course there must be, according to Frank Van Tronk, service officer of Summit Post, who are interested in rehabilitation, they are cordially invited to attend the meeting. William Grund, State service officer, will also be in attendance.

The Junior Red Cross boasts the biggest membership of any branch of Red Cross service? At last count, it had 17,000,000 members.

HILL PROPERTY SOLD

Mr. and Mrs. Marvin L. Hill have sold their attractive colonial home at 172 Cane Brook Parkway to Mr. and Mrs. Harrison Gifford, Jr. The Giffords are lifelong residents of Summit. They plan to occupy their new home sometime in April. The Hills are moving to Massachusetts. Mountain, Whitmore & Johnson were the brokers.

Letters

Proud Fighting Brothers

Editor, The Summit Herald: Enclosed you will find four snap shots of the four proud fighting brothers for Uncle Sam and constantly striving to retain security and democracy. Even though we aren't in the actual combat zone at present. The following is a brief memorandum of us four brothers.

Cpl. Raymond Spencer Estenes, A. S. N. 32558427, 1885th Unit, 8th Service Command, Camp Wallace, Tex.—I was inducted on the 9th of Oct. 1942. I was sent to Fort Dix, reception center. Remained there for exactly two weeks. Departing on Oct. 28, '42, from Fort Dix was such sorrow; three days later I found myself in sunny Texas. Camp Wallace approximately seventeen hundred miles from good old sweet home, but I have no reason to complain about distance, when I stop to think of those fellow soldiers across the sea. Upon the completion of that inevitable basic training which consisted only of eight weeks, I was immediately assigned to the Quartermaster section of this Camp, holding the job in the Quartermaster office as inventory clerk, and liking it very much.

Pfc. Henry Estenes—stationed somewhere in the Hawaiian Islands, is with the 111th Infantry. Cpl. Edward Estenes—stationed in North Camp Polk, La., is with the 53rd Engineers Battalion; he had the job as Battalion mail clerk for the past 10 or 12 months. Cpl. Herman Estenes—stationed also somewhere in the Hawaiian Islands is with the Army Air Force, 88th Recon. Squadron (Bomber). Since his stay down there of over 12 months, he has acquired an almost unrecognizable sun tan and has also gained considerable weight; his only dislike of the A. A. F. is that he hasn't been able to get home to see the folks and friends.

Thanks a million for that wonderful morale-builder each week—The Summit Herald. Thank you. Sincerely, CPL. RAYMOND ESTENES. (Pictures will be found on Armed Force page.)

Make a Present

March 1, 1944. Editor, The Summit Herald: The letter signed Pro Bono Publico in your last week's paper (Feb. 24), was indeed a surprise. It was easy to see the immature mind behind the wording and signing of the letter.

Quoting the writer, "I have formal certitude" (and quote), that had it been an older person seeking a special book some member of the staff would have gladly gotten the book, either upstairs or down. I have been using this library for over twenty-five years and have always found the staff cooperative and courteous. Having used the main and branch libraries in N. Y. City for a number of years before moving to Summit, I can assure Pro Bono Publico that Summit's library is far easier to use.

People who really like books don't mind a few stairs! And I really feel that more persons are interested in novels than in Taylor's Toxicology, a book I've never asked for, though I do enjoy mystery stories. I am sure that if Pro Bono Publico gave the Library a new wing, all the staff would be glad to have their work on one floor. Sincerely Yours, LUCILLE D. LAMONT.

Unjust Proceedings

March 4, 1944. Editor, The Summit Herald: I have just read the article which was published in your newspaper of February 24, 1944, regarding the condemnation proceedings which have been instituted in New Providence Township by the Union County Park Commission against Arlington M. Drake, who, your newspaper says, has lived for all of his 77 years on a small farm that his forefathers settled some 200 years ago. The story also says that this land has been his life and that of his children, but that now the Union County Park Commissioners want it and have started these unjust court proceedings. Although I am not a resident of New Jersey, it has been my pleasure to visit your attractive State

office for the librarian. Plans have been drawn up for such an institution for Summit but they need a real champion. Here is your chance, "Pro Bono Publico," to put your energies to work. Good luck. EDITH PROUT.

"Wings of Spring" By Cleveland Grant Fortnightly Topic

Fortnightly will present "Wings of Spring," a lecture by Cleveland and Ruth Grant next week. The lecture will be illustrated by natural color motion pictures of our better known song birds—birds of our homes and gardens.

In the past twelve years Mr. Grant has delivered more than three thousand bird lectures to over a million people. Many of his latest films have been released to the theaters through Paramount. He has been a director of many of the prominent Ornithological societies of the country and has shown his pictures in every well-known museum in the United States. Since this program will be of

particular interest to children, the children of Fortnightly members are invited guests. However, they must be accompanied by an adult. Tea will be served at the Y. W. C. A. immediately following the meeting with Mrs. Charles J. Schaefer as chairman, assisted by Mrs. Burnard S. Biggs, Mrs. Charles W. Brown, Mrs. Lee L. Davis, Mrs. Horace E. Haring, Mrs. Robert L. Hanson, Mrs. Gerard T. Kohman, Mrs. Walter A. MacNair, and Mrs. Robert E. Woodward. Time—Wednesday, March 15, at 3:15. Place—High School.

Announcing
A Series of Sermons on
Modern Religion for Free Minds
to Answer the Following Questions

Sunday, March 12th—
THE FREE MIND, THE CREEDS AND THE CHURCHES
Over half the people of the United States have nothing to do with churches. What has happened to the ancient power of creeds and dogmas? Is religion itself in decline? Can we solve our urgent modern problems—war and peace, economic justice, personal happiness—without religion? Is there a true religion, a credible faith, to which the modern mind can freely give allegiance?

Sunday, March 19th—
THE FREE MIND AND THE MYSTERY OF MAN
Instead of "original sin" and "prevenient grace" we speak of chromosomes and conditioning. We explain man not by theology but through anthropology and psychology. Is man in any sense "a living soul?" Or is this thought a residue of superstition? What can the free, the modern mind, say of the mystery of man?

Sunday, March 26th—
THE FREE MIND AND THE MEANING OF GOD
Is there truly a God? We personify justice and think of it as a statue, blindfolded, and holding scales. We personify nations with similar figures. Is this what we have done with natural forces when we imagine a God? Must all men, to be religious, believe in God? What does the free mind, faithful to human experience and modern knowledge, know of God?

Sunday, April 2nd—
THE FREE MIND, CHRISTIANITY AND JESUS
Was Jesus more than man? Was Jesus a Christian? Would Jesus recognize Christianity as his own gospel? For modern minds, what is the place of Jesus in religion?

Sunday, April 9th—
THE FREE MIND AND RELIGIOUS EXPERIENCE
What is religious experience? Is it something explained by the psychology of the abnormal? What of prayer and mysticism? What can be said of religious experience in words that have meaning for the free, the modern mind?

Sunday, April 16th—
THE FREE CONSCIENCE
Conscience, say the psychologists, is "conditioned" into us. It began with primitive customs, evolving from the fears and sanctions of "tabu." If, therefore, we reject authority, whether of priests or sacred books, does anything remain on which to build morality? What may be said, in terms of the modern mind, about conscience?

Sunday, April 23rd—
THE FREE MIND AND THE CHURCH OF TOMORROW
Can men of free mind abandon churches? How can a modern faith be spread? Does the free mind require a free church—without the bondage of creed and superstition? Do we need a free church in order to build a free world? What should be its bond of fellowship? Its purpose?

We invite your interest in this series of sermons.

you CAN be THRIFTY

Any one can be thrifty. We do not mean every one can save a great deal of money. We do mean every one can try to form the habit of setting aside something, no matter how small, as a reserve. With prices up, and taxes up, that may be hard. It is also hard to learn to fly a plane or roller skate, but it is done.

The SUMMIT TRUST COMPANY
S. SAT. A. B. L. I. S. H. E. D. 1919

Wants Help
Editor, The Summit Herald: I have read with great care the letter written by "Pro Bono Publico" hoping to find a constructive idea for the much overcrowded library of Summit. It should have been signed "Pro Bono myself." If the idea for rearranging the books in the library for the convenience of each individual who uses it were used it would be necessary to place the books on a conveyor belt. The "General Public" read everything from the Bible in the original to the Oz books. And each according to his taste thinks that kind of book most important. Now the library has a system whereby all these books may be readily found, and they have to be grouped accordingly and arranged accordingly on the shelf space available. For the lack of proper stock room space the books in the Summit library have to be shelved upstairs, downstairs, on the main floor, in the reading room, and now even the foyer is crowded with book stacks. If "Pro Bono Publico" is a public-spirited person of Summit he will offer his services as a leader to obtain proper shelving capacity for the much overcrowded building. He will get to work and organize a group that will convince the taxpayers that the library needs additional room; a proper stock room, a separate children's room, where children can be instructed in the use of books and story hours conducted, a quiet reading room for those who like to browse, leaving the present available space for reference with students and public also, a private

Irene T. Griffin Asks Nomination For Assembly

Irene T. Griffin has announced her candidacy for the General Assembly on the Republican ticket in the Primary Election, May 16. Mrs. Griffin, a resident of Westfield for 19 years, was born in Cleveland, O. She was educated in the public schools of that city and graduated from the State University at Kent, Ohio. Columbia University granted her a Bachelor of Science degree as a teacher of Health and Hygiene in 1922.

Mrs. Griffin has served for nine years as a member of the Union County Council P.T.A. Executive Board in the capacity of County Recreation Chairman and also as vice-president of the Council. She served for five years as a member of the State Board of Managers of the New Jersey Congress of Parents and Teachers.

Mrs. Griffin was appointed in November of 1943 to the Union County Chairmanship of the Woman-power Mobilization Committee. This committee functions under the leadership of the Community Man-power Mobilization Committee. It is a voluntary committee whose function is to publicize and meet the need of women in war industry. She is a member of the Union County Republican Committee and the Westfield Town Republican Committee.

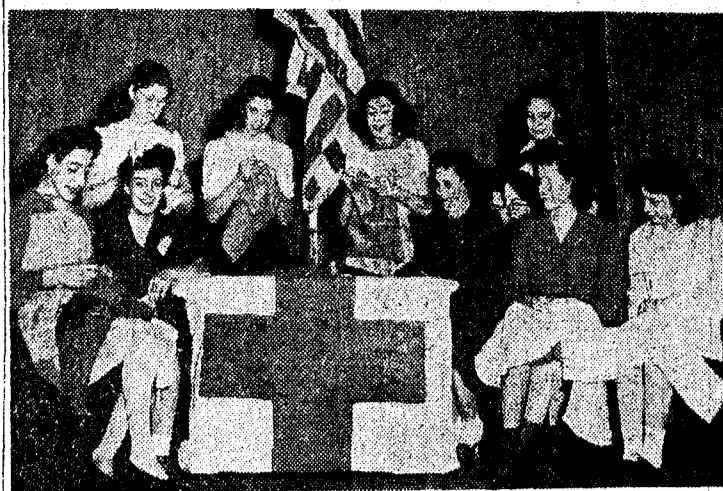

Mrs. Griffin served as chairman of the Reception for Senator Albert Hawley when he spoke at the Westfield Republican Headquarters during his campaign for U. S. Senate. This last year Mrs. Griffin was chairman of the Women's Division of the Speakers Bureau in the County for the candidacy of Walter E. Edge for Governor. She also acted as chairman for the reception of Governor Edge at the Westfield Town Hall during his campaign tour of Union County.

She is the wife of O. D. Griffin, a vice-president of Lord Abbett & Co., New York City and the mother of three children. In making her announcement, Mrs. Griffin stated, "The women of Union County are asking for representation in the Assembly delegation of four from this County. They are indeed worthy of representation. The year 1944 presents itself as an auspicious year to achieve the above objective and I have been urged by many supporters to become a candidate. My background in civic, social welfare, and educational fields seems to qualify my candidacy. I ask the support of the electorate in Union County and will assume the responsibility, if elected, with sincerity and earnestness of purpose."

Bykota Meeting

Members of the Bykota club of the YWCA will continue their work on woolen garments for children after their business meeting today. The work is being done in cooperation with the Refugee Relief Workrooms.

JUNIOR RED CROSS GROUP

Shown above is the eighth grade group of St. Teresa's School Junior Red Cross at work on one of their projects. The school has completed its quota two months ahead of time.

Reading from left to right, seated, are Josephine Cangemi, Philomena Vitrone, Kathryn Southerly, Marguerite Gauthier, Angie Petruzzello; left to right, standing: Ann Van Tronk, Sofie Sanzaro, Teresa Rillo, Rosemary Walgaurnery.

St. Teresa's Red Cross Fills Quota for Year

The year's quota for St. Teresa's Junior Red Cross has been completed two months ahead of schedule, the chairman, Mrs. Richard Dillon and Mrs. John Conant announced early this week.

The quota was made up of 15 women's bed jackets, 24 utility bags, 20 hot water bottle covers, and a number of other similar articles.

A display of the work of this group will be placed in the window of Carroll's Department Store this week.

Dr. H. E. Mendenhall Named Engineer Of Western Electric

Dr. Hallam E. Mendenhall of 3 Oak Ridge avenue has been appointed manufacturing engineer by the Western Electric Works, according to an announcement by the company. Specifically, Dr. Mendenhall will have charge of engineers assigned to the manufacture of vacuum tubes.

Born in Spokane, Wash., Dr. Mendenhall was graduated in 1921 from Whitman College, Walla Walla, where he was a member of Sigma Xi, and received his Ph. D. in physics and electrical engineering in 1927 from California Institute of Technology. The following year he joined the technical staff of the Bell Telephone Laboratories in New York. For the past ten years he has been engaged in electronics research and vacuum tube development.

A member of the Institute of Radio Engineers and American Physical Society, he has contributed articles on electronics and radio to leading technical magazines. He is also a member of the Committee on Adult Education in Summit.

Dr. Mendenhall is married and has three children, Althea, Fisher and Edward. He served in the first World War.

Motorists Asked To Have Tires Inspected Early

The deadline for tire inspections for A ration book holders is March 31. Because of manpower shortage, car owners are urged to have the inspections made early this month, instead of waiting for the deadline.

Although the relaxation of rules permitting motorists to have worn tires recapped without reference to ration boards would seem to obviate the necessity for continuance of the inspection program, OPA has not rescinded the regulation, and therefore inspections are still obligatory.

No provision has been made for reporting to any central agency the number of vehicles inspected, so it is impossible to tell, now or later, how many cars actually have been submitted for inspection. Owners of uninspected tires may encounter difficulties under two

conditions—if application is made for supplemental gas rations and if, when the present rules are modified, application is made for permission to purchase new tires. The regulations provide for denial of both unless a tire inspection record is produced.

National Parks And Rockies, Films At Nature Club

The Nature club will present a program of movies of National parks and the Canadian Rockies at their next meeting. These pictures were taken by Merlin S. Temple and John Biernake on several trips over a number of years. They include Yellowstone, Glacier, the Grand Canyon, General Grant, Zion, Bryce, and are offered as a vicarious journey, in the days of gas shortage.

Mr. Biernake will tell about the pictures as they are shown.

Rev. C. H. Yerkes Speaks to W.C.T.U. On Liquor Problem

Rev. C. H. Yerkes was the speaker at last week's meeting of the W. C. T. U. He said the modern tavern is worse than the old saloon because it is frequented by women; that drinking by women is on the increase; and that alcoholism is one of the causes that help fill our hospitals and insane asylums.

He said statistics show that 6 billion dollars were spent in the United States last for liquor, which is \$44 per capita.

Rev. Yerkes spoke of the bureau maintained in Washington by the W. C. T. U. to report on temperance and reform bills introduced in Congress. Eight million people are living under local option in the U. S. He thinks the most im-

portant work for the W. C. T. U. is the education of children to see the evil effects of the use of alcoholic beverages.

The meeting was held at the home of Mrs. N. F. Bebout. Mrs. F. M. Williams led the devotions.

Post Card Billing System To Be Used By Jersey Central

The use of post card bills, in the place of envelopes with bills enclosed, has been instituted by the Jersey Central Power and Light Co., according to R. R. Bollinger, vice-president and treasurer of the company.

With as many as 150,000 customers billed regularly throughout the year the new system, adopted recently by many utility companies, will result in a substantial saving of paper in the bill form, as well as in envelope stock, materials now restricted as a result of the war effort.

The new type of bill will be similar in appearance, but will be post card size, and will be addressed on the reverse side. The post card bill is necessitating mechanical changes in billing machines but will be effected for the entire Jersey Central territory by the end of the month.

TO THOSE WHO RECEIVE ALLOTMENT PAYMENTS (OR OTHER GOVERNMENT CHECKS)

The stealing and forging of Government checks has grown to a nationwide racket. The United States Secret Service, Treasury Department, and the Post Office are trying to stamp it out. Take these precautions, for your protection:

1. MAIL BOX. Crooks generally steal checks from mail boxes. Be sure yours is checked for security, mark it plainly strong, lock it securely, and have the postman bring it to your home when the checks are due to arrive. Have the postman signal you when he delivers mail from the government.
2. ENDORSING. Don't endorse until you are at the place where check is to be deposited or cashed. Safeguard checks at all times.
3. CASH IT in the same place each month so your identity may be established.
4. IF CHECK FAILS TO ARRIVE when due, notify proper Government department. Also inform them, as well as the post office, of change in your address.

We suggest that you open a checking account, for convenience and safety. Your incoming checks can be deposited with us for collection, and your bills can be paid with your own bank checks. Deposits can be made by mail if desired.

Summit Delegates Hear AWVS Head In Newark

Summit delegates from the A.W.V.S. and other members of the local unit attended an institute sponsored by the New Jersey state organization of the American Women's Voluntary Services which was held at the Robert Treat Hotel in Newark last week.

Mrs. Alice Throckmorton McLean, founder and president of the national A.W.V.S. spoke on Wednesday morning and stressed something of the international value of volunteer work. "The American organization, now grown to 430 units and approximately 325,000 members," she said, "was inspired by the work of British women. Other countries have patterned similar groups after ours. All help each other by the exchange of ideas and information, but realize that different kinds of work are to be done." Mrs. McLean urged all volunteers to think seriously about world problems and to train for real service rather than be a person with "a lump in your throat and nothing in your head."

Following luncheon at the officers' Club which A.W.V.S. estab-

lished in Newark, the group heard Mrs. Bernard F. Gimbel, a national vice-president, tell something of the new clothes conservation project soon to be launched. Other national and state officers discussed phases of A.W.V.S. work already accomplished and plans for the future.

Mrs. Edward H. Jones and Mrs. J. N. Kerrigan were the Summit delegates, and they were accompanied by Mrs. J. M. Van Buren, Mrs. Clarence D. Marvin and Mrs. William Sartorius.

Price Panel Calls Attention To New Prices

The Summit Price Panel states that it wishes to call particular attention to the new retail prices and items listed in this week's OPA Ceiling Price Box.

It will be noted that cold cuts, such as salami, knackwurst, bologna, meat loaves, liver sausage, etc., have been placed under a price ceiling for the protection of the customer. Also, a new classification, All Beef, has been added to the listing under frankfurters and bologna.

With the exception of two items, breakfast sausages and Virginia cured pork products all pork prices remain the same as those previously listed. Type 3 sausages, both link and bulk, have dropped one cent in price. The new ceiling prices on Virginia cured items are listed below.

RETAIL CEILING PRICES FOR PORK CUTS
(All prices are cents per pound)

Pork or Breakfast Sausage	Groups 1 and 2		Groups 3 and 4	
	Per lb.	Per lb.	Per lb.	Per lb.
Fresh Sausage, Sheep Casing	48	41	34	32

MODERATION

In this new high speed world where keen competition in the race of life spurs people on to greater and greater achievement, truly moderation is a great asset and much needed.

Unlike fabric, wood and metals that have certain tensile strength, the ability to stand strain before breaking, human beings have reserves of strength before the breaking point is reached that can be used in an emergency. Witness the mighty work being performed during this War emergency. However, it is most important when working under high pressure to follow a sensible regime of rest, diet and exercise avoiding everything that may nullify the good effects we strive to accomplish and, furthermore, a watchful eye should be kept at all times on the signals and indicators that tell when the elastic limit is being approached and avoid reaching the breaking point.

Someone remarked that more people kill themselves by overeating than by caffeine, nicotine, alcohol and drugs and that as long as these things that give even a pseudo or hypnotic indication of pleasure are used in moderation, it can do no harm.

Everyone knows that a boiler needs to be fired according to the power generated and, if over fired, it will burn out the grates and may cause an explosion and a wreck. The current notion in the minds of many users of poisonous drugs that it is quite all right if used in moderation is like an Auto Driver deciding he will run his car to suit himself regardless of traffic conditions, the police or stop and go signals or for the Engineer of a passenger train to run at a moderate speed regardless of all of the signals of the Train Dispatcher or for the Engineer of a steam ship to think that all is well as long as the signals of the Captain are obeyed in moderation. Even a child knows that by disobeying even in moderation trouble is brewing and that sooner or later there will be an accounting.

It should be perfectly plain to every intelligent person that the habitual use of coffee, tea, chocolate, colas, tobacco, alcohol and drugs all of which interfere with the normal operation of the 14 billion nerve cells of the body and which slow up and garble the transmission of signals between the "Captain" and the "Engineer" should be absolutely avoided.

Experience, the great teacher, will prove to you as it has to millions of people that it pays for the "Captain" and the "Engineer" to cooperate all the time 100% and to keep the line of communication clear and distinct. Let reason and your conscience be your guide.

Use moderation in your work, exercise, play, relaxation, rest, sleep and food intake but forget moderation when it comes to helping others to stop using their nerves for fiddle strings. You help others by first helping yourself. Thanks to everyone who has adopted and is helping others to adopt the formula for a better way of life.

Coal Co. Gets Telephone Calls Of "Cars on Fire!"

"Good morning. I just called to tell you that one of your coal cars is on fire!"

Several times each winter, the office of the Eastern Fuel Co. receives this kind of telephone call. Their coal cars stand on the siding across Broad street from the office, and the smoke and flames rising from them are the cause of such excited calls.

The reason for the fires is a simple one. It is for the purpose of thawing out the coal in the cars. The small sizes of coal—buckwheat, rice and pea, are loaded at the mines while wet. Several days' travel in cold weather freezes the coal solid to the cars and across the top. The large grades, nut and stove, seldom freeze.

Bill Parker, one of the drivers, said he has worked unloading coal for thirty years, and he has never seen any other way of getting frozen coal out of cars. Sometimes the fires are built under the coal and sometimes on top. They usually have to burn all night or all day to loosen the coal.

Hold Your Temper; Get Auto License Early; Avoid Cold

Chester C. Henry, motor vehicle license agent, began on Wednesday the issuing of 1944 car registration renewals and drivers' licenses, with office hours daily at 107 Summit avenue from 9 a. m. to 6 p. m.

There will be but one license tag this year, black numerals on a straw background, which will be placed on the rear of vehicle. Although the 1944 registration year does not begin until April 1, the tag can be attached any time now.

Recalling the conditions that prevailed during the closing days of March last year and in other years, state Motor Vehicle Commissioner Arthur W. Magee appeals to motorists to apply for renewals as early this month as possible. Last year's closing day lines were the longest in the department's history and there was considerable grumbling and inconvenience.

"Long lines and inconvenience can be avoided if motorists will arrange to make early application for their licenses," said the commissioner.

An important change in procedure this year permits a motorist to obtain his registration at any agency in the State regardless of his residence county. The plates issued will not be those of the residence county of the applicant but of the county in which the agency is located. This change is intended not only as a convenience to owners by saving them miles of travel back to their home counties but will result in a considerable saving in the number of plates necessary under the old system when agencies kept in stock registrations for several counties other than the one in which they were located.

Another change this year does away with the affidavit on both driver's license and car registration applications. Misstatement of facts however are still punishable by revocation of the registration and driving privilege.

Nurses Aides' Last Class Before Fall

There will be another day class for Nurses' Aides starting March 27, which will be the last one until next October. Women from 18 to 50, who can afford to give the time, are urgently requested to apply as students for this class. The Nurses' Aides who are working now have definitely become an asset to the hospital, and their work is really valuable to the war effort.

The training of a Red Cross Nurses' Aide consists of classes three mornings a week for four weeks, at Hamilton school, and five weeks of practical work in the hospital—all under the supervision of a registered nurse. Each trained Nurses' Aide is required by the Red Cross to volunteer 150 hours of work per year, and after that time she is eligible for work in the Hospital Blood Bank, the Nursery, or the Clinic. Several Nurses' Aides have been selected by Miss Lynch, the Red Cross Visiting Nurse, to accompany her on visits. There is also a probability in the future of an appeal for Nurses' Aides from Military Hospitals in this area to help care for the wounded soldiers returning from overseas.

There are sixteen students enrolled in the present night class for Red Cross Nurses' Aides which began February 21. Mrs. Wilhelmina Lyman is the instructor. The following women are enrolled:

From Summit—Miss Jane McCoy, Miss Dorothy Bahto, Miss Veronica VonTish, Miss Virginia Lloyd, Miss Sylvia Lamb, Miss Marilyn Bursley, Miss Jane Meeker, Mrs. Ruth Alston.
From Millburn—Miss B. Elleen

Lynch, Mrs. Elma W. Bagg, Miss Catherine Buckholz, Miss Helen Richardson.

From Springfield—Miss Cecilia Russell, Miss Ann Russell, Miss Dolores Mowry, Miss Mary Calvin.

Will of William S. Day

William S. Day, Summit resident, who died February 23, left nothing for his wife, Emily L., now of Hotel Beverly, New York, because she has independent wealth, his

will explains. Separate trusts are established from the residuary estate for three children: Cyrus L., Newark, Del.; Richard L., North Andover, Mass.; and Mrs. Adelaide Howard, Mill Valley, Cal. Upon

their deaths, their trusts pass to their respective children. Any of the children may substitute another institution for Summit Trust Co. as trustee, but the substituted institution, states the will, must be

in New Jersey, Boston, New York or Philadelphia. Investments may be made, according to a further stipulation, in any security listed on the Stock and Curb exchanges, whether or not listed as a legal trust medium.

Robert H. Steele Agency

Sells Whittridge Road House

The Robert H. Steele real estate agency, 95 Summit avenue, has sold for the Home Owners Loan Corporation the frame Colonial

house at 127 Whittridge road. The purchaser is Alfred A. Rochester of the firm of Autenrieth & Wertenstyk, lawyers, Newark.

WE HITCH OUR FLAG TO A STAR!

To the Men and Women
of Ciba Pharmaceutical Products, Incorporated
Lafayette Park,
Summit, New Jersey

I am pleased to inform you that you have won
for the second time the Army-Navy Production Award for
meritorious services on the production front.

You have continued to maintain the high stand-
ard that you set for yourselves and which won you distinc-
tion more than six months ago. You may well be proud of
your achievement.

The White Star, which the renewal adds to your
Army-Navy Production Award flag, is the symbol of appre-
ciation from our Armed Forces for your continued and
determined effort and patriotism.

Sincerely yours,

Robert P. Patterson
Robert P. Patterson
Under Secretary of War

It is a source of pride and real satisfaction to know that
through their continued efforts, CIBA has been awarded the
privilege of displaying a Service Star as a symbol of production
achievement. It is a proud distinction possessed by only a very
small percentage of the country's industrial plants.

This honor will serve as an inspiration to all of us to con-
tinue wholeheartedly in the important task of helping to win the
war. We are resolved to continue to deserve the "E" decoration
and thus be certain that our part will be felt as our invading
armies battle for the fortress of Europe.

All Humans Psychic Henry Gerald Tells Fortnightly Guests

"All human beings are psychic," Henry Gerald told the Fortnightly Club and their guests last Friday night. "The only difference is that I get paid for displaying my powers and you don't."

Mr. Gerald's first group of experiments were based on a deck of cards. A number of people drew cards from the deck in his hands, and he named all of them correctly.

He then gave a series of mind readings which brought applause from his audience. One young woman was thinking of a place which he named as Wareham, Mass., and she said he was right. A man thought of a painter, and Mr. Gerald wrote Rubens on his paper on the platform, also cor-

Shown above is the Exhibits Committee of the Red Cross War Fund. Reading from left to right, first row: Mrs. Hayward Hibberd, Mrs. Walter Alpaugh. Second row, Mrs. Harry Thomas, Mrs. Franklin Kolyer.

PLAN WINDOW DISPLAYS

rectly. He asked a woman to think of her mother's maiden name; he insisted that the first name had four letters and that the last name was Green. His answer was "Anne M. Green." The name really was "Annie M. Wynne." The slight discrepancy in spelling while retaining the similarity in sound seemed to some of the hearers more convincing than absolute perfection.

Mr. Gerald wrote the amount 330310 as the figures of Summit's donation to the Red Cross Drive last year and asked for proof that it was not correct. Miss Mary Davis discovered that these were the exact figures of the New Providence fund last year.

Among the written questions asked which he answered without reading was "who will win the Presidential election?" His answer was "Everyone is dreaming of a White House Christmas." The question, "Will Lepke die tomorrow night?" he answered, "Yes."

The last exposition of his powers was his search for three articles hidden among the audience in his absence. He went straight to the first one, and then more slowly to the other two.

He then responded to a mental command to put on a hat and coat and salute the flag which brought the evening's program to a close.

Nine out of ten men entering the armed forces cannot swim. Fifteen thousand Red Cross Water Safety experts are organizing camp classes, to teach men how to swim under burning oil, how to jump or dive, and how to keep afloat long hours.

Two Shipments Of Clothing Made By Refugee Relief

The committee of the Refugee Relief Workrooms announces two large shipments of clothing, appeals for old blankets from Summit residents.

The shipment was divided into two parts, one for overseas and one for the Navy Relief Committee at the Brooklyn Navy Yard. The overseas shipment comprised 530 new garments, 107 quilts, and 338 used but reconditioned garments, together with 3 boxes of shoes. To the Navy Relief went 101 new garments and 142 reconditioned garments.

The old blankets being sought by the committee will be used for interlinings of quilts. These virtually otherwise useless blankets are greatly needed and the committee hopes many will respond to this appeal.

The committee is desirous of having its friends visit headquarters to see the large variety of articles for sale. Among the items are attractive bags, a large variety of aprons, babies' sweaters and booties, and service bags for soldiers. The receipts from these sales go directly into materials for new garments and are multiplied many times through the new garments turned out by many volunteer workers. Headquarters are at 70 Maple street.

New President To Preside At "Y" Meeting

Mrs. Allen F. Maybee, who was recently elected as vice-president of the Y. W. C. A., to serve as chairman of the Board of Directors, will preside at the meeting of the Board, on Monday, March 13, at 9:30 a. m. The other officers of the Association include: Mrs. Ernest P. Patten, president; Mrs. Frederick G. Eberhardt, secretary, and Mrs. Roger M. Spaulding, treasurer.

Plans for sending a representative delegation from this association to the Regional Conference to be held at Atlantic City, April 21-24, will be considered. The Y. W. C. A. has not had a national convention since 1940 because of the war and thus the regional conference is important as local associations carry on their present program and plan for the post-war period, at these meetings.

Victory Garden? There's A New Aid For Seedlings

Are you planning a Victory Garden this year? Many families in Summit have already been thumbing the pages of seed catalogues and reading instructions sent out by the government relative to proper soil conditions, hints on garden insects and other information that will enable 1944's Victory Gardens to produce more crops than they did last year.

One of the newest aids to those who are planning gardens has just been announced by the Coldwell Lawn Mower Company of Newburgh, N. Y., who has just released an advertising schedule in this paper, selecting us as one of the leading newspapers in the country to announce this aid to the Victory gardener.

This new garden help is a practical method of starting seedlings indoors without soil. It is called the Chemical Crops System and is being merchandised by the Coldwell dealers. It is a compact unit, occupying small floor space.

This unit is sold with all necessary materials, including chemicals, the proper kind of sand and complete directions for producing healthy vegetables and flowers.

It is stated by John A. Wagner, general manager of the Coldwell Lawn Mower Company, that the trend toward home gardening will grow and expand after the war. He said, "The Victory Garden introduces new health and neighborly friendliness. It builds up co-operation. It not only saves people money, but actually helps them earn money. Where there are youngsters working in the garden, there is no worry about juvenile delinquency."

Cable Service To Japanese Held Lands Now Possible

One cable a year of a non-emergency nature may now be sent by "next of kin" to a prisoner of war or to a civilian interned in Japan and Japanese occupied territories exclusive of Java.

This is a new service just developed by the Red Cross because of difficulties in mail communications to that territory. Additional cables may be sent in case of an emergency.

The International Red Cross at Geneva forwards the message which originates in a local Home Service office and is then sent to Washington.

Those using mail service to these countries are limited by Japanese regulations to letters and cards containing 24 printed words or less. They must be of a personal nature with "nothing discourteous" to the Japanese. Any close relative wishing to substitute the cable service as outlined above for the mail service may apply at the Home Service office at 49 Union place.

Families Asked To Give Names of Those Now War Prisoners

So that an honor roll bearing the names of those men from Summit who are now prisoners of war may be displayed, members of their families are asked to make contact with Mrs. John S. Tennant, at Summit 6-5260-J.

The honor roll will be exhibited in connection with the displays now being made during the War Fund drive. Please call between the hours of 9 and 11 o'clock in the morning.

Dr. Dengler Studies Tropical Diseases

Dr. Harry P. Dengler, health officer of the Summit Board of Health, is attending a course in tropical diseases now being given at Rutgers University under the State Board of Health.

According to figures of the U. S. Public Health Service, 60 per cent of the men returning from combat duty in the tropics come home with malaria. This course is designed to prevent the possible spread of such diseases within the state.

B. S. H. Baker Talks To Old Guard On Water Uses

Engineer B. S. H. Baker spoke of water at the regular meeting of the Old Guard on Tuesday evening.

After an analysis of water from the point of view of its chemical properties, Mr. Baker discussed the uses of irrigation and made particular reference to the arid areas in Wyoming which have

YWCA Will Discuss Color Equality All Over World

Members of the Business and Professional clubs of the Summit YWCA will join with members all over the world in celebrating on Monday evening the "World Wide Observance." This is an annual event at which time members of the group gather to reconsider their work of the year past and to outline their program for the year to come.

"Color equality in the world spotlight" is the topic which has been chosen for the discussion this year. Miss Elvira Ambrose, secretary of the business and professional groups at the local association, said that the working for racial equality is summed up in the pledge suggested by the National Council. She added, "This pledge calls on each girl to accept these responsibilities in everyday living:

To act specifically on our convictions, such as indicating to our employers our willingness to work side by side with members of the minority groups; to take every opportunity to make personal protest against discriminatory practices we encounter; to help in opening channels for normal experience to people of minority groups by accompanying them to places from which they are customarily barred if alone, such as theaters and restaurants."

"In her community and in the nation," Miss Ambrose added, "each girl is asked to work toward: Equal education, training and job opportunities, equal voting rights and protection of laws, equal use of public services, theaters, recreational facilities, and restaurants, and the removal of the restrictions forcing people to live in segregated neighborhoods."

The Summit group will join with Westfield and Orange in the celebration of the event. Miss Mabel Simonian will be chairman of the occasion.

Reservations for the dinner should be made through Miss Elvira Ambrose at the YWCA.

The Red Cross, in addition to its first aid and nurse's aide programs, has trained one million people in Red Cross home nursing. During the recent flu epidemic, a home nursing class helped its neighbors with bedside care, saving the time of busy doctors and nurses.

been reclaimed by the use of modern engineering methods.

Making particular reference to this state, Mr. Baker told of the New Jersey methods of purifying and distributing water among the people. "All drinking water," he said, "is chlorinated by the infusion of this gas in such quantities as to eliminate all the harmful elements."

In describing the distribution of water facilities in New Jersey, the speaker explained that the state is divided into four districts. The northern and southern portions are governed by the State Water Commission and the middle districts by their own municipalities. "Large cities like Newark," he added, "have their

own water systems. Small towns are furnished by individual companies such as the Commonwealth Water Company, which operate under the jurisdiction of the State Commission."

In closing, Mr. Baker said that fifty gallons of water was the average per person for one day. This, however, he explained, included the large amounts used by industries and by hydro-electric stations.

After the meeting eighteen of the members went to Bernard's Inn for lunch.

Next Tuesday Rud Merriam will speak on "Music and Musicians." The talk will be illustrated by the use of records.

February Tax Receipts

TOWNSHIP—Mrs. Olga Curtis, collector of taxes, has reported to the Township Committee tax collections for February, as follows: 1944 taxes, \$21,244.07; 1943 taxes, \$676.30; 1942 taxes, \$15,277; 1941 taxes, \$5,777 and property redeemed, \$141.

EDITORIAL THE SIZE OF A MAN

This is the season of Lent. People are invited to examine themselves in the light of Him Who suffered and died on the Cross of Calvary.

In that light what is our size? We offer you a standard of measure in five parts:

1. Moral integrity.
2. Unflinching fidelity.
3. Avowal of religious principle.
4. Unchanging devotion.
5. Faith and confidence in God.

This is a different measure from the usual human measurements, but can you deny their greater importance in determining the true size of a man? In these days which try men's souls, the world needs many people who are truly grown to a size described as the "fulness of stature."

Let us look to Him Who is truly great for wisdom and power to grow.

ALFRED A. FANT,
Pastor, First Ev. Lutheran Church.

"They Live Again" Film With Paul Muni To Be Shown Sun.

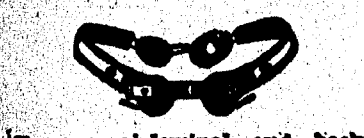

The film, "They Live Again," will be presented by the Summit Chapter of Hadassah, next Sunday evening, March 12, at the Jewish Community Center. The narrator is Paul Muni. The film depicts the wanderings of thousands of European children and their subsequent rescue and rehabilitation through the efforts of Youth Aliyah (immigration).

National Hadassah announces that Wendell Wilkie is now a member of Hadassah Youth Aliyah advisory committee. Stopping in Palestine on his recent trip around the world Mr. Wilkie visited Miss Henrietta Solde, founder of the Youth Aliyah, and counts that day "one of the memorable occasions of my trip."

War-time Novena

The third war-time Lenten novena will open on Sunday, March 21, at the Eastern Shrine of St. Teresa in St. Cecilia's Carmelite Church in Englewood. The novena services will be in honor of St. Joseph and will be held at 3:15 and 8:15 every day from March 12 to March 20. The novena will be under the direction of the Rev. Romaeus W. O'Brien, O. Carm.

Japanese - America Speaks to Y.P.F. At Calvary Church

Benjamin Iijima of Drew University was the guest speaker at the Sunday meeting of the Young People's Fellowship. He told the story of his experiences in a relocation camp in the West. Mr. Iijima is a native-born American of Japanese parents, who were nurserymen on the coast. At the time of Pearl Harbor he was at college. He was advised to hurry home while he could get there. His parents, like many others, were forced to sell everything at a great loss and hurried away to "relocation camps." They believe that the wholesale removal of all Japanese was caused by pressure groups who had been working for a long time and who seized the excuse of Pearl Harbor to accomplish their ends. California has since passed a law making it illegal for anyone of Japanese ancestry, even though an American citizen, to be a nurseryman again. Mr. Iijima said. He and his family, with others, were first sent to a race track, where they lived in a stall for three months, then were sent to a camp. His greatest impression of the camp was that of complete social disintegration, every one for himself. He was finally allowed to leave after a thorough investigation. Most of those who were allowed to leave were college students. He went to work as a bus boy in a hotel but the food he was given to eat was so poor that he could not stand it, and he determined to come East, where he hoped to be treated like a loyal American. He said that he has been full of joy to be able to walk down the street without hostile glances being cast at him. All the men, after leaving the relocation centers were classified as 1-A, and Mr. Iijima expects to be in the army before very long. He said that post-war prospects for his people are very hazy and they have very little to look forward to since they have practically nothing left.

Solemn Novena to St. Joseph At Rosary Shrine

The novena for the feast of St. Joseph will be solemnly opened at Rosary Shrine on Sunday, March 12. The 3:40 P. M. Holy Hour for Peace will be held under the patronage of this great saint to whom was entrusted the guardianship of Jesus and Mary. Thirty-one days of prayer to St. Joseph are being offered by the Cloistered Dominican Nuns especially for the Holy Father, Our Country and for all in military service. "Some Salts," says St. Thomas Aquinas, "are privileged to extend to us their patronage in certain cases, but not in others, with special efficacy; but St. Joseph can aid us in every necessity and in all our undertakings." All intentions recommended to the Sisters will be remembered throughout the month.

The third session of the pre-Easter Communicants' Class under the leadership of Dr. Leonard V. Buschman will be held on Saturday morning, Mar. 11, at 9:30 o'clock in the parish house.

Fellowship
The Fellowship will meet on Saturday, Mar. 11, at 8 p. m. at the home of Mr. and Mrs. Fred Wedekemper, 96 Boulevard. John D. Hood will show pictures of early Summit.

Morning Worship Sunday
"The Fifth Sparrow" will be the subject of the sermon by Dr. L. V. Buschman at Central Presbyterian Church on Sunday, Mar. 12, at morning worship at 11.

Junior Church
Mrs. Vernon Sherman, president of the Summit Story-Tellers' League, will be in charge of the story hour at the Junior church service on Mar. 12, 11 a. m. She will tell stories from the pen of Raymond M. Alden. Young people of junior age will attend regular morning worship, leaving after the Junior sermon for the story hour in the parish house.

Young People's League
The second in the series of studies in prayer will be introduced by Mr. Hartmann at the meeting of the Young People's League on Sunday night, Mar. 12, at 7. Virginia Walters will lead the devotions.

Couples' Club
The members of the Couples' club will attend the United Lenten service at 8 p. m. in the Methodist church, where Dr. Buschman will speak on "The Quest for God." After the service they will return to the Presbyterian parish house for the remainder of their meeting, and refreshments.

Red Cross Sewing Monday
Sewing is done for the Red Cross each Monday from 10 to 4 in the parish house.

Troop 62, B.S.A.
Troop 62, Boy Scouts of America, will meet in the scout rooms on Monday night at 7:30, under the leadership of Scoutmaster Philip Kreider.

Women's Meeting
The annual meeting and election of officers of the Women's Society will be held on Tuesday, Mar. 14, beginning with luncheon at 1. The annual reports will be given in dramatized form, under the direction of Mrs. Clayton T. Griswold. Newly elected officers will take office at this meeting. No tickets for the luncheon will be sold, but those who will come are asked to make reservations with the group leaders or the church office, before 5 p. m. Saturday, Mar. 11.

Mid-week Service
At the Mid-week Service, Wednesday night at 8, Dr. Leonard V. Buschman will lead.

Lenten Prayer Meeting
At the Lenten Prayer service, 10:30 to 11:15 a. m. Thursday, Mar. 16, Dr. Buschman will lead the meditation on the theme of the week: "I and My House."

First Lutheran Church
Sunday Services
Sunday school will assemble at 10 o'clock.
Church will convene at 11. The pastor will preach on the topic, "A Struggle for a Soul."
Wednesday Service
The Mid-week Lenten Service will be held Wednesday evening. Rev. Fant will use as his subject, "Victor and Vanquished."
The Martha Group
The Martha Group will meet at the home of Mrs. E. R. Wagenhals on Thursday, Mar. 16.
Men's Club
The Men's Club will meet on Friday, Mar. 17, at 8 p. m. at the home of Oscar Peterson on the boulevard.

Purim, Feast of Lots Celebrated By Jews In Traditional Way

Today, the 14th day of Adar (according to the Hebrew calendar), is the 2420th annual celebration of the Feast of Purim commemorating the deliverance of the Jews in the days of Haman, the Prime Minister of Xerxes (Ahasuerus), King of Persia, who wished to annihilate all Jews in the Persian Empire. Haman threw lots to find out the best time for him to destroy the Israelites. The Hebrew month Adar seemed to him to be the best of all months since it was a sad month for the Hebrews because in that month the immortal prophet Moses died. Hence the name Purim meaning lots, for Haman cast lots to determine the exact date for the execution of his plans. It was through the agency of Mordecai, the spiritual leader of Persian Jewry, and his cousin Hadassah, known as Queen Esther (Stara in the Persian language means star-beauty) that Haman's malicious plans failed and punishment fell upon him and his cohorts.

The 13th day of Adar (yesterday) is kept as a fast day known as Fast of Esther (Ta'anit Esther) because it was the day appointed for the extermination of the Jews. At both the evening service the last night and the morning service today Megillath Esther (Scroll of Esther) was read in the synagogue. This festival has always been celebrated by sending presents to friends and gifts to the poor. It has been considered from ancient times as a time of enjoyment and good cheer and even the most pious people indulge in merriment during the Feast of Purim.

Wallace Chapel A. M. E. Zion
Sunday Morning
This coming Sunday will be Consecration Day at this church. At the 11 o'clock service the pastor will speak on the subject, "Victory, How Obtained?"
Hour of Consecration
4:30 will be the hour of Consecration. The guest speaker will be the Rev. James Thomas of Drew University.
Special musical numbers will be given by the three choirs, the Juniors, the Seniors, and the Wallace Chapel Gospel Chorus.
Christian Endeavor
At 7 p. m. the Christian Endeavor Group will meet in the school room with the continued discussion on Brotherhood and Race Relations.
Evening Service
The evening service will be at 8, with special readings by the pastor. The music will be in charge of Mrs. Rebecca Lassiter of Madison. Miss Sarah Page will be at the organ.
Next Week's Activities
Tuesday evening at 8 the M.B.C.'s will meet in the community house. Wednesday, at 8, Mrs. Harry A. Marshall will lead her Bible class in the study of the Gospel of St. John.
The mid-week service will immediately follow this class.

Neighborhood House
American Women's Club
Tonight will be Mother-Daughter night at the meeting of the A.M.C. The daughters will put on an impromptu entertainment for the mothers.
Mrs. Harry A. Marshall will be the speaker, using the topic, "Open Doors."
"Mickey's Tent Show"
The Wildcats Boys club will present the sound movie, "Mickey's Tent Show" tomorrow night at 7:30. There will also be selected shorts. The proceeds will be used for a contribution to the Red Cross and for club activities.
Saturday Night
The Italian Men's Club will meet on Saturday evening at 8.
Sunday Night
In place of a service at the Neighborhood House Sunday night, the congregation will attend the Union Service at the Methodist church.
Next Week
Tuesday, Boy Scout Troop 166 will meet at 7:30.
Wednesday, at 8:15 there will be a basketball game.

St. John's Lutheran Church
Sunday Services
Bible School at 9:45.
Morning Worship at 10:30. The sermon by Pastor Hinman will be "Handicaps."
Lenten Service
The topic of the pastor's talk at the Lenten Service Wednesday evening at 8, will be "Moses and the Burning Bush," suggested by Alex. W. Sampson, Ph.M. 2/c now in North Africa.
A/C Fred T. Bender has been invited to be guest organist.

Dr. R. R. Williams Gives Memorial In Honor of Parents
Dr. R. R. Williams of Summit avenue, chemist of the Bell Laboratories, and internationally known for his researches in Vitamin B, has recently given a fund of more than \$5,000 to the American Baptist Foreign Missionary Society, for the purpose of building a cottage at the Vellor Medical College in India.
The gift is a memorial to Dr. Williams' parents who were Baptist missionaries in South India, where he was born.
The Williams Memorial Cottage will provide a home on the campus for one of the doctors or professors of the college.
Dr. Williams is active in the work of the First Baptist church here, where he is serving at the present time on the board of World Fellowship. He is also a member of the board of the Summit Atheneum.

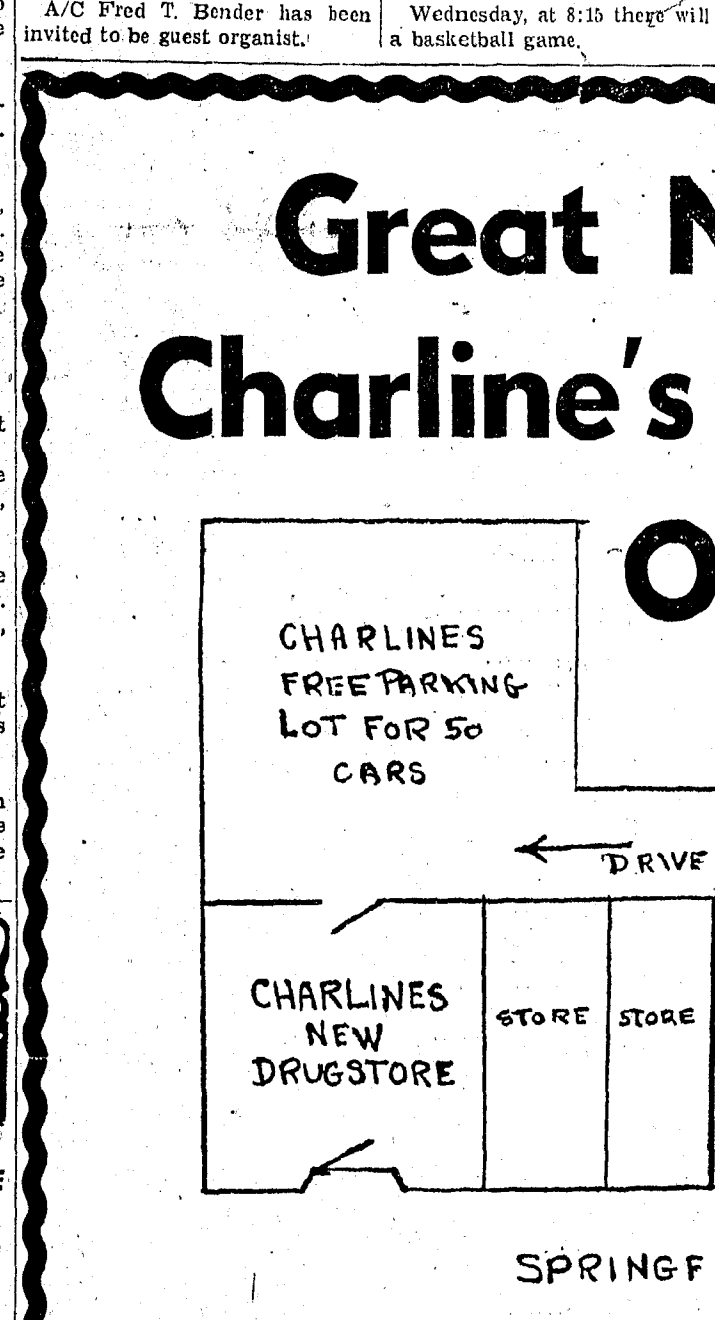

Methodist Church Annual All Members Meeting and Dinner
A meeting of the members of the Methodist church will be held in the parish house at 8:30 p. m. March 16, for the purpose of electing three trustees to serve until March 1, 1947, in the place of Ernest D. North, John M. Reeves and Fred M. Williams, whose terms of office expired March 1, 1944.
A dinner will be served in connection with the annual meeting. Mrs. Williams is in charge of tickets and since the number will be limited, reservations must be in by the previous Sunday.

Jewish Community Center
The Sabbath Service will be held Friday evening at 8. At 8:30 the Rabbi will preach his sermon.
The Sabbath morning service will be at 9 o'clock.
The Post-Bar-Mitzvah classes will meet at 1:30 on Saturday afternoon.
Sunday-School classes meet between 10 and 12 noon.
Hebrew Classes
On Tuesday and Wednesday from 3 to 6, Hebrew classes for school children are taught by Rabbi Cohen.
The Hebrew class for women is held at 1 on Tuesday.

Nature in Full Color Lecture Presented By Men's Club

The Men's Club of the Presbyterian Church will sponsor an entertainment by Harold C. Todd, nature photographer, who will give an illustrated lecture on "Nature in Full Color" on Tuesday evening, Mar. 21.

The works of man and his creative genius, and the Master Craftsman as exemplified in Nature will be compared by a variety of pictures covering the moods and phases of nature. There will be pictures of wild-life birds, garden flowers and many others of the wonders of the out-of-doors. A journey through the world of color will be taken in an effort to take the audience, for a brief time away from the present heartaches of war.

The photographs to be shown were taken by Mr. Todd and represent the subjects in their natural habitats. They are shown, not stuffed or dead, but as living, and in the normal conditions of their existences.

The Church High School Orchestra, under the direction of Wilbur Wolf, will provide the musical prelude for the lecture.

The Men's Club have extended invitations to the women's Missionary Society, the Fortnightly Club, the Summit Nature Club and the Old Guard.

DEEDS

SUMMIT

Anna Baker, executrix and trustee, and others to Anna Baker, property in the northerly sideline of Mountain avenue, 120 feet from Midland terrace, if extended.

Melrose Building and Loan Association to Leishman R. and Frances C. Wrathall, property to the westerly side line of Hillview terrace.

Mr. and Mrs. R. Bert Fehren to Mr. and Mrs. Alonzo F. Weed, property in the southerly sideline of Beekman road, 359.74 feet from Beekman terrace.

Calvary Episcopal Church Services This Week

Friday, Mar. 10 — The guest preacher at the Noonday Service will be the Rev. Charles R. Stires, Rector of Christ Church, Bloomfield and Glen Ridge.

Monday, Mar. 13 — St. Mary's Chapter will meet in the parish house at 2 p. m.

Tuesday, Mar. 14 — Evensong with the Junior Choir and address by the Rev. Mr. Francis on "Some Parables of Our Lord" at 4:45.

Wednesday, Mar. 15 — Evening Service in the parish house with address by the Rector and hymn-singing at 8 o'clock.

Thursday, Mar. 17 — Holy Communion in the chapel at 10 a. m.; Rector's Study Class, 10:45 in the parish house, the subject being "The Acts of the Apostles."

Young People's Fellowship

During March the Young People's Fellowship will meet at 6 p. m. for a buffet supper. The guest speaker on March 12 will be the Rev. G. Murray Branch of Madison.

On Monday evening, Mar. 13, the group will attend the regular meeting of the Morristown District of the Fellowship to be held at the Church of the Redeemer in Morristown.

Church of Christ, Scientist

"Substance" is the Lesson-Sermon subject for Sunday, Mar. 12. Golden Text: "The invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead." (Rom. 1:20)

Sermon: Passages from the King James version of the Bible include:

"And ye shall seek me, and find me, when ye shall search for me with all your heart." (Jer. 29:13)

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"Look away from the body into Truth and Love, and Principle of all happiness, harmony, and immortality. Hold thought steadfastly to the enduring, the good, and the true, and you will bring these into your experience proportionably to their occupancy of your thoughts." (p. 261)

War Service Need On Home Front Told to Kiwanis

"We should spend more time trying to solve our own bottlenecks rather than to gripe about our leaders at the top," declared Mrs. Robert S. Powell of Madison, chairman of the committee on War Service for the New Jersey State Federation of Women's clubs, guest speaker at Tuesday's luncheon of Summit Kiwanis club in the Hotel Beechwood.

To support this point, the speaker cited how most communities were lagging in their contribution to the nation's salvage program, particularly in the field of paper, fats and tin cans. She said, "We have it on our own to make or mar the salvage program, the OPA program, or the OCD program."

Before making an appeal to support the Red Cross War Fund Campaign, Mrs. Powell reminded

her listeners, "The government we have at any level is exactly what we make it and put into."

Speaking of the Red Cross, the Madison woman said, "It is not our job to complain, it is our job to know." She declared that for every paid worker the Red Cross had, there are 300 volunteer workers.

The speaker at next Tuesday's luncheon of the club will be Major Harry A. Lotman in charge of the Army hospital, at Wequahic Park, Newark.

Seriously Wounded Somewhere In Italy

Word has just been received by Mrs. Margaret Ryan of 14 Beauvoir avenue, that her son, Pfc. Edward J. Ryan, was seriously wounded in action, "somewhere in Italy," on February 1.

Pfc. Ryan was a student at Summit high school when he enlisted in the army, last April. He was then 18 years old. He has two brothers in the service, William in the army, and James in the Navy.

WHEREVER he may be, his country has provided him with the best guns, the best uniforms, the best food that skill and money can produce.

But there are some things that cannot be handed out by Government Issue.

And these are the things he misses most... his Dad's friendly counsel, his mother's homey touch. These are the things he needs... the things he gets through the Red Cross, your Red Cross... his home away from home.

They seem like little things in print... coffee and doughnuts after a long march... a bed with real sheets when he is on furlough... real American cigarettes and chocolate bars... and men and women stationed everywhere, at every tiny outpost... to bring him comforts, service and companionship.

Little things?—Perhaps.

But these are the "little" things that count—the things that help your boy to do his man-sized job. These are the things that prove to him—when the going is toughest—that his people haven't forgotten him.

For Red Cross is at his side:
* * *

You have given your sons...
You have done the extra work... donated your blood and bought your bonds.

Yes, and you have helped the Red Cross before. Giving to the Red Cross has always been a great proud habit of thirty million American families... proud that they could give... proud of Red Cross that made giving worthwhile.

But this year, when the need is greater than ever, when we serve more than eleven million American boys all over the whole world—this year you will want to give more... to give freely to your own Red Cross... to your own sons in the service.

This year dig deep and be glad. For wherever he is

**GIVE TO THE
RED CROSS**

**The RED CROSS is at his side
and the Red Cross is YOU!**

Social

College Club Reading Group

The College Club Reading Group will hold its next meeting on Tuesday, Mar. 14, at 2:30 at the home of Mrs. Grant Hector, 103 Fernwood road.

The first meeting of the group was held at the home of Mrs. B. H. Martin to organize and discuss the development of a program. It was decided to keep the program flexible, experimenting with various approaches, and reading both for pleasure and information until the interests of the group were established. This month both a fiction and non-fiction book will be reviewed. Mrs. Martin will review Santayana's "Persons and Places," and Mrs. Frederick K. Bullwinkel will review "A Tree Grows in Brooklyn." Meetings will be held on the second Tuesday of each month.

Members of the College Club interested in joining this group or in forming a neighborhood group are asked to call Mrs. Hector.

Production Administrator To Visit Red Cross

Miss Vera Tompkins, assistant administrator of Red Cross Volunteer Special Services in the North Atlantic Area, will be the guest of the Production Corps at the Red Cross Chapter house today. Miss Tompkins is in charge of production in this area and will have a message for all volunteers interested in this work.

An informal meeting will be followed by a tea at which the Fortnightly Red Cross sewing group will act as hostesses.

Summit Dancing Class

The Summit dancing class met on Saturday evening for cocktails and a box dinner at the Masonic Hall. Music for the dancing was furnished by Gus Steck's orchestra.

Helen Gadebusch Chooses Bridal Attendants

Miss Helen Brigham Gadebusch, daughter of Mr. and Mrs. Paul H. Gadebusch, Jr., of Bellevue avenue, will be married to C. Duncan Brough, son of Mr. and Mrs. Percy Brough of Badeau avenue on March 25. The ceremony will be performed by the Rev. Walter Ovid Kinsolving, rector of Calvary Episcopal Church at the home of the bride-elect's grandmother, Mrs. Paul Gadebusch of Badeau avenue.

Miss Grace Davidson will be maid of honor, and Miss Norma Brough, Mrs. Charles H. Anderson, Miss Drusilla Clark, all of Summit and Miss Barbara Pollard of Chatham will be bridesmaids. Pvt. William Youngs of New York, formerly of Summit, will be best man. The ushers will be Donald Burns, Robert Alesbury, U.S.N.R., Paul Gadebusch, 2nd, and Mark Matz.

The couple will make their home in New York City.

LEAP YEAR BIRTHDAY

Rochelle Walden, daughter of Mr. and Mrs. Alcus A. Walden of 30 William street celebrated her first and fourth birthday on February 29. For her first birthday party she had Edward and Patty Martin, Patty DeCorso, David Formichella, Betty Bencivenga, and Geradine Blumetti as her guests.

TO WED AIR CORPS OFFICER

MISS JEAN ALISON SEARLES

Jean A. Searles To Wed Lt. Beals Of the Air Corps

Mr. and Mrs. John C. Searles of 11 Clinton avenue, New Providence Borough, announce the engagement of their daughter, Jean Alison, to Lieutenant William J. Beals, Jr., son of Mr. and Mrs. William J. Beals of 348 Wister road, Wynnwood, Pa.

Miss Searles, a graduate of Summit High School, is a sophomore at State Teachers College at Trenton, N. J. She is a member of Gamma Sigma sorority. Lt. Beals, a graduate of Lower Merion High School, Wynnwood, Pa., was a senior at Franklin and Marshall College, Lancaster, Pa., prior to his enlistment in the Air Corps. He is a member of Sigma Pi fraternity.

Lt. Beals, a graduate of San Angelo Army Air Field Bombardier School, is now stationed at Columbia, S. C.

will be Mrs. David S. Loudon, Mrs. George Covalt and Mrs. Amos Hiatt.

Mildred Podeski Is Married to George A. Frost

Miss Mildred Podeski, daughter of Mr. and Mrs. Stanley Podeski of Morris avenue, was married on Saturday afternoon to George A. Frost of West Orange. The ceremony was performed by Father Kelly at St. Teresa's Church at 4 P. M.

Given in marriage by her father, the bride wore a gown of white satin with a finger-tip veil, and carried a bouquet of white roses. Miss Louise Podeski, a cousin of the bride, was maid of honor. She wore a dress of blue satin.

Chester Maksym was best man. Mr. Frost is a graduate of West Orange High School and is now employed by the Curtiss Wright Corp.

The couple will make their home in West Orange.

WEDDING BREAKFAST

LT. AND MRS. ERNEST J. JARDILLO

Miss Yannotta Is Wed Here To Lt. Jardillo

Miss Bridget Yannotta, daughter of Mr. and Mrs. Pasquale Yannotta of 20 Henry street was married on Monday morning to Lt. Ernest J. Jardillo, son of Anthony Jardillo of Ashwood avenue. The ceremony was performed at St. Teresa's Church by Father Holland at 10 o'clock. There was a wedding breakfast at the Beechwood Hotel. Given in marriage by her father, the bride wore a gown of white satin and a tulle veil with a beaded cap. She carried a white prayer book and gardenias. Her sister, Miss Antoinette Yannotta, was

her only attendant. She wore a gown of white brocaded satin and a small lavender hat, and carried a bouquet of lavender sweet peas. Andrew Chullo was best man.

Mrs. Jardillo is a graduate of Summit High School and is now working with the Canoe Brook Farms.

Lt. Jardillo is also a graduate of Summit High School and received his commission on Sunday when he completed the Officers' Training Course at the Edgewood Arsenal in Maryland.

After a honeymoon in New York City, Lt. Jardillo will return to Edgewood Arsenal and Mrs. Jardillo will continue her work while living at home.

Miss Porterfield Engaged to Wed Ensign Benson

Announcement has been made of the engagement of Miss Margaret Handy Porterfield, daughter of Mrs. M. H. Porterfield of Chestnut Hill, Philadelphia, and of Dr. Willard M. Porterfield of New York City, to Ensign Herbert Earl Benson, U.S.N.R., son of Mr. and Mrs. A. H. Benson of Detroit, Mich.

Miss Porterfield, who was born in Shanghai, China, where her father was for many years head of the Department of Biology at St. John's University, is a graduate of Germantown Friends' School, and made her debut in Philadelphia in 1939. She is a niece of Mrs. Francis H. Gilpin and Mrs. Arthur D. Moir, both of Chestnut Hill, former residents of Summit.

Ensign Benson is a graduate of General Motors Institute of Flint, Mich., and was associated with the Cadillac Motor Co. in Detroit before entering the service. He is now stationed at Bremerton Navy Yard, Seattle, Wash.

Watching Troops To Begin Season March 15

Applications for membership in the Watching Troops, riding out of the Union County Park Commission stable in the Watching Reservation are still being received.

Accepted again as members of the advanced group were Betty Smith, Donald Mitchell and Betty Bowles. They are graduate members of the boys' and girls' troops and will begin riding on March 15.

The Watching junior troop for those under twelve will begin riding on March 20. Teddy Meyer and Polly Betts are members of this group.

The Watching Girls' Troop for those who have had previous experience will begin riding on March 16. This group will include Sarah Brown, Joyce Hunter, Marcia Buzzell, Nancy Cawley, Jean Roberts, Jean d'Este, and Pat Horner.

You couldn't select a better time to have Bedrosian clean your rugs and carpets. Make your work easier at housecleaning time by sending your rugs to Bedrosian for the kind of care and cleaning good rugs deserve.

There is a message to young men soon to enter the services of their country. Typists are still badly needed in the Armed Forces. Prepare yourself for this worthy work. Enroll at Summit Secretarial School for their laboratory typing course.

Ladies! pardon us for bringing up the painful subject of housecleaning again. However, we all know it must be done. Rogers' Pharmacy can supply you with larvac and di-chloride. The surest way to cancel moth worries.

You can count on Trost Bake Shop to cater to your St. Patrick's Day parties. Trost will surely have inviting looking dainties on hand. Shamrock cookies, layer and cup cakes will be a few of their variety.

Spring is in the weather so let's talk about spring in the heel. If you are comfortably fitted with shoes, there will be a lightness in your step. Exchange your shoe room coupon at Hall's Shoe Store for fine fitting.

You will find many different styles and period designs in the furniture being shown at the Doyle Furniture Store. For existing conditions, the choice is still surprisingly wide. Rely on Doyle quality and lower prices.

It is well worth a visit to The Vase Store, Newark, to investigate their gorgeous leather handbags. These bags of exceptionally fine leather, would compliment your Spring suit. Enjoy the pleasure of owning one.

Most women are too busy these days to take time for laundry labor. The Mayflower Laundry, Millburn, saves the housewife hours of work each week. Mayflower is better equipped to handle your laundry and they do excellent work.

You will look slim and trim in the new navy dresses now displayed at The Hollywood Shop. The present mode is practical and long lasting. They are shown smartly trimmed with snow white or pink peppermint. Choose a trick little hat to match.

A change in coiffure often does a great deal to lift one's spirit. With Spring approaching, why not get out of the rut and have yourself a brand new coiff? Let The Jeanne Beauty Shoppe give you this new coiffure.

Many mothers are finding it a big advantage to have the Jay Studio come right into the home to take photographs. If you have been putting off having your child's picture taken due to difficulties in travel, call Millington, 679-J.

Look at the Summit Trust Company's ad on Thrift this week. Squirrels know by instinct to scurry and save for stormy weather ahead. If you have formed the habit of saving, you too, will be considered thrifty.

Here's a good chance to stock up on future birthday, Christmas, or wedding gifts. Fireside Corner Gift is going out of business for the duration. Stop in Fireside and select some of their attractive merchandise at real reductions.—Adv.

Tryouts for Amateur Show in Full Swing

Kathleen Clark tries out for fourth show...

When the annual "Radio Raves" amateur show is staged by RCA employees this spring, it will be the fourth for Kathleen Clark. Miss Clark, who has had a part in making radio tubes at the RCA Harrison plant for more than 8 years considers the "Radio Raves" one of the biggest events in the RCA recreational program.

More women and girls are needed (full or part-time) at the RCA Harrison plant to make vital radio tubes. You can apply at the RCA employment office, Sussex and Fifth Streets, Harrison, weekdays between 8 a.m. and 5 p.m.

FOOD CLINIC CONSULTATION

A group of women gather above during the consultation period of the War Food Clinic at the Public Service.

PERSONALS

Mrs. F. N. Cowperthwait, Jr., of Kent place boulevard entertained at buffet supper and bridge Wednesday night for friends whose husbands are in the armed service.

Mr. and Mrs. Richard Laux and their two children of Surrey road, Richard, Jr., and Mary Emma have returned from a week's visit to Buffalo.

Mrs. William B. Leavens of West Orange, formerly of Summit celebrated her birthday last week with her daughter, Mrs. Austin Winters of Ashland road.

John Williams, son of Mr. and Mrs. F. M. Williams of Primrose place left Sunday night for Floyd Bennett Field, Long Island, where he will be stationed for two months. He has just completed two semesters of the V-12 course at M.I.T. and spent four days with his family between assignments.

His brother, Lt. (j.g.) R. E. Williams, who is now at Submarine School in New London, was also home for the week-end.

William L. Sly, son of Dr. and Mrs. John L. Sly of Beechwood road was home recently for a few days after completing his freshman year at Cornell University. He enlisted in the Navy and returned to Ithaca, N. Y., to enter the V-12 program at Cornell.

John Decker, son of Mr. and Mrs. George Decker of Pine Grove avenue is at Miami Beach, Fla. He will enter the service the end of this month. His brother, Malcolm, will be home for spring vacation from the Hill School on March 15. Malcolm has been given the lead in the spring play to be given by the school drama club.

J. Putnam Brodsky will give a dinner party at his home in Mountain avenue for a group of friends before the Friday evening dance at Hobby Hall.

Commander James L. Truslow, USNR and Mrs. Truslow who have been living in Washington for the past two years recently bought a home at 21 Waldron avenue. Commander Truslow is now stationed in North Africa. Mrs. Truslow has with her at her home her four sons and her mother, Mrs. Eugene Kendall of Cambridge, Mass.

Hahne & Company Tenth Anniversary Woman's Club Day

The tenth anniversary of Club Woman's Day will be observed March 23 at Hahne & Company, Newark. Mrs. Charles S. Maddock Jr. of Trenton will assume the duties of J. C. Buck, President of Hahne & Company. The following executive positions will be taken over by members of the Federation for that day: Mrs. Stephen J. Francisco of Little Falls as vice-president, Mrs. George C. Witt of Ramsey as treasurer and Mrs. A. Stanley Myers of Jersey City as director of merchandise presentation.

C.D.A. to Sponsor Card Party

On Friday evening, Mar. 17, Court Benedict No. 611, Catholic Daughters of America, will sponsor a card party, in St. Teresa's Auditorium, Morris avenue, at 8:30. Tickets will be 50c including tax.

The committee in charge under the chairmanship of Mrs. Rosemary Gelson, will be: Miss Julia Smith, Miss Edna Mullin, Mrs. Julia Forbringer, Mrs. Catherine Denman, Mrs. Mabel Peer, Mrs. Catherine McCabe, Miss Mary Young, Mrs. Helen Joyce and Miss Catherine Masi.

Local Chairman For College Meeting

Mrs. Edwin J. Gahr of Fernwood road is in charge of reservations in this area for the regional conference for Wellesley Alumnae to be held on March 10 at the Cosmopolitan Club in New York City. This meeting has been arranged to replace the alumnae councils and Jung reunions, usually held at the college, which have been discontinued for the duration.

BIRTHS

A son to Mr. and Mrs. Ellsworth Carpenter of 116 Glenside avenue, on March 1.

A daughter to Mr. and Mrs. John Hudgins of 22 Orchard street, on March 5.

A son to Mr. and Mrs. Robert Larson of 14 Morehouse place, on March 4.

A daughter to Mr. and Mrs. Charles Pizutti of 12 Shunpike road, on March 4.

Reports & Charts At Summit Home

Report cards are an old story to all school children. At the Summit Home for Children, school reports have shown all the children to be at or above normal in all subjects. Mrs. Frances E. Henschel, the home director, visits the school where the children attend, and takes a personal interest in each child's work. She has recently made charts at the home for each child, on which cooperation, promptness, obedience, honesty, manners, good deeds, unnecessary noise and neatness are recorded. These are kept where all may see. The children are tremendously interested in watching their averages each week and the plan has proved valuable for those who need it, Mrs. Henschel said.

Smith College Club To Hear of Activities Of Council and College

Mrs. Woodruff English, who as a representative of the local Smith College club attended the meeting of the Alumni Council held at the college, Northampton, Mass., in February, will tell the club of the activities at council and college. The meeting will be held at the home of Mrs. Oliver B. Merrill, 31 Tulip street, tomorrow (Mar. 10) at 2:45 p. m. Acceptances should be made to Mrs. Daniel Heald, chairman of hospitality, Silver Lake road, Morristown.

Announcing a Girl Baby

Mr. and Mrs. George Brauman of 411 Winthrop road, Union, announce the birth of a daughter, Jill Edna, on Sunday, Feb. 27, at Overlook Hospital. They have two other children, Richard 4 and Robert 1 1/2. Mr. Brauman played football for Summit High School and formerly lived at 94 Kent Place boulevard. Mrs. Brauman is the former Shirley Rickard of Jersey City and is the niece of Mr. and Mrs. Frank J. Haberstroh of DeForest avenue, this city.

MOTOR CORPS OFFICERS

Members of the Summit Motor Corps stand with their station wagon in front of the Chapter House. Reading from left to right they are Lt. Russell, Capt. Krieger, Lt. Nydegger, Lt. Weston and Lt. Smith.

Junior High Art Students Exhibit Work

The regional show of the National Scholastic Exhibition was held last week at L. Hamberger & Co. in Newark. The art work of seventeen Junior High students was selected for hanging, for which they will receive a Certificate of Merit.

From Central Junior High, Bob Marvin, Joan Nelson, Ellen Stiles, Mimmie Brewer, Barbara Smith and Marian Van Winkle exhibited sculptor work. Yvonne Laird, Jim Piano, Frank Holcombe and Herbert Hazelton exhibited water colors, and a cartoon by Robert Morgan was accepted. From Edison School, Danny Caporaso, Ralph Malloy and Bill Wilberg all had their water colors accepted. Miss E. Adele Heprorn took several groups of students to the show during the week and they were most enthusiastic.

Square Dance And Card Party P.T.A. Benefit

There will be a square dance and card party on Friday, Mar. 17, at the Summit High School for the benefit of the Senior High P.T.A. Mrs. Walter A. MacNair is chairman in charge of the benefit, and Mrs. H. C. Thompson, Jr., is chairman of the hospitality committee. Time—March 17 at 8:30 p. m. Place—Summit High School.

Girl Scouts to Celebrate Thirty-second Birthday

This Saturday, March 11, marks the 32nd anniversary of Girl Scouting. The Summit Girl Scouts will celebrate with a party in the Lincoln School auditorium at 1:45 o'clock. After singing led by Mrs. L. F. Gay, leader of Troop 25 of New Providence, there will be a flag ceremony with Troop 6 furnishing the color guard. Troop 10, directed by Mrs. A. L. Dun and Mrs. C. E. Fisher, will present a play adapted from A. A. Milne's "The King's Breakfast." Polly Croyder, Mabel De Pus, Marilyn Ogden and Sally Jane Steinmetz make up the cast.

In keeping with the war effort the large cake lighted with 32 candles will be made of paper and paste by Troop 7 of Roosevelt School. They feel that the cardboard replica will serve the purpose nicely and save sugar, eggs and butter.

A four-reel sound movie "The Call of the Wilderness," an adventure story of animal life in America's Northwest, will be shown.

After the movies, refreshments will be served. Troop 15 of Calvary Church will serve as ushers and the balcony is reserved for parents and friends.

Summit Boys On Pingry School Honor Roll

The following Summit boys were on the first honor roll at the Pingry School in Elizabeth for the month of February. To be on the first honor roll a boy must have an average of 85 or more for any month with no subjects below 80: George Wesley Eason, son of Dr. and Mrs. Samuel Eason of 48 DeForest avenue, and David T. Wendell, son of Mr. and Mrs. Edward N. Wendell of 2 Crest Acre court.

The following boys were on the second honor roll for February. To be on the second honor roll a boy must have an average of 80 with no marks below 75: William Hildeburn, son of Mr. and Mrs. William L. Hildeburn of 20 Llewellyn road, Edward T. Kenyon, son of Mr. and Mrs. Theodore S. Kenyon of 80 Bellevue avenue, James Toffey, son of Mr. and Mrs. Harold J. Toffey of 121 Whittredge road, Charles E. McKenney, son of Mr. and Mrs. Maurice R. McKenney of 24 Sunset drive, and Edmund K. Summerby, son of Mr. and Mrs. John J. Summersby, Jr., of 11 Fernwood road.

14,000 Red Cross workers have been assigned to the Armed services here and abroad during the past year.

Two and one-half million men and their families have been assisted by the Red Cross during the past year.

Top LAST YEAR'S CROP!

GROW YOUR OWN SEEDLINGS BY THE COLDWELL CHEMICAL CROPS SYSTEM AND GET OFF TO A GOOD START FOR YOUR VICTORY GARDEN.

This year why not raise your own seedlings... nourishing them by means of chemicals? With this method, the Coldwell Chemical Crops System, you have absolute control over the nourishment of your seedlings. All the elements found in the richest soil are there in the proper proportion.

A PRACTICAL SYSTEM

The Coldwell Chemical Crops System lays no claim to magic. It does promise, however, harder, healthier, more transplantable seedlings, more productive plants, in a shorter growing period. It is a simple system. It does come to you as a complete unit... all you have to add is water.

WHAT THE UNIT CONSISTS OF

1. A strong, sturdy wooden seed bed, with reservoir and catch basins—22 inches by 12 inches.
2. Clean, sterile, graded sand properly mixed with rice.
3. Four packages of chemicals to which water is added to make up the solution for the seed.

See Coldwell Chemical Crops System at your Hardware, Seed or Dept. Store. Write to:

COLDWELL Chemical Crops System Co., NEWBURGH, N.Y.
MANUFACTURERS OF LAWN MOWERS AND HORTICULTURAL EQUIPMENT SINCE 1897

ADVANTAGES OF THE COLDWELL CHEMICAL CROPS SYSTEM

1. Controlled nourishment—better root systems—hardier, healthier, more productive plants.
2. Earlier seedlings plus sand for growth means earlier crops. Unit will grow all seedlings for one 2' x 30' Victory Garden.
3. Freedom from soil diseases and pests.
4. No dirt—a clean system—no mess.
5. The unit may be used for more than one crop of seedlings. Also for flower seedlings. Continuous profitable use means economy.

NEW PROVIDENCE Borough

Neighbors Kill Pig For Own Use, Lose No Points

BOROUGH—Councilman A. G. Harms and one of his neighbors, Luke Marshall, are pointing the way to their fellow townsmen on how to have plenty of meat without ration stamps.

On a recent week-end the two borough men got together and slaughtered a 130-pound porker which they had raised on their premises "for at least 60 days immediately preceding the slaughter," had increased "its weight by at least 35 percent of its weight when acquired."

The above porker was the second slaughtered by Messrs. Harms and Marshall. Last fall they killed one that weighed 350 pounds.

Additional Borough News on Page 18.

Lincoln Students Start Jr. Red Cross Project

BOROUGH—Thelma Short, a representative of the Junior Red Cross, recently visited Lincoln School and displayed for the teachers samples of work Junior Red Cross workers can do. Each teacher made a selection from the samples of types of work students in the schools will undertake. The finished products will be taken to Summit later in the year for exhibition.

BOROUGH OF NEW PROVIDENCE

NOTICE OF PUBLIC SALE
NOTICE IS HEREBY GIVEN, pursuant to Revised Statutes 40:60-28 of the State of New Jersey, and amendments thereto and supplements thereof, that the Borough of New Providence, a municipal corporation of the State of New Jersey, will sell, at public sale, all its right, title and interest in and to all that certain tract or parcel of land and premises, situate, lying and being in the Borough of New Providence, in the County of Union and State of New Jersey, and more particularly described as follows:

BOROUGH OF NEW PROVIDENCE

PENDING ORDINANCE
AN ORDINANCE TO FIX THE SALARIES OF THE CLERK, COLLECTOR, TREASURER, RECORDER, DEPUTY CLERK, INSPECTOR, AUDITOR, TAX SEARCHER AND THE MEMBERS AND THE CLERK OF THE BOARD OF ASSESSORS OF THE BOROUGH OF NEW PROVIDENCE, NEW JERSEY.

BE IT ORDAINED by the Mayor and Borough Council of the Borough of New Providence, New Jersey:

- The salary of the Borough Clerk for the year 1944 in his capacities as hereinafter designated shall be as follows: One Thousand Five Hundred Dollars (\$1,500) Dollars, as Secretary of the Board of Health, the sum of Two Hundred (\$200) Dollars, as Secretary of the Planning Board, the sum of One Hundred (\$100) Dollars, and as Secretary of the Board of Adjustment, the sum of Fifty (\$50) Dollars, said salaries to be paid monthly.
- The salary of the Borough Collector for the year 1944 shall be One Thousand Six Hundred Dollars (\$1,600) Dollars, payable monthly.
- The salary of the Borough Treasurer for the year 1944 shall be Seven Hundred Fifty Dollars (\$750) Dollars, payable quarterly.
- The salary of the Borough Recorder for the year 1944 shall be Three Hundred Dollars (\$300) Dollars, payable quarterly.
- The salary of the Borough Building Inspector for the year 1944 shall be Two Hundred Fifty Dollars (\$250) Dollars, payable quarterly.
- The salary of the Borough Auditor for the year 1944 shall be Seven Hundred Dollars (\$700) Dollars, payable quarterly.
- The salary of the Borough Tax Searcher for the year 1944 shall be One Hundred Seventy-five (\$175) Dollars, payable monthly.
- The salary of each member of the Board of Assessors for the year 1944 shall be Two Hundred Fifty Dollars (\$250) Dollars, payable quarterly, and the salary of the Clerk of the Board of Assessors for the year 1944 shall be One Hundred Dollars (\$100) Dollars, payable quarterly.

The salaries herein set forth shall be effective as of January 1, 1944.

All Ordinances inconsistent herewith are hereby repealed and this Ordinance shall take effect immediately in the manner provided by law.

I, Thomas C. Musson, do hereby certify that the foregoing ordinance was duly introduced and passed at first reading at a regular meeting of the Borough Council of the Borough of New Providence held on Monday evening, February 21, 1944, and that said ordinance will be submitted for consideration and passage at the next regular meeting of the said Borough Council of the Borough of New Providence to be held on Monday evening, March 20, 1944, in the Borough Hall of said Borough of New Providence at 8:30 o'clock (War Time) at which time and place any person who may be interested therein shall be given an opportunity to be heard concerning said ordinance.

Dated: February 23, 1944.
THOMAS C. MUSSON, Borough Clerk.

BOY SCOUT TROOP NO. 63 SPENDS A WEEK-END CAMPING IN OAKWOOD PARK

BOROUGH—On a recent week-end, members of Boy Scout Troop No. 63 of the Borough camped in Oakwood Park, doing their own cooking. In the picture (left), standing left to right and supervising the cooking are Frank Sharp, Louis Cucco and Pierce Ormond. In

the picture, right, seated around the table (counter clockwise) are Scoutmaster Harry Schlichting, William Landmesser, Tony Coletta, Frank Sharp and Louis Cucco.

Officials Inspect New Fire Truck, Visit Linden Fire

BOROUGH—Fire Chief Elmer Ayers, Walton Osborne, foreman; Dayton Parcels, assistant foreman; Councilman E. R. Hansell, chairman of council's fire committee; former Councilman Richard Badgley, also former chairman of the fire committee and C. Ernest Fischer, mechanical expert for the New Providence Fire Department, journeyed to Long Island City, L. I., last Thursday night to inspect the new fire truck on which delivery is expected at an early date.

Chief Ayers says the truck, with minor exception, is about ready for delivery, with the paint job yet to be done. While Borough Council acted favorably more than a year ago on the purchase of a new fire truck, actual purchase and delivery has been held up because of Federal regulations that had to be followed. Last winter a group of councilmen journeyed to Washington, D. C., to gain War Production Board approval for getting a new truck but without much result.

On their Thursday night journey home, the New Providence group as they were riding over the Pulaski Skyway, saw evidence of more than a usual fire ahead. Because of their interest in fire department work, the New Providence men followed the sky illumination and came to the huge tank fire in Linden that was publicized at the time in all metropolitan newspapers. As the local men approached the neighborhood of the fire, they found the road blocked off to all travelers. Yet, when they identified themselves as the New Providence Borough Fire Chief and party, they were allowed to approach the area of the fire and observe the methods used to fight it.

ADVANCED IN RANK

MAJOR LESTER GIEGERICH
As reported in last week's Herald, Lester Giegerich has been advanced to Major in the Air Corps.

study book, "For All of Life," will be used for discussion, with three leaders, Mrs. Nellie Webb, Mrs. Wm. J. Kaufman and Mrs. C. H. Yerkes.

Taxpayers League President Tells Of Group's Aims

BOROUGH—In commenting to The Herald about the aims and purposes of the Taxpayers League, President T. C. Cleaver, issued the following prepared statement:

"The primary reason for the Taxpayers League in the Borough of New Providence was to make the citizens Government Conscious.

"For years the various controlling groups of our local government had been discharging their duties as Public Servants without the benefit of the one thing necessary for an efficiently governed community, namely, 'Public Interest.'

"In the Spring of 1942 a handful of taxpayers realized that the cause of most of the back-fence whisperings of local government inefficiency, unwise spending, high taxes, etc. was as much the fault of the citizens as the community officials. With the realization of the need for an organization powerful enough to have a respected voice in community affairs, this small group, namely Mrs. Beryl Weid, Mr. Cleaver and John Steele began the organization of a Taxpayers League. Since its inception this handful has grown to a registered list of 700 taxpayers and voters.

"The results in the past year, both within the organization and as a result of its work, have been very gratifying and we know that with the continued cooperation of the Mayor and Council and the Board of Education, we can look forward to still greater improvement in the management of our community.

"Because of wartime conditions and restrictions the Taxpayers Association has avoided making suggestions relative to any specific project for the improvement and furtherance of our community, but ideas are being discussed and plans made against the day when conditions are again normal. Until such time the Taxpayers League will continue to operate in accordance with the articles writ-

Boy Scout Troop Donates \$25 To Red Cross

BOROUGH—Boy Scout Troop No. 63 at its Monday night meeting unanimously voted to make a donation of \$25 out of their funds to the Red Cross War Fund Campaign in the Borough. Members of the troop committee at a previous meeting had also voted for this action.

Members of the troop are going to have another camping trip in Oakwood Park, this coming Saturday and Sunday. Among those acting as leaders will be Scoutmaster Harry Schlichting and Jack Ormond, Sr., a member of the committee. Last camping trip the troop made to Oakwood Park, the ground was covered with snow.

Presbyterian Church

Sunday Services

IF THREE EGGS HATCHED FOUR CHICKENS...

You'd be startled—because it never happens. With War Bond dollars, it's different—it can happen. Every \$3 you invest in a War Bond means \$4 to you when the bond matures.

We are even more interested in the fact that War Bonds will pay off in Victory. So let's keep buying them for that final, glorious pay-off.

"Well, Sarge, I was thinking about calling the folks when I get off tonight"

If you were away in camp, you'd know how much that call means. You can help the service men by not making any casual Long Distance calls between 7 and 10 at night. That's when most of them call and there's a big rush on many circuits.

NEW JERSEY BELL TELEPHONE COMPANY

NEW PROVIDENCE Township

Adjourned Meeting To Consider Roads and Police

TOWNSHIP—At an adjourned meeting to be held Tuesday night in the Municipal Building beginning promptly at 8 o'clock, the Township Committee will give consideration to the condition of a number of roads about which citizens have made complaint on their lack of repair and to the possibility of making an appointment to the Police Department.

The question of making an appointment to the Police Department has been a problem for the committee since early in December at which time it appointed Gilbert Bischoff to his position as a physical examination which subsequently he failed to do on, divided medical authority.

During January and February, the committee reconsidered the possible appointment of Mr. Bischoff along with a number of other applications. Then it was brought into these deliberations that none of the applicants were eligible for they exceeded the maximum age of 35 allowable by State law for such appointment.

Following the practice of some other nearby municipalities faced with a similar problem, the committee made inquiry of some of the applicants if they would be interested in a six-month appointment as a special officer, subject to reappointment at the end of each year term. The committee's only remaining hope to procure an additional man for the Police Department, it is believed, will be the availability of some men who will not be subject to call by his draft board.

Next Sunday under the direction of Committeeman Charles Monica, chairman of the road committee, the Township Committee plans to make an inspection of some of this community's highways, among others, Snyder avenue.

As reported at the March 1 meeting of the committee, Mr. Monica reported that temporary repairs could be made to Snyder avenue for \$400 and permanent ones for \$1,000. Decision on this problem is expected Tuesday night.

Mr. Monica also raised the possibility that State aid could be procured for the improvement and repair of Snyder avenue. In the meantime, he will make inquiry into this possibility.

TOWNSHIP

Mr. and Mrs. Donato Mondelli to Mr. and Mrs. Donato Mondelli, tenants in common, lots 15, 16, 46 and 47, block 15, map of Berkeley Heights Improvement Company, New Providence Township.

Additional Township News on Page 18.

Dog Owners to Get Summons for Failure To Buy 1944 Licenses

TOWNSHIP—After it was revealed at the March 1 meeting of the Township Committee that only 170 of the township's 370 dog population had received 1944 licenses, the committee instructed that summons be issued to all owners who do not have their canine species licensed by the end of March. License for a male dog costs \$1.25 and for female, \$2.25, procurable at the Township Clerk's office. Carl Carpenter is the dog warden.

Drake Farm Board Naming Delayed For Two Weeks

TOWNSHIP—Appointment of condemnation commissioners for the Arlington Drake property adjoining the Watchung Reservation was delayed Thursday for two weeks by Judge Frank L. Cleary in Elizabeth.

Thursday was the day fixed on the application of the Union County Park Commission which wishes to absorb the Drake farm of thirty-seven acres as a part of the reservation. This move has been contemplated for years, but the park board quickened its steps when it learned that Drake was preparing to sell ten acres to an individual.

The commission was represented by David Armstrong, Rahway, its counsel. Mr. Drake was represented by Bunker & Devoe, who informed Judge Cleary that they had been retained only within the past few days.

Red Cross Leader To Return Friday From Oregon

TOWNSHIP—The local work rooms of the Red Cross in Springfield avenue are bustling with activity this week in expectation of the return tomorrow to this community of the local unit's president, Mrs. P. L. Proctor who has been in Oregon the past six weeks visiting with her family and with the family of her husband.

In Mrs. Proctor's absence, the work rooms have made and finished 700 garments. The work rooms are open Tuesday, Wednesday and Thursday afternoons for sewing and on Friday from 10:30 a. m. until 3:30 p. m. for the making of surgical dressings.

TOWNSHIP

The instructor in surgical dressings, who comes from the Summit Red Cross headquarters, has set as the goal for the local work rooms, 500 dressings a day. Those who are preparing surgical dressings are hopeful to reach this goal tomorrow as a surprise for Mrs. Proctor on her return.

ENTERS THE NAVY

TOWNSHIP—Donald Robert Russo, 18, son of Township Clerk William C. Russo and Mrs. Russo, is now in the Navy. He is a graduate of Regional High School, Springfield, class of 1943. Before entering the service he was employed by the D. L. & W. Railroad in the telephone department. His brother, Staff Sergeant William C. Russo, Jr., is with the Army in England.

At "National Management Exposition"

TOWNSHIP—Township Committeeman Charles M. Monica is in attendance this week in Washington, D. C., at the "National Labor-Management Exposition" in the Department of Commerce auditorium. Mr. Monica, who is staying at The Hotel Raleigh on Pennsylvania avenue at 12th street, is director of personnel and chairman of the labor-management committee of the General Instrument Corp. of Elizabeth.

Another member of this General Instrument Corp. committee in attendance at the exposition is Mrs. Ann Maurer, business agent of Local 13921, I.B.E.W. of the American Federation of Labor. Mrs. Maurer is one of six women attending from the entire United States. She is participating in the "Women's Day" activities.

No Interest Shown In Budget Hearing

TOWNSHIP—At the public hearing February 23 in the Municipal Building by the Township Committee on the 1944 tax and appropriation budget, there were only six citizens present. None of them had anything to say about the budget. The committee took action last night to approve the budget. Other details of last night's meeting will be reported in next week's Herald inasmuch as this paper was going to press at the time of the committee deliberations.

Accident Insurance For Fire Department

TOWNSHIP—Subject to subsequent approval by the Township Attorney, the Township Committee acted favorably March 1 on the purchase of blanket accident insurance for members of the Berkeley Heights Volunteer Fire Department. The complete policy covering the whole department will cost \$130 and it is said it will not interfere with any provisions of the Workmen's Compensation Law or with any insurance now carried by any members of the department.

Girl Scouts Sponsor Lecture on Birds By Dr. A. Cookman

TOWNSHIP—Girl Scout Troop 73 will sponsor a lecture, "Birds of New Jersey," by Dr. Alfred Cookman of Springfield Regional high school, this Friday evening, March 10, at 8 o'clock.

The lecture will be given in the Union Village Church Annex, and the admission will be by purchase of war bonds or stamps. This is the way in which the troop is taking part in the war effort. Refreshments will be served after the talk by members of the troop.

New Auditor and Credit Manager for Chemaco

TOWNSHIP—The Manufacturers Chemical Corporation, Berkeley Heights, producers of Chemaco plastic molding materials, announces the appointment of Harold J. Cook of Westfield, as auditor and credit manager.

Mr. Cook's earlier business years were spent in the banking business during which time he attended and graduated from the American Institute of Banking. Following this, Mr. Cook had a wide experience both as executive accountant and credit manager of various industrial corporations.

His appointment is in keeping with the policy of broadening facilities to meet problems arising from the greatly increased sales of Chemaco Corporation, a subsidiary of Manufacturers Chemical Corporation.

TOWNSHIP BOYS ENTERED ARMY AT SAME TIME

TOWNSHIP—Two Berkeley Heights boys, Staff Sergeant William C. Russo, Jr., son of Township Clerk William C. Russo and Mrs. Russo, and Pfc. Frank Della, son of Mr. and Mrs. Coney Della, were inducted into the Army from Summit on May 5, 1942. The latter recently wrote his parents that he was wounded near Cassino, Italy. Staff Sgt. Russo is now stationed in England serving with the Railway Grand Division.

Comets Lead All the Way to Top Monroe Calculators, 61-51

The Y. M. C. A. Comets led all the way Saturday night on the Y court to chalk up their tenth win of the season, setting back the basketball team representing Monroe Calculating Machine Co. of Orange, 61-51.

Oratory School Tops Trinity Of Westfield, 23-19

Boy Hyer was the whole show as Summit Oratory School downed Holy Trinity of Westfield on Thursday afternoon here, 23-19, to avenge an earlier loss to the Westfield school. Hyer nabbed everyone of his team's field goals in racking up 17 points, only two less than the entire Trinity team made.

Trinity, whose only victory this season came over the Oratory cagers, was in the contest up until the closing minutes. The losers never trailed by more than six points. Downey and Cucaro tossed in seven markers each for the visitors, while Eddie Poling threw up three.

Lincoln "Y" Defeats S. H. Junior Varsity

In what proved to be one of the closest games of the season so far the Lincoln "Y" team won from the Summit High School Junior Varsity five last week.

The game was nip and tuck from start to finish. An additional period was played when the score was tied at the end 38-38. Both teams maneuvered tactfully to score an additional basket to again tie the score 40-40 at the end of that period. "Slow Death" was employed and was soon ended when Fisher of the "Y" squad took a set shot and ended the session 42-40 for the Lincoln Y.M.C.A.

10 Ball Games Booked By H. S., 5 Away, 5 Here

With the baseball season due to open April 27, Coach Elwood C. Cornog at Summit High School, announced yesterday that his diamond hopefuls would have ten games, five games away, and five at home.

The five home games, the opposing schools, and the dates: Millburn, May 1; Morristown, May 8; Madison, May 15; Millburn, May 18; Chatham, May 22.

Summit plays all its home games at Memorial Field beginning at 3:30 p. m.

Baseball practice at the local school will not start until the week of April 3.

On the diplomatic exchange ship, the "Gripsholm," sailing from New York in September, there were carried precious Red Cross cargoes of food and medical supplies valued at one and a half million dollars for the United States and Allied prisoners of war in the Far East.

Many visiting Red Cross nurses have been nicknamed "stork aides." During their visits in crowded communities, near Army camps and war plants, they have had to rush many a soldier's wife or factory mother to the hospital, or arrange for quick help at home.

Lightnings Win By Default Over Scott Hi-Y, 2-0

The Lightnings of the Y. M. C. A. Senior House League basketball loop won two ways Saturday afternoon on the Y court against the Charles R. Scott Hi-Y. The game got under way and at the end of the first quarter the Lightnings were leading 18-10. Suddenly the Hi-Y entry remembered there was a meeting of the Hi-Y. Consequently the game was called off and the lightnings under the rules were declared the winners, 2-0, by default.

Shooting Stars Toppie Redskins, 45-30

The Shooting Stars of the Y. M. C. A. Senior House League basketball loop pummeled the Redskins, 45-30. Saturday afternoon on the Y court. Biltner, high scorer for the game with 15 points, and Nevins, runner up for high score honors, with 13 points, led the attack for the victors. The only time the losers showed any punch was during the first period when they racked up 12 points to 10 for the winners.

Mayor's Former Partner Wins Golf Tournament

Clifford Lewis, former partner of Mayor G. Harry Cullis in the firm of Cullis & Lewis, who retired from business some years ago, has just won the Calcutta Handicap Golf Tournament at the Clearwater (Florida) Country Club.

Mr. Lewis was favored to win. His net score was 72, which is par for the course.

DelBarton Noses Out C.Y.O. Javees, 42-40

DelBarton School of Morristown on its own court last Thursday evening defeated the C.Y.O. Javees of Summit, 42-40, with D'Alia sinking the winning basket in the closing seconds of play from halfway down the court. The C.Y.O. record is now seven wins against two losses.

Crusaders Smother Millburn Barons, 66-43

The Crusaders of the Y. M. C. A. Senior House Basketball League finished off the Millburn Barons with a bang, 66-43, the afternoon of March 1 on the Y court. The losers were handicapped by only having a four-team team. Comblis high scorer for the game with 26 points, and Vanthbergen, with 20 points as runner, proved to be a two-man turnout.

Intensive Course In Hand Gun Use Finishes Friday

For the past eight weeks, the Civic Air Patrol Juniors have been undergoing an intensive course in the use of the hand gun. The first class is expected to finish its course on Friday, March 10, at which time will be fired the final course at St. Teresa's range, between 7:45 and 10. This range work will be under the direction of Fred H. Sayre, as range officer, assisted by other instructors of the Summit Police Reserve. The following week, there will be a written examination at the Y.M.C.A., at 8:15, for those who have qualified. Students of Class I are requested to report direct to St. Teresa's range and the Y.M.C.A. on the respective evenings.

Classes I and II have been well attended and interest is running high, especially for those who expect their awards on the 17th.

Captain Weed announces that these classes are opened to all residents of this section, expecting induction within the next six months. With the exception of March 17, the classes are being held at the high school gymnasium. Applications may be made either there or at the Y.M.C.A., 2nd floor. Class III begins March 10. Students may enroll for this class and start on the 17th, if more convenient. From present indications Class IV will begin on April 7, and registrations will be acceptable up to that time.

The course of instruction is being conducted by the Summit Police Reserve Gun Club, in connection with the National Rifle Association. The successful conclusion of training earns for the student a nationally accepted certificate from the National Rifle Association. Its worth has been proved many times, according to reports received from former students, now serving with the armed forces.

Arrangements have been made at the Police Range for students who have qualified in all branches to receive additional training in the Army 45 automatic. Appointments will be announced after the written examination, referred to above.

WITH ARMY AIR CORPS

CPL. VICTOR H. LUNDBERG of the 703rd T. E. F. T. S. who made his home with Mr. and Mrs. Fritz Olofson of 8 Baltusrol place, is now stationed at the Blytheville Army Airfield, in Blytheville, Ark. He entered the service in July, 1942.

Change of Address

It is urgently requested that when men in the services or their relatives ask that a change of address be made, the old address as well as the new one be sent. Mailing requirements are complicated at present and it is difficult to make changes unless the old address is furnished.

We Americans Benefit Even Under Rationing

Americans are fortunate even under the rationing program. Inconvenience can sometimes pay dividends. Stop! Look! Think! "Cigarettes cost 38 cents each in Germany, razor blades are \$1.50 in Chungking. A pair of shorts is \$12 in Calcutta. In Java a sarong can't be purchased at any price unless a hundred-weight of cotton is also tendered. A cheap suit of clothes costs \$158 in Italy.

"In the U.S.A., we have the O.P.A. which, so far as we can make out from the printed matter, is dictatorial, stupid, diabolical, inconvenient, meretricious, long-winded, improper, unfair, unprofitable, irrelevant, legalistic, lop-sided, ridiculous, bureaucratic, unconstitutional and bursting out at the seams.

"Be that as it may, you can get a cigarette for a penny, a razor blade for a nickel, a pair of shorts for six bits, a suit of clothes for \$30, and a sarong for Lamour, toujours Lamour."

Estate of Pfc. Lamagna

Pfc. Salvatore G. Lamagna, a Summit soldier, who died in a Japanese prison camp last July 1, left an estate worth \$1,000. His father, Antonio, of 8 William

WITH MARINE CORPS

PFC. GORDON FISH who has recently completed his "boot" training in the United States Marine Corps at Parris Island, S. C., visited his parents, Mr. and Mrs. Percy C. Fish at their home, 396 Mountain avenue.

Pfc. Fish was formerly engaged in tree surgery business and is a graduate of Summit High School. His wife and two daughters are living in Elizabeth. He left for New River, S. C., on Friday.

Robert L. Weekes In Flight Training

Robert L. Weekes, son of Mr. and Mrs. Charles W. Weekes of 810 Broad street, has started his flight training at the 55th Army Air Forces Flying Training Detachment, a civilian flying contract school operated by Georgia Air Service, Inc., under Eastern Flying Training Command, Bennettsville, S. C.

After Aviation Cadet Weekes completes his primary flight training here, he will be advanced to a basic flying school in the Eastern Flying Training Command.

Starts Flight Training At Bennettsville, S. C.

Robert L. Woodward, son of Mr. and Mrs. Albert F. Woodward Jr. of 11-A Doremus street, has started his flight training at the 55th Army Air Forces Flying Training Detachment, a civilian flying contract school operated by Georgia Air Service, Inc., under Eastern Flying Training Command, Bennettsville, S. C.

After Aviation Cadet Woodward completes his primary flight training here, he will be advanced to a basic flying school in the Eastern Flying Training Command.

Fourteen years ago yesterday William Howard Taft, 27th President of the United States died. He was born September 15, 1857.

Completes Train. At Seneca Lake

Bluejacket William Reeves, 22, of 387 Springfield avenue, completed his recruit training at the Naval Training Station, Sampson, N. Y., and will be granted a leave. This station is on Seneca Lake.

Upon returning to Sampson Bluejacket Reeves will be eligible for further assignment which may qualify him for a petty officer's rating.

Now at Bainbridge Army Air Field

William G. Williams, 27 William street, has reported to the Bainbridge Army Air Field as an aviation trainee. After completing his duties at that basic pilot school, he will be transferred to pre-flight training at Maxwell Field, Ala. Aviation Trainee Williams attended school in Summit and joined the Air Force on June 16, 1943.

There are now more than 110,000 Red Cross nurse's aides in the United States, and about half of them are working women. These volunteer nurse's aides assist graduate nurses in such hospital duties as making beds, giving baths, taking temperatures, and assisting in other hospital duties. Each nurse's aide gives 150 hours of service a year.

FOUR BROTHERS SERVE

CPL. RAYMOND ESTENES

BROTHERS IN SERVICE

CAPT. F. B. GENUALDI

CPL. HERMAN ESTENES

PVT. A. J. GENUALDI

PFC. HENRY ESTENES

CPL. JOHN E. WOOD

CPL. EDWARD ESTENES

Story of these four brothers who are serving in the various war fronts will be found in "Letters" elsewhere.

One war plant made a test on the value of Red Cross first aid. Half the employees took first aid courses, the other half didn't. A comparison showed many more man-hours lost in the second half of the plant.

ARRIVES IN ENGLAND

CPL. JOHN E. WOOD

In a letter to his mother, Mrs. Ethelyn Ritan Wood of 119 Summit avenue, Corporal Wood who has recently arrived in England, writes of the work the Red Cross is doing over there for the soldiers. Cpl. Wood says, in part: "They (the Red Cross) have certainly been good to us. The day we left they were at the pier with coffee and doughnuts and were right there with the same thing when we got off the boat. They also have clubs in all the towns here and treat us very well. While on the boat we got books, playing cards, sewing kits, cigarettes and candy. All of these were from the Red Cross so you can see they're doing plenty for us over here."

Cpl. Wood is with the Signal Corps. He attended Summit High School.

Casey Jones School Opens Free Class In Aircraft Work

Col. Robert F. Ohmer, chief of the Atlantic Overseas Air Service Command's training and personnel division, recently announced that arrangements have been made with the Casey Jones School of Aeronautics to recruit and train men and women to become aircraft line service and aircraft specialists. The first class, numbering over 200 started last week.

Applicants who are accepted will receive free tuition besides a monthly salary of \$125 during the training period. On its completion they will be assigned to the Newark Airport to work in the maintenance of transport aircraft. War veterans have been urged to apply for this course by Col. Ohmer.

On March 3, 1944, graduation exercises were held at the Newark Athletic Club. Col. George A. Vaughn presided as Master of Ceremonies, being assisted by Col. Walter E. Nichol, chief of maintenance, and Murray Bernard. Casey Jones presented the scholastic award to Mr. Bernard and the lecture award went to Luis B. Rodriguez. Col. Nichol emphasized the importance of simplifying airplane design so as to facilitate the problems of maintenance.

Eleven of the engineering graduates were New Jerseyites. The Army, as a whole, handled 41,875,000 tons last year, of which Ordnance depots moved 18,700,000 tons. There are fifty-one Ordnance storage depots. They are strategically located in various parts of the country and serve both the European and Far Eastern theaters.

One Army Ordnance contractor recently turned out his one millionth carbine. Another recently produced his millionth 105-mm. projectile.

IN TRAINING

RITA A. BERG

daughter of Mr. and Mrs. Fred Berg of 10 Sylvan terrace is being trained as a storekeeper in the WAVES at Indiana University, in Bloomington, Ind. Her father is serving on vessels of the Merchant Marine as Chief Steward.

A SPECIAL MESSAGE TO 4,287,860 RED CROSS BLOOD DONORS

You've given your blood— can you refuse your money?

YOU have given more than money—you who have given the blood from your heart.

You have earned the right to sit back now... to let other people carry the load.

But wait a minute. Have you?

Could you rest content if lack of funds prevented one single pint of that blood from reaching its goal, from saving a life?

Could you sleep easy if but one American boy—your own son, perhaps—should lack some comfort the Red Cross might have given him?

Would your conscience be clear if some prisoner of war failed to receive his

weekly Red Cross food carton... his real American cigarettes or tobacco?

You know the answer... Of course you do! There can be only one answer!

Yes, you have a right to be proud, you of the blood-donor army.

But just because you are that kind of person—you won't rest on your oars now.

This month the Red Cross must ask the people of America for funds to enable to carry on its great work another year.

This year, the need is greater than ever before. This year we serve eleven million American fighting men all over the world—your own sons and friends and sweethearts. You will want to give more... to give freely to your own Red Cross... to your own sons in the service of their country.

So dig deep—deeper than ever before. Dig deep and be glad that you can. For wherever he is

The RED CROSS is at his side and the Red Cross is YOU!

BOROUGH

'Star for a Day' By Students At P.T.A. Meeting

BOROUGH—"Star for a Day," a play in three scenes written by Sally Miller Brash, will be one of the features at the third meeting of the season of the P.T.A. next Tuesday beginning at 2:15 p. m. in Lincoln School auditorium. Because of the P.T.A. meeting, school will be dismissed at 2 p. m.

The play has been especially arranged for the boys and girls of Lincoln School who have planned a rally to sell War Bonds with the assistance of a movie star, Roxanne Day, who doesn't arrive. With the assistance of one who substitutes for the star, the rally is going along in a successful manner until the star actually arrives. After the situation is explained to the star, she retires gracefully. Too, the play is written for "modern young people," who use their everyday attire.

The cast includes the following: Jack, John Girelli; Jim, Jack Ormond; Susan, Arlene Hoody; Roxanne Day, the movie star, Lorraine Loeffler; Mary Dolores Beatrice, Louise Yvonne Rutley; Peggy Patricia Adams, Joan Shirley Lent; Bill, Robert Mazzucco; John, Frank Mandato; Miss Bennett, the school principal, Janet Simon.

Stage managers are Charles Behre and Edward McGowan. Mrs. Dorothy B. Oxner is directing the play with Miss Madeline French at the piano. The school band under the direction of Walter Wolf will offer some selections. It is expected that Mrs. Kathryn Wright, president of the P.T.A., will conduct a short business session. Refreshments will be served at the close of the meeting.

Exempt Firemen Elect Delegates

BOROUGH—The Exempt Firemen's Association on Tuesday night, Feb. 29, elected the following:

Alex Pietroski, delegate, and J. Wilbur Wahl, alternate, State Firemen's Association; C. Ernest Fischer, William Fitzpatrick, Mr. Pietroski, Linden Adams and Gilbert Badgley, delegates, and Halvey Genung, John E. Parker, John J. Maher, Robert Peloubert and Rush F. Newcomb, alternates to the State Exempt Firemen's Association, and Mr. Adams, Harry Pietroski, Mr. Peloubert, Carl Totten and Mr. Fischer, delegates to the Union and Morris League of Exempt Firemen.

Final Approval Given to Acquire Old Parsonage

BOROUGH—Final approval was given Monday by Vice-Chancellor Alfred A. Stein, Sr., to the plan that provides that trustees of Union Village Methodist church relinquish their interest in the parsonage now occupied by the Rev. Herbert F. Dabinett, Methodist pastor in New Providence Borough.

Trustees of the New Providence church will pay the Union Village trustees \$850 to be set up in trust as a nucleus of a fund for the construction of a parsonage at Union Village.

The parsonage property was bought for \$1,400 back in 1836 when New Providence and Union Village were both served by the same pastor and by identical dioceses. Union Village is now served by Rev. William C. McClelland and has a separate set of trustees. The church felt it was not getting any use from the parsonage in New Providence. The deed restricts its use "in trust for the married preacher or preachers serving the two churches." Thomas P. Crane, one of the New Providence trustees, is loaning the money to his church and taking a mortgage on the parsonage and that money will be turned over to the Union Village trustees.

Councilman Frederick A. Lorentz of the borough, who was counsel for the borough church trustees; Joseph C. Paine, who represented the similar board in Union Village, and Donald Bourne, Summit attorney, to whom Vice-Chancellor Stein had referred the suit as a special master, all told the court they would make no charge for their services.

Vice-Chancellor Stein, to whom the suit originally came, referred it to Mr. Bourne to determine the wisdom of the arrangement. The latter reported it justified.

No Taxpayers Meeting in March, Borough Hall Cold

BOROUGH—Thomas Cleaver, president of the Taxpayers' Association, says that there will be no meeting of the association during the month of March because of the coal shortage, which has resulted in the lack of heat in the Borough Hall.

If anyone desires a special meeting of any kind Mr. Cleaver wishes to be notified to that effect at least four days in advance. Phone Summit 6-5847-J.

O.K. Bus Application

TOWNSHIP—The application of Michael DeCorso of New Providence Borough for renewal of permission to operate a bus between Berkeley Heights and Summit was approved at the March 1 meeting of the Township Committee.

Home Gardening Theme for March At Lincoln School

BOROUGH—If you are doubtful about the early approach of spring, make a visit to Lincoln School any time this month. Boys and girls of all grades are thinking very definitely this month about home gardening. This was stated yesterday by Supervising Principal of Schools, Allen W. Roberts, who says that home gardening is the theme of the school for March. Last year, Mr. Roberts points out, home gardening was a very definite undertaking in the community with considerable of the incentive coming from the schools where the idea was implanted in the minds of the students. Beginning tomorrow all the boys and girls in the school, for the second consecutive year, will take home vegetable and flower seeds for the purpose of conducting sales. As the result of last year's sales of seeds, the school head declares, many of the students raised their own vegetables and flowers in considerable quantity.

With the aid of brochures sent by the Union County Agriculture Agent, the science classes in Lincoln School are now studying units of Victory Gardening. At the March 17 assembly, two members of the Rutgers University faculty, experts in the field of gardening, will address the students on the hows and wherefores of Victory Gardening.

Students Help Fight 4 Fires In One Afternoon

BOROUGH—"The cooperation of Supervising Principal of Schools, Allen W. Roberts, in allowing students from the higher grades help us fight four brush fires Monday afternoon, was very much appreciated," declared Fire Chief Elmer Ayers.

The fires occurred between 3 and 4:30 p. m. and as explained by Chief Ayers, they came at a time of day when many of the volunteer firemen were at work, thus overtaxing the ability of the men available to meet the situation. It became so serious that Borough Clerk Thomas Musson closed his office and pitched in as a volunteer.

The first two fires were on the Coddington property just off Springfield avenue and off Central avenue. As explained by Chief Ayers the fields were formerly used in connection with the Coddington greenhouses and in recent time have been allowed to grow a heavy underbrush.

The third fire was on Floral avenue near the Mandato coal pockets, and the fourth, on Central avenue on the property known as the Robinson estate.

Chief Ayers had no comment as to the origin of the fires.

TOWNSHIP

Ellis Lord Dies In Bay State Hospital

TOWNSHIP—Ellis Lord of Mountain avenue, retired New York lawyer, died February 29 in a Springfield, Mass., hospital. Mr. Lord served his law apprenticeship in the offices of the late Ellihu Root. He was admitted to the New York bar in 1897 and for more than thirty years he was engaged in the practice of law in New York. For several years he was associated with Bainbridge Colby.

His wife, Mrs. Marie Lord, died in 1938. He leaves a daughter, Miss Elizabeth Constance Lord of Berkeley Heights, a stepdaughter, Mrs. F. W. Schneider of Long Meadow, Mass.; two brothers, George W. Lord of Berkeley Heights and Edwin C. E. Lord of New Castle, Del., and a sister, Mrs. Charlotte C. L. Bolten of Munich, Germany.

Police Chief Makes February Report

TOWNSHIP—Chief of Police Dominick V. Russo, Jr., made four arrests during February, he reported to the Township Committee at its March 1 meeting: one for being a disorderly person, one for being drunk and disorderly, one for misuse of automobile registration plates and one for not having registration plates on automobile. Chief Russo further reported that he had attended to 31 police calls during the month and had made four inquiries for the Intelligence and War Departments. He patrolled 1,742 miles in February with the police car. One Board of Health case was turned over to the Board of Health inspector and three dog cases were turned over to Dog Warden Carpenter.

Traffic Patrol Monitors On Two School Buses

TOWNSHIP—After consultation and conference with a State trooper, two traffic patrols at Columbia school have been monitoring for a week on two school buses. After the plan has been in effect for another week the trooper will return and consult again with the patrols in the furtherance of their work.

An Ordnance tire repair shop not only turns out about 200 tire casings a day but repair rubber lifeboats for the Navy and manufactures rubber knobs for gear shift levers on motor vehicles.

Is Your Dog Licensed? If Not, You Will Get Summons for Violation

BOROUGH—Since records at the office of Borough Clerk Thomas Musson show that only about 150 of the borough's dog population of more than 300 have been licensed in accordance with the local dog ordinance and the requirements of the State Board of Health, borough officials have completed the printing of summons and are prepared to serve them on non-complying owners. The license costs \$1.25 annually and may be purchased at the clerk's office in Borough Hall.

Fire House Floor To Be Repainted

TOWNSHIP—The floor of the fire house in the municipal building is to get two new coats of paint. On the recommendation of Committeeman H. N. Kent, the Township Committee approved such action at its March 1 meeting. Before the new paint is applied, the old paint is to be removed and the floor is to be waterproofed. The entire cost is not to exceed \$65.

Ways to Brighten The Dark Corners, Home Dept. Topic

Melba E. Paige, interior decorator, writer and lecturer, will address the American Home Department of the Fortnightly Club at their next meeting on the subject, "One Hundred Ways to Brighten Dark Corners." A former teacher and publisher, Miss Paige has devoted time during the past twelve years to the assembling of collection of 150 volumes containing over 14,000 authentic pictures on the lives, beliefs, costumes and activities of the people from 5000 B.C. to our present day.

She will use many pictures which she has taken as part of her lecture, which will be divided into three parts: 1—Practical advice on decorating; 2—Colored slides on practical suggestions and "made over" furniture; 3—Beautiful fabrics in the market. Examples of these materials will be shown by her.

Time—Mar. 17—Friday, 10 a. m. Place—Community House on Waldron avenue.

Spring Course of Lectures At Morrirstown High School During March, April, May

Charles H. Nuttle of the Morrirstown Y. M. C. A. announces another Spring Course to be held this year in the Morrirstown High School Auditorium.

There will be four events—an editor and lecturer, a historian, a Shakespearean actress and director, and a Glee Club.

Tuesday, Mar. 28—Edward Weeks, Editor of the Atlantic Monthly. Subject: "Books in a Troubled World," or what the crises since Pearl Harbor have done to those who write and those who read our current literature.

Tuesday, Apr. 11—Carl Carner, author of "Stars Fell on Alabama," "Listen for a Lonesome Dawn," "The Hudson," etc. In his lecture on "The Cavalcade of American Legend," he gives us history in a new way—rich in legend—incidentally fascinating.

Monday, May 1—Margaret Webster—Shakespearean actress now appearing with Paul Robeson in "Othello" and director of many Shakespearean and other plays. In her lecture on "The Adventure of Acting," she will give excerpts of great plays of the past 300 years.

Friday, May 19—Mendelssohn Glee Club of sixty singers of New

York City in a gala concert. Course tickets at \$3.00 for adults and \$1.50 for students are now available at the Morrirstown Y. M. C. A.

These courses each year draw large audiences from a wide area. Among those from this vicinity who have been patrons of these Spring Courses in previous years are: Herbert H. Kimball, Miss Dorothy Lane, Rebecca L. Mixer, Mrs. Helen Thompson.

Reach Agreement

Property owners occupying three houses on the Shunpike road which have had polluted wells for some time have reached an agreement and the Commonwealth Water Company will begin to lay water pipes immediately. It was announced on Monday evening at the regular meeting of the Summit Board of Health. The subject has been before the board for five months.

Summit Rotarian Lauds Educator To Elizabeth Club

Speaking at the luncheon of the Elizabeth Rotary club in the Winfield Scott Hotel on March 1, Dr. Leonard V. Buschman, former vice-president of the Rotary Club of Buffalo, N. Y., and now pastor of the Central Presbyterian Church in Summit, told of the work of a missionary in stamping out illiteracy.

Nominating the missionary, Frank C. Laubach, for the Hall of Fame, Dr. Buschman said it has been the custom to accord such honors exclusively to military heroes.

Dr. Buschman related how Laubach began his work in teaching savages in the Philippines to read and write and how he traveled to China, India and Africa to carry on his mission of educating people.

The speaker said Laubach had been amazed at how quickly the most ignorant were able to learn through a series of picture-syllables. The method is very simple he said.

Dr. Buschman said ignorance produces poverty, fear and suspicion and is one of the greatest enemies of civilization. In Africa, he said, ninety percent of the people cannot read or write. In India, only 4 percent of women and 12 percent of men are able to read and write. In the United States, he declared, there are about 6,000,000 persons unable to write or read.

The speaker told how Nicolai Lenin began to educate the Rus-

Asian masses and how Turkey followed suit.

Dr. Buschman was introduced by W. Richmond Tracy of Summit.

Price Board Clerk

Mrs. Ethel T. Dampman, long a member of the Summit Board of Health was appointed this week to serve as clerk of the Price Ceiling Board.

It has been proposed that in order to permit Mrs. Dampman to carry on her work in both fields that the meeting night of the Board of Health be changed to Tuesday.

League Round Table Gives Puppet Show By Mrs. P. Farnum

"The League and the Public" was the name of a marionette show given for the League of Women Voters Round Table in Newark YMCA last Thursday. The skit was written by Mrs. Perry Farnum of Mountain avenue, and Mrs. Rome Betts helped operate the characters, one of whom was named Mayor Plague, "clothed in the powers and vestments of 1844."

The skit, which was sponsored by the public relations department, illustrated scenes in publicizing governmental problems and work of the league.

"It's Good If It's Leagual" was the subtitle for the show.

Another subject covered at the Round Table was the one of housing. Mrs. G. H. Rockwood Jr., Mrs. D. H. Spitzel, and Mrs. Richard Miller took part in a discussion of the results Summit has had from housing ordinances. They reported that the ordinance has been invoked in three cases and that improvements have been made. Also that many improvements have been made on other properties as an indirect result of the ordinance.

There was much interest expressed in this discussion by women from other towns, a representative from Westfield saying that over there the procedure taken here is known as "the Summit Plan."

CIIBA Awarded

(Continued from Page 1)

the achievements of the past. Not the least of these concern themselves with research in the field of molds such as Penicillin in which CIIBA is actively engaged. This new field of investigation holds much promise for the future well-being of our people in the overcoming of the many diseases to which we humans are subject.

During the recent Fourth War Bond drive, CIIBA employees not only topped their quota but more than doubled it! The Scout cars they are thus furnishing to the armed forces will bear plaques showing that the equipment was purchased through bonds bought by the employees of CIIBA in addition to those they buy every pay day through their Payroll Savings Plan.

W. Kenneth Geddis Featuring Firestone Home-Auto Supplies Opening for New Quarters

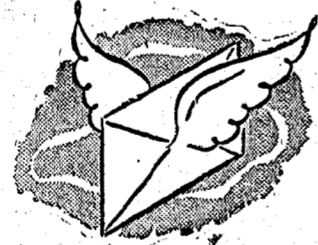

A large new enterprise will take its place in the business life of Summit with the opening Friday morning, March 17, of the spacious and modern home and auto supply store featuring Firestone Products, located at 312 Springfield avenue, adjoining Geddis Mobil Service Station.

The owner of the new store is W. Kenneth Geddis, who begins his new enterprise with twenty years of business experience.

Mr. Geddis promises gifts for everyone at the opening ceremonies Friday. The program will begin on Friday at 10 A. M. and end at 9 P. M. Saturday. The new store will have sixteen big departments and will offer Firestone quality products at low introductory prices. Complete details of the program and of the gift offerings will be announced next Thursday.

HELP WANTED

It's hard to be two places at once, doing your quota of volunteer service, and managing at home as well. These days what every woman needs, of course, is a good helper at home, an industrious houseworker, someone who is always there to help with the washing and ironing, the preparation of meals, the care of the kids, tending the furnace and, above all, at moderate cost. But wait a minute, you say, try and get 'em! This is asking too much! But is it? Doesn't your utility service answer a lot of these problems, giving you a chance to get out and do what you are doing to help Uncle Sam? And cheap? Utility rates have been going down while other costs have gone up. Yes, this type of domestic help is still in the bargain basement while other prices have hit the ceiling!
