30-Minute Parking Limit Stays In New Draft of Traffic Plan

A revised version of the controversial traffic ordinance that will limit business section curb parking to 30 minutes was introduced by Common Council Tuesday night. Despite concerted protests by local businessmen that have been expressed at practically every hearing on the ordinance since it was first introduced on February 21, the 30 minute parking limit for business section meters has not been changed under the redrafted measure.

Local Business Granted Use of Restricted Lots

Another "sore spot" in the city's program to adopt certain sections of the McCrosky Report—that of restricting the use of two parking lots to Summit commuters only—was ironed out by an ordinance revision Tuesday night.

Essex Road Made 2 Hours

Two of the changes, however, accede to wishes of residents of Essex road and Sunset drive. At previous hearings the Mount Prospect Civic Association requested that all-day parking be banned on Essex road between Springfield avenue and Whittridge road and residents of Sunset Drive and the Summit Tennis Club asked that parking be prohibited along the curve in that street.

Under the altered ordinance parking on Essex road is limited to two hours and no parking is allowed on the Sunset drive curve.

The other changes mainly pertain to phraseology and definition as recommended by the State. The use of the phrase "car space" has been clearly defined as being "22 to 24 feet in length" and the phrase "school days" has been defined as being from Monday through Friday from September 1 to June 30.

Local business interests have notified Council by voice, letter, petition and other means that it feels that a 30-minute limit for downtown parking meters is insufficient for shoppers' needs.

Only last week the board of directors of the Summit Area Chamber of Commerce unanimously passed a resolution upholding the protests being made by its retail members and went on record as being opposed to the proposed 30-minute limit.

McCrosky stated that shoppers requiring more than 30 minutes will find available space in the DeForest avenue lots which are expected to be opened for public use by July 1.

Council has declared that it will not impose the proposed 30-minute limit until the lots are ready for use and also that it will reconsider the plan if it proves unworkable.

Building Code Postponed

For the fourth time Council moved to shelve action on the pending building code ordinance. The code had been severely attacked in previous meetings for being "too loose in structure" and not providing ample safeguards from "inept or incompetent" builders. The code is currently being studied for possible amendments by a special citizens' committee and public hearings will be continued to the May 1 meeting.

Two Firemen Advanced

Following the recommendation of Fire Chief Thomas Murray, Council approved the promotions of Fireman third grade Charles H. DeGroot and Fireman fourth grade Bernard Ciarracca. DeGroot is advanced to Fireman second class and Ciarracca to fireman third grade. Both men held their previous ranks one year.

A letter was received from the Junior Fortnightly Club appealing for a solution to the problem of sub-standard housing.

The club feels the Mayor's Housing Commission is a step in the right direction, but that it needs full support of the citizens and Common Council to succeed. The letter stated that the club's concern has been immediately aroused over the number of tenements.

Thornton Seated By Council to Replace Higgins

Fletcher P. Thornton, Jr. of 1 Primrose place was sworn in as a member of the Common Council Tuesday night and seated to replace Edgar T. Higgins of 100 Blackburn road as a Ward 2 Councilman.

Mr. Higgins, who last February announced that he would not be a candidate for reelection because of the pressure of private business, submitted his resignation from the Council this week.

Mr. Thornton was the unopposed candidate for the Republican nomination as Ward 2 Councilman to replace Higgins in the Tuesday Primary Election and received 1,517 votes.

Red Cross Goes Over Top In Fund Campaign by \$964

Summit's 1956 Red Cross quota of \$45,738 has been topped by \$964, it was announced this week by Gerald F. Cowen, campaign chairman. Late returns sent in during the last several days have pushed the total to \$46,702.83.

Mr. Cowen expressed deep appreciation to all residents of the Area and also to business and industrial firms for their continued support of the Chapter's financial needs and their interest in the Red Cross organization. He also made special mention of the efforts of the hundreds of volunteers

Concert Series Members Drive Set for April 30

The seventh annual membership campaign of the Summit Community Concerts Association has been set for the week of April 30 to May 5, it was announced yesterday by Mrs. Nils Brandin, Association president. Details of the campaign are being worked out by Mrs. Roger Jones, vice-president in charge of membership, and Mrs. Carl Ahlers, membership campaign chairman.

Headquarters during the week of April 30 will be at 14 Beechwood road.

Mrs. Brandin stated that the purpose of this year's drive is to urge prompt renewal of memberships from past subscribers and to enroll new members for the series of concerts to be given in the high school next year. No subscriptions are available after the close of the campaign.

New Phone Numbers Given to Library

To meet the increased number of phone inquiries and to better serve its patrons, the Library has had a second telephone line installed. In order to have a sequence of numbers, which will provide service on either line, it has been necessary to change the phone numbers.

Bierman Shelves Union Driver for Ten Years

Magistrate Albert H. Bierman last week sentenced William H. Wilson, 49, of Union, to 90 days in Union County Jail and suspended his license for ten years on a charge of drunken driving. Since it was Wilson's second offense the sentence was mandatory.

Wilson was arrested March 31 at 1:20 a.m. on Broad street by Patrolman Edward Corcoran and was declared under the influence of intoxicants by Dr. Robert S. Milligan, city physician.

Oscar D. Dennis Named 'Citizen Of Year' by YM

The YMCA's sixth annual Stuart Reed Memorial Award for "distinguished community service" has been awarded this year to Oscar D. Dennis. The presentation was made by President Harold M. Perry last night at the YMCA during the 70th anniversary dinner of the Association. The award in the form of a mounted silver plaque commemorates the outstanding community leadership of Stuart Reed, general secretary of the YMCA from 1925 to 1943. Mr. Reed died in office at the peak of his service.

The previous award winners since 1950 have been John Sayre, A. J. Bartholomew, Leonard E. Best, John Dougall, and Alfred W. McGowan.

Role of Police Lauded at PBA Annual Dinner

Members of the Summit PBA were praised for their courage, physical fitness and character modeling of youth by Vincent A. Burgher, vice president in charge of sales at Ciba and a life member of the PBA, at the annual dinner and dance of the organization held last Wednesday evening at the Hotel Suburban.

The affair was the 19th anniversary of the local PBA. About 110 members and guests attended.

Mr. Burgher, who was master of ceremonies, presented a 25-year silver card to Lieut. Earl I. Lovely, and a past president's pin to Patrolman Michael Formicella.

Other citations and awards were made to Sgt. Fred Fleming, Lieut. John Sayre, Detective Sergt. Raymond McTernan and Sergt. Joseph Fischetto.

In his remarks, Mr. Burgher said, "We all know that the duties of a Police Officer are exacting ones. He protects the properties of the individuals of this community, and the rights, and even the lives of those individuals."

"He must be physically fit—honest—intelligent—capable—a master of diplomacy—and a gentleman always."

"His duties place him in a danger zone at all times, and whenever he goes out on call—don't forget—he may not come back."

"And he must be on call in case of emergency 24 hours a day. The rules of the Department dictate that he cannot even leave."

City Cited for Fire Prevention Program of '55

Summit's efforts last fall in observing Fire Protection Week has won the city a certificate of merit award from the National Chamber of Commerce's insurance division, W. Rae Crane, executive secretary of the Summit Area Chamber, was informed this week.

The local Chamber was notified that the judging committee in the 1955 Inter-Chamber Fire Safety Contest had cited Summit "in recognition of the meritorious work last year in fire prevention and fire protection."

"More than 500 cities and towns throughout the United States," the message stated, "are carrying on fire prevention programs and 218 of them, including Summit, filed reports on the contest. This indicates what is being done to arouse our communities to the need for preventing fires before they start and providing facilities for preventing little ones from growing into big ones. Congratulations for the splendid work of the Summit fire prevention committee."

Crane pointed out that credit for the success of the local project should be given to the committee appointed last year by Mayor Percival M. Bland. The committee consisted of the following:

Frank J. Kerrigan, chairman; Robert M. Dunsmore, assistant chairman; Councilman William R. Gilson, Mrs. George M. Boynton, Fire Chief Thomas J. Murray, Harlan S. Kennedy, Rev. Harry S. Carlson, Carl S. Hulet, Roberts v.S. Reed, John McNamara, Henry Negus and Mr. Crane.

YM Clothing Drive Nets 4,000 Items Valued at \$6,000

Local residents apparently thoroughly cleaned out closets and attics to come up with about 4,000 items of winter clothing that were donated to the YMCA old clothes solicitation conducted on April 17 on a house-to-house basis.

The YMCA has packed the clothing in fifty cartons and it will be delivered to the American Friends Service Committee by the Summit Express Co. for eventual overseas shipment. The collected clothing, drive officials said, was worth about \$6,000.

The project was one of the largest service efforts sponsored by the Y in recent years and was handled by a staff of 75 volunteers. Members of the Men's Club cooperated in sponsoring the drive which was a part of the local observance of "World Service Month" conducted throughout the nation during April by the national organization.

22 Vehicles Used

The city was covered by a fleet of 22 drivers, including three trucks from Corby's Enterprise Laundry, Members of the Lakers, Suburban, Westphalian and Baltusrol Hi-Y clubs and other volunteers accompanied the drivers and called at the homes.

Lunch was served to the workers by a committee of Hi-Y mothers, including Mrs. William Snyder of 36 Beekman Terrace, Mrs. H. Luther of 67 Elm street, Mrs. H. J. Meiner of 44 Plymouth road and Mrs. David Ludlow of 31 Windsor road. Most of the food served was donated by families of Hi-Y members and cartons for serving it were donated by C. R. Bard, Inc. and other.

R. C. Crane Wins City by 781; Carries All But Two Districts

Robert C. Crane, publisher of the Elizabeth Daily Journal, easily won the Republican nomination for State Senator from Summit voters by a 781 majority over his chief opponent, Assemblyman Carlyle W. Crane of Plainfield, in Tuesday's Primary balloting.

Mrs. Murray Runs Fourth in Race For Freeholder

The Summit vote trend, with the exception of that given Mrs. Anna Murray in the Freeholder race, was continued throughout the county.

Unofficial totals reported yesterday afternoon gave Mrs. Murray a total of 13,882. Summit's other candidate, Eugene Daly, received 12,500.

The Freeholder bracket of Herlich, Benninger and Valentine was elected without difficulty. Herlich was high man of the trio with 23,835 but was closely followed by Benninger who had 23,714. Valentine was given 22,677. Mrs. Murray was fourth.

Trailing far behind were Harry Wierenga with 8,797 and Ogden Beatty with 8,607.

The Robert Crane victory swept through practically every county community except Plainfield, Carlyle Crane's hometown where he served as a mayor and a councilman, Fanwood, Scotch Plains and Berkeley Heights which Carlyle Crane carried by six votes.

Westfield gave Robert Crane about a 1,000 vote margin, Cranford a 451 lead and Union a 1,639 majority. In Elizabeth the Journal publisher racked up 2,170 to Carlyle Crane's 691. Thomas, whose home is at Elizabeth, received 1,688. Thomas failed to carry a single county municipality.

Carlyle Crane received his biggest vote in Plainfield where he pulled down 3,223 to Robert Crane's 999 and Thomas' 480. The former Plainfield mayor also carried Scotch Plains, Fanwood and Berkeley Heights.

Carlyle Crane was actively and aggressively supported by a group of Freeholders that included Ernest S. Hickok of Summit, Fred P. Anderson of Cranford, Richard P. Halford of Fanwood and John W. Zerega of Plainfield. However, only Plainfield and Fanwood could produce sizeable victory margins for the Assemblyman.

Thomas ran a quiet campaign but was expected to be aided more than he was by former supporters.

A CLOSE ONE—The driver of the above car, Mrs. Lillian M. Kenney, 42, of 11 Long Hill lane, Chatham Township, was injured early last Saturday morning when her station wagon overturned following a collision with a taxi at Broad and Elm streets. The taxi, driven by Anthony Rosello, 40, of 19 Baltusrol road, was proceeding south on Elm street. Mrs. Kenney was taken to Overlook Hospital for treatment and later reported to be in a "satisfactory" condition. (Wolin photo)

Bad Check Passer Gets Three-Year Prison Term

A Newark man who passed a total of 16 worthless checks in Union County supermarkets, including one in Summit and New Providence, was sentenced last week to State Prison for two to three years.

Charles Palmisano. He cashed two of the checks in New Providence and one in Summit and others in Rahway, Westfield, Elizabeth and Plainfield.

He was arrested by police in New Providence last February while attempting to defraud a small businessman. Most of the worthless checks passed by Palmisano were for small amounts.

Summit Teacher Wins Nature Club Camp Scholarship

The Summit Nature Club has announced the presentation of a scholarship to the Audubon Camp in Maine to Miss Cecilia Carrier of Maplewood. Miss Carrier will teach the fifth grade in Franklin School in Summit in the fall following graduation from Trenton State Teachers College this June. She has been chosen to attend a two week session of the camp beginning in mid-July.

The Audubon Society, named for John James Audubon, the famous artist-naturalist, maintains three summer camps for the study of wildlife and from them almost 7,000 graduates have returned to their communities filled with ideas and inspiration to do something constructive about conservation. The Maine camp is located in the Todd Wildlife Sanctuary on Hog Island, Muscongus Bay. Miss Carrier will spend much of her time on field trips on the mainland and nearby islands which are nesting

places for shore birds. The activities of the Summit Nature Club to increase public interest in the out-of-doors are well known to local residents. It sponsors the Audubon Screen Tours, an illustrated lecture series featuring natural color motion pictures of the wildlife and wilderness of North and Central America. Lectures on nature subjects are also presented at the Club's monthly public meetings, often illustrated with colored slides and motion pictures. A number of field trips during the spring and fall months are sponsored by the Nature Club and from December through March a winter bird census is conducted.

In each of the past few years the Summit Nature Club has donated books related to the natural sciences to the Summit Public Library. During the past month the public libraries of Berkeley Heights, New Providence, Summit, Madison, Chatham, Millburn and Maplewood have received "The Annotated List of New Jersey Birds" by David Fables, Jr., instructor at Union Junior College. The book was published by the Umer Ornithological Club.

Dr. J. D. Tidaback, Specialist in Radiology, Dies

Dr. John D. Tidaback, one of the leading radiologists in North Jersey, died last Wednesday after a long illness. He lived at 52 Beaver avenue.

Dr. Tidaback was born at Ogdensburg 75 years ago and graduated from Peddie School at Hightstown and from Albany Medical College, Albany, N. Y. He practiced medicine at Cobleskill, N. Y., and Newark prior to World War I when he served as a lieutenant in the Medical Corps.

A resident of Summit for the last 28 years, Dr. Tidaback was roentgenologist for Overlook, Morristown Memorial and All Souls Hospital. He retired in 1950. He was a former president of the Rotary Club here, Summit Medical Society and was a member of the Union County Medical Society, New Jersey Medical Society, American Medical Association, Radiological Society of North America, American College of Radiology, Overlook Lodge, F. & A.M., and Overlook Fish & Game Association. He also was a diplomat of the American Board of Radiology.

Dr. Tidaback is survived by his wife, Mrs. Edna Vogel Tidaback; a son, Dr. Austin J. Tidaback of Plainfield, and a daughter, Mrs. Thomas Mather of Glenside, Pa.

Funeral services were held Saturday at 2 p.m. at Calvary Episcopal Church conducted by Rev. Elmer F. Francis. Burial was at Fair Mount Cemetery, Chatham.

Summit Youth Wins \$1,500 Injury Award

A \$1,500 settlement was awarded last week to a Summit youth by the Rahway Valley Railroad for injuries said to have been received in an accident two years ago.

The youth, Joseph Manno, 18, of 7 Cottage lane, was a passenger in a car operated by his father, James, that struck a freight train at a grade crossing in Union at Route 22 on Dec. 14, 1954. According to police the elder Manno was driving west on Route 22 and hit the caboose of a seven-car freight heading south.

According to the suit, the train was negligently operated. Manno also claimed the train failed to give a warning signal and that the railroad failed to maintain proper signal devices at the crossing. James Manno agreed to settle a suit for his injuries against the Rahway Valley for \$400.

The \$1,500 award was made by Judge Richard J. Hughes and a jury. Norbert T. Burke represented the Rahway Valley R. R. and David M. Beckerman represented the Mannos.

The Summit YWCA has made more than 1,000 YWCAs throughout the public its plans to join the more United States in the annual ob-

servance of National YWCA week, April 22 to 28.

The board of trustees of the YWCA has issued a cordial invitation to the public to attend certain "open house" events during the week which are characteristic of how the YWCA is serving its members and through them, the community. "Program activities vary from week to week," pointed out Mrs. Fred Greenley, president of the YWCA board. "Some occur every week, some fortnightly, some monthly or annually and special events occur frequently. The program for next week, however, may be considered typical of our calendar and we hope that many Summit people will drop in and 'see us as we are' and gain a fuller understanding of the role of the YWCA as an important integral part of the community. We hope, too, that those who have not done so before, will take the time to tour our very attractive building."

The week-long observance will begin with the traditional YWCA Sunday, April 22, when members of the YWCA will go to the churches of their choice. Ministers have been asked to call attention at this morning service to the significance of the YWCA program for all ages of women of all races and creeds, in Summit, the United States as a whole, and in 65 other countries of the world.

On Monday, April 23 at 2:45 p.m., Junior and Senior High School girls and boys will gather for a Teenage "Drop In" in the recreation room downstairs in the YWCA. At 8 p.m., the English classes for the foreign born

meet. These will be open for observations only by persons who think they may wish to join.

On Tuesday evening, April 24, (which is celebrated internationally as YWCA World Membership Day) at 7:30 p.m. the Tri-Ep Clubs will show a special film entitled "One God." This is open to the public, and special invitations have gone to all persons who work with youth groups.

Every Wednesday morning, the Kaffeeklatsch meets at the YWCA. On this occasion it will be for a tour of five Summit spring gardens. All women are cordially invited. Chairman of the YWCA grounds committee, Mrs. Marshall Waterman and members of her committee will be on the

NEW OFFICERS—Members of the Exchange Club of Summit and their wives attended an installation ceremony held last week at the Hotel Suburban to greet the newly-elected officers of the club. Above, left to right, are Richard Goldfinger, treasurer; J. S. Squires, retiring president; Lawrence J. Panella, the new president; Robert L. Netchert, state president and installing officer; John J. YWCA grounds before and after the tour to greet guests and explain an educational garden project to be developed on the YWCA grounds which is to be of aid and interest to gardeners. Coffee and refreshments will be served in the YWCA from 9 to 9:30 a.m. at which time tour will be taken by bus. A nominal fee will be charged for all those attending.

During the garden tour period, there will be a class in child dance and rhythm and a baby sitting service also is available for young children. At 3:15 p.m. girls from the first through sixth grades will attend modern dance classes.

On Thursday at 9:30 a.m., the Winter Market sewing group,

already working on items for the November Winter Market, will be meeting in Club Room A for the day, and will explain this all-organization annual fund raising venture.

At 10:30 a.m. the grounds committee is sponsoring an illustrated talk on "Growing Herbs for Winter Enjoyment." All slides were taken in the garden of Mrs. Harwood Steiger, well known herb grower, by her artist husband, for distribution by the Herb Society of America. Commentary on the increasingly popular "herb" will be by Mrs. Marshall Waterman and Mrs. Winthrop Means, who will cover the use of the herb for culinary, medical, and perfume purpose, with special emphasis on its use in flower arrangements. A small fee charged for this program.

At 8 p.m. Thursday the Co-Ed Club (men and women from 20 to 30 years of age) will listen to a speaker from the Bell Telephone Laboratories on "Getting Ahead in Your Job." A nominal fee will be charged for attendance.

On Friday evening at 7 p.m. visitors may wish to observe the departure from the YWCA by bus of the Junior Hostesses (girls 17 years or older) who, with their chaperones, go twice a week to help entertain servicemen at Fort Monmouth, a contribution of the Summit YWCA to the USO which has continued on after World War 2.

Mothers who wish to know more about this YWCA activity in which their daughters want to join, may attend a dance during the year as a guest. Arrangements for a reservation to do so, however, must be made in advance at the YWCA.

On Saturday, April 29, from 8:30 p.m. to midnight, will be the annual Tri-Ep dance "April Show-

ers" to which only Senior boys and girls are admitted and by ticket only, obtained through the club or at the YWCA. Over high school age guest observers are cordially invited.

Plans to release the results of this week of the recent "What's Your Line?" poll taken by the YWCA have been delayed due to the fact that questionnaires were still coming back to the YWCA. An analysis will be announced as soon as it can be made.

Sisterhood to Hear Talk on Mental Health

Mrs. Arthur F. Ackerman, president of the Union County Association for Mental Health, will lecture and present a Film at an open meeting of the Sisterhood of the Jewish Community Center on Monday, April 23, at 8:15 p.m.

Mrs. Ackerman has been president of the Union County Association for Mental Health since 1951 when that organization undertook county-wide leadership in the fight against mental illness. She is now a member of the board of directors of the New Jersey Association for Mental Health, and a voting delegate to the National Association for mental health in New York. Mrs. Ackerman is also a member of the board of trustees of the Tri-County Children's Center, Morristown, a sustaining member of the Summit Junior Service League, a past member of the Local Assistance Board, and the board of trustees of Family Service Association of Summit. She has appeared before numerous groups throughout Union County in the last four years.

Invitations to the meeting have been sent to local church organizations. Lecture and discussion period will be followed by refreshments. Everyone interested in Mental Health is most cordially invited to attend.

Students Make Recording

Three children from Berkeley Heights, Mary Dwight of Free Acres and Judith and Kenneth Porter of Twin Falls road, and two from Summit, Betty Coburn of Valemont way and Jack Murray of Hawthorne place, were among the students from Far Brook School in Short Hills who went to New York on Tuesday to make a recording. They are members of the Senior Choir, a group of 32 boys and girls selected from members of the seventh, eighth and ninth grades.

How spiritual understanding of God, infinite Life, brings growth and progress to man will be brought out at Christian Science services Sunday.

The lesson-sermon entitled "Probation after Death" will include the following passages from the King James version of the Bible (Ezekiel 18:31, 32): "Cast away from you all your transgressions, whereby ye have transgressed; and make you a new heart and a new spirit: for why will ye die, O house of Israel? For I have no pleasure in the death of him that dieth, saith the Lord God; wherefore turn yourselves, and live ye."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (485:18-19): "Not death, but the understanding of Life, makes man immortal."

SUPER-HIGHWAYS

Those who can remember the days of the horse and buggy will recall the cobble stone streets in the cities and the dirt and gravel roads in the rural sections.

In the winter time they were full of ruts and mud holes that made it hard for the horses to pull their loads. In dry weather the iron shoes on the horses and the iron tires on the wagon wheels soon pulverized the road bed, making several inches of fine dust. As each vehicle passed along it left a huge cloud of dust and with the slight breeze the dust would be carried to every nook and corner of the houses along the road. House cleaning was a real chore in those days. When the ants came, the dust was such a problem that the motorists wore goggles to protect their eyes and it was customary to wear long linen coats called "dusters" to protect the clothing.

With the passing of the dirt roads and the influx of millions of autos, it has become profitable to build toll roads and bridges and super-highways with a safety lane between the traffic moving in opposite directions. In the transition from the horse and buggy to the auto, great credit should be given to the bicycle which teaches future drivers how to steer and use the feet and legs for power and brakes. Rules of the road and safety are quickly learned. It seems likely that there would be fewer auto accidents if all applicants for drivers' license were required to first learn to ride a bicycle.

Another requirement that would afford even greater possibilities of safe driving would be for drivers to overcome and avoid the use of the "Hot Spots of Human Destruction". The habitual use of the caffeine drinks (tea, coffee, chocolate, colas), tobacco and alcohol, are hangovers from the horse and buggy days and are proving a delusion and a snare for the 80,000,000 licensed auto drivers and airplane pilots. Since more and more people are finding that by exercising self control in avoiding the use of all additives, they have more control in driving, in eating, sleeping, exercising and all the human activities, it won't be long until this better way of life becomes standard practice. If you give in to a hankering for coffee, cigarettes and liquor you are like one travelling on a dusty dirt road with a dead end. Try now the Super-Highway of Life. You will reach your goal safer and with less effort.

Rosary Shrine To Hold Annual May Pilgrimage

Rosary Shrine will celebrate on May 6 the 35th annual May pilgrimage in honor of the Queenship of Mary. Guest speaker for the occasion will be Rev. Edward J. Fleming, Ph. D., dean of Seton Hall University and former assistant pastor of St. Teresa's Church

for five years. Pilgrimage devotions will begin at 3:30 p.m. with the Rosary procession led by a Dominican father. When the procession pilgrimages returns to the chapel, Rev. E. L. Phillips, O. P., chaplain of Rosary Shrine, will read the act of consecration to the immaculate Heart of Mary, after which Our Lady will be crowned Queen of the May. After the sermon by Father Fleming, solemn benediction of the Most Blessed Sacrament will close the devo-

tions. The Holy Father has granted a plenary indulgence to all who make a pilgrimage to Rosary Shrine, the usual conditions of confessions, communion and prayers for his intention having been observed.

Washington PTA Plans Country Fair for May 12

Plans are being made by the Washington School PTA for a country fair to be held May 12 as a benefit to raise funds for the purchase of instruments for the Washington School band and books for the school library. The fair will be held on the school grounds from 10 a.m. to 4 p.m. Included in the events are a merry-go-round, a "whip," pony rides, many games with prizes and a cake sale. Hot dogs, soda and ice cream will be sold, and there will be a lunch bar for parents and children serving sliced

cakes, coffee and milk. In charge of the plans is Mrs. Douglas Mattice of 52 Canoe Brook parkway. Working on the food committee are Mrs. C. Overbeck, Mrs. J. Creske and Mrs. D. N. Blaesser; on the games committee: Mrs. M. Ashman, Mrs. William Hittinger, Mrs. H. Torkelson and Mrs. J. H. Negus; publicity: Mrs. B. William Knoop; country store, for gifts and handwork: Mrs. George Naimark; plants: Mrs. Thomas Frisbee and Mrs. Catherine Sherman. A special booth for used children's toys, rubbers and skates will be under the direction of Mrs. Louis Drypoteher. All children and parents are invited to attend.

Rotarians Hear How Menlo Park Clinic Operates

Juvenile delinquents have two common factors in their backgrounds: first, 80 per cent possess sub-normal reading skills and, second, 90 per cent have been subjected to the good influences of church, YMCA, YWCA, High Y. PAL, and other such organizations, reported Harold Utts, assistant director and social counsel at the Janet Memorial Children's Home in Elizabeth, at the Monday luncheon meeting of the Rotary Club held at the YMCA.

Mr. Utts chose for his topic "Juvenile Delinquency, the Problem and its Treatment." His experiences during the last 18 years

are proof positive that he is equipped to grasp this subject, for Mr. Utts prepared for his present dedicated work in helping to reclaim American youth with undergraduate work at Juniata College, the theological course at Drew University, a masters degree in psychiatric social work from the New York School of Social Work, and a period of service in the ministry of the Methodist Church. Five years as a psychiatric social worker at the Menlo Park Diagnostic Center for youthful offenders against our society gave him the opportunity to actively participate in New Jersey's interesting and intelligent approach to this very real problem.

In describing the work at the Menlo Park Diagnostic Center, Mr. Utts explained the general approach taken by the staff to help these American young people. When the youthful offender is brought into the court room, the judge refers the case to Menlo Park for 90 days before sentencing or final disposition. During this period the youth is studied 24 hours a day by a psychiatrist, a psychologist, a psychiatric social worker and a medical doctor. Staff reports and round table discussions usually lead to some specific and genuinely helpful recommendations. The goal is to provide treatments which will remove the social conflict and return the youth to a well ordered and well adjusted life.

The Janet Memorial Children's Home in Elizabeth, of which Mr. Utts is now assistant director and social counsel, was founded in 1847 as a privately endowed orphanage. Our social security program together with the general desire for adoption in this country has virtually eliminated the "orphan" from our society, Mr. Utts stated. The Janet Home's function today, therefore, is to care for young people who have been mild offenders, have not been charged as such in the courts, but are generally anti-social and not wanted. Mr. Utts characterized this group as "the little stinkers" in our society, and then described the need for understanding help in order to rechannel interests, attitudes, and ambitions.

Mr. Utts was introduced by Isaac Combs, Rotary Club program chairman for April. Group singing was conducted by President Albert J. Bartholomew with Arthur T. Dailey at the piano.

Wilbur T. Johnston introduced the following visiting Rotarians: Earle O. Bennett, Vincent Elmendorf, and Paul Finlay, all of Chatham; Paul W. Drake, Madison; Lester Ball, Millburn; Arthur Rahmann, New York City. Other guests introduced were: Lieutenant John Sayre, Howard H. Edge, Frank Caprio, and David Bradley, President Bartholomew extended greetings of welcome to the visitors and guests and thanks to Mr. Utts.

Now Let's Unite

The Primary Election is now a matter of history. Once again, the people have spoken and the candidates have been selected to represent their parties in the November election. Gone until next year are the campaign letters, phone calls, postcards, the pamphlets, the exhortations and pleas for support of candidates.

All spirited Primary Election contests are prima facie evidence that there is life in the party. Any political organization needs the spur of competition to bring members to their toes and Primary campaigns often afford this advantage and therefore should be welcomed.

There is, of course, just one fly in the ointment. Sometimes a Primary contest can become so bitter and acrimonious that it outlives Primary Day and carries its antagonisms on to the November election. Then it can weaken the party by keeping voters at home who are not satisfied with the candidates or drive them to enlist in the opposite camp. This, however, is not usual in Union County and November generally finds all wounds healed, rifts cemented and a united Republican Party solidly backing its duly nominated ticket.

And that is exactly as it should be for a Primary contest is nothing more than the official way of determining candidates for nomination and allowing the individual voter an opportunity to express his preference, rather than party bosses. Good sportsmanship and traditional Americanism call for the losing team to accept defeat like a man and support the victor.

Each spring the Herald jumps into Primary battles with both feet. Our choices lose as well as win. But we refuse to gloat in victory or sulk in defeat. Instead, we line up behind the choice of the people and do our best to assure him or her further victory in November.

The winning candidates of Tuesday make up a Republican ticket that is a good one. There is no need for any party member to apologize or feel that he or she can not honestly support this ticket to the hilt in November.

The heat of the last few weeks, the charges and counter-charges, the almost fanatical support of one candidate over the other, is now a thing of the past—until next year. To be sure, there are bound to be disappointments for those whose candidate lost but that is all it should be—disappointment; never animosity or a grudge.

A Good Selection

The presentation last night of the YMCA's sixth annual Shuart Reed memorial award for distinguished community service to Oscar D. Dennis is a tribute to character building endeavors in general and to youth counselors everywhere.

By singling out Mr. Dennis as the recipient of the tribute the YMCA has turned the community spotlight on a resident whose entire life in Summit has been as equally devoted to service as to personal achievement.

Mr. Dennis is a successful businessman, and a busy one, but he has always found time to help others. He has been a guide and an example to members of his race and he has filled the same role for countless others. His keen interest in youth has made him an esteemed and valuable member of the Board of Recreation for many years. His interest in the YMCA and his church has made him a man who exemplifies the brotherhood principle.

Mr. Dennis has long ago earned the respect and admiration of all who know him and it is fitting that he now be honored publicly for his outstanding service to Summit.

We think the YMCA's choice will be genuinely applauded by all.

Best Seller

Lists of "best sellers" are popular these days. With the new enthusiasm over reading—stimulated, we imagine, by the book clubs—many people want to know what other people like. Thus they can guide their own purchases and be ready to discuss the current publications with the best of them.

But the Wall Street Journal points out that a good proportion of our literate popu-

lation is unaware of the popularity of our real best seller. It happens to be the Bible. There is nothing, fiction or non-fiction, like it. The appearance of the new Revised Standard Version has been the signal for a worldwide return of interest in the Scriptures. The Wall Street Journal points out that in 1955 Anne Morrow Lindbergh's "Gifts from the Sea" was accounted by the Publisher's Weekly the nation's best seller. The total sales were 430,000. But during the year nearly 6,000,000 Bibles were sold!

Now these books are not being bought and laid on the shelf. People who never opened their Bibles before are reading them today. The revision has something to do with it. Yet the American Bible Society reports a tremendous year for the King James Version, the common translation of general use. And besides these we must include the recent Roman Catholic translations which are being sold extensively and the Scriptures the Jewish Publication Society puts out.

No man, whatever his religion or his lack of it, can pass such statistics by without realizing that millions of Americans today, perhaps led by the realization of Russian intransigence in matters of religion, are reaching out for the answer to life contained in Holy Writ.

The best way to appreciate it would be to get down the old Book for one's self or purchase one of the new translations and see what kind of a message it can bring to the reader. As literature there is nothing better. As poetry much of it is tops. As history it has its place. But as a spiritual guidebook it has stood the storms of centuries and still stands firmly on its rock foundations.

Auto Industry in Revolt

It is now safe to say that a revolution is in process in the automobile industry. The recent progresses in engine design, such as automatic transmission are destined for memories, much like the old buggy-type autos that ushered in the motor vehicle era and now are collectors' items and the subject for a host of decorative gadgets.

The revolution won't actually begin until possibly five or eight more years but the recent trans-continental test run of an auto powered by a gas turbine engine makes the revolt inevitable.

The car of the future will undoubtedly have a motor much lighter than present ones. It will have no radiator, thus doing away with overheating, freezing and other present nuisances. Also eliminated will be transmission and carburetors, parts which are now not exactly trouble-free.

Human nature being what it is, no doubt the approach of a basic change in automobile manufacture will encourage objections. Those who distrust any sort of change are multitudinous and there will be hordes who doubt the worth of a gas turbine power plant for their car. Others will be fearful that a change will leave them with an obsolete car on their hands.

The auto industry, however, will take care of public opinion and it won't be too long before most of us will be looking at complete lines of all models by major manufacturers that will be powered by gas turbine motors.

Rock and Roll, Old With a New Label
 (Hartford Courant)

In every generation the teen-agers think they have discovered something new in the contagious frenzy induced by certain musical forms. You can go back to the Middle Ages and find recorded instances of dancing manias, in which some individuals actually danced themselves to death. And if the records had been better kept it is likely that this phenomenon of man's response to rhythm would be found to be older still.

The incidence of rowdiness in a local theater during the rock-and-roll stage show a few days ago is merely a repetition of what happened during other eras. Who can forget the era of the jitterbug? To oldsters watching the teen-ager of today dancing to rock and roll there is not a great deal of difference between jitterbugging and rock and roll. The jitterbugs of yesteryear have followed the traditional course of maturity and marriage, and their children are now the rock-and-roll specialists.

And even before jitterbugging there was jazz and there was the flapper, the postwar phenomenon of the early twenties that marked the real emancipation of the female sex in this country. But it is a mistake to write these things off as mere musical expressions. They are, rather, expressions of the personality of adolescents who are entering an adult world, whose whole glandular system has recently undergone significant changes, and whose natural energies need expression.

Nor should we overlook the narcissism or exhibitionism that plays a part, particularly in those constitutional inferiors who cannot excel at many things. Naturally the police cannot let these exhibitions of frenzied activity go unnoticed. But let us not be harsh in our judgment. After all, if you will look at a clothing catalog of the early 20th century you will find that the padded shoulders, peg top trousers and bulldog shoes, worn by our best young men, look not unlike the soot sulter of the present day.

Results of YMCA World Service Editor, Summit Herald:

Many of your readers will remember Dr. Richard E. Kellerman, from Kassel, Germany, who visited for several weeks in Summit three years ago under the auspices of the Summit YMCA while on a Ford Foundation visiting fellowship developed through the World Services Program of the National Board of the YMCA.

Dr. Kellerman has recently written enthusiastically of the new YMCA building and work in Kassel, financed in part by special donations raised among YMCA friends in the United States. Last summer I had the pleasure of visiting the Kassel YMCA and also the new YMCA buildings in the cities of Brunswick and Hagen. All of these buildings were made possible by gifts of United States money which inspired very much larger gifts of German money and have done much to stand as utilitarian monuments to the friendship of the United States in post-war Germany.

Each of these buildings stands in an area which suffered heavily from bomb damage during the war and each of them, especially the Hagen building, is a fine example of modern architectural ingenuity and taste. While the Hagen building is economically constructed, it has more architectural distinction than any modern building of its kind I have seen in the United States.

Dr. Kellerman and his friends in the German YMCA movement have been most enthusiastic about

the American secretary, Robert Miller, who spoke in Summit last year, and who has been helping the German "Y" to re-establish itself after World War II. They (Continued on page 7)

 have felt that Mr. Miller understood Germany and the German "Y" movement better than did the Germans themselves.
 I mention Dr. Kellerman's communication and these facts because the Summit YMCA is naming the month of April as "World Service Month." During April the YMCA is developing an educational program calling attention to other countries where the YMCA is aiding boys and girls and men and women to establish their indigenous YMCA's.
 Congressman Vorys, chairman of the House Committee on Foreign Affairs, reports "We review the foreign aid bills by which the U. S. furnishes and has furnished billions of dollars of 'World Service.' I think you get more for your dollars in World Service by a contribution to the YMCA than in any other way I know, voluntary or involuntary."
 Sincerely,
 Woodruff J. English.

 The committee will compile data on all new ideas in playground apparatus. It is planned that information collected will be made available to all interested parties by way of three books that may be borrowed on request. The committee is expected to be of great service as a research organization in the recreation profession.
 Much progress has been made in the last several years in providing more vital and interesting play devices. It is the aim of the committee to collect information on all advances in play equipment together with professional observations as to their respective values.

REMARKABLE DISCOVERY

Chemist discovers a formula that deodorizes skunk odor, one of the most stubborn and persistent odors known. The discovery was quite accidental, not as far as being a deodorant was concerned, but as to its remarkable powers as a deodorizer.
 Foot odors, while they cannot be classed with the potent skunk, are sometimes persistent, stubborn and very embarrassing. This new remarkable discovery has been put into a new foot powder called "Sprinkle Toe." It deodorizes All Foot odors and is guaranteed to do the job or your full purchase price is refunded without question. Even with its amazing deodorizing powers "Sprinkle Toe" is a Hypo Allergenic powder and will in no way harm or irritate the most delicate skin. With "Sprinkle Toe" dusted on your toes and on the sides of your feet they will be odor free the whole day long. Your feet will feel better and so will you. Get "Sprinkle Toe" at Charline's Cut Rate Drug Store, it's only 69c for a supply that will last you a month or more.

Boro to Give Salk Shots At Clinic Next Thursday

New Providence—A clinic for the administration of Salk vaccine will be held Thursday afternoon, April 26, from 1:30 to 2:30 p.m. at the Borough Hall.

In the tax assessor race, incumbent Theodore C. Plumb won with a wide majority of 229 over William J. Hicks.

The three bracketed regular G.O.P. candidates for the Board of Freeholders were successful in their bid for reelection.

The report states that a survey of present land use reveals that the Township has effectively controlled the misuse of land in most areas and that zoning has been "very successful."

128 Children Confirmed

New Providence — Auxiliary Bishop Justin A. McCarthy of the Newark Archdiocese confirmed 128 children in Our Lady of Peace Church Saturday.

Borough Election Returns

Table with 5 columns: Candidate Name, 1, 2, 3, 4, Total. Includes Mayor (Jones, Dodge), Councilmen (Mezaccata, Breisch, Fox, Campano).

Berkeley Heights Returns

Table with 5 columns: Candidate Name, 1, 2, 3, 4, Total. Includes Member of Township Committee (DeMatteo, Conner), Tax Assessor (Hicks, Plumb).

Heights Land Uses on Right Path, Planning Study Shows

Berkeley Heights—Zoning has put an effective brake upon misuse of land in most areas of Berkeley Heights and has set the Township upon a steady program of growth as a primarily residential community.

The Princeton group finds that the industrial zones along the railroad are ideally located and that the business zone is "awkward by its physical lay-out" and fails to guide the proper development for the commercial interests of the Township.

that present industries are generally favorable to the Township. A suggestion is made that an "organized industrial district" be considered.

According to the survey, the business zone is "awkward by its physical lay-out" and fails to guide the proper development for the commercial interests of the Township.

Appellate Court Backs Up Regional on Heights' Levy

Berkeley Heights — Regional High School's additional \$61,000 assessment against Berkeley Heights will have to be paid, according to a ruling made Monday by the appellate division of the Superior Court.

The jurists stated that the Township had remedies before the State Division of Tax Appeals rather than the courts.

Our Lady of Peace Church Card Party Tomorrow

New Providence—A card party sponsored by the Rosary Society of Our Lady of Peace Church is scheduled for tomorrow at 8:15 p.m. at the church.

Mrs. Leonard Lepore and Mrs. Robert C. Perry, co-chairmen, are assisted by Mrs. Thomas J. Kilcullen, Mrs. David Mitchell, Mrs. Conrad Swanson, Mrs. Fred Durang, Jr. and Mrs. George Goldway.

The refreshment committee includes Mrs. Joseph Pecca, Mrs. Donald Drummond and Mrs. Arthur Frolic.

Members of the Planning Board are Archer B. Laurence, chairman; E. F. Tomiska and C. M. Monica.

Boro Rolls Up Usual Big Vote for GOP Candidates

New Providence—Although the borough Democratic party listed candidates in almost every office with the exception of a few county committee seats, they were overwhelmingly outnumbered by the strong Republican party here.

Samuel E. Jones polled 659 votes in his mayoralty bid. The Democratic candidate, Donald A. Dodge received 95 votes, giving Jones a 564 lead.

Councilman Lawrence Mezaccata and Clark N. Breisch also won by large majorities with Mezaccata receiving 650 votes and Breisch 637.

Republican county committee candidates received the following votes: first district Ellsworth Hansell, 164 votes; Mary F. Clay, 137; second district, C. Ernie Fischer, 184; Edith Stowell, 182; third district, James R. Cucco, 130; Edith A. Duke, 123; fourth district, Anton Zeiss, 180; Mae Breisch, 181.

The Democratic candidates polled the following votes: first district, no nomination; second district, Albert Rosato, 21; Anita Campana, 22; third district, John F. Cirelli, 44; No other nominations were listed by the Democratic party however Mary F. Clay, the first district G.O.P. county candidate also received a write-in vote for the Democratic first district seat.

President Eisenhower polled 593 votes with Estes Kefauver tagging behind with 59.

It was evident that Irene Griffin of Westfield had gained a great deal of strength in the borough in her bid for the G.O.P. nomination for the Sixth Congressional District.

Robert C. Crane, Elizabeth publisher defeated his closest opponent, Assemblyman Carlyle Crane of Plainfield in the senatorial race with a generous majority of 58 votes.

New Suit Aimed at Receivership for Shackamaxon Club

A charge that checks for a mortgage payment of \$23,000 as well as a check for \$14,000 to cover taxes to the Township of Scotch Plains were "worthless" was made in a new suit filed last week against Mr. and Mrs. Jardine Samurine of 606 Springfield Avenue, owners of Shackamaxon Golf Club at Scotch Plains.

The additional suit closely followed one filed by a Newark man and his nephew who claim the Samurines failed to honor a contract that would make them partners for a \$25,000 investment in the club and requested the Samurines to show cause why a receiver should not be appointed for the club.

The Samurines earlier had killed another court case. This was brought by the Shackamaxon Club for an injunction against Lawrence Tannenbaum and Harry Lautman, New York textile manufacturers and second mortgages, to prevent foreclosure.

The latest legal move was initiated in Essex County Superior Court last Wednesday on

behalf of John Handberg of Westwood and Jacob Moskow of Paterson, holders of the original Shackamaxon mortgage.

The two mortgages filed a claim for \$708,100, the amount they maintain is still owed them under a \$1,020,000 mortgage on the club property.

The Motion, returnable tomorrow, asks foreclosure and the appointment of a receiver.

The suit, filed by Nelson Stamler, charges that the Royal Shackamaxon Club, gave worthless checks to the mortgage holders and the Township of Scotch Plains. In addition, the suit contends, there are federal liens of \$16,827 on the club property.

Boro to Give Salk Shots At Clinic Next Thursday

New Providence—A clinic for the administration of Salk vaccine will be held Thursday afternoon, April 28, from 1:30 to 2:30 p.m. at the Borough Hall. This will be for first shots only. All children under 15 years of age and pregnant women are eligible for treatment. Children must be accompanied by their parents.

Second shots for those who were given first shots in February will be given during June. The date will be announced in the Herald when determined.

gressional District. Mrs. Dwyer received 477 votes and Mrs. Griffin 310. The Democratic candidate, Harrison A. Williams of Westfield polled 53 votes.

The senatorial race was very close with Elizabeth publisher Robert C. Crane nosing out Assemblyman Carlye W. Crane of Plainfield by 15 votes. They received 348 and 333 votes respectively. Assemblyman G. Clifford Thomas of Elizabeth tagged behind with 180 votes. The Democratic candidate, Louis P. Longobardi of Elizabeth received 38 votes.

The three bracketed regular G.O.P. candidates, for the Board of Freeholders were successful in their bid for reelection. They were George W. Herlich receiving 415 votes; Albert J. Benninger, 432 and Sherwood C. Valentine, 430.

128 Children Confirmed

New Providence — Auxiliary Bishop Justin A. McCarthy of the Newark Archdiocese confirmed 128 children in Our Lady of Peace Church Saturday. A special music program was presented featuring Our Lady of Peace School and public school children.

Heights Land Uses on Right Path, Planning Study Shows

Berkeley Heights—Zoning has put an effective brake upon misuse of land in most areas of Berkeley Heights and has set the Township upon an orderly program of growth as a primarily residential community, according to the initial report on a Master Plan for Berkeley Heights made by the Community Planning Associates, Inc. of Princeton.

The organization was engaged by the Planning Board a year ago to assist in the development of a comprehensive master plan to provide for the orderly development of the Township.

The report states that a survey of present land use reveals that the Township has effectively controlled the misuse of land in most areas and that zoning has been "very successful." It points out that new standards for residential lot size can be readjusted to better comply with the existing characteristics now established in the community.

However, the report finds one

weakness and that is with the business zone. It is presently inadequate to cope with the expected anticipated residential growth of the town. A better physical location and land allocation to permit the development of a core of commercial activity are desirable as is more adequate controls of development of business areas, the report says.

According to the survey, the business zone is "awkward by its physical layout" and fails to guide the proper development for the commercial interests of the Township. Off-street parking and loading controls that will be needed in the business zone will be difficult to apply due to the shallow depths of the existing business lots.

The Princeton group finds that the industrial zones along the railroad are ideally located and

Appellate Court Backs Up Regional on Heights' Levy

Berkeley Heights — Regional High School's additional \$61,000 assessment against Berkeley Heights will have to be paid, according to a ruling made Monday by the appellate division of the Superior Court. The division refused to stay reapportionment of the operating costs as requested by Berkeley Heights.

The jurists stated that the Township had remedies before the State Division of Tax Appeals rather than the courts.

Our Lady of Peace Church Card Party Tomorrow

New Providence—A card party sponsored by the Rosary Society of Our Lady of Peace Church is scheduled for tomorrow at 8:15 p.m. at the church.

Mrs. Leonard Lepore and Mrs. Robert C. Perry, co-chairmen, are assisted by Mrs. Thomas J. Killeen, Mrs. David Mitchell, Mrs. Conrad Swanson, Mrs. Fred Durang, Jr. and Mrs. George Goldavy.

The refreshment committee includes Mrs. Joseph Pecca, Mrs. Donald Drummond and Mrs. Arthur Frolic.

that present industries are generally favorable to the Township. A suggestion is made that an "organized industrial district" be considered. The industrial zone along the Passaic River, however, is considered poorly located and will tend to thwart other types of development in that area.

Township facilities, such as schools, are in a good condition from a Planning viewpoint. Schools are centrally located and should adequately serve the community needs for the "foreseeable future."

"There is ample area for expansion in every zone," the report stated. "Readjustment of certain areas, in size and regulation, can be accomplished at this time. To determine the full extent that these can be made, more specific studies are necessary."

The Planning Board is now in the process of making further Master Plan studies on school sites, parks, playgrounds, open areas, future firehouse sites, industrial area redevelopment and a proposed laboratory zone.

Members of the Planning Board are Archer B. Laurence, chairman; E. F. Tomiska and C. M. Monica, Sr.

Boro Rolls Up Usual Big Vote for GOP Candidates

New Providence—Although the borough Democratic party listed candidates in almost every office with the exception of a few county committee seats, they were overwhelmingly outnumbered by the strong Republican party here. Samuel E. Jones polled 659 votes in his majority bid. The Democratic candidate, Donald A. Dodge received 95 votes, giving Jones a 564 lead.

Councilman Lawrence Mezzacca and Clark N. Breisch also won by large majorities with Mezzacca receiving 650 votes and Breisch 637. The Democratic candidates, Gertrude Fox received 97 votes and Nicholas L. Campano 101.

Republican county committee candidates received the following votes; first district Ellsworth Hansell, 164 votes; Mary F. Clay, 157; second district, C. Ernie Fischer, 184; Edith Stowell, 182; third district, James R. Cucco, 130; Edith A. Duke, 123; fourth district, Anton Zeiss, 190; Mae Breisch, 181.

The Democratic candidates polled the following votes; first district, no nomination; second district, Albert Rosato, 21; Anita Campana, 22; third district, John F. Cirelli, 44; No other nominations were listed by the Democratic party however Mary F. Clay, the first district G.O.P. county candidate also received a write-in vote for the Democratic first district seat.

President Eisenhower polled 593 votes with Estes Kefauver tagging behind with 59.

It was evident that Irene Griffin of Westfield had gained a great deal of strength in the borough in her bid for the G.O.P. nomination for the Sixth Congressional District. She was defeated by Assemblywoman Florence P. Dwyer veteran legislator of Elizabeth by 73 votes. Mrs. Dwyer polled 386 votes to Mrs. Griffin's 313. The Democratic candidate, Harrison A. Williams, Jr. received 93 votes.

Robert C. Crane, Elizabeth publisher defeated his closest opponent, Assemblyman Carlye Crane of Plainfield in the sena-

es at their April 23 meeting to be held at the Methodist Church of New Providence.

Dr. Parry, well-known author and educator, will speak of "Our Unity in Christ," stressing the scriptural emphasis in the unity of the followers of Christ and the importance of cooperative work between churches.

An ordained minister since 1924, Dr. Parry has specialized in adult education within the church. He is the author of Planning For Adults Within the Church, Adult Education in the Church, and numerous magazine articles.

A covered dish supper will be served at the Methodist parish house at 7 p.m. and Dr. Parry's address will follow at 8:15 p.m.

torial race with a generous majority of 58 votes. Votes cast by Bob Crane numbered 305; Carlye Crane, 247 and G. Clifford Thomas, 167. The Democratic candidate, Louis Longobardi of Elizabeth received 80 votes.

In the Freeholder race, the regular party candidates, bracketed on the ballot, won by good margins. They included George W. Herlich, polling 380 votes; Albert Benninger, 387 and Sherwood Valentine, 368.

A total of 896 votes were cast in primary election. There are 3,019 registered voters in the borough. Adlai Stevenson received 13 write-in votes.

New Suit Aimed at Receivership for Shackamaxon Club

A charge that checks for a mortgage payment of \$21,000 as well as a check for \$14,000 to cover taxes to the Township of Scotch Plains were "worthless" was made in a new suit filed last week against Mr. and Mrs. H. Jardine Samurine of 646 Springfield avenue, owners of Shackamaxon Golf Club at Scotch Plains.

The additional suit closely followed one filed by a Newark man and his nephew who claim the Samurines failed to honor a contract that would make them partners for a \$25,000 investment in the club and requested the Samurines to show cause why a receiver should not be appointed for the club.

The Samurines earlier had settled another court case. This was brought by the Shackamaxon Club for an injunction against Lawrence Tannenbaum and Harry Schumacher, New York textile manufacturers and second mortgages, to prevent foreclosure.

The latest legal move was initiated in Essex County Superior Court last Wednesday on

behalf of John Handberg of Westwood and Jacob Moskow of Paterson, holders of the original Shackamaxon mortgage.

The two mortgages filed a claim for \$700,100, the amount they maintain is still owed them under a \$1,000,000 mortgage on the club property.

The Motion, returnable tomorrow, asks foreclosure and the appointment of a receiver.

The suit, filed by Nelson Stangler, charges that the Royal Shackamaxon Club, gave worthless checks to the mortgage holders and the Township of Scotch Plains. In addition, the suit contends, there are federal liens of \$10,827 on the club property.

Resident Hurt as Car Plunges into River

Moses Brown, Jr., 41, of 170 Broad street, was injured Sunday when the car in which he was riding with Eugene Wright of Plainfield went out of control in Mount Bethel and plunged into the Passaic River.

The two men were travelling toward Plainfield when Wright, the driver, lost control of the car and it went into the river. Brown pulled Wright out of the vehicle.

The incident was seen by Sgt. Robert Moore of Bernards Township, who was passing by and saw the car overturned in about five feet of water. He took both men to Lyons Veterans Hospital for treatment. Wright was treated and released and Brown was reported in good condition.

Steve Carse is stage manager, Judy Nertz is assistant stage manager, Mary Ann Tietjen, costumes, and Mary Courtney, Barbara Kobylarz and Gail King, properties. Constance Cooper Loux is director.

Student Theatre Casting Now For Summer Stock

The Student Theater of Summit is casting now for a repertory of plays to be presented in stock companies this summer. Young people in the area who are interested in professional training and performance before audiences should call Constance Cooper Loux (CR. 3-3927) for an audition. Rehearsals begin tomorrow for

"Cinderella," the first production to be presented.

The students made their New York debut last Sunday when they presented a performance of "Peter Pan" at the Provincetown playhouse.

Local Theater Group Plans Summer Stock

A summer stock company for apprentices will be formed this week by Mrs. Constance Cooper

Loux. Plays will be given in the area during the summer months and rehearsals will begin as soon as casting is completed.

Interested persons may try out by calling Mrs. Loux at CR. view 3-3927.

The Student Theater's current production of "Peter Pan" will make its New York City debut Sunday at the Provincetown Playhouse on MacDougal street. Mrs. Loux also is director of the Student Theater.

The Gear of the Year)

IT'S AN ECONOMY CHAMPION, TOO!
Jetaway-equipped Oldsmobiles rocketed to double victory in 1956 Mobilgas Economy Run!

HERE'S A CANDIDATE for the most talked-about "secret" of all time! It's the secret of the smoothness—the revolutionary second coupling—in Oldsmobile's new Jetaway Hydra-Matic! Oldsmobile first used a fluid coupling to cushion automatic gear transitions in the original Hydra-Matic Drive. And it was this famous transmission that opened the door to the whole era of automatic driving.

Now, in Oldsmobile's new Jetaway, not one, but two fluid couplings harness the go-power of the mighty Rocket Engine—soften the surge of Rocket action!

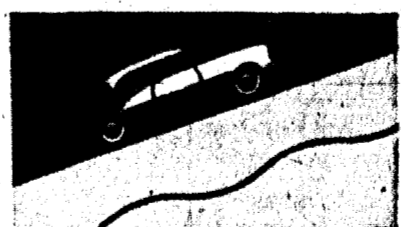

Fluid in the second coupling fills and spills with jetlike speed—cushions gear transitions so they're almost imperceptible! In other words, Jetaway seconds the motion—gives you all the flow of fluid, yet retains all the solid, thrilling go of gears!

NEW DUAL DOWNSHIFTING FOR EXTRA SAFETY!

What's more, Jetaway features new dual downshift action—at traffic and cruising speeds—to split-second the motion, too. Just wait till you try it, teamed with Oldsmobile's new Rocket Engine—240 horsepower strong, charged with a 9.25-to-1 compression ratio—delivering a breath-taking 350 lb.-ft. of torque!

JETAWAY SMOOTHNESS... BEAUTY TO MATCH!

You'll go for the glamor of Oldsmobile, too! There's massive magnificence and solid assurance in the advance-design "Integrille Bumper." It's two front bumpers in one for protection high and low—an Oldsmobile first, an Oldsmobile exclusive—more unmistakable evidence of Oldsmobile's styling leadership! And it's all underscored by Oldsmobile's ruggedly-built, quality-built chassis featuring sturdy Six-Point Suspension to increase riding comfort and roadability.

Sum it all up—performance, power and appearance—you've got to go some to equal it! Yet Oldsmobile prices start right down with many models in the low-price field—and value is right up with the highest at resale time! Stop at our showroom for a demonstration, now!

HAPPY WINNER—Miss Ann T. Doogan of 213 Morris avenue is a happy winner in the third annual Greater Newark Science Fair held Saturday, April 14, at Newark College of Engineering. Miss Doogan's exhibit "The Seventeen Quadric Surfaces" won her first place in the mathematics classification. She is a student at Bayley-Ellard High School, Madison.

Three Summit Students Win Science Honors

Three students from Summit received honors last Saturday, (April 14) at the third annual Greater Newark Science Fair held at Newark College of Engineering. Miss Ann T. Doogan of 213 Morris avenue won first place in the mathematics classification with her exhibit "The Seventeen Quadric Surfaces." Frank P. McAneny of 64 Prospect street won first place in the "PY" division of the physical sciences classification with his exhibit "Microwave transmission." Armand Bontempo of 84 Broad street and Rose Ann Giordano of Morristown won third place in the groups exhibit with their exhibit "What has Chemistry Done for the Anatomist."

All are students of Bayley-Ellard high school. Sponsoring teachers were Sister Mary Helen and Sister M. Walter. The fair's top winners are Julius Madey of Jonathon Dayton Regional High School, and Joseph Pastore of West Side High School in Newark. Their exhibits will entitle them to enter the seventh National Science Fair, starting May 10, at the Municipal Auditorium of Oklahoma City, where they will compete for national honors against other regional winners from most of the 48 states. Total number of students exhibiting was 230; number of exhibits 266.

drive, the Union County Association for Mental Health hopes to help establish countywide clinic service for those in need of help, regardless of their ability to pay. It will continue its information service which answered more than 350 urgent requests last year from families of people with mental and emotional problems. Through its program service which arranged more than 140 programs in the county, it will continue its preventive educational program. Part of the contributions will go to the National Association for Mental Health for research.

Missionary in Africa to Speak At Long Hill

A missionary conference will be held at Long Hill Chapel this week-end with the principal speaker being Rev. W. W. Arnold, missionary to Africa since 1935.

Mr. Arnold has worked among the primitive Baouli people in French West Africa under the Christian and Missionary Alliance. During his three terms of service he has served as regional chairman, principal of the central Bible School, and has translated the entire New Testament and several books into the Baouli language. He is now working on a concordance.

To make it possible for the whole family to attend the Saturday meeting at 7 p.m., a family fellowship buffet supper for 150-

200 people is being planned by the Deaconesses.

Mr. Arnold will be the guest speaker in the morning worship services Sunday at 11 a.m.

Library Has Exhibit Of Anti-Litter Items

The current exhibit at the Summit Public Library is a display

of literature, posters and other materials used in the nationwide campaign against "Litterbugs." Photographs depict the need for constant care and awareness of a national problem which threatens to ruin the scenic beauty of our countryside. The displays were arranged by Mrs. Harold S. Bell, Mrs. John M. Mackie and

Mrs. W. Richmond Tracy. The weekly flower arrangements, provided by members of the Garden Club, have been a highlight of the Library's April garden program, and have delighted the patrons by their variety and color. The final exhibit of the month will be arranged by members of the flower show committee.

pledged state's 71. The same trend held for the election of Democratic county delegates to the convention with the unpledged group winning locally by 77 as compared with 54 local votes given to Kefauver.

There were two instances reported where registered Republicans asked polling officials how they could cast a ballot for Kefauver delegates. They were in-

formed that it would not be possible until the November election.

Several Write-Ins
There were several local write-in votes, most for Frank Paul of Glenside avenue for a vacant ballot position for county coroner.

Prentice C. Ford of Canoe Brook parkway was given a Democratic write-in nomination for Councilman in Ward 1 and Everett Nelson got a Democratic write-in nod for City Clerk. John Roger Conant also received a write-in nomination by Democrats for Councilman in Ward 2.

Adlai Stevenson received four write-in votes for president, as did Vice President Richard Nixon and former Gov. Alfred E. Driscoll.

Dwyer Easy Victor
In the Congressional race, Assemblywoman Florence P. Dwyer easily proved she had not lost her vote-getting abilities by chalking up 26,296 to her opponent, Mrs. Irene Griffin's 12,842. Congressman Harrison A. Williams, Democrat, who will be pitted against Mrs. Dwyer in November, received 14,447 ballots.

Henry G. Nulton, GOP unopposed nominee to succeed himself as County Clerk, polled 35,768 and Alex Campbell, also unopposed, won the Sheriff's nomination with 36,589.

President Eisenhower pulled in a whopping 38,176 votes in the county, which was 424 more than he was given in a three-way clash for the 1952 nomination when running against Taft and Stassen.

Who Robert Crane's opponent will be in November is yet to be decided. Louis P. Longobardi, former Elizabeth city attorney, was unopposed in the Democratic primary, but was entered by the county Democratic organization as a fill-in candidate until after the primary. County Democratic chairman James J. Kinnealy has said that he hoped to be able to announce a general election candidate within a month after the primary.

Only Handful of Parents Present at School Hearing

New Providence—Apparently the residents of this borough are in agreement that a new High School is needed or they are not interested in a High School at all. Of the 3,019 registered voters in the borough, only about 25 turned out to the public hearing by the Board of Education in Lincoln School last Friday night to discuss plans for the proposed new high school. The Board last week mailed more than 2,000 brochures about the new school and informed residents of the meeting.

The cost of construction is estimated at \$1,500,000. The Board of Education proposes to issue 28-year bonds to mature annually.

In a spirited discussion between several residents, board members, David Ludlow, architect, and Allen W. Roberts, superintendent of schools, many questions on the cost of construction, the number of instructional areas and the feasibility of one or two stories were brought out.

Mr. Ludlow pointed out that the state requires more stairways in a two-story design and the structure would require more expensive construction. A one-story structure will require less custodial care which is an advantage, he said. There will be 29 instructional areas in the initial plans, with room for an expansion program, he said. He added that about forty sets of plans had been made before a decision was reached on the proposed set. Getting the best education for the least amount of money was the important factor, he said.

The school, Mr. Ludlow stated, is planned to house 650 students and should be filled to capacity by 1961. An expansion program will then have to be considered.

The scheduled opening date is September, 1958 when students in grades 7 to 11 will be received. In September, 1959, the 12th grade will be included.

The estimated tax rates for the next five years are as follows: 1956, \$5.92; 1957, \$6.13; 1958, \$6.42; 1959, \$6.69; 1960, \$6.83.

The cost of the structure is broken down as follows: five construction contracts, \$1,200,000; building equipment and furniture, \$150,000; site development, \$35,000; fees and services, \$97,000; and contingencies, \$18,000.

In explaining the proposed curriculum, Mr. Roberts announced that many new ideas will be incorporated in the program, particularly in the commercial department. Modern business demands extensive training with various types of office equipment, he added. A room equipped with many modern business machines

will be located between the commercial department and the school business office. Instrumental music rooms will be situated away from the other instructional areas. Several new features will be included in the science program.

The cost of the borough at present to send its 140 students to Summit High School is \$450 per pupil.

In discussing the cost of the school, it was revealed that the school approaches were not included in the set cost.

Mrs. Lyman B. Coddington, Jr., president of the board, presided at the meeting. Present also were Howard Smith, William Braunschweig, H. Milton Anderson and Robert Clark.

Voters are requested to cast their ballots on Tuesday, April 24, between 6 and 9 p.m.

Oriental Theme Chosen for Boro Church Party

New Providence—East is East and West is West but the twain will meet Saturday night at the Presbyterian Church here when the Couple's Club holds a dinner session with an Oriental theme. The menu will be built around chow mein and there will be Oriental decorations, games and music.

Guests of honor will be Ping King and Nancy Tien of Chatham Township, natives of Old China.

In charge of the dinner will be Grace and Ed Rice, Evelyn and Jack Anderson and Mary and Don Blakeslee.

Reservations may be obtained for the dinner, which starts at 7 p.m., by calling CR-3-7510 during the day or CR-3-5363 during the evening.

Copies of the constitution and by-laws for the new organization will be distributed to members who will vote on them at the May get-together.

Ed and Nancy Naramore, co-presidents of the group, have named a nominating committee to select officers for the coming year. The committee includes Ruby Jean and Bill Ohan, Alice and Willis Yocum, Nancy and Tom Andrews and Fred Kroll.

New Pupils and Mothers to Meet With Heights PTA

Berkeley Heights—On May 2 from 2:45 to 4 p.m. in Berkeley School a tea will be given for the children and their mothers who will enter school in September. While the children visit their future classrooms, meet teachers and have refreshments, the mothers will meet in the auditorium with the school personnel and be served tea by the pre-

school committee of the Berkeley Heights PTA.

All children who will be five years of age by December 31, 1956, qualify for entrance to school in September. Registration days are May 9 for those whose last names begin with A through G; and May 16 for those whose names begin with H through Z. Registration will be from 9:15 to 11 a.m. Birth certificate and vaccination record must be presented at the time of registration.

All qualifying children and their mothers are invited to attend the tea on May 2.

Section 2. Any person residing or owning real property in the City of Summit, or having a place of business or being regularly employed in the City of Summit, may without cost obtain an identification sticker to be affixed to the lower left corner of the rear window of his vehicle, by application to the City Clerk stating his name, address and the license number of his vehicle. Section 3. This ordinance shall be effective July 1, 1936.

the City of Summit, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Common Council held on Tuesday evening, April 17, 1936, and that said Ordinance will be submitted for consideration and final passage at the next regular meeting of the Common Council to be held on Tuesday evening, May 1, 1936, at the City Hall, at 8 o'clock at which time and place any person who may be interested therein will be given an opportunity to be heard concerning such Ordinance. Dated: April 17, 1936. HARRY C. KATES, City Clerk.

TERMITES are flying again. Watch for "Swarms" of "Flying Ants" which come with Spring, shed their wings, then disappear. These wood destroying insects cause much damage to property. Buildings not protected during construction usually require it later. We Specialize Exclusively in protection of property against TERMITES and other Wood Destroying Insects, using dependable engineering methods. We are not simple exterminators. Every job is supervised by an experienced technically trained, licensed engineer. We are a New Jersey organization, employing New Jersey residents, and we have served New Jersey property owners successfully since 1835. Our reputation in this field is unsurpassed. Pingry Sets Back Summit 4-2

At Pingry last Friday a cold and wet crowd of about 100 watched Pingry's Dave Knoke hand the Summit Hilltoppers a loss in their first baseball game of the 1956 season. He pitched five-hit ball in the process.

John Scarinza started on the mound for the Hilltoppers and was given an immediate one run advantage by his teammates. With one down in the top of the first Bruce Wilkinson lined a sharp single into center field. Eddie Rillo followed this up by walloping a triple down the right field line, scoring Wilkinson.

Three Teams Vie For Top Honors in Boro Bowling Race

The big three way battle for top honors in the New Providence Boro Bowling League continues in full sway, with a virtual three way tie for first place. The Donewell Cleaners, Es and Bud, and Harry's Esso, in that order, have but a half point separating first and second place. Last Wednesday night at the Berkeley Recreation Lanes both Donewell and Es & Bud posted three games sweeps for 4-point victories, with Harry's Esso garnering three points in their battle with Variety Bake Shop.

The big news of the week was the 5-star performance by Norma Gehling of the league leading

Charaline Werner Maintain Pace As Season Nears End

Charline Drugs and the Werner Motors continued their big battle for top honors in the Recreation Bowling League last Wednesday evening at the Echo Lanes. Both clubs posted two game victories over Ken Johnston's Sport Shop and West Penn Oil. Three more weeks of bowling remain, with both teams to meet on consecutive weeks, which could mean either a two-way tie for top honors, or also could mean a three game spread for the club enjoying a good series.

Charline's dropped the opening game to West Penn Oil, with Pete Kivlen the only bowler to better 200 in this game. Charline's came back to win the middle and closing games by wide margins, with Gene Parsil and Johnny Deitrich

Registration For Boys' Baseball Program Opens

Registration for the boys' spring and summer baseball program sponsored by the Summit Board of Recreation is now under way, and boys may register at Edison Recreation Center until April 28.

All boys wanting to play must attend the clinic sessions which start on Saturday, May 5, at Memorial Field. The Grasshopper minor and major leagues will hold clinic sessions on Saturdays from May 5 through June 16 at 9 a.m. The intermediate league will hold its clinic sessions at Memorial Field on Fridays June 1 and June 8 at 6 p.m.

Methodists Post Win Over Baptist In Church Loop

The Methodists held a commanding lead in the Summit Inter-Church Bowling League by posting a three game victory over the Baptists last Monday evening. The Methodists by winning held a four game lead over the St. John's keglars and a four and a half game lead over the First Lutheran rollers as the latter dropped a single game to the Temple Sinai.

The Grasshopper minor league is for boys from 8 1/2 to 10 years old. The Grasshopper major league is for ages 11 to 13 and the intermediate league is for ages 14 to 16. Birthdays are determined as of April 1.

Traffic Plan

(Continued from page 1) porarily broken families resulting from the Weaver street evictions and the fact that relocation in Summit seems virtually impossible.

A letter was received from William J. Thompson of Colorado Springs, formerly of Summit, offering at \$60,000 a piece of land on the corner of Broad street and Morris avenue. Council last month rejected a Zoning Board recommendation for Thompson to construct a service station at that corner.

YM Clothing Drive

(Continued from page 1) local business concerns. This project was the second collection effort sponsored by the YMCA World Service Committee. The first one was the collection of nearly 2,000 pairs of shoes for refugees in West Germany. Members of the sponsoring committee included Lewis C. Warner of Stanley Tool Works, chairman; Bruce N. Bensley of Convent Station and member of the World Service Committee; Carmin Sommo and Vincent M. Wells, Hi-Y club sponsors; C. Thomas Camilli of Telephone Laboratories and President of the Y's Men's Club; William R. Kantrowitz of Bell Telephone Laboratories; Ray Hall of RCA and 103 Mountain avenue; and Frank A. Hydrun, Youth Director of the Summit YMCA.

The Friends organization advised that the clothing will be sent to Korea, Japan and Europe.

Bond Beats Chell Fratzen to Break First Place Tie

Bond Furniture posted a three game sweep over Chell Fratzen to gain a slim half game lead over DeLux Sweet Shop and Peggy Abbott, both clubs tied for second place. Grace Ciullo and Greta Hake sparked Bond with F. Ruciano the top bowler for Chell Fratzen.

Doyle and Perillo Neck-to-Neck in Women's League

The two-way battle for top honors continued in the Summit Women's Recreation Bowling League last Tuesday night with Doyle's and Perillo's posting identical 2-game victories. Doyle Furniture with a two game margin over Perillo's, posted two victories over Church, with Alice and Betty Gavin leading the way. Perillo's kept pace by winning two from Zeigner's, with A. Taraska sparking the victory with a 441 series. Chubb & Son won three from Zotte's Esso Service, with Julia Pressler, Lois Kremer and Ida Schilling sparking the sweep. Summit Women's Rec. Spats Sweeps Brennan In Heights Mixed League

V. A. Spatz posted a clean sweep over Brennan's last Sunday evening at Berkeley Recreation Lanes to increase their league lead in the Berkeley Mixed Bowling League. Bob Engleman and R. Garo sparked Spatz, with B. Marx rolling the top series for Brennan's.

In a four-way battle for second place, the Independents lost ground by dropping the second and third game of their series with Towne Deli. Charley Sloss had top series for the Independents, with T. Trytek and J. Luciano the best for the Towne Deli. Trytek's 594 series featured a fine 221 closing game effort.

Maybelle's projected themselves into a good position by winning three from Mazzucco's, with P. Fortenbacher and M.

Role of Police

(Continued from page 1)
the boundaries of Summit without official permission.
"The Police Officer contributes continually to the progress of Summit and is a major factor in the moulding of the character of the youth of this City. The PAL organization is operated for the children of Summit by the PBA and the time the officers spend in conjunction with the PAL activities comes from their own "off duty time" — not from official time.
"I say to you that we in the community should look more carefully into the activities and operations of our Police Force so that we can really appreciate

what they, individually and collectively, contribute to the welfare of all of us in Summit.
"The 'duty demands' on those who comprise the Police Force of Summit and the proficiency with which they perform assigned duties certainly must be recognized officially.
"That recognition should be evidenced in the form of an elevated salary scale for these men.
"The Board of Education fights strongly for increased remuneration for the teachers of Summit — and I might add quite successfully.
"Please tell me who fights for the Police Officers in a like manner?
"You gentlemen really have a tough job. There are some people who may criticize your sternness, but those criticisms generally come from those whose actions warrant stern measures.
"Underneath that severe exterior, you are really fine folks — considerate — thoughtful and helpful — and highly competent in the execution of your assigned duties."
Among the guests were former Mayor Percival M. Bland, Freeholder Ernest S. Hickok, Mayor C. Philip Dean, Westfield Chief Albert Pfirman, Chatham Chief Raymond Brink and delegates from Springfield.
Patrolman William Gaffney was

chairman of the dinner committee. The invocation was given by Rev. Jesse Lyons of the Methodist Church.

Oscar D. Dennis

(Continued from page 1)
last 15 years.
In presenting Mr. Dennis to President Perry for the award, Allan R. Devenney, general secretary of the YMCA, paid the following tributes on behalf of the Reel award committee and the YMCA: "Oscar Dennis has been chosen for the 1956 Shuart Reed memorial award because he outstandingly represents the qualifications which go with this recognition. When the award was set up in 1950 it was determined that it should go each year to a person of recognized leadership and personal integrity, because of whom youth has been greatly served, who exemplifies community spirit at its best, stands for the brotherhood principle regarding race, creed, nationality, and culture, and who is responsive and interested in the work of the Association. Oscar Dennis has made an impressive record as a Christian leader in this community. Notably effective in his efforts to broaden the recreational opportunities for youth, in his consistent application of high ethical standards in his business and social relationships, ably championing all causes to serve the total welfare of the community, the YMCA is proud to claim him also as a devoted leader in our movement and we count his example as an inspiration for our members and indeed for all citizens of our city. We count him particularly as a friend of youth and as a splendid representative of the tradition which has been developed to honor the memory of Shuart Reed."

"LIFE IS A GAME THAT MUST BE PLAYED"
(Author's name below)
You can live a great many years longer than was expected at your birth because medical science has not only achieved the biblical three score and ten years of average life expectancy, but each year hopes to increase that figure.
But you, yourself, must be an active player in the "Game of Life." If you will regularly visit your physician for a physical check-up, he can help you to prevent serious illness, and you will be richly rewarded by many additional years of healthier living.
YOUR PHYSICIAN CAN PHONE CR. 7-0399 WHEN YOU NEED A MEDICINE
A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

Airman Caught After 90 Mile an Hour Chase

Airman Michael J. Yannotta, 19, of Orchard street was booked Sunday on a reckless driving charge after giving police a 90-mile-an-hour chase for almost five miles.

The car in which Yannotta was driving with three other teenagers was spotted by Sgt. George A. Gerrity and Patrolman Richard Chuboda on Broad street

near the Springfield line at 2:25 a.m. The policemen chased him through Summit and out Mountain avenue to the Bell Laboratories in New Providence where he was overtaken and stopped. Yannotta is stationed at the Naval Air Station, Chincoteague, Virginia.

St. Teresa's Pupils' Poems Entered in National Contest

Court Benedict, 611, Catholic Daughters of America, announces the selection of three poems to be entered in the National Poetry Contest, sponsored by the Catholic Daughters of America.

Poems were written by students of the upper grades of St. Teresa's School, and cash prizes were presented to those whose poems were selected. First prize was awarded to Kathleen Swain, Grade 7; second prize, Patricia Masi, grade 8; third prize, Ann Marie Bogan, grade 8.

Poems were to be based on Catholic theme and judged on creative ability.

Few insect-carried diseases are injurious to the insects which carry them.
