## Plans Completed to Merge Oratory School With Seton Hall Prep

Relocation of Seton Hall Preparatory School to the site of Oratory School on Bedford road and Morris avenue, within two or three years was confirmed last Thursday by Bishop John J. Doughtery, president of Seton Hall University.

According to an Oratory School spokesman on Tuesday, the school will eventually be "merged with Seton Hall Prep. with members of the local school's teaching staff absorbed into the Seton Hall faculty.

Agreement on the move was made by officials of the Newark Archdiocese, the University and both schools. Until the move takes place, both preparatory schools will continue to operate separately.

While it is expected that students will not be inconvenienced by the shift because of available transportation, Bishop Dougherty said the school will provide charter bus service for students who need it.

The relocation of the prep school will give Seton Hall's University 25 additional classrooms. The boys' school, which has been located on the university's South Orange campus for 100 years, had been looking for a new location since both prep and university officials think the move would benefit both.

According to the school headmaster, Msgr. Thomas Tuohy, to accommodate Seton Hall's present enrollment of 850 students, 15 classrooms, two science laboratories, and music and art rooms will have to be added to the present ten classrooms on the ten-acre Summit site. Recently built gymnasium and playing fields should be adequate, he added.

Currently there are 250 students at Oratory.

The school was founded in 1907 as the Carleton Academy by a group of Catholic lay people.

During the Depression of the 1930s the school ran into financial difficulties and was taken over by Msgr. Newcomb and Rev. Joseph Capuano. It was that time that the school's name was changed to Oratory.

In 1937 Rev. Capuano stepped down as headmaster and was replaced by Rev. Joseph Kelly who remained until 1947 when Rev. John Bain, the current headmaster, was appointed. Rev. Bain first came to the school in 1936.

Since Rev. Bain has been in charge of the school, enrollment has tripled and a $1,000,000 expansion program completed.

The name "Oratory" was chosen by Rev. Capuano, who was a devotee of St. Philip Neri, a scholar who founded many schools in Italy, which he called "Oratories."

In 1952 the school had as its commencement speaker Bishop Fulton J. Sheen.

## "Explosion" Will Call CD Into Action

An "explosion" at Lincoln School, New Providence, on Sunday will signal the start of a Civil Defense exercise in which units of the Summit CD council, Overlook Hospital, the Police Department and Red Cross will have leading roles.

Since there will be no public participation in the exercise, there will be no sounding of alarms.

The exercise, scheduled to begin at 1:30 p.m. will involve a simulated "explosion" at the New Providence school in which there will be approximately 50 casualities who require medical attention.

Dr. Alexander Crosett of Overlook Hospital, will have the responsibility of dispatching doctors to the scene in order to supervise the first aid which will be rendered by New Providence first aid squad and to assign an order of priority in transportation of casualties to Overlook.

Summit will provide communications at Overlook with Springfield and New Providence and at the City Hall control center. New Providence will provide communications at the scene of the explosion and at the New Providence control center.

Transportation will be handled by the Summit Area Chapter, American Red Cross, under the direction of Col. Ray Tarr, executive director. Red Cross units will have the responsibility of driving "casualties" to Overlook, and back to New Providence upon completion of the exercise.

There will also be an exercise in mass feeding with sandwiches to be provided the "casualties" and workers by New Providence with the cost to be assumed by Summit.

Summit will provide police direction from the Summit and Springfield line to Overlook Hospital, while New Providence will provide police units at the scene of the incident to the Summit line. Summit's Police Auxiliary will be called into action under the direction of Police Lt. Robert Martin.

"Casualties" will include members of area Boy and Girl Scout troops.

HEADED FOR LIBRARY — The batch of National Geographics shown above have been earmarked for the public library as part of the College Club book sale's community service to provide books and magazines to fill gaps in library files. Shown as they pore through some of the National Geographics, some of which date back to 1922, are Amy Lambe, daughter of Mr. and Mrs. Donald Lambe, an onlooker; Mrs. Hugh Eucark, assistant book sale coordinator, and Mrs. James Jaffe. This year's book sale will get underway tomorrow for children and on Saturday for adults. Book sale headquarters are again located at Springfield avenue and Kent Place boulevard over the New Hampshire House Restaurant. (Wolin Photo)

## Follies Names Chairman of Talent Group

Mrs. Arthur C. Culbertson, jr., of 167 Canoe Brook parkway, has been named talent chairman for the 17th annual Overlook Follies scheduled for November 12 and 13 at Summit High School.

Richard C. Shultz of 48 Lind-

Mrs. A. C. Culbertson

en place has been named co-chairman of the committee.

Heading up the Summit talent committee will be Mrs. Edward H. Kaus of 15 New England avenue. Assisting her will be Mrs. James E. Boyce, Mrs. Marshall Edwards, Mrs. Donald G. Lauck, jr., Mrs. Dennis Johnson, Mrs. Harry L. MacRae, Mrs. William C. Sellars, Mrs. Ralph J. Weiger and Mrs. Robert J. Wheaton, jr.

Out-of-town talent chairmen include Mrs. Carl Peterson of Berkeley Heights; Mrs. William A. Smith of New Providence; Mrs. John E. Harring of Chatham; Mrs. Thomas H. Citron of Short Hills and Mrs. David Norwine of Westfield.

All funds raised by the Follies are earmarked for the hospital's linen fund. The show is annually sponsored by the Overlook Hospital Women's Auxiliary.

### Boosters to Again Conduct Button Sale

The annual sale of Summit High School "booster buttons" will be conducted again this year, it was announced today by the sponsoring Summit Boosters Association.

The buttons, newly designed this year, will go on sale at the Hilltoppers' first home football game on Saturday, October 9, against New Providence.

Proceeds from the sale will be devoted to the Boosters' program of college scholarships and grants-in-aid. Chairman of the sale, in which all Booster members will participate, is F. R. Moore.

## Kids Get First Crack At Book Sale Selection

About 50,000 books and other items will be offered for sale when the College Club book sale opens its doors for the 30th consecutive year tomorrow at 2:30 p.m. when children's books may be purchased. On Saturday at 9:30 a.m. adults will be admitted to the two-week sale, located upstairs at the corner of Springfield avenue and Kent Place boulevard.

Booksale chairman Mrs. James Jaffe reports that the "quality of books is very high this year." "There are more good textbooks, sets of books, and books wearing their original dust jackets than usual," she added. There are more special press books such as Heritage and Golden Hind, and the music section has more long playing records.

The larger-than-usual paper back section has many Ian Flemings, and there is a hard-cover section of science fiction with a sub-section on flying saucers.

For the first time in recent years many lawbooks are available, some modern ones, some very old, and some first printings.

Appealing to art lovers will be the Marlboro Books' donation of 100 prints, size about three by five feet, some on canvas and some on rice papr. These will be hung in a separate room for adequate viewing.

In the music section are two piano rolls, "The Whole World is Singing My Song" and "A Huggin' and a Chalkin." Sheet music includes Irving Berlin's "Any Bonds Today"; two 1909 copies of America Indian songs (music from real Indian melodies); an original copy of Callahan and Roberts' "Smiles"; two early Sousa marches; and Ri-

(Continued on Page 23)

## No Hike Seen In Price of School Lunch

Because the city's schools' cafeteria operated slightly in the black last year, prices in the lunchrooms will remain the same this year, Walter S. Eddy, business manager, reported at a regular meeting of the Board of Education held last Thursday night in the High School library.

Sales for the year totaled $178,408, Mr. Eddy said, while a federal cash subsidy of about $29,000 was also received. Miss Margaret Schumacher, cafeteria director, also indicated that surplus commodities were valued at an additional $43,000.

During the year, Mr. Eddy reported, 438,879 lunches were sold, as were 744,245 half-pints of milk. A total of 13,639 free lunches were granted to students whose need was approved by the Welfare Department and other local assistance agencies.

Mr. Eddy stated that income from sales and subsidy is used to pay all food and labor costs for the luncheon program, as well as to cover repair and replacement of kitchen equipment and new equipment, when needed.

Consequently, he pointed out, the lunch program has no budgetary reflection since operations are self-supporting.

Mr. Eddy also pointed out that in addition to the lunch program, the cafeteria staff catered to a "great many" different school events during the year. He added that these services are offered at cost and have become "an important part" of the social life of the schools.

### Four Persons Hurt In Turnpike Crash

Four persons were injured in a two-car crash at Summit avenue and the Morris and Essex turnpike late Friday afternoon

Police identified the injured as Mable M. Moeckel, 56, of 851 Springfield avenue, driver of one car, and three passengers in the car, Mrs. Joan Beneivegia, 54, of Elizabeth, Ethel Littman, 54, also of Elizabeth, and Christine Planet, 20, of 68 Kent Place boulevard. All suffered neck and back injuries. Driver of the other car, Regino Dumen, 54, of Newark, was uninjured.

The mishap occured when the Moeckel car was halted for a red light on the turnpike and was allegedly hit from the rear by Mr. Dumen. Both cars were travelling west at the time of the mishap.

Investigating the accident was Patrolman Ralph Nolting.

## GOP Senatorial Pair to Spend Day in Summit

Union County's Republican state senate candidates, Sen. Nelson F. Stamler and Assemblyman Peter J. McDonough, will spend next Thursday in Summit attending a series of meetings and social events with local voters.

Mrs. James Gilmartin of 4 Fremont road will be hostess for a coffee hour from 10 to 11:30 a.m. for the candidates and Senator Stamler will have lunch at the Downtown Association as the guest of Hugo Pfaltz. The Downtown Association is a local businessmen's luncheon club which meets at Beacon Hill Club. Mr. McDonough will have lunch with the Lions Club as the guest of George Twill.

From 2 to 3 p.m. there wil be an open meeting at GOP headquarters, 39 Beechwood road, for the public to meet the candidates. Following this event both Stamler and McDonough will visit local stores and greet shoppers in the business area.

The "day" has been planned by Mrs. H. W. Reynolds, jr. of 61 Karen Way and Mrs. Walter L. Moran, 2nd of 212 Blackburn road.

## Worker Hurt In Flash Fire On Broad Street

One workman was injured last Friday when a flash fire broke out on the second floor of a house at 85 Broad street. The blaze, which did little damage, was brought under control within minutes by 25 firemen who answered the alarm.

The Fire Department identified the injured person as Donald Schwerdt of Springfield. He was taken to Overlook Hospital for treatment of third degree burns and later released.

Deputy Fire Chief James Eakley said the alarm was turned in at 2:20 p.m. by a man who was working in the building. Chief Eakley said the fire apparently started when a spark ignited varnish fumes in the room where Schwerdt and the other man were sanding and varnishing the floor. The plug was accidentally pulled from the socket, Eakley said, causing a spark which touched off the flash fire which injured Schwerdt.

Damage was confined to the room and was termed minor. Firemen stayed at the scene for about 30 minutes to be certain all embers had been extinguished.

## United Campaign Ready to Launch $250,000 Drive

Plans for this year's United Campaign to raise a record $217,000 for 12 member agencies were rapidly nearing completion this week in preparation for the drive which officially gets underway on Saturday, October 9.

Although the campaign will be kicked off following a parade that Saturday morning, members of the drive staff have already started the solicitation. On Sunday major gift donors will be contacted through a seven-hour telethon during which time 45 volunteers will call an esimated 350 potential contributors.

Last week the residential section, which generally produces the major portion of funds, and district chairmen, gathered at the home of Mrs. Sumner White 3rd., of 19 Ridge road to complete campaign plans and collect campaign kits for the hundreds of door-to-door solicitors

John Kirkpatrick, this year's United Campaign drive chairman, indicated this week that one of the "chronic campaign problems" is that "many people do not know what constitutes an adequate gift." He added that it is "important that our neighbors realize that the United Campaign represents 12 agencies at one time through one contribution" but that "all too often we think of the United Campaign as one drive for one agency instead of one drive for 12 agencies."

Harris Haviland, campaign volunteer training director emphasized "the need for each resident to consider carefully the campaign's need for an additional 15% increase in contributions." He indicated that the extra 15% needed in donations "would be one of the keys" to the campaign's success.

Mr. Haviland also stressed to each volunteer solicitor that the United Campaign arrives at its goal through the review of each agency's request by the budget review committee. This year, he said, the 12 agencies jointly requested $250,000, but that the figure was pared down to $217,000, a 15% increase over the $205,000 requested last year.

Residential section chairmen include Mrs. Nicholas Curtiss, Mrs. John Woods, Mrs. Russell Morss, jr., Mrs. John Arnold, Mrs. Radford Lovett, Mrs. Edwin Knetzger, Mrs. Herman Kurz, Mrs. Paul Hanna, Mrs. H. C. Karpf and Mrs. David Hill.

## Golf Course May Provoke Lively Debate

A public hearing on Common Council's proposed ordinance which would provide $80,000 for construction of a Par-3 golf course at Vanderpoel Pond will be held on Tuesday at 8:30 p.m. in City Hall.

It is expected some property owners along Canoe Brook Parkway whose rear yards will face the proposed course, will object to the measure on grounds that such facilities would be a source of possible noise. Some letters have already been received by Council by area residents either objecting or voicing concern over the proposed construction of the course.

Of the total $80,000 sought by Council, $76,000 would be appropriated through sale of bonds.

Proposed by the Board of Recreation, the 9-hole course would be constructed on a 12-acre tract at the Vanderpoel Park site, River road and the Morris and Essex turnpike at a cost of $79,000. If Council approves the measure following Tuesday's hearing, preliminary work could begin next month. It is anticipated that the course could be completed late next year and open for play in the spring of 1967.

When the ordinance was introduced at the last Council meeting on September 21, the lone objector was Councilman-at-Large Phillip N. Trowbridge who objected on grounds that the city is currently faced with "more pressing financial demands" at this time. He also cited the fact that the city is "ringed" with golf courses, referring to Canoe Brook Country Club which owns courses in Summit and Millburn, and Baltusrol Golf Club, which lies in Springfield, adjacent to the city. Both courses, however, are private and are 18 holes.

## United Fund To Try First "Telethon"

The major gifts division of the United Campaign will conduct a telethon on Sunday from 2 p.m. until 9 p.m. from a special headquarters set up at Summit and Elizabeth Trust Co., John Kirkpatrick, campaign chairman, announced this week.

Mrs. Thomas N. Armstrong, jr., of 37 Edgewood road said 45 volunteers will man the phones during the seven-hour solicitation. About 350 potential contributors are expected to be contacted during the telethon.

Major gift contributors who are interviewed by phone will have an opportunity to learn more about the campaign and will be asked to consider their 1965 campaign contribution. The donor's pledge card will then be mailed to him so that he will receive it by Monday.

In 1964, the 704 major contributors made an average donation of $110 for a total of $77,000. According to Mr. Kirkpatrick, a 15 per cent increase will be needed from each donor called if the campaign is to reach its goal of $217,000.

Mr. Kirkpatrick also added that the telethon will enable the drive to remain within the two-week limit. "We are making every effort to mount a swift and complete campaign in the shortest period possible." he said.

The 12 agencies which comprise the United Campaign include Family Service Association, SAGE, Child Care Center, YMCA, YWCA, Girl Scout, Boy Scouts, Cerebral Palsy, Salvation Army, USO, Union County Psychiatric Clinic and Retarded Children.

## Herald Offers New Maps Of Summit and Environs

New, up-to-date detailed maps of Summit and the surrounding area are available to Herald readers on a first-come basis at the Herald office, 22 Bank street. The maps, prepared for the Summit Area Chamber of Commerce by the Charles Hammond Co., may be had at no charge but will be restricted to one to a person as the Herald supply is limited. They are being provided by the Herald as a community service.

The maps not only include a listing of all streets, schools, parks, bus routes, and schools in Summit but also in New Providence, Berkeley Heights, Chatham Township, Chatham Borough, Millburn-Short Hills, Springfield and Mountainside.

The map also has inserts showing Summit election and school districts plus a complete map of the State of New Jersey with inserts giving details of the Camden-Philadelphia area and the New York City-Hudson River area of New Jersey.

The new map issue replaces those ordered several years ago by the Chamber of Commerce and which also were distributed in a limited quantity without charge by the Herald.

The Herald will be unable to accept mail or phone requests for the maps.

OPEN Sundays 9:00 to 12:30 for your convenience. Brown's Hardware.

CITED FOR HEROISM — Councilman Anthony J. Ratichek, congratulates Edward Trengrove of 14 Van Dyke place after Common Council last Tuesday night cited Mr. Trengrove for heroism when he came to the aid of a woman when an explosion set her clothes afire last August 30. The victim, Mrs. Ann Coofer of 44 Weaver street, later died from third degree burns. Mr. Trengrove, a maintenance worker with the Board of Recreation, in attempting to extinguish the flames, burned both hands and required medical attention. Mr. Trengrove heard Mrs. Coofer's screams while he was working nearby on the high school grounds. Looking on is Mrs. Trengrove. (Wolin Photo)

## Visit by Dumont to Climax GOP Reception

State Sen. Wayne Dumont, Republican gubernatorial candidate, will be guest of honor at a candidates' reception tomorrow at the Hotel Suburban under sponsorship of the Republican City Committee from 8 p.m. until midnight.

In addition to Sen. Dumont, other candidates in the November general election and political leaders will be introduced during the reception.

Arrangements for the gathering were made by Hugo M. Pfaltz, jr., a local attorney, and a vice-chairman of the GOP city committee. The reception will be open to all area voters at no charge.

## Man Indicted As Kidnaper of Local Woman

Indictments for kidnaping and assault were returned by an Essex County Grand Jury last Thursday against a Staten Island man who allegedly forced Mrs. Madeline Bransford of 20 Ridge road to drive him through downtown Newark last August 5 on a wild ride at knife point before the woman escaped.

The defendant, George E. Jones, jr. 26, of Port Richmond also was indicted for carrying a concealed weapon.

Mrs. Bransford, wife of Joseph R. Bransford, a vice-president of Western Electric Co., New York, told police that Jones forced his way into her car as she was driving out of a parking lot at Plane street near Market street. Jones was accused of holding a six-inch knife against Mrs. Bransford while forcing her to drive for more than 20 minutes through city streets.

Mrs. Bransford jumped from the car when she halted for a traffic light at Broad and Market streets. Jones allegedly fled from the car and was captured by pursuing police at a Broad street shoe store.

He was charged with kidnaping Mrs. Bransford with the intention of taking her to Staten Island.

### Alumni Dinner Speaker

Macdonald Halsey, new headmaster at Kent Place School, will be the principal speaker at the annual dinner of the Pingry Alumni Association to be held Friday, October 15, at the Elizabeth Town and Country Club. Mr. Halsey is a member of Pingry's Class of 1936.

EARLY PLANNERS — Four of those who attended the Overlook Follies' early planning meeting for the November 12 and 13 musical revue are shown as they chat about various details. From left to right are Mrs. John C. Skiles, rehearsal music; Mrs. David Loudon. Auxiliary president; Mrs. John R. Dunn, chairman, and Mrs. Donald Rickard, publicity chairman. (Wolin Photo)

## Men's Group to Hear Salvation Army Aide

The Men's Club of Central Presbyterian Church will hold its first meeting of the 1965-66 season in the Parish House on Tuesday, October 12. A social hour will begin at 6:30 p.m., followed by dinner at 7 p. m. ward J. Lowcock, executive secretary of the New Jersey State Plan of the Salvation Army. Mr. Lowcock will illustrate with slides the work of the Salvation Army in New Jersey and the 100 years of international religious and social service performed by the organization since its founding in London in 1865.

Phone reservatios for the meeting will be accepted at 273-3447 or 273-1007 through Sunday, October 10.

---

Seven men who were U. S. vice presidents later were elected president: John Adams, Thomas Jefferson, Martin Van Buren, Theodore Roosevelt, Calvin Coolidge, Harry Truman and Lyndon B. Johnson.

## Voters' League Units to Discuss Apportionment

Background material about reapportionment, including the philosophy of the "One Man-One Vote" theory, versus other types of apportionment, will be presented to members of the League of Women Voters who attend the October unit meetings.

Members of the reapportionment study committee, headed by Mrs. J. H. Brown, include Mrs. Robert Buttle, Mrs. Alan T. English, Mrs. Robert Nycum, and Mrs. Edward A. Reisen.

In June, 1964, the U.S. Supreme Court ruled that the Constitution requires a state to make "an honest and good faith effort to construct districts, in both houses of its legislature as nearly of equal population as is practicable." The New Jersey Supreme Court, in line with this decision, then ruled in a relevant case before it that the New Jersey Legislature was malapportioned, and that no further elections could be held under the apportionment written into the State Constitution.

In November, New Jersey voters will elect members of the state Legislature under a temporary apportionment plan drawn up by the present Legislature for this election only.

A new system of reapportionment for the entire Legislature will have to be adopted as an amendment to the Constitution and this proposal will come out of a Constitutional Convention to convene next spring. In a special election next March 1, voters of each county will choose their Convention delegates, with each political party nominating only half of the total number of delegates allotted according to population to each county.

The Convention will go into session on March 21. Its work must be completed by June 15 in order that the amendments, as proposed, can be voted upon in November, 1966. Assuming these changes are approved by the electorate, legislators will be elected under the new constitutional provisions in November, 1967.

The schedule of unit meetings is: 12 noon, Monday, at the home of Mrs. Arthur Mehring, 174 Colonial road, Mrs. Dirk Barrett, discussion leader; 9:15 a.m., Wednesday, at the home of Mrs. Arthur Kramer, 255 Summit avenue, Mrs. J. S. Russell, discussion leader; 9:15 a.m. Thursday, at the home of Mrs. B. von Hoffman, jr., 17 Manor Hill road, Mrs. Hall Shannon, discussion leader; and 8:15 p.m., Monday, October 11, at the home of Mrs. Don G. Mitchell, jr., 112 Ashland Road, Mrs. Alan T. English, discussion leader.

At 9:15 a.m., Thursday, October 14, a special unit will be held at the home of Mrs. Sheridan Smith, 15 Sweetbriar road, devoted to reaching a consensus on the "One Man-One Vote" theory versus other types of apportionment. All League members are urged to attend, so that a consensus can be obtained.

Unit meetings are open to anyone interested in the League. For further information, call Mrs. Ward Minkler, membership chairman, 273-3894.

Welcome Home

SURE HOPE YOU ENJOYED THE SUMMER . . . AND ARE READY FOR THE FALL AND WINTER SEASONS.

WE, AT GEDDIS TAXICAB CO. WOULD LIKE TO REMIND YOU OF A FEW FACTS THAT CAN SAVE YOU TIME AND MONEY.

1. There is an all day Park and Shop Lot now open, but it's still more convenient and less expensive to call a GEDDIS TAXICAB to come into town.
2. The Highway Dept. is working dilligently on Rt. 22 — but still the most practical transportation to Newark Airport is the GEDDIS SHUTTLE, the oldest and most dependable.
3. We do more than transport people, we pick up parcels, prescriptions, etc. and deliver – saves you time and money.
4. Birthday, Anniversary, etc. coming up? Give one of our "Scrip" books in $5.00 denominations and up. A most welcome gift.
5. Fall Sporting Events . . . Have a party going to any of the local games? Enjoy our group rate. We'll take you there and back in our Volkswagen bus.
6. And of course our LIMOUSINE SERVICE for your formal affairs and special occasions is always available.

## LUXURY RANCH AND SPLIT-LEVEL APARTMENTS

It is virtually impossible to describe adequately the new luxury ranch apartments, Brandywyne at Brielle. We can only say that the individual families already living at Brandywyne contentedly and unanimously agree it is "... just like having a home of your own".

Actually you must see for yourself its privately-owned curving streets; quaintly gas-lit and lined with native laurel and great trees, to appreciate the beauty that is here. *For those who can afford the very best*, here has been created a circlet of seventeen individually designed homes, each containing four luxurious and beautifully distinctive ranch apartments.

From your very first glimpse of the real wood-burning fireplace in the lovely living room, you will know that no refinement of detail has been overlooked that will add to the comfort and gracious living of those who make Brandywyne their home . . . the spacious bedroom with its private dressing room and full-length mirror walls, the handsome "Brandywyne Room", with its rich wood paneling. The tremendous storage room is a huge 22 feet by 9 feet, and private to each apartment as is the large attached garage.

**The $225 monthly rental represents the TOTAL cost! It includes year-round heating and air-conditioning (individually controlled), all gas for cooking and clothes drying (your own private laundry has water heater automatic washing machine and dryer) and all electricity.**

Open daily from 10 A.M.

James Sebold treasurer, was absent from the gathering. (De Silva Photo).

## Insurance Group Elects Area Man

Chandler F. Coddington, jr., of Berkeley Heights, was recently installed as vice-president of the Union County Association of Insurance Agents. He is associated with the Spencer B. Maben Agency, 23 Beechwood road.

Installing officer was Mr. Maben, a past president of the association. Preceding the installation ceremonies, a golf tournament was held at the Suburban Country Club under the chairmanship of Richard A. Micone.

## St. Teresa's to Add 1,800 Books To School Library

A modernization program which will add 1,800 books, an opaque projector and all new furnishings to St. Teresa Catholic school library is being made the major goal this year of the school's Parents Guild, Jack Denman, newly elected president of the group, announced this week.

The project, when finished later this month, will bring to completion the library expansion program began by previous guild officers. The new library will accommodate nearly three dozen students. Funds for the expansion will be generated partly by membership dues and partly from various social activities.

Mr. Denman also announced that the guild will hold its first general meeting today at the school auditorium at 8:30 p.m. The meeting will feature addresses by St. Teresa school principal, Sister Ann Roberta, and by Rev. Louis Fimiani, guild moderator. The group's program for this year, which includes a Halloween dance, a bridge luncheon and a school fair, will also be outlined at the gathering.

On display will be several pieces of new equipment added to the school in recent months, iniluding the opaque projector and eye-testing gear donated by the Lions Club.

## Local Author Speaker at Antiques Forum

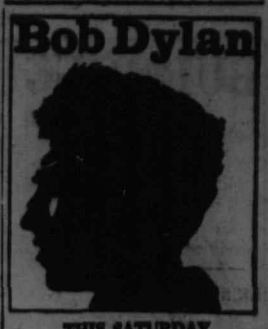

Miss Adeline Pepper will be a speaker at the 3-day Americana Forum to be held October 8 to 10 at Pennsbury Manor, the recreated home of William Penn, at Morrisville, Pa. The programs which will be attended by antique collectors, educators, museum curators and historians will be a combination of workshops with lectures and discussions. The sessiosn will feature early American silver, pewter, furniture, pottery, porcelain and history.

Miss Pepper's illustrated lecture will be on "The Evolution of American Ceramics." Miss Pepper is the author of "Tours of Historic New Jersey" which was named the official state guide upon publication by D. Van Nostrand Company this summer. Her book received a Tercentenary medal.

### Points Take License

June Strelecki, director of the N.J. Division of Motor Vehicles, today announced the suspension of the driver's license of David C. Goodrich, 20, of 54 Pine Grove Road, Berkeley Heights, effective August 20 for two months under the point system.

The manufacture of shotguns in Brescia, Italy and Venice is ian weapons are prized in many parts of the world.

## Girl Attacked In Parking Lot Sunday Morning

A 16-year-old girl Sunday school worker was attacked last Sunday morning in a downtown parking lot, forced into her assailant's car and driven to Lake Surprise in the Watchung Reservation where she was criminally attacked, police reported this week.

According to police the girl, who lives in Summit, was on her way home after teaching Sunday school at a downtown church and as she was walking through the parking lot between Maple street and Woodland avenue about 11:30 a.m. she was accosted by a man in a car bearing New York license plates. She was forced into the car, driven to the Reservation and released at 12:30 p.m. She located a Union County Park policeman and reported the attack to him.

The girl was taken to Overlook Hospital by park police and later released. Summit police are investigating.

OPEN THURSDAY EVENINGS UNTIL 9

*Versatile Skimmer*

Worn with a shirt, turtleneck jersey or by itself, our semi-fitted skimmer in a lofty weave of luxuriantly warm shetland woolens . . . worth noting: 7 wonderful "frosty" heather colorings . . . Apricot, strawberry, cherry, forest, pewter green, wheat or blue. 25. Printed cotton shirt . . . 6.50

Wednesday —8:15 p.m., Testimony reading.

Reading Room, 340 Springfield avenue, open daily from 10 a.m. to 4:30 p.m., except Sundays and holidays.

"Teach me, O Lord, the way of thy statutes; . . . turn away mine eyes from beholding vanity."

These verses from Psalm 119 form the Golden Text for a Bible Lesson on "Unreality" to be read in Christian Science churches this Sunday. Passages from the Bible and the Christian Science textbook will bring out some of the different ways in which men discover the supremacy and power of spiritual reality.

Included will be these lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Evil is not supreme; good is not helpless; nor are the so-called laws of matter primary, and the law of Spirit secondary . . . The Psalmist saith: 'The Lord on high is mightier than the noise of many waters, yea, than the mighty waves of the sea'" (pp. 207, 505).

### Methodist Church
**Rev. George Jackson**
**Minister**
**Kent Place Blvd.**
**Summit**

Today — 4 p.m., Junior choir rehearsal; 7:30 p.m., Boy Scout troop 66; 8 p.m., Chancel choir rehearsal.

**laws of life**

Most of us are looking for something to go by—a yardstick, a set of standards, a law—something that will give direction to life. Ultimately, we find our only sure standard in the laws of divine Love. You're invited to hear a one-hour public lecture on this subject by Martin Broones, member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Massachusetts. Title: "The Standard of Christian Science." All are welcome.

# Good Vs. Evil Promises Fun For Guys, Dolls

Berkeley Heights — It will be "guy" against "doll" in the Damon Runyon classic "Guys and Dolls" being presented by the Stony Hill Players Friday, and Saturday, October 29 and 30, at the Governor Livingston Regional High School, Berkeley Heights.

"Good over evil" or "love conquers all" is the theme of this smash musical as sweet Salvation Army lass Sarah Brown, played by Judy Schake, saves suave playboy Sky Masterson, William C. Quinn from a doubtful future; and the ardent Miss Adelaide, Nancy Andrews, gets naughty Nathan Detroit, played by Doug Brush, to the altar after years of a one-sided engagement.

Add to this a collection of shady gamblers and some has-been hoofers (those Hot Box Girls!), stir well with 20-hit tunes and out comes an evening of sheer enjoyment.

Most of the action takes place on or under the streets of the city of New York. To capture the scenes of this extravaganza the Players turned to the guy and doll combination of Doug Brush and Claire Gault to design their sets. The sets will feature a new innovation for the Stony Hill Players and will be as "delightful" and "colorful" as the guys and dolls.

## Junior Rifle Club Classes to Begin

Plans for the 1956-66 PAL Junior Rifle Club were made at a recent meeting held at the home of Robert Buttle. Also attending the meeting were James A. Hearn, Barry De Shong, James Edwards, William Griffin, Joseph Mangin and Frank Schackt.

Membership is open to any boy or girl between the ages of 12-18 who lives within the Summit mailing zone. All applicants must have a letter from their parents permitting them to participate in the program.

Registration for new members will be held October 25, 26 and 27 at the rifle range on Union Place between 8 and 9 p.m. Two 2-hour periods of safety instruction are required before new members are permitted to fire. Classes will be held on the nights of November 3, 10 and 17.

Last year's members are asked to return to their regular meeting night at 7:30 p.m. beginning Monday.

## Old Guard Speaker

"What Makes Your Car Go?" will be the subject of a talk by Dr. George Gross of Esso, when he addresses a meeting of the Old Guard on Tuesday at 10:30 a.m. in the YMCA.

## Dr. J. C. Howard, Noted New York Physician, Dies

Dr. J. Campbell Howard of 20 Ox Bow Lane died Sunday at LeRoy Hospital, New York City. He was 75 and next year would have celebrated his 50th year in the practice of medicine.

Dr. Howard was an eminent radiologist and maintained offices in the same building as the hospital. He was former professor and head of the department of radiology at New York Medical College.

Dr. Howard was born in New York City, a son of the late Dr. Clarence Chandler Howard, for many years visiting neurologist at the Metropolitan Hospital on Welfare Island. A son, J. Campbell Howard, jr., also is a doctor.

Dr. Howard received his preparatory education at Cutler School, New York City, and was graduated AB at Harvard University in 1911, and AM in 1912. He received his medical degree from New York Medical College, in 1916.

From 1919 to 1936, he was head of the department of radiology at the Flower Hospital, and from 1936-1946, held the same position at the Flower and Fifth Avenue Hospitals. In 1937, he became the organizer and director of the tumor clinic at Flower Hospital. He was also attending radiologist to the New York Ophthalmic Hospital, and visiting radiologist to the Metropolitan Hospital. In 1919, he organized a course of instruction in radiology at the New York Medical College, serving as assistant professor until 1929, and then professor and head of the department of radiology. He was also attending physician, department of gastro-enterology, Cornell University Medical College Clinic, 1925-1930. He was the author of numerous articles in medical publications, chiefly on radiology.

**Active In Playhouse**

Dr. Howard was active for many years in the Playhouse Association of Summit, was its president for six years, and served many times on its board of directors. His other hobbies included upland game shooting, foreign travel, and watercolor painting.

He also belonged to the Military Order of Foreign Wars, Sons of American Revolution, Society of Mayflower Descendants, St. Andrew's Society. His clubs included the Harvard Club and the Metropolitan Opera Club.

He served in both World Wars. In World War I he held the rank of major, serving in France. In World War II he served as a lieutenant - commander in the Naval Reserve.

In addition to his son, he is survived by his wife, Mrs. Eugenia Howard of Summit, and two grandchildren. His first wife, Mrs. Margaret H. Loizeaux Howard, died in 1953.

Funeral services were held Tuesday at St. Thomas Church, New York City.

## Local Nurses Take Special Legal Course

Three Summit residents are enrolled in a 10-week, non-credit course in the "Legal Aspects of Nursing" in the Union Junior College Institute, Cranford.

They include Miss Anne Handville of 133 Summit avenue, Mrs. Rosemary M. Gelson of 34 Locust drive, and Miss Marguerite C. Coleman of 147 Summit avenue.

Deputy Attorney General Norman D. Weisburd of Westfield, counsel to the state commissioner of health, is instructor for the course, which opened on September 21. The course is designed to inform graduate nurses of their responsibilities and rights in view of the number of malpractice suits against all medical practitioners.

Miss Handville, who is a graduate of the Overlook Hospital School of Nursing, is employed by Overlook Hospital, Summit. She is night head nurse in the hospital's intensive care unit.

A graduate of Flower Hospital School of Nursing and New York Medical School, Mrs. Gelson is also employed by Overlook Hospital, and is head night nurse at the hospital's urological department.

Miss Coleman, who is a graduate of Virginia Baptist Hospital School of Nursing, Lynchburg, Va., is employed as a private duty nurse.

Indigo dye was take from the indigo plant in past times, but today, we manufacture synthetic indigo and indigo plantations have poractically disappeared.

To America with love... The 1966 Chrysler

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic new rear.

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic incher to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great things for performance.)

The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers — not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

Move up to Chrysler . . . it's getting easier by the minute.

CHRYSLER

On display now.

CHRYSLER

# Sales Tax 'Fairest' for State, Summit Man Says

A state sales tax was described yesterday as "the fairest for New Jersey workers" by Leonard E. Best of Summit, chairman of the Citizens Action Committee For a Sales Tax. Mr. Best spoke before a meeting sponsored by the Camden County Chamber of Commerce at the Cherry Hill High School.

"The sales tax is the tax with a choice," Mr. Best said, "Unlike a personal income tax and the property tax, a sales tax would be imposed after most necessities and would permit an individual to decide how he wants to spend his money."

Mr. Best said that a broad-base tax — either a 3 percent sales tax with food, drugs, rent and items already taxed exempt, or a personal income tax — is necessary to meet the growing requirements of New Jersey. He asserted that the state is "face-toface" with the urgent need for better programs of education for children and adults; more revenue to enable local communities to stabilize or reduce personal property taxes; to replace the discriminatory business inventory tax; to provide better transportation, and more and bet'er jobs for workers.

"The statement is frequently heard that a sales tax is unfair to those with modest incomes," Mr. Best said. "On the contrary, a sales tax is fair and constructive. It is fair because it brings home to everyone in proportion ot their ability to spend, the fact that public services do not come free but are actually a part of the earnings of all those who work. A sales tax is constructive because if a man decides to go to work it does not immediately penalize him as does an income tax."

"Take the worker, for example, whose wife decides to get a job or who has a second wage —earner in the family. A sales tax does not immediately take a large chunk of his wife's wages. They can decide for themselves what to do with the money she earns — buy a home, get some more insurance, pay for the education of their children, or a score of other uses not subject to a sales tax," he pointed out.

"If we expect to attract new industry to New Jersey let us keep in mind that the people who make the decision whether or not to bring industry into the state are concerned about taxes. The prospect of high real estate and inventory taxes on their homes and businesses plus an additional income tax on their earnings, make poor selling points for coming to New Jersey."

Mr. Best pointed out, further, that a large portion of a sales tax would be paid by visitors who come to New Jersey for pleasure or business "just as we pay a sales tax when we travel in any one of the 39 states which now have a sales tax."

# Cooking for Family of Two Not Difficult

With your children returned to college and summer guests returned home, are you cooking for two again?

One of the most challenging aspects of meal preparation is the problem presented when a homemaker has been cocking for a large number of people, and suddenly has only her husband and herself to prepare for.

Deciding on the amount of food to purchase and to prepare are the areas where confusion most often results.

In general, it is wise to pass up the large economy size packages. Smaller size containers will simplify storage and give you the opportunity to use up the contents while they are still at their best, and before you tire of them.

The 8-ounce can, now containing a wide range of fruits and vegetables, is the best friend of the homemaker who cooks for two. These are just right for two servings.

While the 8-ounce can is convenient, the number 2 and 303 cans which contain 4-5 servings, are economical because they offer possibilities for second day use.

If you have adequate freezer space, the frozen food packaged in plastic bags are ideal for you. These are so designed that only the amount that needs to be used in one meal can be removed. Make sure, however, that you securely seal the remainder of the frozen contents and return it to the freezer quickly.

Also if you have a freezer, you can plan to get several meals out of a larger cut of meat. For instance, you can get three meals from one bone pot roast. From the round end, cut the piece into cubes for stew. The center cut makes an excellent roast, while the remaining piece can be cut crosswise for Swiss steaks.

*The first records of soap being used as a washing agent was found in the writings of Galen, a Greek physician who lived in the 2nd Century. There are earlier mentions of the basic ingredients of soap in the writings of Pling the Elder, a Roman scholar of the 1st Century.*

We are starting our fifth year of providing—

## Sounds Like a Good Idea

Within the next few years, Summit could have the unique distinction of becoming the first town in the state with a municipally-owned par-3 golf course. For the duffers who are not quite ready for the big-time course, those who would like to improve their putting and others who only have the time for a quick nine-holes, a par-3 course is just the ticket.

Long dreamed of by the Board of Recreation, the course will be self-liquidating through players' fees. Council, which endorses the idea, is now willing to put up $80,000 for construction through sale of bonds.

Of course there will be some who will oppose such a project for a variety of reasons including the fact that Summit is surrounded with courses. However, the courses which lie adjacent to the city are of the 18-hole variety and private, thus eliminating from play many local residents who enjoy swinging a club on occasion.

Others might object to the course on grounds that part of it will be adjacent to the rear of some homes along Canoe Brook parkway and become a source of noise and consternation to the neighbors. Unlike the spectator sports such as football, baseball and basketball, golf is a quiet form of recreation where performance is dependent upon silence. A golfer never improved his game amid the roar of the crowd.

If Summit is to have a par-3 course, the area chosen by the Board of Recreation, Vanderpoel Park, is an excellent one. Situated on the northwest fringe of the city, the 12-acre tract is ideal for conversions into a miniature course. Besides, use of the land for such a project will eliminate once and for all the possibility of a future housing development there. The area will remain open land which in this day and age is a rarity.

It is hoped objections to the proposed course will be at a minimum at Tuesday's public hearing so that plans for construction can proceed, and the cry of "fore", softly however, can be heard.

## Costly Windfall

The nation's economy is getting a shot in the arm these days from $880 million being mailed out as retroactive increases in Social Security benefits. The twenty million beneficiaries of the new benefits voted in July by Congress are now receiving the checks by mail. The windfall being received by the persons now on retirement, survivor and disability rolls of the Social Security system represents the eight-month retroactive increase. The regular monthly checks, beginning in October, will reflect the new, higher benefits.

The increase averaged about 7 per cent and this, spelled out in individual terms, means that a retired couple is receiving a check for about $80 in addition to their regular monthly check. A certain consequence of this "high velocity money" is a massive infusion into the nation's economic mainstream. Th beneficiaries are certain to spend it almost at once on goods and services. Few of the elderly, disabled or widowed can afford the luxury of saving the money.

Th corollary to the increased benefits is the increased taxes to pay for it. Nothing comes for nothing and starting in January the government which is doling out the higher retirement checks will be collecting higher Social Security taxes from the wage earners. What the Social Security Administration is giving this month to beneficiaries, it will take back from pay checks. To pay for the higher benefits as well as the new Medicare provisions, the annual taxable base will be increased from $4,800 to $6,600 beginning January 1. The existing 3.6 per cent employer-employe tax rate will go to 4.2 per cent at the same time. An employe paying a maximum of $174 in Social Security taxes in 1965 will pay $277.20 in 1966 and his employer must pay a like amount.

It all boils down to the fact that the estimated $120 income tax saving made possible in income tax levy cuts will be reduced to less than $20 to pay for the new Social Security rise.

## Support the First Aid Squad

The First Aid Squad, now entering its fourth year of operation, has proven itself a worthwhile addition to the community. Since that time over 2,000 individual calls from persons in need of ambulance service were handled by the Squad in an efficient, speedy and knowledgeable manner.

Now the Squad is requesting funds for the continuation and expansion of its work. It hardly seems necessary to say the Squad deserves the support of the community it services.

With two ambulances in attendance, emergency service is always available even if one ambulance is already in use. At least six accident patients can be transported at one time, if such be the case; and there is a minimal risk of ambulance breakdown because of more frequent and lengthy maintenance.

But the Squad is not just equipment, it is people, your neighbors, who are ever in training to provide better service. Typical of the emphasis on training is the six-week seminar now in progress during which doctors and surgeons lecture and, which draws standing-room attendance every Wednesday night. In addition, Summit residents will benefit from seminars sponsored and developed by the Trauma Committee of the New Jersey Chapter of the American College currently being held at the International Rescue and First Aid Association Conference at Atlantic City.

All in all, the First Aid Squad plays an integral part in our city's health and welfare. Three years of service have proven the need. It is incumbent upon neighbor to help neighbor to help neighbor.

## Current Comment

**WOO BY FATE OR AUTOMATE?**
(Morristown Record)

So you met your mate the old-fashioned way — person to person. How quaint!

The "in" thing you know, is to woo by automation.

To do this, you simply take your heart to a strictly modern introduction service.

No time is wasted for moonlight and roses. The service hands you a questionnaire listing as many as 150 questions — your height, weight, traits, foibles, hopes and preferences. It also gives you psychological tests.

It then feeds all this data into one of its friendly computers (which of course, promises not to tell) and picks out 10 or 15 persons the machine feels were made just for you.

You are given names, addresses and phone numbers. From then on, it's up to you and to the objects of your automated affection.

This multilane road to romance may seem a little calculated and cold-blooded. But those who provide it and many of those who use it insist it's the surest, swiftest and safest highway to happiness since the reliable old ice cream social was put back in the freezer.

One matrimonial agency reports its business has tripled since it went to automation.

Says the head of one such service: "Our clients are fed up with the usual haphazard ways of meeting marriage prospects at cocktail parties."

Comments another professional Cupid: "Most people put more thought into choosing a cigarette brand than in picking a wife or husband." (You mean they'd rather fight AND switch?)

Well, who can say for sure that choice by computer isn't as sound as by suitor?

And if automated marriage does blow a fuse, perhaps the victim can go back and get another punchcard.

## DEATHS

**William Gaffney**

William Gaffney of Fort Lauderdale, Fla., a former Summit policeman, died suddenly a week ago last Tuesday at his home of a heart attack. He was 43.

A native of Summit, Mr. Gaffney moved to Fort Lauderdale four years ago following his retirement from the Police Department. He had been a member of the force for nine years and for a few years before his retirement, he had been a member of the parking meter patrol.

Mr. Gaffney was a veteran of World War 2 and was a member of Fort Lauderdale American Legion Post 222.

He is survived by his wife, Mrs. Helen Haysman Gaffney; two sons, William and George and a daughter, Miss Dorothy Gaffney, all at home; two brothers Robert J. and Edward F., both of Summit, and a sister, Mrs. Anna Williamson of Chatham Township.

Funeral services were held Saturday at the Brough Funeral Home, 535 Springfield avenue.

**Miss Sadie C. Spencer**

Miss Sadie C. Spencer of 127 Summit avenue, died last Thursday at Palmer Nursing Home following a short illness. She was 83.

Born at Chatham, she had lived in Summit for the last 35 years. Miss Spencer was a retired bookkeeper for the A. H. Rivere Co., Summit. She was a member of the American Legion Auxiliary of Chatham and the Rosary Society of St. Teresa's Church.

## Letters

**Competition is Needed**

Editor, Summit Herald:

Those of us who are longtime residents of Summit and who have gone through the grade school system as far back as the early 1940's, fondly remember the hours of inter-scholastic athletic competition we used to enjoy. In those days each of the six grade schools, Roosevelt, Lincoln, Jefferson, Washington, Brayton and Franklin, competed against each other in three team sports, soccer, basketball, and softball, each season. All-star teams were selected and they competed. After their games an All-City Team was selected as a final reward to those deserving youngsters.

The rivalries were indeed bitter, particularly where play-off games were required. Some schools constantly seemed to be better than others because of more adequate facilities, more parental interest, and larger student bodies. But one thing remained in common — those boys competing were playing because they wanted to play the sport in competition and they wanted to be on a team.

In those days boys that were in the 4th, 5th, and 6th grades, were eligible to compete. What sort of competition do our present 4th, 5th, and 6th grades have outside the classrooms?

This system was done away with for several reasons, lack of supervisory personnel, the

**A Better Newspaper Every Issue!**

That's our policy . . . and our constant endeavor. It's a large order, and we don't always make it. But we try hard . . . and many times we do make it—a better newspaper for you than ever before.

**How Do We Do It?**

First, we plan to give the most complete reporting of the news of Summit. To you, the news is the most impoortant thing in your paper . . . and therefore it has first place in our efforts. We also plan for better pictures every issue . . . and more pictures when space permits. And we look for interesting feature stories for each new issue. On the editorial page, we try to do a continually better job.

**Then . . . What Else Can We Do?**

That's next in our planning. Can we make the paper more attractive to look at, and easier to read . . . better type . . . larger type . . . different width columns? We can't change these things every issue, of course, but still we are always thinking of new ways to improve our product . . . to produce a better newspaper issue to issue . . . for better service to you the reader.

## DEATHS

(Continued from Page 8)

Miss Spencer is survived by a brother, John Spencer of Chatham; and two sisters Mrs. Tillie Geddis of Summit and Mrs. Katherine Ward of South Orange.

The funeral was held Monday from Burroughs and Kohr Funeral Home, 309 Springfield avenue, followed by a Mass at St. Teresa's Church. Burial was in St. Vincent's Cemetery, Madison.

**Mrs. Gaston Larmonie, Sr.**

Mrs. Elmie Larmonie, wife of Gaston O. Larmonie, sr. of 16 John Street, died last Wednesday in her home of a long illness. She was 78.

Born on St. Martin's Island, French West Indies, Mrs. Larmonie had lived here for the last 40 years. She was among the original members of the Wallace Chapel AME Zion Church, and belonged to its Missionary Society and Stewardess Board.

Besides her husband, she leaves a son, Gaston O. Larmonie jr. of Summit; two daughters, Mrs. Irene King of Newark and Mrs. Gloria Arrindell of Staten Island; three brothers, Ferdinand Hunt of Hempstead, N.Y.; Albert Howell of Bermuda and Gaston Hunt of St. Martin's; two sisters, Mrs. Margaret Artsen of Summit and Mrs. Alice Hodge of St. Martin's; six grandchildren and two great-grandchildren.

**Ross Lane**

Ross Lane of Warner, N.H., and formerly of Summit, died last Tuesday after a long illness. He was 55.

Mr. Lane was born at Livingston, Texas, and was a chief engineer on trans-Atlantic tankers. He joined the U. S. Air Force during World War 2 and later became a commander in the U. S. Maritime Service.

Funeral services and burial were at Warner, N. H., on Saturday.

**Mrs. Frederick Van Duzer**

Mrs. Mary Van Duzer of 28 Beechwood road, died suddenly a week ago last Wednesday at home.

Born at Madison, she had been a resident of Summit for the last 17 years. She was associated with the real estate firm of Glazebrook and Fisher. Mrs. Van Duzer was the widow of Frederick C. Van Duzer.

She is survived by two stepchildren, Robert and Kingsley Van Duzer.

The funeral was held on Friday from Burroughs and Kohr Funeral Home, 309 Springfield avenue, followed by a Mass at St. Teresa's Church.

**Mrs. Helen Fogg Page**

Mrs. Helen Fogg Page of Boulder, Col., formerly of Summit, died at her home a week ago last Wednesday. She was 77.

Born at Titusville, Pa., Mrs. Page also resided at Los Angeles before moving to Colorado a year ago. Mrs. Page's first husband, Howard L. Fogg died in 1949. She is also the widow of Albert N. Page who died in 1963.

She is survived by a son, Howard L. Fogg, jr., of Boulder, and a sister, Mrs. Bertha D. Barker of Hastings-on-the-Hudson, and three grandchildren.

A private graveside service was held at Fairmount Cemetery on Sunday.

**Mrs. John Pecca**

Mrs. Rose Giandonato Pecca, wife of John Pecca of 497 Springfield avenue, died Sunday in a West Orange nursing home. She was 36.

Born in Newark, Mrs. Pecca lived most of her life in Belleville until moving here a year ago.

Besides her husband, Mrs. Pecca leaves her mother, Mrs. Michelina Giandonato of Belleville; three brothers, Gerard of Winston-Salem, N. C., Michael of Nutley and Louis of Belleville, and a sister, Mrs. Carmela De Fazio of West Orange.

The funeral will be held today from the Paul Ippolito Memorial, Orange, with a mass at 9 a.m. in Our Lady of Mount Carmel Church, Orange.

**Mrs. William H. Percival**

Mrs. Margaret Percival, wife of William H. Percival of 11 Montview road, died suddenly at Overlook Hospital on Tuesday. She was 81.

Mrs. Percival was born at Weehawken Township and was a resident here for the last 11 years. Before moving here she lived at Kearny. She attended Weehawken Academy.

She was a member of Oakes Memorial Church and its WSCS, the League of Women Voters and was one of the founders in 1948 of the Story Telling League now a part of the children's department of the public library.

In addition to her husband, he is survived by a son, William E. Percival of East Orange, two daughters, Mrs. August Z. Schneider and Mrs. John S. Corcoran, both of Summit, and a sister, Mrs. Charles Whalley of Lebanon.

Funeral services will be held today at 2 p.m. at the Burrough's & Kohr Funeral Home, 309 Springfield avenue. Burial will be in New Vernon Cemetery.

## Scouts Reorganize Into Two Patrols

Boy Scout Troop 262 at Christ Church recently divided its group into two patrols and elected new leaders.

Those named included Ken Klusman, Hawk patrol leader with Paul Wickliffe as assistant. Leader of Eagle patrol is Charles Henry, assisted by Geoffrey Gartin.

The troop will provide assistance at the Civil Defense drill scheduled for Sunday at New Providence. Members who have volunteered include Tom Maciak, Barry Klusman, William Sabine, Robert Minshall, Paul Wickliffe and Thomas Thompson.

On Saturday, boys who are currently working on requirements for First Class Scout standing, will go on a hike with James Alexander, assistant Scout leader.

## Named Vote Drive Aides

Common Councilman Frank H. Lehr of 16 Myrtle avenue and Mrs. Henry S. McDonald of 140 Gallinson drive, Murray Hill, have been named Summit and Berkeley Heights coordinators for the election campaigns of the five GOP Assembly candidates.

## Guy Bates, Ex-Council Member, Dies

Guy Bates of 9 Fernwood road, a former Councilman and former president of the Summit and Madison Ice Co., died at Overlook Hospital last Thursday after a short illness. He was 85.

Mr. Bates was born at Parsippany and had lived here for the last fifty years. He was a graduate of Rutgers Preparatory School and attended Columbia University School of Engineering.

From 1908 to 1928 he headed the Summit and Madison Ice Co. and later became a heating consultant for Stephens - Miller Co. Mr. Bates served on Common Council from 1913 to 1916 and was a member of the Board of Recreation from 1928 to 1938.

During World War I he served as a major with the Army Corps of Engineers in the 27th Division and for a while was on loan to the British Army. He also served with the Pershing punitive expedition to Mexico preceding World War I. During World War 2 he was a member of the Draft Board.

Mr. Bates was a past president of the Watching Riding and Driving Club and was a Republican county committeeman for many years. He also was co-chairman of the disaster relief committee of the Red Cross during World War 2.

He was a member of the Elks Club, American Legion, Overlook lodge, F.&.A.M. and in 1911 assisted in the founding of the city's first Boy Scout troop at Calvary Episcopal Church.

He is survived by a daughter, Mrs. Alan W. Carrick of Princeton, and a grandson. His wife, the former Anne Greene Bates, died in 1939.

Funeral services were conducted at Calvary Church on Friday by Rev. Elmer F. Francis and burial was in Arlington National Cemetery.

It's 1966. Rise up with Dodge. Get with the swinging cars of the year!

JOIN THE DODGE REBELLION

Why wait, when your year is here? The year to snap tired old ties, to break old buying habits. The year to really express yourself . . . with the '66 swingers from Dodge. Different, exciting cars for people with different, exciting tastes. Rally 'round Dodge for '66. Dart, Coronet, Polara, Monaco . . . cars made to help you kick the dull driving habit. There are lots of Dodges for you to hang your personal rebellion on. Every one backed by a 5-year or 50,000-mile warranty.* Every one with these features that used to cost extra but now come standard: Outside mirror. Padded dash. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear. And lots more with Dodge . . . the beautiful Rebellion on wheels. Stir up your spirit and march to headquarters.

'66 Dodge Dart Still talking about squeezed-up compacts, when you'd rather do something about them? Put your money where Dart is! Unexpectedly big inside, long outside. Six or V8 power. Rise up with Dart! Be expansive without being expensive.

Stamp out cramped compacts; get with man-sized Dart.

'66 Dodge Coronet Here comes Coronet . . . sharp, smart, sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught onto yet. With a choice of five engines, designed to make the walls of Dullsville come tumbling down. Get away from look-alike, first-cousin cars with Coronet.

Dullsville falls, Coronet rises in '66.

'66 Dodge Polara Snap, crackle, pop, go the ties that bind. You're up and out of the rut with Polara. More "big." More "hot." A lot of standard extras (like a 383 cubic inch V8) at no extra cost. See it now. And if you're carrying a big torch for a car that'll really move you, bring the torch along.

Demand more "big" in your big car; insist on Dodge-sized Polara.

DODGE DIVISION CHRYSLER MOTORS CORPORATION

*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1966 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings.
REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

# Coin Hoarding Futile, Bankers' Group Warns

"Anyone who starts hoarding silver coins with the exprvtatiosn of turning a profit when the new cupro-nickel dimes and quarters and lowered silver content half dollars are circulated is bound to be disappointed," declared Richard Lothian, president of the New Jersey Bankers Association. Mr. Lothian, who is also president, Somerset Trust Company, Somerville was referring to the bill signed by President Johnson on July 23, authorizing the first major change in the United States coinage system since 1792.

It is possible that speculators might attempt to accumulate quantities of siver coins in the expectation that the price of silver will go up, he said, but such speculators would be ignoring a few basic considerations.

First of all, Mr. Lothian said, since the Treasury will need very little silver for coinage, its stockpile can be used to keep the price of silver constant. It will be many years before this supply is exhausted.

**Hoarding Also Costly**

In the meantime, the speculators will be losing $35 to $40 per $1,000 on their coins each year. "This is the amount of annual interest they would be earning if they put the money in a Government insured savings account at a bank or invested it in U. S. Savings Bonds he explained. The coin speculator also must pay the cost of protecting his coins or stand to lose them through theft.

Most other countries have eliminated or drastically reduced the use of silver for coinage, Mr. Lothian pointed out that when cupro-nickel coins were introduced in Great Britain right after World War 2, the older silver coins continued to circulate freely.

**Copper Ring Visible**

"The new dimes and quarters — cupro-nickel on the outside attached to a copper core — will be durable and attractive and will resemble the present nickel," Mr. Lothian declared. "However, the coins will show a copper ring. The new half dollar contains 40 per cent silver and will have the same design and be almost indistinguishable from the present half dollar containing 90 per cent silver," he said. He also pointed out that the new coins have similar electrical properties to the present coins and they will work in coin-operated devices without any adjustments. They are durable, so they will be able to stand the wear and tear that a coin is subjected to during its average circulating life of 25 years.

The new coins should appear early in 1966, or if seasonal demand for coins is extra heavy during the Christmas holidays, the Treasury may introduce them late this year. Mr. Lothian said The Philadelphia mint has already begun production of new quarters; the half dollars are scheduled for November, with the silverless dimes to follow in December.

During the 12-month period ending June 30, 1964, he continued, the mints produced a total of 4.3 billion coins. The following year, ending June 30, 1965, production was up to 7.2 billion. In the current fiscal year the mints plan to produce 11 billion coins, 3.5 billion of which will be the new coins. In the following year, production is estimated at 15 billion coins of which 7 billion will be the new dimes, quarters and half dollars.

# New U. S. Book Has Help for All Citizens

How the U.S. Department of Agriculture's name belies its broad services to the American public is reflected in a new publication. "Consumers All," the 1965 Yearbook of Agriculture, presents some of the practical results of USDA's efforts to make the lives of people healthier, happier and more fulfilling. Probably few people realize that a large proportion of the Agriculture Department's resources, as indicated by the Secretary, "are spent for services of primary benefit to all of us as consumers."

As consumers, we are constantly in need of how-to-do-it facts for everyday living, from buying and using food, clothing, household furnishings, and equipment to managing money, caring for yards, gardens and houses; improving communities; using leisure time; and staying healthy.

The first section of the yearbook deals with choosing, buying, renting, heating, cooling, lighting, painting and protecting houses.

Another tells how to plan and equip kitchens, dining rooms, bathrooms, living rooms, fireplaces, curtains and carpets. Among the chapters on finances are several on mortgages, credit, budgets, the employed wife and children and money.

As would be expected, chapters giving practical advice on gardens, lawns, trees and patios are numerous. But the clothing section includes discussions of shoes, stretch fabrics, new fibers and mending.

Food is given major attention — including diets for weight —watchers, savings in buying food and suggestions for preparing meat, vegetables, dairy products, bread, beverages and more.

Information on securing a copy of this helpful publication is available from the Home Economics Extension Office, 1106 Elizabeth Avenue, Elizabeth.

★ **Toastmaster automatic toaster, self-adjusting timer**
Chrome finish, 2-slice model with color dial, crumb tray. Reg. 13.88 **10.88**

## Boro Girl Gets $1,000 For Injuries

Superior Court Judge Milton A. Feller last Tuesday approved a settlement of $1,000 for Miss Donna Maisano, 18, of 404 Charnwood Road, New Providence, for injuries suffered Nov. 27, 1963, when a car in which she was riding struck the side of a hill.

Miss Maisano suffered facial injuries. Her parents, Mr. and Mrs. Dominic Maisano, who sued in her behalf, were allowed $500 for damages.

Defendant in the suit was Horst Schulze of Gillette.

According to the suit, Mr. Schulze was driving a car in New Providence Road in Watchung when he was blinded by lights of an oncoming car. The defendant said he was faced with going off the road on the side on which there was a brook, or turning in the opposite direction and sideswiping the side of the hill. He chose the latter course, an attorney said.

NEW THUNDERBIRD — A distinctive roof line is featured on two new Thunderbird models for 1966, the Town Landau, top, and the Town Hardtop. Both cars offer an elegant "town car" look as contrasted with convertibles and the traditional and more sporty Thunderbird roof line continued on 1966 Thunderbird hardtops. New sportiness is reflected in the styling of all 1966 Thunderbirds and in availability of an optional 428-cubic-inch performance engine. Other new options include a Stereosonic tape player integrated into the radio in the center console, and fingertip automatic Highway Pilot speed control integrated into the steering wheel. An overhead console containing door-ajar warning light, fasten-seat-belt warning light, emergency flashers and low-fuel warning light is standard on all "Town" models. All 1966 Thunderbirds will be on display at Schmidt Ford, 290 Broad street tomorrow.

## Grid Contest Participants To Get Bonus

The Summit Jaycees and Schmidt Ford, co-sponsors of the Punt, Pass and Kick contest have announced an additional bonus for participants in this year's contest.

Through the Summit Titan's management, each boy who enters this year's contest will receive a pass to the Titan's home game of October 10, to be held at Tatlock Field. This pass will be good for one free admission to the game when the boy is accompanied by an adult.

Every boy in the Summit area between the ages of 8 and 13 is eligible to compete in this non-contact test of three footbal skills: punting, passing and place kicking. Judging is based on accuracy as well as distance and all boys will compete only with boys their own age. Each participant will receive a lapel pin as well as the free pass with winners receiving additional prizes.

Application forms may be obtained at the following Summit establishment: Schmidt Ford, 302 Broad street; Ken Johnston's Sport Shop, 42 Maple street; Roy's Hobby and Toy Shop, 446 Springfield avenue; the Pet House, 33 Maple street and Root's, 401 Springfield avenue.

## Local Man Awarded Legion of Merit

Col. (ret.) Mario J. Zecca of 7 Wentworth road, general manager of the industrial and military division of Lionel Corp., on Friday was awarded the Legion of Merit at ceremonies held at Fort Hamilton, N. Y.

Colonel Zecca, who retired in September, 1964 from the Army was cited for his meritorious service from July, 1962 to September, 1964 in regards to materiel development, procurement, combat development and other responsible assignments.

## Boy, 10, Gets $4,000 Award In Auto Death

Superior Court Judge Milton A. Feller has approved a $4,000 settlement for a 10-year-old Summit boy in the death of his eight-year-old brother, who was fatally injured by a car May 1.

Mrs. Luversia Shamblee of 381 Broad Street brought the suit in behalf of her 10year-old grandson, Kenneth Shamblee, as administratrix of the estate of another grandson, Brian, 8, victim of the accident.

Defendant in a Superior Court suit was Gregory Nock of Chatham, driver of a car which reportedly struck Brian as he was crossing Broad street. The boy died of his injuries.

Mrs. Shamblee said she and Kenneth are the only survivors of Brian.

E. Donald Steinbrugge of Summit represented Mrs. Shamblee and her grandson.

Announcing: Mercury for 1966
a new definition of driving pleasure

MERCURY PARK LANE 4-DOOR HARDTOP

Moving ahead in the Lincoln Continental tradition

This is the year to move ahead to the new. Mercury's year. Your year. And just look at all the news there is! Ride news: the way Mercury moves is unique. Smooth, substantial, hushed—the finest ride this side of the Lincoln Continental. Style news: clean, classic lines—the only car in its class with a look all its own. Power news: engines range up to a muscular 428 cu. in. V-8. Luxury news: options such as the Stereo-Sonic Tape System that uses plug-in cartridges. Safety news: helpful options such as cornering lights that show you the way when turning into dark driveways. Exclusive options such as rear doors that lock automatically at 8 miles per hour. And in every Mercury, without extra cost, you get 12 important safety features, including back-up lights, emergency flasher, padded dash and visors, four seat belts front and rear, and outside rear-view mirror. Model news: the widest choice of Mercurys ever. 17 models in 4 series—sedans, hardtops, convertibles, and 2 wagons with the new Dual-Action Tailgate that turns into a door. Now's the time to see your Mercury dealer—and move ahead with Mercury

# Five Towns May Pool Purchasing Of City Supplies

Five Union County municipalities, including Summit and Berkeley Heights, are moving closer toward reaching an agreement for joint purchase of municipal supplies at an anticipated savings of several thousands of dollars a year.

Under the plan, Summit, Berkeley Heights, Linden, Roselle and Clark would join with Elizabeth by poolings its order for needed supplies and then seek bidders on the lumped order.

A meeting was held last week to discuss the plan in detail. Summit was not represented but did send a letter stating the city was interested in the proposal. Berkeley Heights was represented by Mrs. Louise P. Sudrabin, an assistant to the Township Committee.

Ordinances would have to be adopted by the local municipal governing bodies to permit joint purchases and to specify the items. An agreement among the municipalities also would set forth the manner of advertising for bids, and procedures for awarding contracts and methods of payment.

Sidney Stone, Elizabeth purchasing agent who proposed the idea, said the representatives expressed interest in joint orders for traffic tickets, rock salt and gasoline. He said the items are among the easiest to stipulate in a contract and are common to each community.

While Elizabeth would benefit by lumping its order with the others, Stone said, the smaller communities would save the most because of the larger bulk orders at lower rates.

Stone, president of the N. J. Governmental Purchasing Agents Association, told the representatives of the potential savings and of Elizabeth's own experience since it centralized purchasing in 1961.

Before then, the purchasing agent said, the city bought traffic tickets five times during the year in lots of 10,000. The cost was $66 a thousand.

By combining its order and seeking bidders who specialize in traffic ticket printing, the price was cut to $28 a thousand, for a saving to the city of $1,900.

Stone said that a larger order by all the communities interested in joint municipal purchases could cut the cost to perhaps $20 a thousand. And the smaller communities that are now paying three times that price would benefit the most.

Mr. Stone added that the program has a good chance of success. He noted that a new state law permits municipalities within a county to enter joint purchasing agreements.

TAKES NEW POST — Robert B. Wood of Beech Spring drive, has been named District Boy Scout Executive of the Fort Orange-Uncle Sam Council, Troy, N.Y. Mr. Wood was formerly Scout Executive of the Ranger District which embraces Summit, New Providence and Berkeley Heights. A reception in his honor will be given on Sunday at 2 p.m. at New Providence Presbyterian Church. In his new post, Mr. Wood will be responsible for Scout activities within the greater part of Renssalaer County as well as Troy. Mr. Wood, who began his duties here four years ago was formerly program director of National Junior Leadership Training at Schiff Scout Reservation, Mendham; assistant camp director of Camp Watchung, assistant and later camp director of Sabattis Wilderness Camp, and an advisor to Watchung Area Council Training committee and editor of "Council Fire." He is a graduate of the National Training School for Professionals in Scouting. Mr. Wood holds a BA from Salem College and a masters degree from Indiana University. He is a former member of the Kiwanis Club.

## Voting Facts On the Line From League

**Berkeley Heights — The League of Women Voters announced today that a Telephone Information Service, manned by League members, has been opened in North Jersey.**

**The service, which will be open from 10 a.m. to 4 p.m. wekdays now through Election Day, will provide non-partisan voting information, the league said. The telephone number is 746-6767.**

**The League said the service is "one more step toward (its) aim of encouraging citizens to take an active part in their government.**

"Beating the Bounds" is an ancient, almost extinct Anglo Saxon custom consisting of a procession of the parish priest, church wardens and parochial officials heading a group of boys who, armed with sticks beat the parish borderstones, according to the Encyclopaedia Britannica.

# Woman Minister to Give Facts from Vietnam Tour

New Providence — The Merry Mates, the couples club of the Methodist Church, will get "A First-Hand Look at Vietnam" tomorrow night at 8 p.m.

Guest speaker for the meeting will be the Rev. Mrs. Alexander Stewart, who was recently a member of the interfaith team of the Clergymen's Emergency Committee for Vietnam which went to that country in early July.

While in Vietnam, the committee conferred with U.S. and Vietnamese government officials, Buddhist, Roman Catholic and Protestant leaders, soldiers, students, news correspondents, young volunteer workers, labor union leaders, teachers, neutralists, and backers of North Vietnam and the National Liberation Front, the political arm of the Viet Cong.

The general public has been invited to attend the meeting, the church said. Preceding the program, the Merry Mates will hold a covered dish supper at 7 p.m. Arrangements for the program and supper are being made by Jim and Marilyn Fella, and reservations should be made with the mat 273-6208.

Mrs. Stewart received her degree from Illinois Wesleyan University and did graduate work at Boston University School of Theology, Colgate-Rochester Divinity School and Union Theological Seminary in New York.

She became one of the first women to be ordained a minister in the Methodist Church and the only women in the history of Congress to have served as guest chaplain in the House of Representatives.

The wife of Dr. Alexander Stewart, who is on the staff of the department of Financial and Field Services of the Board of Missions, Mrs. Stewart has traveled widely in the U.S. Europe, Palestine and the U.S.S.R., has preached in Belgium, Czecheslovokia, Finland and Poland, and has broadcast in Germany and England.

# Local Scientist Cited for New Drug Process

Murray Hill— A Local man was a member of a team of Merck & Co., Inc. scientists whose work won national recognition today for unusual achievement in the field of chemical engineering.

James Lago of 14 Burlington Road was a member of a group which worked out a simple way to manufacture the new anti-hypertensive drug 'Aldomet.' That accomplishment was cited for honorable mention in the 1965 Kirkpatrick Chemical Engineering, a McGraw-Hill publication.

The award, announced today, will be formally presented at a dinner in New York, November 30.

The Merck scientists devoloped a commercially feasible process which utilizes principles demonstrated in his laboratory by Louis Pasteur more than 100 years ago. As a result, certain basic production costs of 'Aldomet' were cut approximately in half.

Lago joined Merck in 1947, after earning his Master's degree in Chemical Engineering from Massachusetts Institute of Technology. He lives with his mother, Mrs. Anne Lago, and grandmother, Mrs. Katherine Stroh.

# Labor Day Doesn't Halt Activities in Area Parks

For most people Labor Day usually means the end of the vacation season. But this does not have to be so. There are facilities and activities in the Union County Park System that can be enjoyed throughout the entire year.

Many miles of footpaths and trails in the Watchung Reservation offer an opportunity for the family to go hiking, picnicking, boating, visit the old copper mine, "Deserted Village," and the Trailside Nature and Science Center. A group may also enjoy a horseback ride over some 12 miles of bridle trails in the Watchung Reservation.

Boating will be offered until the middle of October on Upper and Lower Echo Lake and on Lake Surprise in the Watchung Reservation. Canoes are available at Upper Echo Lake.

A family group may also play a nine-hole round of Pitch-and-Putt golf at either the Galloping Hill or Ash Brook Pitch-and-Putt golf courses. These facilities are expected to remain open to the middle of November, weather permitting.

For those who enjoy shooting at stationary targets or at clay targets the rifle and pistol ranges and the trap and skeet fields, located in the Cranford Section of Lenape Park, offer this activity. The rifle and pistol ranges will remain open on weekends to November 1. The trap and skeet fields are open every weekend throughout the year.

# Kimme Named To New Post In California

Berkeley Heights — Dr. E. G. Kimme of 1019 Mountain Avenue has been appointed head of the newly created applied sciences department of the Collins Radio Corporation information sciences center at Newport Beach, Calif

In the new position, Kimme will be responsible for organizing and directing a program of exploratory development of communications systems at advanced levels.

Prior to the new appointment, Dr. Kimme was a member of the research staff at Bell Telephone Laboratories, Murray Hill.

## Kaffeeklatsch To Hear About Flower Grouping

The YWCA's Wednesday morning Kaffeeklatsch will start the fall season on October 6 with a demonstration of Japanese flower arranging by Mrs. Harold E. Pletcher of Morristown. Well - known in garden circles as a lecturer and nstructor in oriental and occidental arrangements, Mrs. Pletcher has won awards in many New Jersey exhibitions. This year she was New Jersey's sole contestant in the tenth annual Sterling bowl tournament and one of 14 finalists. Her arrangements at the Kaffeeklatsch program will be from both the modern and classical schools.

Kaffeeklatsch begins at 10 a.m. with a half-hour social and coffee time, and the hour-long program follows at 10:30 a.m. Dance and rhythm classes for 3 to 5-year-olds and baby sitting for infants 18-months and over are held concurrently for children of mothers attending Kaffeeklatsch. Programs of great variety are offered each week and include book reviews, fashion shows, gourmet cooking, topics of current interest by guest speakers, explorations into art, travel, history, and many other subjects.

Persons interested in further information about the Kaffeeklatsch or wishing to be placed on a list to receive program notices may call Mrs. Allan G. Ballard, program director, at the YWCA, 273-4242.

### Educator to Address St. Teresa's Group

Mrs. Judd Corbett, vice president of Christopher Academy, a Montessori School, will be guest speaker at the first meeting of the St. Teresa's Rosary Society, October 6, 8 p.m., following holy hour. Mrs. Corbett's topic is "Why I Send My Child to a Montessori School."

### Cancer Work Resumes

Volunteer services of the Fortnightly Club will begin their work shop consisting of cancer dressings and sewing at the club house on Monday at 9:30 a.m. to noon. The work on the occupational therapy kits will start October 11. All members of the club are welcome.

TO WED OHIO MAN—Mr. and Mrs. William Walker Walter of 22 Club drive have announced the engagement of their daughter, Julia Margaret Walter, to Donald L. McCoin, son of Mr. and Mrs. Edward L. McCoin of Akron, O. Miss Walter attended Kent State University, Kent, O., and Vermont College for Women, Montpelier. Mr. McCoin is currently attending Miami University of Oxford, O. and is a member of the Delta Chi fraternity. A summer wedding is planned. (Wolin Photo)

## Church Group To Open Season On Tuesday

The Women's Association of Central Presbyterian Church will hold its first meeting of the season on Tuesday at 11 a.m. in the Parish House.

Mrs. Richard E. Nystrom will opened the program with a devotional period. Guest speaker will be Rev. George Toole, minister of Myersville Presbyterian Church. He will discuss the Bible study for the coming year, "Our Mission According to Galatians."

Mr. Toole is a graduate of Trenton State Teachers' College, and received his ministerial training at Princeton Theological Seminary, where he is currently working on his doctorate in theology.

Reservations for the luncheon should be made by tomorrow with Mrs. Ben Evans at 273-5313. A sitter for young children will be available.

## Radcliffe Club Lists Orchid Tour

The first annual orchid tour sponsored by the Radcliffe Club of New Jersey will be held Friday, October 15, at 1:30 p.m. at Lager and Hurrell greenhouses, 426 Morris avenue. The tour is open to the public and proceeds will benefit the club's scholarship fund.

A tour of the orchid greenhouses will be conducted by John B. Lager, one of the nation's leading authorities on orchids and a judge for the American Orchid Society. Mr. Lager will explain the various orchid varieties under cultivation.

Local Radcliffe Club members who have been assisting on arrangements for the tour include Mrs. Edward A. Reisen, co-chairman of the event; Mrs. J. Campbell Howard, advisory committee, and Miss D. Simpson of Kent Place School.

Summit patrons include Mr. and Mrs. Robert W. Bogumil, Mr. and Mrs. Lager, Mr. and Mrs. Reisen.

### YWCA Officers at Philadelphia Talks

Mrs. Jacob R. Trapp of Maple Street, chairman of the YWCA advisory board, and Miss Mary Emma Farmer, executive director of the YWCA, will attend meetings in Philadelphia this week-end to discuss a study being conducted nationally on the YWCA as a Christian movement.

In the local association, study groups have been formed from among the leadership and membership of the YWCA to discuss, throughout winter and spring the YWCA as a Christian movement. Mrs. Trapp is responsible for co-ordinating the study in Summit.

### Tea Honors Veterans

Summit Area Red Cross will hold a tea to honor all volunteers on Monday, October 4, from 1 to 3 p.m. at the chapter house.

Recognition for outstanding length o fservice will be awarded to Mrs. A. Clifford Bernard who will receive a 45-year bar, John P. Bennett, a 40-year and 25-year bars to Mrs. A. R. Roy, Frank P. Wood, Mrs. R. L. Hopkins, Mrs. H. G. Lucas, and Mrs. Walter Schormann.

Mrs. Edgar H. O'Brien

## Florida Girl Bride of Edgar O'Brien

Miss Camilla Anne Tannery, daughter of Mrs. Talmage T. Spence and the late Dr. Spence of West Palm Beach, Fla., on Saturday became the bride of Edgar H. O'Brien, son of Mr. and Mrs. Robert B. O'Brien of 82 Prospect Hill avenue and Mantoloking.

The ceremony was performed at the chapel of the First Methodist Church of West Palm Beach and a wedding dinner for both families followed at the home of Mr. and Mrs. James C. Clemens of West Palm Beach.

The bride was attended by her sister, Miss Karen S. Tannery of West Palm Beach. Mr. O'Brien was best man for his son and ushers were Ransom F. Gladwin, 3rd and Richard Binkley, both of West Palm Beach.

The bride is a graduate of Palm Beach Junior College and the University of North Carolina, where she was a member of Alpha Gamma Delta sorority. She is an English and social studies teacher.

Mr. O'Brien is a graduate of Pingry School and the University of North Carolina where he was a member of Chi Psi fraternity. He will enter the Airforce Officer Training School at Lackland Airforce Base, San Antonio, Texas, on January 7.

After a wedding trip to Bermuda the couple will reside at Mantoloking until January 1 and then move to San Antonio.

## Best Seller To Be Reviewed For YW Group

Feature of the first fall meeting of the YWCA Thoughtstirs on Wednesday evening, October 6, will be a review and discussion of Bel Kaufman's current best seller "Up the Down Staircase." The novel will be reviewed by Mrs. P. R. Haviland of Division Avenue. The program will begin at 8:15 p.m. and refreshments will be served.

The Thoughtstirs, a group of young women under 40, meet regularly on the first and third Wednesday evenings of each month. Lively and timely discussions, debates, panels, are initiated, researched, and presented by members. All young women interested in exploring a wide variety of topics are invited to join the group. No previous reservations are required.

Hostesses for the October 6 meeting will be Mrs. Alfred Hirsch of Evergreen Road, and Mrs. William Jewell of Spring Street, Murray Hill.

Further information about the current Thoughtstir program of future ones may be had by telephoning Mrs. John A. Rollins, program director, at the YWCA, 273-4242.

## International Club at YWCA Lists Meeting

The next meeting of the YWCA's International Club for young women new to the country or new to the community will be held at the YWCA on October 7, at 1:30 p.m. The program for the afternoon will include games, a travel film, and general discussion of a topic of interest to the group.

Young women who are now members of the International Club come from countries around the world. They meet together on the first and third Thursdays of each month to enjoy outings, sight-seeing trips, sports, discussions, films. The club welcomes newcomers to the area to join with them for fellowship and stimulating activities.

Recently elected officers of the club include Miss Ann Estell of Chatham, chairman; Miss Helen Robertson of Short Hills, secretary; and Miss Carol Vinal, also of Short Hills, historian.

Further information about the international group may be had by telephoning Miss Tillie Louie, young adult program director, at the YWCA, 273-4242.

### Laurie Skeist Wed to Northwestern Classmate

Dr. and Mrs. Irving Skeist of 32 Laurel Avenue, announce the marriage of their daughter, Laurie Jean, to Richard E. Trieb, son of Mr. and Mrs. Jules Trieb of Westport, Conn.

The wedding took place at the home of the bride's parents on September 11, with Rabbi Morrison D. Bial of Temple Sinai officiating.

Mrs. Trieb is a graduate of Summit High School. Both are students at Northwestern University, and will reside at Evanston, Ill.

### Young Violinist to Give Concert Here

Gil Morgenstern, an 11-year-old violinist, will be heard in a concert presented by Temple Sinai at Summit High School on October 16 at 8:30 p.m. The child is a pupil of Samuel Applebaum, an internationally known teacher and performing artist.

Tickets may be purchased by calling Phillip Adams at 464-3164.

## Clothing Sale At Kent Place On Wednesday

Kent Place School will hold its annual fall clothing sale on Wednesday, October 6, from 8:30 a.m. to 9 p.m. and on Thursday, October 7, from 8:30 a.m. to 4 p.m. The sale will be held in the school gymnasium.

The sale is sponsored by Kent Place parents and alumnae, and will offer exceptional bargains in good, used clothing for the entire family. The public is cordially invited to attend.

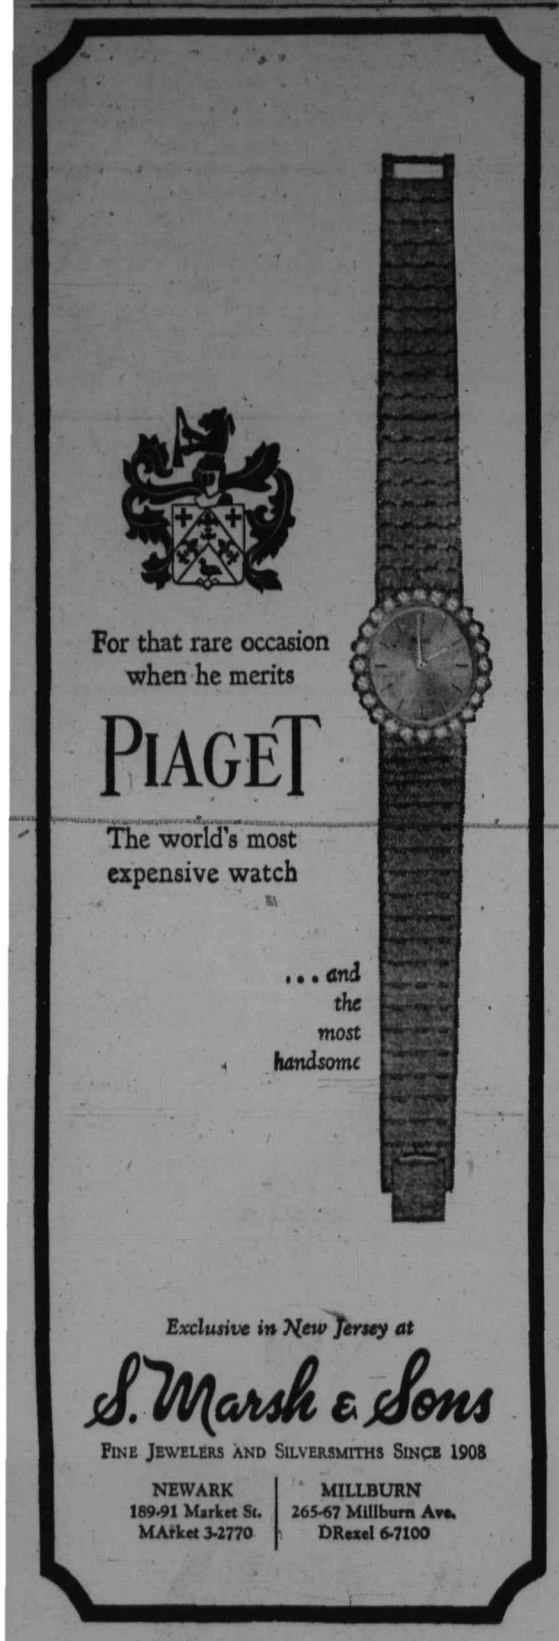

Summit workers at the sale include Mrs. J. E. Armstrong, jr., Mrs. R. Kirk Batzer, Mrs. Walter C. Binder, Mrs. Sydney D. Black, Mrs. Roy W. Cole 3rd, Mrs. James G. Cox, Mrs. Alanson B. Davis, Mrs. Henry Dearborn, Mrs. John E. Flemming, Mrs. R. D. Hall, jr., Mrs. Macdonald Halsey, Mrs. Robert H. King, Mrs. W. H. Kingsford, Mrs. Maxwell Lester, 3rd, Mrs. Robert S. McClintock, Mrs. Jansen A. McEntee, jr., Mrs. James F. Miller, Mrs. Robert A. Potter, Miss Jean Reynolds, Mrs. Edward M. Toby, Mrs. Donald W. Vreeland.

### Five Local Girls Enter Katharine Gibbs School

Five Summit girls have become students at Katharine Gibbs School at Montclair, the school reported this week.

They are Virginia D. Semmes of 150 Woodland avenue, who attended Colby Junior College; Linda L. Smozanek of 1 Pearl street, a graduate of Summit High School; Judith N. Abbott of 767 Springfield avenue, who attended Green Mountain Junior College.

Also, Irene A. Baran of 44 Montrose avenue, a graduate of Summit High School, and Dana K. Brough of 21 Fernwood road, a graduate of Colby Junior College.

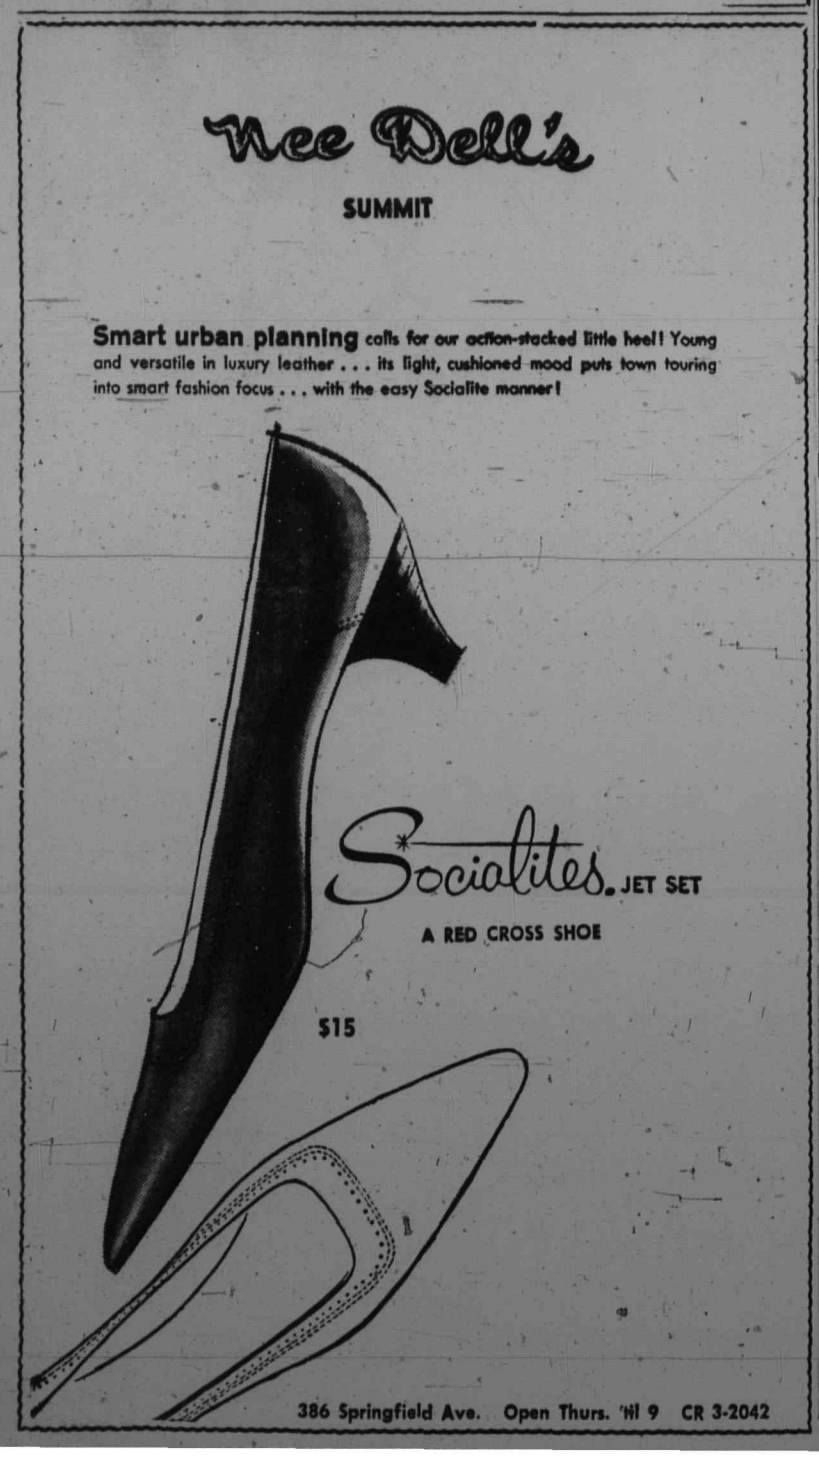

## Kent Place Sets Annual Senior Tea

The annual Kent Place School senior class tea was held Tuesday afternoon, at the home of Mrs. Prieth Benedict, 14 Fernwood road, president of the Kent Place Alumnae Association. Mrs. Joshua Ward of Chatham was chairman for the tea, which was given to welcome the Class of 1966 to membership in the Association.

Additional hostesses, also members of the Alumnae Association Board, were: from Summit, Mrs. Wallace W. Barnes, Mrs. Patricia J. Gibbons, jr., and Mrs. Wilmer Kingsford.

Macdonald Halsey, headmaster, and Mrs. Halsey and Miss Janet Mayer, head of the Upper School, also attended.

Summit seniors attending as honor guests were: Pamela Bristol, Janet Carbone, Eve Dearborn, Joan Fleming, Christine Gibbons, Judith Hall, Jennifer Hodges, Margery Krieger, Barbara Livingston, Clair Maples, Barbara Moore, Martha Pfaff, Marion Porter, Lesley Snyder, and Barbara Walker.

Miss Elsebe Venter, a foreign exchange student attending Kent Place under the sponsorship of the American Field Service and living at the home of Mr. and Mrs. Henry Dearborn of Colt road, also attended.

## Catholic Group Luncheon to Aid JFK Library

Plans have been completed by Court Benedict 611, Catholic Daughters of Summit, for a luncheon-card party on Monday, November 22 at the Hotel Suburban for benefit of the John F. Kennedy Memorial Library. The benefit has been scheduled to coincide with the second anniversary of the late President's assassination.

General chairman, Mrs. Julia Forbringer, has appointed the following committee: Mrs. Katherine Denman, chairman; Marie Fleming, Mrs. Veronica Lee, Mrs. Helen Joyce, Mrs. Madeline Porash, Mrs. Mary Pike, Mrs. Marguerite Gargulo and Miss Janet Pike.

For further information or reservations, call Mrs. Denman at 273-0181 or any committee member. An initial planning meeting was held last Thursday at the home of Mrs. Denman.

### Son to Lundbergs

Mr. and Mrs. Robert B. Lundberg of Franklin, Va., announce the birth of a son, Christopher Johns, on September 23. Mr. Lundberg is the son of Mr. and Mrs. Harold G. Lundberg of Overhill Road.

### Hobby Hall Hostesses

Mr. Walter C. Drayton and Mrs. C. Frederick Paulson will be hostesses when the fourth grade dancing class at Hobby Hall meets for the first time tomorrow afternoon.

The fifth grade class will follow and will be received by Mrs. Robert M. Ryder and Mrs. Richard F. Hardy.

## Births

To Mr. and Mrs. George Auerbach of 17 Debbie Place, Berkeley Heights, a son, born September 10.

To Mr. and Mrs. Walter Meincke of 14 Edgar street, twin sons, born September 16.

To Mr. and Mrs. Nicholas Cellocco of 78 Orchard street, a son, born September 16.

## Cedar Rapids Girl to Wed Robert Kiley

Mr. and Mrs. Elmer L. Potter of Cedar Rapids, Iowa have announced the engagement of their daughter, Patricia Ann Potter, to Robert Raymond Kiley, son of Mr. and Mrs. Raymond J. Kiley of 7 Ridge road.

Miss Potter was graduated from the University of Wisconsin and has been the executive secretary of the American Council of the Atlantic Association of Young Political Leaders in Washington, D. C.

Mr. Kiley attended St. Thomas Academy, St. Paul, Minn. and was graduated magna cum laude from the University of Notre Dame ('57) where he was named "outstanding student." He was president of the U.S. National Student Association in 1958 and 1959. He is currently a candidate for doctoral degree from Harvard University and is vice president of Intercontinental Research Company in Washington, D. C.

An October 30 wedding at St. Matthew's Cathedral in Washington is planned.

## Women's Church Organization to Mark 25th Year

The Women's Society of Christian Service of the Methodist Church will hold its regular monthly meeting on Tuesday at 12 noon in the social hall.

The meeting will mark the 25th anniversary of the group. Guest speaker will be Dr. Henry Lyle Lambkin, a former minister of the Methodist Church who served for 17 years before assuming the post of District Superintendent. Following his retirement as a professor at Drew University, Dr. Lambkin was named director of the Church Builders' Club of the Northern New Jersey Conference of the Methodist Church.

Luncheon will be prepared by Circle 5 under the chairmanship of Mrs. John Stockbridge. Hostesses will be Circles 3 and 4.

Reservations may be made until noon Monday by calling the church office at 277-1700.

## College Corner

(Continued from Page 8)

fact that the same schools kept winning, and the same losing, because not all the boys in each school could make teams and play in the games, because of lack of time in the busy calendar, and last but not least, because it probably cost too much to maintain.

Here is a vote to bring the program back and the reasons why!

As I sit and watch Howard Anderson pace up and down the side lines while his and our team is on the field, I can't help but wonder how he can drill so much into and get so much out of his and our boys in four very short years. You have to realize that when he gets these boys that during their former years 4th through 6th grades, they've had no exposure to organized sports, particularly on teams and competing against other boys. Mr. Anderson gets these boys in 9th grade and he has that year and their 10th grade year, to prepare them and expect them to be varsity material during their 11th and 12th terms.

During the fall and spring in the early 40's, our school playgrounds were busily occupied Saturdays and after school hours with the respective teams practicing for their games. During those years, Lincoln, Washington, and Roosevelt schools, had all hard surface inadequate facilities. Today the large playgrounds with all the ball fields, are empty on Saturdays, with the exception of an occasional bike rider.

I think that young boys would enjoy being a part of a team. They would have to learn the disappointments of not making a team the first time out. They would have to learn how to lose a game, they also would learn how to win, and, most importantly, they would learn the fundamentals of several sports. This program would also take a big step in improving our "Physical Fitness Program" at this level. What is wrong with your son having a few nicks and scratches as a result of a game or practice. Why not have our children exposed to physical competition at ages 8 to 12 right in their schools where they certainly are exposed to plenty of classroom competition. Why shouldn't there be grade-school rivalries and school spirit within each school unit?

The parents must be kept out of it. They certainly can watch their children compete when the schools meet, but they can't run it any more than they can run Mr. Anderson's football team.

The late Gerald Tatlock was a strong advocate of this competition and he, along with several other men, were instrumental in keeping the program going as long as it did. Let us bring it back to our children, they would enjoy it just for themselves.

Warren S. Kimber, jr.
35 Bedford road

GRADUATES — Lt. Peter C. Triolo, jr. U.S.M.C., son of Mr. and Mrs. Peter C. Triolo, of 7 Rotary drive, was recently graduated from Communication Officers Orientation School, Quantico, Va. He is a graduate of Villanova University, and Marine Corp Basic School, Quantico. Lt. Triolo has been assigned to the First Marine Division, Camp Pendleton, Cal.

### Would Boost Police Pay

Editor, Summit Herald:

Some time ago I read an editorial in the Summit Herald and was quite astounded to read that, despite the high per family income in Summit, our Police Department is, it seems, underpaid in relation to salaries paid in surrounding communities. It would appear to me that this is a fertile topic of discussion during one of the Council meetings, as I certainly feel that this condition should not exist in line with the excellent quality of the police force.

I do not feel that the low-pay scale is due to a lack of available money because of the recent bonding approved at the last election. I know basically the revenue from this was to go toward construction of two schools, but from all appearances this construction has stopped. I know that on occasions when I pass the Washington School construction rarely is even one workman on the job.

I would certainly urge the Council as a body to consider a wage increase for our police force.

George L. Stierle
42 Hartley Road.

### Heights Woman Sues In Father's Accident

Miss Loretta G. Breen of 41 Easton Court, Berkeley Heights, last week filed a Superior Court suit in the Union County clerk's office seeking damages she claims her father, Cornelius Breen, suffered Sept. 23, 1963, before he died.

Miss Breen instituted the suit as administratrix of the estate of her father. She was given letters of administration on May 5, 1964.

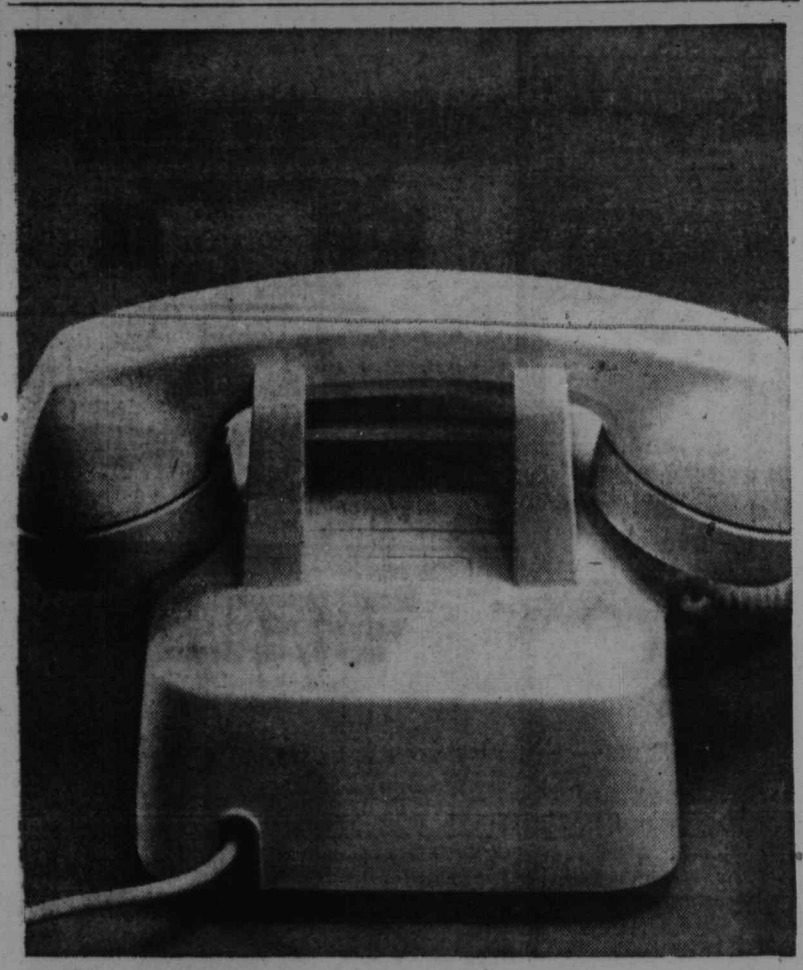

She has named Mrs. Madeline Gautier of North Bergen as defendant. She claims in her suit that a car driven by Mrs. Gautier struck the rear of an automobile driven by her father in Route 1 in Elizabeth.

### In Oregon Coast Guard

Juergen A. Von Olszewski, USCG, son of Mr. and Mrs. Gerhard E. Von Olszewski of 843 Mountain Avenue, Murray Hill, is serving at the Yaquina Coast Guard Station, a unit of the Yaquina Bay Group at Newport, Ore. A graduate of New Providence High School, New Providence, Von Olszewski entered the service in January, 1965.

What's the Touch-Tone® phone got that other phones haven't?

Push buttons that let you "dial" twice as fast!

Here is the new way to telephone. You tap the buttons—faster than you now dial. And when you do, musical notes trigger electronic impulses to speed the connection. The cost? Add just $1.50 per month to the regular telephone charges, plus a one-time connection charge, and you're enjoying Touch-Tone service on your residence line—including Touch-Tone service on *all* extensions. You can order this amazing phone now in a wide variety of colors and styles, including the newly designed, streamlined wall phone. Call the Telephone Business Office.

Gentlemen:

I understand that you're offering to install automatic, dusk-to-dawn, outdoor area lighting at my business, plant or home for as little as 12 cents a day. I'm particularly interested in the fact that there is no investment or down-payment required, and that the low monthly rate covers all materials, installation, maintenance and electricity. Please send me full information.

## Candidates for Overseas Study Being Screened

Selection of Summit High School candidates for the Americans Abroad Program will get under way next week. The program is sponsored by the American Field Service. In the last three years six Summit High students have gone abroad to live with a family and attend school in such places as Thailand, Switzerland, South Africa, Norway, and New Zealand, under AFS sponsorship.

Students interested in the 1966 program should submit a preliminary application by October 1 to Arthur Torell, AFS advisor at the high school. Necessary forms have been made available to Summit High School students. Interviews are being scheduled for the following week at the high school.

The Americans Abroad Program is one phase of the American Field Service involving an exchange of high school students between the U.S. and some 45 participating countries; the purpose being to create greater understanding among peoples.

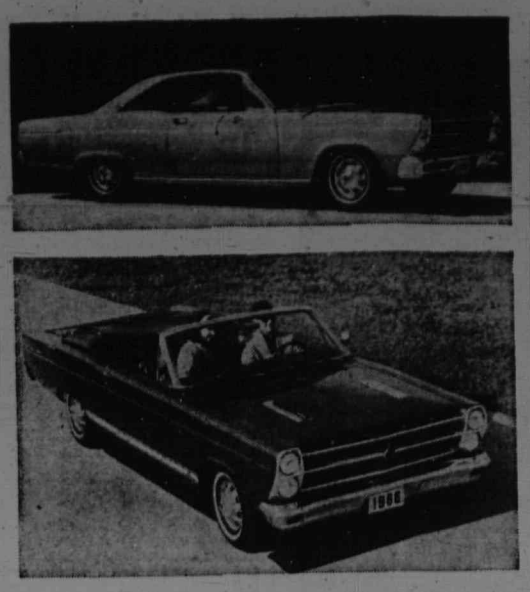

The American Field Service is a private, non-profit organization. Founded in 1914 as a volunteer ambulance corps, it served with the Allied forces in both World Wars. In 1947 the AFS initiated a program to bring foreign students to this country to attend U.S. secondary schools and live with an American family for a year.

During the last three years, students from Denmark, Argentina, and Belguim have stayed in Summit homes and attended Summit High School for the school year. Currently, two students — a girl from the Netherlands and a boy from Paraguay, are here.

Final selection of candidates is done at the American Field Service headquarters in New York City. No more than two candidates may be submitted from any one school in the program. Local candidates must be currently in the junior or senior class at Summit High School. They are required to have a good academic record with a strong language ability.

Additional information can be obtained from Mrs. Robert Davison, president of the Summit AFS chapter ,at 273-0618, or Arthur Torell at the high school.

"Privilege of the floor" in the House of Representatives means the privilege of being in the chamber while the House in in session.

FAIRLANE FOR 1966 — Entirely new styling of the 1966 Fairlane is dramatically displayed in the photo of the Fairlane 500/XL 2-door hardtop, above, and the Fairlane GT convertible, below. Indicative of the broadened family and sports appeal of the 1966 Fairlane is the new model selection — four series instead of two and 13 models instead of eight. The two new Fairlane series — the Fairlane 500/XL and the Fairlane GT — are available in convertible and 2-door hardtop models designed for sports-and luxury-oriented customers. Simulated hood louvers and the famed Ford GT racing stripes above the rocker panel are among distinguishing features of the Fairlane GT. The 1966 Fairlane will be on display at Schmidt Ford, 290 Broad street beginning tomorrow.

## Junior Hi-Y Club Program Being Widened

The YMCA bunior Hi-Y club program is now being organized for the 1965-1966 season. This year there will be a separate club formed for each grade level, seventh, eighth and ninth.

Along with active participation in the seasonal sports, the boys will have the opportunity to swim in the pool, meet with youths of other communities through inter-YMCA activities, and plan and take trips as a group.

Meetings are held weekly between 7 and 8 p.m. at the Y, alternating between gym facilities and club rooms. Gym meetings include basketball, obstacle races, fundamental trampoline, exercises, and assorted games. Club meetings include carrying out administrative functions of the club, planning activities for the year, movies, speakers, discussions, and community service projects. Dances, parties and field trips round out the adult-supervised program.

The Summit Y, needs leaders for this and other activities. The qualifications for Junior Hi-Y leaders are that applicants be above high school age and have a genuine interest in youth. The YMCA staff works closely with club leaders in developing and carrying out club programs. Interested young men who are able to devote an hour or so a week and would like to be of service to the youth of Summit are invited to contact youth secretary, Howard Merrick, or youth program aide, John Dispoto, at 273-3330.

The name "comet" derives through the Latin from the Greek word for "hair" and suggests an imagined resemblance between a comet's tail and long hair streaming in the wind.

## Temple Sinai Offers Music, Ballet Concert

Temple Sinai is bringing to Summit a concert by young performers of the highest caliber to provide an evening of outstanding music and ballet. The program will be varied and interesting and will appeal to those who appreciate and desire the finest in the arts.

Internationally-famous teachers have chosen their most gifted pupils to perform. Maurice Eisenberg, of Millburn, cello, presents Dorian Rudnytsky. Mr. Eisenberg is a teacher at the Juilliard School of Music in New York, and since 1953 has been artistic director, International Cello Centre, London. Mr. Rudnytsky, a student at Juilliard, received a scholaarship sponsored by the Portuguese government to Mr. Eisenberg's master classes in Portugal.

Samuel Applebaum, Violin, presents Gil Morganstern. Mr. Applebaum is a member of the faculty of the Manhattan School of Music in New York, is an internationally known performing artist, teacher and writer in the field of violin literature. Morganstern has twice won the New Jersey String competition sponsored by the National Music Educators League, with the highest scores and won a competition sponsored by the National String Association and as prize played in Carnegie Hall

The Newark Ballet Academy under the direction of Fred Danieli is the official school of the Garden State Ballet. They have gained national recognition through the innovation of performing tours in New Jersey schools in October, 1964. The school is one of eleven in the U.S. participating in the Ford Foundation regional scholarship program. Mr. Danieli will present five of the school's outstanding students in a ballet entitled "Enchanted Piano".

Bryan Judas, piano, is a former student of Joseph Wolman, professor of music at Brooklyn College. Mr. Judas has won the Garden State Philharmonic competition and last year won a statewide competiton sponsored by the National Federation of Music Clubs. His program will be the First Movement Appassionata Sonata by Beethoven, Ballad in G Minor by Chopin and Polonaise in A Major by Chopin.

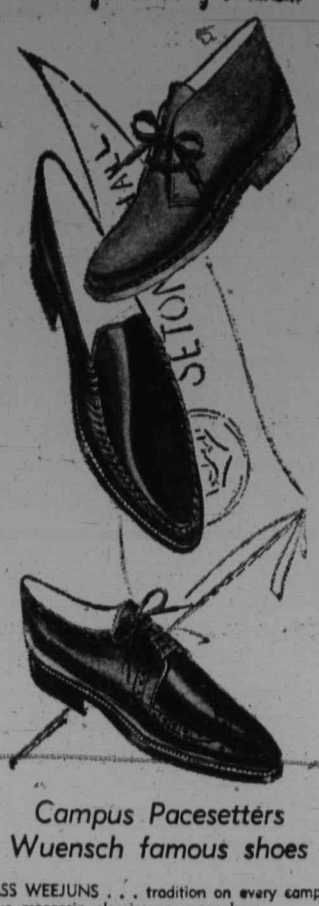

The concert is to be held at Summit High School on October 16, at 8:30 p.m. Tickets may be purchased by contacting Phillip Adams, 27 Burlington road, Murray Hill, (464-3164).

Dear Editor:
Now This Is What I Think!

Dic you ever write a letter to the editor?

It's fun to see yourself in print. But actually, you're not writing to only the editor. If he prints your letter—and he probably will—you are really writing to all the thousands of readers of The Summit Herald. That's a substantial body of readers, but don't let that scare you . . . write as if you were talking to just one of them.

What Do You Write About?

Perhaps you are really mad at the editor and want to tell him off on some opinion he has voiced. Perhaps you can't contain yourself any longer on some important local issue. Perhaps you just like to sound off now and then on topics of current interest. Whatever you choose, the "letters to the editor" column is your opportunity to speak your opinions.

We Welcome Good Letters

In writing them please follow the rules. These rules ask that you keep your letters reasonable in length, reasonable in tone and free of defamatory matter. Remember, the editor must "boil down" your letter if too long, and will take out statements that are libelous . . . even though the letter has your name printed beneath.

Plenty of Topics

It's really fun to write to the editor. We don't recommend that you become a "chronic" letter writer, but every now and then we'll be glad to hear from you . . . taxes, highways, elections, the legislature, streets, parks, schools city government, accidents, safety, business . . . scores of things to write about!

## Seven Area Drivers Given Suspensions

Seven local motorists have been given license suspensions for speeding or for loss of points, the Motor Vehicle Commission reported this week.

Suspended for speeding were Everett N. Smith, 24, of 218 Morris avenue, 30 days; Edmond S. Covey, 20, of 119 Maple street, 60 days; Cecilia A. Gargiulo, 19, of 18 Argyle Court, 30 days for a Connecticut violation.

Given suspensions under the point system were John M. Stockridge, 44, of 16 Manor Hill road, 15 days; Thomas W. Allison, 45, of 14 Sherman avenue, 30 days; Joseph F. Tookes, 26, of 14 Denman Place, 60 days; Leroy Pulliam, 28, of 77 Summit avenue, 30 days.

TOPPING THE DODGE LINE — For 1966, is a series of six elegant new Monaco models, topped by the Monaco 500 2-door Hardtop shown above (top photo), Monaco offers comfort, convenience and style unmatched in a medium-price car. Below is the popular Polara 4-door Hardtop, one of seven Polara models. The car is on display at Summit Dodge, 312 Springfield avenue.

## Chubb Unveils New Building To Area Guests

Chubb & Son unveiled its new 60,000 square foot white concrete and brick building last Thursday afternoon at a small reception given for area businessmen. The bulding is the newest facility in the insurance firm which located here 14 years ago.

Guests included representatives from newspapers, banks, insurance companies and business firms located at the Mall and of Walter Kidde Constructors, Inc., builders of both Chubb offices.

Guests were taken on a guided tour of both buildings and later a reception and buffet supper were served in the cafeteria.

The original suburban office of Chubb was opened in November, 1951 with 460 employees, 175 of them moving from the downtown New York office and the balance hired locally from the Summit-Chatham-Millburn area. The company now employs 1,094 people. Space has been increased from 90,000 square feet in 1951 to 167,000 at present.

## Cited by Architects

Frederick K. Thornberg of Summit has been elected to corporate membership in the New Jersey Society of Architects, according to Robert R. Cueman, president, also of Summit. Mr. Thornberg is an associate architect in the office of William Corbett, Newark.

## Back Door To Greet AFS Students

Foreign students spending the year with Summit families will be special guests at tomorrow's session of "Back Door," the youth fellowship of the church.

The program for tomorrow includes dancing to live music provided by "The Gremlins" of Summit, and a return of "Peter, Paul and Carlos," a folk singing group which appeared at the September 17 "Back Door" session. Also, "The Losers," a new all-girl guitar trio will perform.

The American Field Service students planning to attend are Hyke Tjebbes of Holland, staying with Dr. and Mrs. Harold G. Spence while he attends Summit High School; Carlos Mendelzon of Paraguay, attending Summit High and guest of the Willis L. Roberts; Elsbe Ventor of South Africa, a guest of the Henry C. Dearborns while she attends Kent Place School; and two other foreign students at Pingry staying with out-of-town families.

## Pizzi Honored at Breakfast Meeting

Edward A. Pizzi, chairman of the Summit Republican Committee, was presented with a desk set yesterday at a breakfast of local business and professional men held at the New Hampshire House. The occasion was Mr. Pizzi's recent appointment as assistant county prosecutor.

Awarded to buildings that meet these standards of electrical excellence:
ALL-ELECTRIC BUILDING AWARD
- Flameless electric heating
- Electric water heating
- Quality light conditioning
- Electric air conditioning
- Electric cooking (where required)

Here are just a few of the New Jersey buildings where flameless electricity is the only fuel used for all purposes —including heating. The building owners are taking advantage of the new, lower commercial and industrial Total Electric rate. You can, too.

Total Electric Buildings can be more efficient...cost less to maintain...and are easier to run. Electric power can be controlled swiftly, easily—a touch of a switch turns it on or off. It's flameless, so it's clean...safe.

If you're planning to build or remodel a commercial building, school, store, office, etc., mail this coupon today. We'll send you complete information on the new low rates and what efficient Total Electric Power can do for you and your building.

## Christian Science Lecture this Sunday

"The Standard of Christian Science" will be the topic of a lecture by Martin Broones when he addresses a Christian Science meeting on Sunday in the auditorium of Summit High School at 8:30 p.m.

The lecture is under sponsorship of the First Church of Christ, Scientist, Summit. Mr. Broones, a resident of Beverly Hills, Cal., is a member of the Christian Science Board of Lectureship.

FRESHMAN HELPERS — Summit and Chatham campus leaders at Connecticut College for Women meet before the opening of school to discuss plans for the introductory week program which will assist 363 entering freshmen become better acquainted with the college. Left to right are Betsy Veitch of Summit, Judith A. Stickel of Chatham, Nancy Newcomb of Chatham and Suzanne Rossell of Summit. Miss Stickel is president of the Student Government Association and the others are House Juniors.

## Boorujy and DeRoode Made YM Directors

New appointments to the YMCA executive committee, board of directors and divisional committees were announced by "Y" President George B. Martin at the first fall meeting of directors last Tuesday.

Edward J. Boorujy of 20 Bradford Street, New Providence was named to fill an unexpired three-year-term on the Board. Treasurer and general manager of Columbia Cleaners Inc., Mr. Boorujy graduated from Summit High School and earned B. S. and M. B. A. degrees at Rutgers University. His previous YMCA experience includes Hi-Y membership, counselor at YMCA boys' camp, and assisting with the youth program and swimming instruction. He is a past president of the Summit Lion's Club.

Named vice president was Rudolph deRoode of 36 Rotary Drive who will be chairman this year of the joint YM-YWCA study committee. A partner in the Richland Agency of Summit, Mr. deRoode is a past president of the Summit Area Chamber of Commerce, Board of Realtors, Lion's Club and is currently a trustee of Diamond Hill Community Church.

Named to a newly-formed men's program and policy advisory committee were Edmond P. Rochat, jr. of Westfield, Dr. Donald M. Seifert of 30 Kent Place boulevard, Paul L. Thomas of 18 Twombly Drive, Ronald C. Smith of 98 Larned Road, Mr. deRoode, Victor Johnson of 3 Lorraine Road, and John Closs of 92 Portland Road. In addition, directors Charles T. Hamilton, Jack Keyser, C. Arthur Torell, and William F. Davidson were appointed as a committee for the Joseph P. Hadley Memorial Fund.

## Mrs. Duffy Retires

Mrs. Carrie Duffy, for 34 years a telephone operator at the Summit Medical Group, will retire tomorrow. Before joining the Group, Mrs. Duffy was chief telephone operator for Hyatt Roller Bearing at Harrison for eight years.

## To Hold Meeting

Dr. Arthur F. Ackerman of 237 Summit avenue will preside at a meeting of "David Ackerman Descendents" to be held Saturday, October 16, at the First Reformed Church at Hackensack.

The Association, formed in 1962, consists of descendents of David Ackerman of the ... lands who settled in Bergen County in 1662. ... is president.

## Personnel Unit Of Chamber Opens Season

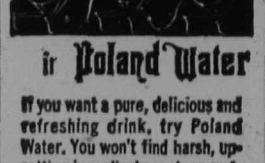

The personnel group of the Summit Area Chamber of Commerce will hold its first dinner meeting of the fall and winter season on Monday, October 4, at the Hotel Suburban.

The speaker will be Dr. George Bainbridge, director of the reading and study institute of Fairleigh Dickinson University. He will use visual aids in discussing speed reading.

Starting with a small group of personnel managers with common interests, the personnel group has grown to a total of 46 member firms in the area. Now beginning its 12th year of activity, the personnel group enables its members to exchange and analyse information regarding employment practices. The membership also conducts surveys on such subjects as wage scales, fringe benefits and many other phases of employee-employer relations.

Officers for the 1965-66 year are: chairman, W. T. Johnston, administrator, Summit Medical Group; co-chairman, Emily Dolinsky, secretary, C. R. Bard, Inc.; program chairman, Edward Scheer, employment supervisor, Bell Telephone Laboratories; program co-chairman, Mike Zelkind, plant manager, Millmaster Chemical Corp.; membership chairman, William Conant, Azoplate Corp., membership co-chairman, John W. Holmes, personnel manager, Pulverizing Machinery Co.; secretary, Elinore Hibberd, Chamber of Commerce; and Treasure, W. ae Crane also of the Chamber of Commerce.

Ketchikan, Alaska, is the wettest city in the continental United States, the National Geographic says. The South Alaskan settlement in inundated by 150 inches of rain annually.

## North Plainfield Overcomes Summit; Goal-line Defense Key to Grid Win

North Plainfield's Canucks outdefended and outran Summit High's Hilltoppers last Saturday, as they defeated Summit, 13-6, at North Plainfield's Krausche Field before approximately 800 spectators.

The home team played important aspects of the game such as goal-line defense and third-down running superbly, forcing Summit to give the ball up twice deep in enemy territory, once inside the five-yard stripe. The Canucks took over a third time when they recovered a a Summit fumble deep in their portion of the field.

**Make First Downs**

North Plainfield's backfield of Bob Jackson and Jim MacNeill, halfbacks, sophomore John Brown at fullback (who replaced the injured veteran Pete Johnson) and Paul Reid at quarterback continually made first downs in long yardage situations, both on runs and clutch passes by Reid.

Summit's junior quarterback, Jim Moore, who played the the whole game on offense, turned in an outstanding game, completing eight of ten passes for 115 yards and one touchdo as compared to Reid's 7-9, 113 yards, no touchdowns (he scored both of NP's six pointers on quarterback sneaks), and one interception.

Moore, however, did not have the running attack behind him that Reid had. Summit's best running was by left halfback Bob Urann, who gained 42 yards on 13 carries. On four pass-catches, Bob gained an additional 48 yards. However, each of the opposition's starting backfield gained over fifty yards on rushing and pass-catching, while Urann was the only Hilltopper to accomplish this.

**SUMMIT BRIGHT SPOTS**

Summit had some bright spots on defense, with Rick Lang, Jack Bacon, Jay Ashman, John Langenus, Todd Koster, and Les Wilkerson all performing very well.

For the first quarter, it looked as if Summit would run the host team right off the field. After the Hilltoppers stopped North Plainfield in three plays, they took the ball on the enemy punt on the fifty-yard marker. On a big third-down 12-yard pass play from Moore to Bacon, Summit moved to the 38, and then on another third-down and long yardage play, Moore threw a screen pass to Urann who ran 13 yards to the 25.

Uran took the ball on the next play directly on an off tackle reverse, and sped to the five-yard line, at which point, four plays later, North Plainfield took over on downs.

**CANUCKS SPOILERS**

The Canucks again punted, this time on third down, and Summit took over on the 34. A six-yard run by Urann closed out the first quarter and gave Summit a first down on North Plainfield's 24.

North Plainfield spoiled Summit's quick victory hopes immediately after the ensuing kickoff. The hosts went 88 yards in 13 plays as Reid went the final yard for the score. MacNeill's kick was right on the mark, and the hosts carried this slim 7-6 lead to the halftime intermission.

The third quarter was marked by the ineffectiveness of both the offensive units in the light of standout defensive play. Summit did get one first down in the quarter on another Moore to Urann pass. this one for eleven yards midway through the period.

Toward the end of the quarter, North Plainfield mounted a threat, which ended early in the fourth quarter with Reid going over from the two. Steve Haborak of Summit blocked the extra point, but North Plainfield still held a 13-6 lead.

The Hilltoppers now look toward Passaic Valley, which they play this Saturday away. The Hornets drubbed Verona last week, 25-0, for their 10th straight win. Halfbacks Steve Welhorsky and Vin Pombo were outstanding on offense, while veteran lineman Pete Yurkowsky and Rich Trautwein shone on the line both on offense and defense. Yurkowsky, a guard, and Trautwein, a tackle, were both mentioned in all-State polls last year, so Coach Howie Anderson's Hilltoppers appear to have another tussle on their hands this Saturday.

## New Providence Wins First Football Game

New Providence — New Providence High School's first varsity football team was basking in the spotlight of success this week after thrilling an overflow throng at the Pioneers' field last Saturday by scoring a 26-6 victory over Randolph Township High. The Pioneers came up with three touchdowns in the second half to snap a 6-6 tie.

New Providence will shoot for its second victory of the season at 2 p.m. Saturday in Middlesex when it meets the Blue Jays of Middlesex High School. Middlesex opened its season with a 13-0 victory over Chatham Township High. Chatham Township, like New Providence, is a first-year team.

The Pioneers of Coach Frank Bottone completely dominated the play against Randolph Township, a school which has won only one game in two seasons and one game of football play. New Providence, led by the passing and running of George Mea and the running of Bob Owren, gained more than 300 yards against the Randolph Township defenders.

New Providence rushed for 232 yards, with Mea accounting for 30 of those yards with dazzling runs after he was unable to find a receiver when he had faded back to pass. Despite an injury, Owren a hard-running 165-pounder, gained 46 yards.

Mea completed eight of 14 passes for 70 yards. New Providence rolled up 15 first downs to 5 for Randolph Township. The Pioneers staged scoring drives of 55, 72, and 76 yards for their first three touchdowns, demonstrating an ability to control the ball.

Owren scored two touchdowns for the Pioneers, on runs of 1 and 8 yards. Bill Cadmus went two yards for a touchdown and place-kicked two extra points. The fourth Pioneer touchdown came on a 16-yard pass from Mea to John Castaldo.

New Providence moved 55 yards for a first-period touchdown in nine plays. They picked up three first downs during the drive, with a 30-yard run by Mea the big gainer. Owren carried five times for 27 yards, plunging over from 1-yard out. Cadmus' kick attempt for the extra point was low.

Jim Aquiviva scored on a six-yard run to give Randolph Township a 6-6 tie in the second period. Jim Cain's 16-yard punt return set off the Pioneers' second touchdown drive in the third period. This scoring drive covered 72 yards, with Cadmus scoring from the two-yard line. Cadmus also kicked the extra point and the Pioneers led 13-6.

Off-tackle plays and end runs were the big gainers in this drive, with Cadmus and Rick Flanagan picking up most of the yardage.

Two last-period touchdowns clinched the game for New Providence. Cain returned a punt nine yards to the Pioneer 24 and New Providence rolled 76 yards for its third touchdown. Mea completed four passes for 42 yards during the dirve, throwing 16 yards into the end zone to Castaldo for the touchdown. Castaldo and Flanagan both ran for first downs during the scoring drive. A bad pass from center spoiled the extra-point attempt by Cadmus.

Ken Kohler blocked a Randolph Township punt and recovered on the losers' 8-yard line to set up the final New Providence touchdown. On the first play, Owren ran around end for the Pioneers' fourth touchdown. Cadmus booted the extra point.

## Soccer Powers Down Pioneers

New Providence—Coach Bob Kahn received his first taste of Suburban Conference athletic competition last week and found it rather unpalatable.

Coach Kahn's New Providence High soccer team took on two perennial conference powers — Verona and Chatham — and came off second best in both contests.

The Pioneers gave Verona a real struggle before bowing 2-1, but Chatham completely outclassed Coach Kahn's booters in winning 6-0. It was the second straight one-sided triumph for Chatham, which scored 13 goals in whipping Madison and New Providence.

George Niebalski's second-period goal gave New Providence a 1-1 tie with Verona, but the Hillbillies scored the winning goal with just nine seconds to play in the first half. All three goals were scored from close to the nets.

Verona had 12 shots on the New Providence goal, while the Pioneers has only six scoring tries. Chatham had an even greater territorial edge, riddling the New Providence goal with 23 shots while the Pioneers were limited to four tires at the Chatham nets.

Chatham scored two goals in each of the first three periods and then was content to sit on its lead. Jim Slade scored three goals for Chatham, two in the first period. Jim Tesch, Ben Tousley and Bud Magenheimer also tallied for Chatham.

Sporting an 0-2 record, New Providence will be looking for its first victory of the season this week in games with Cedar Grove High here last Tuesday afternoon and with Summit this afternoon in Summit. The Pioneers will play host to a strong Caldwell High squad next Tuesday afternoon.

## Pioneers, Highlanders Football Favorites

The Summit Area's scholastic football followers will have to travel this weekend if they want to see their favorite schoolboy team in action. All four Summit Area schools will be playing at their opponents' fields.

Governor Livingston Regional High fans will have the shortest trip with Coach Jack Bicknell's Highlanders scheduled to invade Rahway at 2 p.m. on Saturday.

New Providence's first-year eleven will journey down Route 22 to Middlesex to take on the Blue Jays of Middlesex High at 2 p.m. on Saturday. Summit faces a rugged test in a meeting with Passaic Valley High, the Hilltoppers' final pre-Suburban Conference tuneup. The game also will start at 2 p.m. on Saturday.

On Sunday afternoon, Oratory School will travel to Ho-Ho-Kus for a contest with St. Luke's High. St. Luke's, with 11 lettermen back in action, figures to give the Rams a rugged test.

Here's the way we see the outcome of the contests:

**PASSAIC VALLEY — 20; SUMMIT — 7.** Passaic Valley was undefeated last year and continued its winning ways last week with a 25-0 rout of Verona, a Suburban Conference foe of the Hilltoppers. Summit found North Plainfield tough to handle. The Hilltoppers will find Passaic Valley even tougher.

**NEW PROVIDENCE — 13; MIDDLESEX — 6.** Middlesex feasted on Chatham Township's first-year eleven last week and is hopeful of scoring a second win over a first-year team on Saturday. The Blue Jays may just find New Providence a mite tougher than Chatham Township. Pioneers' Bob Owren could make the difference in a close game.

**GOVERNOR LIVINGSTON — 20; RAHWAY — 6.** Highlanders have momentum, incentive and a triple-barrelled threat in passer Bruce Corcoran, catcher John Carver and runner Nick Serritella. Highlanders have never won more than four games in a row and have never beaten Rahway. Coach Jack Bicknell has the Highlanders in high gear and both "negatives" should be changed by late Saturday afternoon.

**ST. LUKES'S — 20; ORATORY — 13.** St. Luke's is stocked with 10 veterans of the team that whipped Oratory last season. The Ho-Ho-Kus eleven also will have the advantage of the home field, which may be just enough to tip the scales in favor of St. Luke's in what looms as a close contest.

## Pioneer 11 Slates 1st Grid Tilt

New Providence — The Pioneers football team opens its season against the Randolph Twonship eleven at 2 p.m. this Saturday.

According to head coach Frank Bottone this is the Pioneer starting line-up.

On the offense, Bob Schneller, left end; Ken Kohler, left tackle; Steve Garvey, left guard; Jim Hunter, Center; Al Nigro, right guard; Ed Fooks, right tackle; Bourke Corcoran, right end; George Mea, quarterback; Bob Owren, left half; Bill Cadmus, right half, and John Castaldo, flankerback.

On the defense, Jim Fuschetti, guard, Pete Welber, line backer; Tom Saunders, line backer, and Jim Cain halfback. Schneller, Kohler, Nigro, Fooks, Corcoran, Cadmus and Castaldo also play on the defensive line-up.

## Highlanders' Eleven Routs Springfield, 19-0

Berkeley Heights —One game hardly makes a season but off their opening — game performance in routing favored Springfield Regional High here, 19-0, last Saturday, Governor Livingston Regional High School gave strong indications that this could be a big year for Coach Jack Bickell's Highlanders.

The Highlanders, who had failed to win an opening game in five previous seasons had bowed in two previous games against Springfield, took charge of the Bulldogs early.

Co-Captain John Carver set up a Highlander touchdown in the first period, recovering a Springfield fumble on the Bulldogs' 40-yard line. With new recting the attack, Governor quarterback Bruce Corcoran di-Livingston quickly moved to its first touchdown.

Co-Captain Nick Serritella made the touchdown from two yards out and the Highlanders led 6-0. Seritella set up a second touchdown in the second period, with a 20-yard sprint to the Springfield 34-yard line.

a first down and then Corcoran passed 20 yards to Carver for Governor Livingston's second touchdown. Duda place-kicked the extra point and the Highlanders led 13-0 at halftime.

The Highlanders moved to doubt about the outcome in the the third period when Corcoran and Carver collaborated on a 10-yard scoring pass for Governor Livingston's third touchdown. After that the Highlanders' tenacious defense kept the Springfield offense throttled.

The passing of Corcoran was a real boost to Coach Bicknell's team. Bruce was on the spot offensively, moving into the post vacated by the graduation of George Bubrick, a talented passer. Corcoran, a defensive standout last season, easily made the transition to the offense.

Corcoran's touchdown tosses to Carver were the first of his varsity football career.

With an impressive win over Springfield boosting their two-season winning streak to four straight games, Coach Bicknell's Highlanders are preparing for another rugged test this Saturday. Governor Livingston will play at Rahway and will be looking for its first football victory over the Scarlet.

## Oratory Beats Bayley; Losing Streak Ended

Summit — After trying 34 consecutive times, Oratory finally broke into the winning column Sunday morning with a 33-6 victory over favored Bayley-Ellard. A crowd of 2,000 witnessed the closing of the state's longest scholastic losing streak.

The last time Oratory won was on Oct. 28, 1960 when the team defeated St. Bernards, 31-0.

This was a weekend of upsets in Morris County. Besides Oratory's outstanding performance, Chatham snapped the state's longest winning streak by upsetting Glen Ridge, 7-0. The Ridgers had 24 consecutive wins behind them.

Before jubilant coach Joe Gardi was carried off the field, this is what happened: Oratory scored at least one touchdown in every quarter with fullback Vincent Keller accounting for three of them.

His first score was set up for the Bishops at the beginning of the game. Oratory kicked off but the Bayley players evaded the ball, for some reason, and Oratory recovered on the 28. Keller drove through tackle to score. Tom Staple kicked the extra point.

It was Keller again in the second quarter. His scoring drive from the 11 culminated a 57-yard Oratory drive. Staple's boot was true again.

Keller stole the spotlight again when he intercepted a Bayley pass late in the first half and raced 42 yards to make it 20-0. Staples was on the mark again.

A 25-yard pass from Ed Buonopane to Tom McCann provided another TD for Oratory in the third quarter. Buonopane, happy with this passing success, did it again in the fourth quarter — this time to Frank Daily who raced into the end zone.

Bayley, fearing a shut-out, scored when Mike Reese plunged across from the one. He set up the TD play with a 24-yard run the play before.

## Summit Booters Split Two Conference Tilts

Summit — Summit High School's soccer team has been a perennial contender for Suburban Conference and State Group 3 honors during the regime of Coach Elmer Haldenwang, but the Hilltoppers may be hard pressed to maintain that status this season.

The Hilltoppers were hard-hit by graduation losses, with Dennis Swick the only 1964 regular back in action this season. And just to add to Coach Haldenwang's woes, goalie John Richle suffered a broken finger in the 4-1 loss to Caldwell last week.

The loss of Richie figures to hurt the Hilltippers. He had played a fine game in the season-opening victory over Governor Livingston High of Berkeley Heights, coming up with 12 saves to preserve Summit's 1-0 victory.

Swick scored Summit's only goal against Caldwell and also assisted on Peter Gemmi's game-winning goal against Governor Livingston. Gemmi scored two more goals in the Hilltoppers' 3-0 victory over Madison. Kip Hoffman accounted for the other goal.

Other players that Coach Haldenwang is counting on this season include John Brady, Carlos Mendelcon, an exchange student from Paraguay; John Stockbridge, who has taken over Richie's goal-tending duties; David Keeeney, who was injured and missed most of last season; Pete Kandrat, Mike Marcy and Chris Outwin.

Sporting a 2-1 record for the season and a 1-1 mark in Suburban Conference play, Summit was to take on traditionally tough Chatham last Tuesday afternoon in Chatham. The Eskimoes scored 13 goals last. week in defeating Madison and New Providence. Chatham, Millburn and Caldwell loom as the conference powers.

## Regional High Harriers Await Season Debut

Berkeley Heights — Governor Livingston Regional High School's first cross-country team will make its debut tomorrow afternoon in Warren Township running against Watchung Hills Regional High.

Coach Don Hendricks, a miler and cross-country runner at Pennsylvania State Univeristy in his collegiate days, has been working with 17 candidates, a pleasing turnout for a first-year squad.

The Highlanders' harriers have been using a course set up on the hilly grounds around the school and will use the same course for their home meets.

The Highlanders are without an experienced cross-country runner as no one on the Governor Livingston track team ran further than a mile. Most cross-country courses are set up to cover 2½ miles.

Coach Hendricks feels he has three better-than-average performers in Dick Weidner, Sheldon Karlin and Ed Kujat. He still is undecided as to how many of the other candidates he will keep on the squad.

Seven dual meets have been scheduled for the Governor Livingston squad, with a meet at Hillside set for next Tuesday afternoon. The Highlanders' participation in county and state meets will be decided on the basis of how rapidly the team develops during the dual-meet season.

## Summit Titans Ready For Warrior Eleven

Summit — The Titans face the tough Hackettstown Warrior football team at 2 p.m. Sunday on the Tatlock Recreation gridiron.

The Titans have a chance to climb back into contention in the NJFL race against the rugged Warriors, but because of several Titan injuries, they can't afford to have an off day in their drive towards the top of the North Jersey Football League standings.

Coach Mike Papio says his club will rebound after the 19-7 loss to unbeaten Wayne.

Several new plays have been added, he said, plus short pass formations and an effective sideline pass plan.

On the dark side of the picture, two more players joined the injured list, Guy Spencer and Eddie Rillo, both with hand injuries.

Rillo, the team quarterback, hopes to return to action this Sunday, but Spencer is definitely out for the remainder of the campaign with a fractured hand. Doug Adams, first team, All-League line-backer of last year, announced he was through for the season.

Papio said his defensive unit of Sal Manuri, Fred Worthy, Lestor Pryor, George Hinds, Tank Tedesco, Fred Wasserloos and Jerry Holmes is the best in the league.

In Ted Loth, Don Sheridan, Dick Moyer and Charlie Little, the Titans have scoring offensive combination. Titan quarterbacks Eddie Rillo and Warren Kimber have the knowledge to make the offensive click, and Papio feels that the club has what it takes to close in on both the Wayne Generals and the Parsippany Patriots, running one-two in the league race.

---

Japan's Ainu, descendants of the original inhabitants, are fast disappearing. The men sport foot-long beards, the women wear tattoos of black handle-bar mustaches on their lips.

---

In 20 years the population of the California condor has declined by one-third, from an estimated total of 60 birds to an estimated total of 40.

## Pioneers Spoil Summit's Debut In Running

Summit — New Providence High School's cross-country team spoiled Summit High's debut in cross-country last week by defeating the Hilltoppers, 24-31, in a dual meet at New Providence.

Ed Cross led New Providence to victory, flashing across the finish line ahead of the pack in 12:18 minutes. Summit's Richard Stephney led during most of the first two miles, but Cross put on his patented strong finish.

New Providence's Bob Marsh and John Kufel finished third and fourth to clinch the meet for the Pioneers. Summit's Tom Agnew finished fifth, with all five runners finishing the course in under 13 minutes.

Summit's Pete Dintman placed sixth, followed by New Providence's Rick Keller. John Flanagan of Summit was eight with Gary Lankeau of New Providence ninth and Summit's Jim Fisher tenth.

COMET

Introducing the lively new driving machines: the big, new-generation Comets.

Listen to the roar of the '66 Comets. They're bigger, wider, up to 8 inches longer than any Comet before. They make driving other cars seem like walking. Comet's new fire and spirited luxury come in 11 roomier models.

For a sample of Comet's style, take the Caliente. Notice the smart upholstery . . . the handsome, simulated wood-grain panels. For spine-tingling action try Comet's new Cyclone GT. Its new 390 4-barrel V-8 delivers the kind of go that can shove you right back in your bucket seat. Whatever you want — action cars with pure excitement, 3-speed or 4-speed manual transmissions or automatics, inviting interiors — Comet's got it.

Plus a long, tempting list of options that includes built-in air conditioning . . . power windows, power brakes, and power everything. All this in the most exciting parade of Comets ever. Drive a real driving machine at your Mercury dealer's today.

Parched lawn?

This weekend, give it this 3-step recovery treatment

Water If your lawn is baked hard, water moderately; follow with a deep watering a day or two before renovating.

Feed Apply AGRICO Grass Food over the whole lawn. This nutrient-packed fertilizer revives grass, and gives new seedings a quick start and sturdy green growth.

Seed Next, rake the thin and bare areas severely to expose topsoil. Sow good quality seed. Rake lightly. Apply a light mulch of weed free straw or salt hay to conserve moisture. Sprinkle daily until seed comes up, at least 2 to 3 weeks.

Results show with Agrico — $4.95 bag feeds 5300 sq. ft.

## Jaycees Set To Sponsor Titan Tilt

Summit — The Summit Jaycees, in cooperation with the Summit Titans, and the North Jersey Football League will stage their first Summit J-C Bowl game on November 7. The Boonton Bears and the Titans will clash in an official North Jersey Football League game.

The charity game will be played on the spacious Tatlock Recreation gridiron at 2 p.m. to raise funds for the Summit Fresh Air Fund.

Among the agencies and institutions who have shared in Jaycee charities are the Bonnie Brae Farm, Practical Nurses Association, and the Welfare Association "Christmas Shopping Tour."

## 2 Soccer Foes Blank Regional

**Berkeley Heights** — Lack of scoring punch and the failure of some of the sprinkling of lettermen to perform up to expectations could very well lead to a rather dismal season for the soccer team of Governor Livingston Regional High School.

The Highlanders were shut out for the third straight time last week, bowing to Columbia High at South Orange, 3-0, and to Pingry School, 5-0, here. They had bowed to Summit, 1-0, in the season opener.

In their early season games, Coach Russ Hunchar's booters have demonstrated the ability to move the ball into their rivals' territory, but just can't seem to get it past the opposing goalie.

Tom Massa, a letterman last season, has been the standout with two newcomers, Jesse Smith and Raymond Keller, also performing well.

Simon Mundy, a holdover fullback, has been a bulwark on defense. Among others that Coach Hunchar is counting on this season are Don Robertson, fullback; John Phillips, halfback, and goalie Joe Dunne.

The Highlanders were scheduled to play two tough Elizabeth foes this week. They played Edison Tech in Elizabeth last Tuesday and tomorrow afternoon will play host to Thomas Jefferson at Memorial Field here.

### At Kiwanis Parley

Derwood I. Newhart of 78 Valley View avenue, president of the Kiwanis Club, and Norman E. Rauscher of 5 Midland terrace, secretary, will attend the annual New Jersey District of Kiwanis International convention at Atlantic City this weekend.

## High School Lunches for Coming Week

Following are the senior and junior high school luncheon menus for the coming week. A choice of three lunches is served for 35 cents each and consists of (1) hot plate, (2) cold plate or (3), soup, juice, sandwich, fruit. Milk is included with all lunches. A la carte dishes are also available.

**Monday, October 4**

Beef barley soup; V-8 juice; Hot Plate: Grilled cheese sandwich, potato or ham salad, fruit, juice; Cold Plate: Salad bowl; Combination sandwich; Desserts: Applesauce cake, butterscotch pudding, jello, prunes.

**Tuesday, October 5**

Tomato juice, celery soup; Hot Plate: Baked beef loaf, boiled potato, carrots, cornbread; Cold Plate: Pine-anna split, carrots; Ham salad sandwich; Desserts: Devil's food cake, rice pudding, jello, applesauce.

**Wednesday, October 6**

Chicken soup; Apple juice; Hot Plate: Frankfurter and beans, sauerkraut, juice; Cold plate: Assorted fruit, cottage cheese, cold cuts; Deviled cheese or peaunt butter and jam sandwich; Desserts: Date kuchen, jello, fruit cup.

**Thursday, October 7**

Blended juice, vegetable soup; Hot Plate: Spaghetti, meat sauce, tossed salad, juice; Cold Plate: Salad, sliced egg, vegetables; Bologna sandwich; Desserts: Fruit crumb cake, custard, jello, pineapple.

**Friday, October 8**

Grape juice, tomato soup; Hot Plate: Fillet of haddock, rice, scalloped tomatoes or salad; Cold Plate: Tomato and tunafish, potato salad; Egg salad or peanut butter and jam sandwich; Desserts: Apple pie, jello, peaches.

### Kiwanis Sees Film on Pyschiatric Services

A film, "Psychiatric Services in a General Hospital," was presented to members of the Kiwanis Club during Tuesday's luncheon-meeting at the Hotel Suburban, by Mrs. James B. Burke of Llewellyn road.

Mrs. Burke, a member of the Overlook Hospital board of trustees explained that such facilities have been encompassed in the hospital's current expansion program. The film showed present psychiatric services available at Elizabeth General Hospital.

# Kids Get First

(Continued from Page 1)

ley and Eville's "The Red, White and Blue" (1916). Records of interest are a Vocalion, a Fritz Kreisler, a Paderewski, and a Stokoski — all printed on one side.

Among the rare and interesting books is an inscribed prize presented to John Dolan in 1873 by the President of Seton Hall College who is now Bishop M. A. Corrigan. A mathematics book in good condition is "The Scholars Arithmetic" by Daniel Adams, 1808. In the children's section are several "The Boy Travellers," Knox, 1881; a series of histories and biographies written in words of one syllable by Helen Pierson, 1884! "Kris Kringle's Book for Good Boys and Girls" with a catalogue of contemporary books at the back, 1852;; McLoughlin Brothers copies of Dickens' "Christmas Stories" and "The Night Before Christmas."

Nature books worth noting are Blanchan's "Nature Garden" (1922) and "The American Flower Garden" (1909) both with color plates; Chapman's "Birds of Eastern North America" in 1901 and 1927 editions; Ingram Cooke and Company's "English Forests and Forest Trees," 1853. "Insects at Home" J. G. Wood, 1872 (color plate); and Abbey Aldrich Roockfeller's "Folk Art Collection," first edition.

The medical section contains many recent testbooks and dictionaries as well as unusual items such as "The 1875 Phrenological Journal, S. R. Wells, editor; an 1858 "Anatomy, Physiology, and Hygiene" by Calvin Cutter and containing many engravings.

Of interest to engineers are three volumes of "The Illuminating Engineer," starting with 1906, and 14 volumes of "Transactions of the American Institute of Mining Engineers" starting with 1916.

Donations of magazines except "National Geographic" are not solicited, but excellent ones received will be for sale. These include "The Illustrated London News", a few copies of "Punch," "Harpers," "Encore," "Fortune," "Gourmet," and similar publications. Hobbyists will be pleased by magazines on boating, skiing, needlework, photography, theater, fish, and others. Science magazines and children's magazines will be available.

The fiction section is bigger than ever and offers "unbeatable" bargains.

# Connor to Get Annual Award Of B'nai B'rith

More than 100 leading New Jersey business leaders will serve as honorary chairmen of the 1965 Americanism award dinner to be held in honor of Secretary of Commerce John T. Connor, a resident of Summit at the Robert Treat Hotel in Newark on October 19. The dinner is being sponsored by the New Jersey regional advisory board of the Anti - Defamation League of B'nai B'rith.

The black-tie affair is expected to attract more than 1,000 persons from across the state. In addition to Connor, other guests on the dais will include Gov. Richard J. Hughes, Sen. Clifford P. Case, former Gov. and Mrs. Robert B. Meyner, Sen. Wayne Dumont, jr., of Warren County, Republican candidate for governor, and playwright Dore Schary, ADL national chairman, who will present the Americanism award to Connor.

AUTOMATED BANKING — Harold T. Graves, president of Summit and Elizabeth Trust Co., top photo, left, is shown the bank's new IBM 1440 Data Processing System by Harry E. Knapp, data processing manager, while Mrs. Gertrude Krauleidies, console operator, makes an adjustment. In the lower photo, Miss Sandra Hasiak, programmer, and Mrs. Krauleidies, are shown as they go over the mass of figures emanating from the computer. The 1440 will be used primarily to handle demand deposit accounts, but the bank is currently in the process of preparing the computer to take over other chores, such as savings accounts, installment loans and Christmas Clubs. The computer can read and sort up to 950 checks per minute by sensing magnetic ink characters inscribed on the bottom of each check. (Wolin Photo)

# Computer Does Work Of Many at Local Bank

Since earliest times man has strived to make his work load a little lighter by devising means to speed up his chores through the use of machines. The wheel is a case in point. It was easier to roll something than to drag it.

However, man has come a long way since that first wheel and now machines play a dominant role in every aspect of our life including one called the I.B.M. 1440 Data Processing System recently installed in the local office of Summit and Elizabeth Trust Co.

Referred to amiably as "the idiot", the 1440 is currently changing the very nature of the bank's business procedures. As an example, the machine can read, sort and process 950 checks a minute, a job which once took several clerks a couple of hours.

That the computer is called an "idiot" does not mean that it actually is. Correct operation of the machine is solely dependent on what is called a "programmer". If the programmer correctly "programs", the machine's possibilities are limitless. However, if the programmer mistakenly says that 1 plus 1 equal 3, the computer, which cannot think, will carry out that order indifinitely thereby creating a form of chaos that only a human being will be able to straighten out.

However, according to Harry E. Knapp, Data Processing manager for Summit and Elizabeth Trust's 1440, there are many built-in checks, and before the computer could get too far in messing up the works, such an error would be detected and corrected.

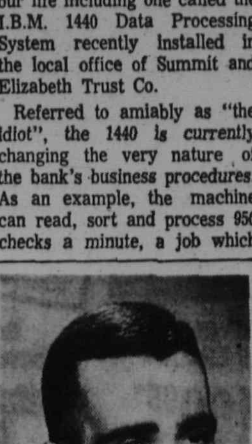

Currently the bank's computer deals only with processing checks by sensing those little magnetic ink characters inscribed on the bottom of each check. The information, which identifies the customer's account, is used by the machine to automatically update customer's records.

Currently the bank is in the process of trying to have the computer work a little harder by having it do other chores such as processing savings accounts, installment loans and Christmas Clubs.

Housed in a special temperature and humidity controlled room, on the second floor of the bank's annex on Beechwood road, the computer requires nine bank staff members. All have undergone extensive computer training to operate the system.

"The end result" in this new procedure, according to Harold T. Graves, president of Summit and Elizabeth Trust, "is an operation that provides faster and more efficient service to all our customers."

Summit Area residents who are part of the operation are Mrs. Gertraud Krauleidies of 16 Kent Place Boulevard, who is a console programmer and Mrs. Doris Mury of 80 Evergreen avenue, New Providence, a key punch operator.

JOINS LAW FIRM — Cary R. Hardy, a member of the Bar of the State of New Jersey, has become associated with the local law firm of Kentz, Kentz & Gilson. Mr. Hardy is a graduate of Rutgers University and a member of Zeta Psi fraternity. He obtained his law degree from the University of Pennsylvania.

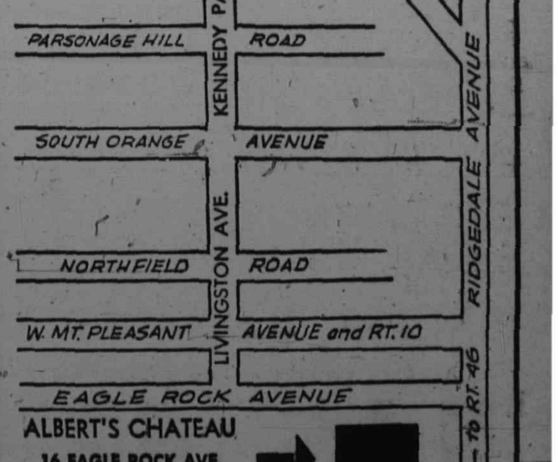

The chacma, or pig-faced baboon, of South America is said to possess instinctive powers for locating water. Natives make captive chacmas extremely thirsty with salty food and, released, the chacma instinctively proceeds to a stream or water hole.

The "blackout" period experienced by alcoholics is not a period of unconsciousness. It is similar to amnesia or loss of memory.

## Fortnightly Starts Bridge, Bowling Groups

Bridge classes offered to members of the American home department of the Fortnightly Club will begin tomorrow at 1:30 p.m. at the clubhouse.

Mrs. Marjorie Snyder, master bridge instructor, will give eight lessons during October and November. Players are requested to bring their own cards.

Mrs. Byron Redman (273-4857) is chairman of the classes and anyone who is interested in taking instructions should contact her. There will be a fee and the classes are limited.

Bowling for department members will begin Thursday, October 7, at 9:30 a.m. at the Plaza Lanes, Madison. League teams will play every Thursday morning throughout the season until March 31. Trophies will be awarded to the best players at a luncheon to be held at the end of the season.

Mrs. Andrew R. Witzel (273-5870) is chairman of this group and Mrs. Frederick N. Goehner is treasurer.

George Alan Smith

## Drama Critic To Address Brayton PTA

The Brayton PTA will present a lecture by George Alan Smith, executive administrator of the American National Theater and Academy, at its general membership meeting on October 7 at Summit High School auditorium. The public is invited to attend.

A noted drama critic, Mr. Smith has served as executive director of the American Theater Wing. He is a trustee of the Garden State Ballet and secretary of the Drama Desk, a group of New York theater critics and writers.

Mr. Smith has lectured widely on the arts environment of the United States. A resident of Millington, he is an active mountaineer and skier, and has written "Introduction to Mountaineering" published in 1957. Presently he is working on an anthology, "The Armchair Mountaineer."

In his talk here Mr. Smith will deal with America's art explosion, and New Jersey's position vis-a-vis the arts. He will discuss Summit's artistic facilities and what communities of this size can do to support fuller development.

## Clergyman to Predict October 3 Headlines in "New York" Papers

The youth of Saint John's Lutheran Church will gather at 4 p.m. Sunday to open a "prediction chest" into which the headlines for the New York Times for October 3 have already been placed.

Rev. H. Peter Unks, Saint John's Minister of Christian education, claims, "I will predict with 90 percent accuracy the wording of the headlines of the New York Times for that day."

Although the Times as well as New York City newspapers were still on strike as of yesterday afternoon, Mr. Unks said his predictions have taken the strike "into consideration."

After the ceremonies of opening the "prediction chest" the youth will hold a dance and a barbecue in the church parking lot. At the same time, a new sport will be introduced — 43 Man Squamish — a unique sport which will involve the youth advisors of the parish, and which which will be a form of entertainment for the youth.

The program will be the first in a regular Sunday Night series which will involve the youth from 4 p.m. through 9 p.m. every Sunday.

Special youth groups will participate in music, chancel drama, interpretive dancing, writing and photography, chess, speech choir and numerous other activities.

If all the flies in the world about two could be killed, those two alone in six months ould produce a family of decendants too large to count. There are 40,000 known species of flies in the world, according to Britannica Junior Enclopaedia.
