FOREWORD

"I hear America Singing, the varied carols I hear."
—WALT WHITMAN

Through the years we have heard the singing in the far off distance, sometimes soft and sweet, sometimes dominant and dynamic; but being busy with our varied school activities, we did not listen closely. Four years were spent in gaining experiences — the experiences of association with capable people, of becoming acquainted with the ideas of others as found in books and music, and of social training among friends and families. Now at the end of these four years we are stronger and we hope wiser, able to build better and more worthily. Perhaps now there is a moment to pause and listen to America singing—time to learn the song, for soon we too shall join the chorus.

Sing well, Class of '46

DEDICATION

To Walter M. Wermuth

In gratitude for his sincere interest in his pupils beyond the role of pedagogue; and for his love of right living which he passed on to us in such friendly good humor.

ADMINISTRATION

VINCENT GEIGER
Supervising Principal

WILLIAM SAMPSON
Principal

To Mr. Geiger and Mr. Sampson, these parting words:

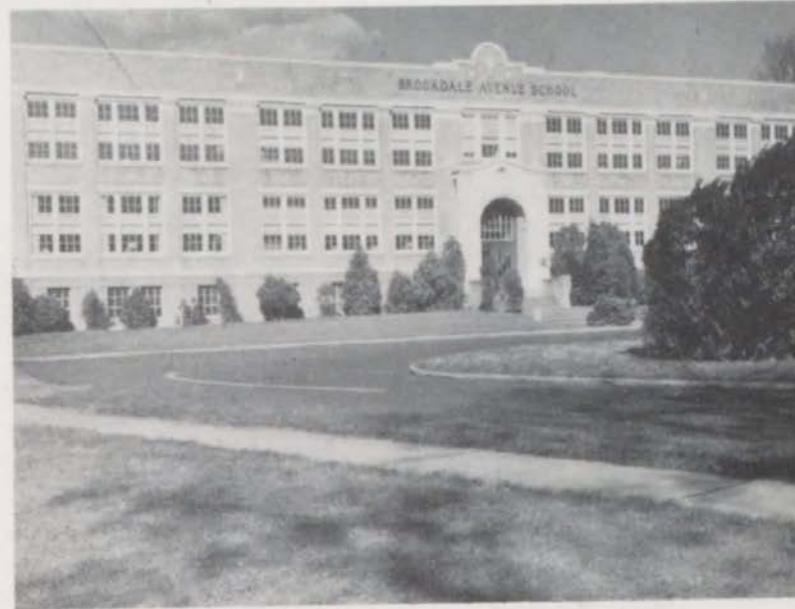

It has been a pleasure to have two such competent men at the head of our school during our high school days—men who have been friendly and cooperative toward our everyday problems as well as to those having a larger scope.

To all the faculty who have given their time and patience to our instruction, we want to say, "Thank you." It is our wish that the rest of their years in Verona High School may prove as pleasurable and profitable as they have made ours. . . . The very best of everything to the Administration!

EDWARD NORTON

All those who knew Ed Norton will not soon forget his fun-loving ways and witty remarks. He was always an ardent follower of V.H.S. sports, and could be seen at most of the games—part of the loyal rooters. Almost every day after school Ed could be found working at Evenson's.

Well liked and admired by all those who knew him, he was perhaps best noted for his wonderful sense of humor. However, his fine traits only began there, for he was a leader and an honor student in his class.

Edward's amiable personality, his ever present sense of fun, his application to the many things about high school which held his interest, will cause him to be quickly remembered by each of us in the class of '46.

HELEN MANCHESTER

In many, many hearts the remembrance of Helen Manchester will long be cherished, a remembrance not only of a gay and laughing girl with a friendly "Hi" for everyone, but of a thoughtful and kind one, whose courage in her last few days set a high example for us all. Helen's lively personality and ever-ready sense of humor gave the greatest delight and a feeling that life was more than worth while to her vast number of admiring classmates. Typical of her, Helen's four months as a high school freshman were filled with fun and popularity, and in this short time, she became an active member of the Social Committee and Shadows' staff, and was elected Secretary of the Girls' Glee Club. Outside of school, her numerous interests ran in the lines of dancing, singing, sports, and interior decorating.

Long into the future we shall hold dear the memory of a sweet and faithful friend, Helen.

SENIOR

Four years! From 1942 to 1946 — it sounded as though graduation would never come. However, they went fast—those four years, but they were so very pleasant, crammed with Saturday afternoon games, studies, dances, skating, parties, and all the little things which make high school so much fun.

Football practice got under way and many of our frosh could be seen doing push-ups and duck walks for our new coaches, Kanzler and Wermuth. "Bucky" Hatchett played varsity football and basketball and was our all-round man in the sports world, which was represented by several promising freshmen.

After the Christmas holidays the whole school was saddened by the death of our classmate, Helen Manchester. We freshmen felt her loss deeply, and her happy smile and friendly, cheerful manner will always be remembered by the class of '46.

On January 14th the freshmen gathered in the cafeteria for their first class meeting and elected Richard Klix to the presidency. Ruth Hintz became vice-president, Jean Morrison took over the job of keeping the minutes, and we entrusted Dot Butler with any pennies we might discover.

Spring arrived and the Bunny Hop was our contribution to the list of school dances.

After blowing our horn in everyone's ear, we felt sure we were becoming known to the upperclassmen, and our sophomore year of '43-'44 began.

Arvid Danielson was elected president, "Bucky" Hatchett, vice-president. Jean Morrison was back on the job as secretary, and Peg Longley was the class treasurer.

CLASS HISTORY

We got to work and concocted the traditional fall sophomore dance, calling it the Goblins' Fling.

Football season found many of our hard working fellows again out on the field. That year "Bucky" made his renowned 101 yard run in the Madison game, and Richie Carroll carried the ball 82 yards for a touchdown in the Hawthorne game. Jean Morrison and Carol Baldwin were members of the cheering squad which led the football and basketball fans in rooting for our men.

Soccer, basketball, track, and baseball all had many representatives from the sophomore class.

Toward the end of the year we were proud to have Peg Longley receive a part in the school play.

By the close of our second year we were all looking forward to an even more exciting Junior year.

Our 1944-45 officers were Ann Tobler, president; Jack Timken, vice-president; Jean Morrison, secretary for a third term; and Dot Butler, treasurer.

Again we were represented on all the varsity teams. The sports season was made momentous by the soccer squad's winning the state championship and our football eleven winning over Caldwell.

Carol Baldwin and Anne Meyer were the cheerleaders of the Juniors with Carol elected captain.

December found the English classes working hard on a production of "Macbeth," while in January we gave the Snowshoe Shuffle, another dance typical of the class of '46.

Our class's musical talent was shown by Sonny Casta who organized his own dance band called the Modernaires; and by Janet Van Derveer who sang the part of Carmen in a program given by the orchestra and glee clubs.

The year was saddened by the death of our friend and classmate, Edward Norton, and also by the departure of our well-loved coach and teacher, "Dutch" Wermuth, for service in the Armed Forces.

As Juniors we boasted of having six of the actresses in the school play, "Nine Girls."

We bade the Seniors farewell with a Prom that outdid all other dances. With the gym full of flowers, picket fences, and all the garden trimmings we danced the night away.

Ahhh—Seniors at last—working hard on all the school activities. Names you linked together were: Anne Meyer and the White Hornet, Alta Ann Turner and Shadows, Peg Longley and the Dramatic Club, Bucky Hatchett and the Student Council. The Senior class also displayed plenty of musical talent with all the "old faithfuls" of band, orchestra, and glee club. Our class officers were Jack Timken, President; Don Knowles, Vice-President; Doris Williams, Secretary and Treasurer.

The sports world again held many talented Seniors with Bucky Hatchett, captain of football, basketball, and track. Those unforgettable cheerleaders were Carol Baldwin, captain; Anne Meyer, Ann Tobler, and Jean Morrison.

LAST WILL

and

TESTAMENT

We, the members of the class of nineteen hundred forty-six, of the Henry B. Whitehorne High School, being of sound mind and body and of our own free will and accord, do hereby make, publish, and declare this our last will and testament:

To the Class of 1947 we hereby bequeath the many delightful traits of our renowned classmates: Richard Wolff's extensive vocabulary and persistent sleeping habits; Carol Baldwin's pep; Norman Butt's way with pennies; "Vandy's Verve"; the playful grace of Una Stockelbach; Ruth Hintz's "service with a smile"; Jeanne Sigelen's red hair; the practical jokes of Bob Perry; Violet Pataky's wonderful grades; Richard Citrano's loveable laugh; and John Payne's enlightening remarks.

Iris Schuham and Lawrence Marchiony jointly leave their artistic ability to any incoming Seniors who can make good use of it.

To Shirley Douglas and Janet Nimmo, Dick Ferris wills his unerring "camera eye."

We leave to Roger Herrmann a bottle of wave set and a new comb, and to Vinnie Marriott we bequeath Bucky Hatchett's athletic prowess.

To all the Junior girls we leave Dot Butler's good looks, Ann Tobler's "person-al-i-ty," and the always-ready-to-help ways of our commercial girls.

Unto the poor fish who inherit room 25 we thoughtfully bestow a life raft.

To "Uncle Eddy" we leave someone to take Sonny Casta's place, to Mr. Butterworth a person with good diction and enunciation, a place to hang health posters for Mrs. Van Houten, to Miss Howell an unprejudiced person (maybe a robot), to Mr. Wilkin our fondest hopes that an intelli-

gent Sophomore will be unearthed in the Class of '49, and to Mr. Sampson an accurate list of colleges to which the Verona graduates finally were admitted.

To all our persistent faculty we bequeath a bigger and better student body, a place to park its cars, several well-polished "pomes" and an enlarged room 2.

Alta Ann Turner wills Marianne Rowell as efficient an assistant editor as she has had.

We give to Mr. and Mrs. Pisek our best wishes that next year's pupils will keep the school ship-shape.

To all of you go the ability to give dances comparable to ours and any qualities or attributes which we may thus far have overlooked.

Signed, sealed, published, and declared by the Class of 1946 their last will and testament, in the presence of us who at their request have hereunto subscribed our names as attesting witnesses to said instrument.

JUNIOR CLASS

CLASS HISTORY

The dwindling days of summer eventually merged into the crisp winds of fall, and the class of 1947 returned to V.H.S. with the honored title of upperclassmen, at last. Two years of success lay behind us as a record to continue.

Our officers are: Dave Settle, President; Vincent Marriott, Vice-President; Robert Morehead, Secretary, all of whom have taken over with very satisfactory results.

Spirit ran high as our "pigskin" victories soared. Pulling our team to victory were Dave Settle, Vinnie Marriott, Vincent Cestone, Jim Towart, Vincent Denicola, Melvin Neger, Don Lelong, and many others equally as able. Back in the stands leading the crowd in cheers, were our very fine cheerleaders: Carol Ericson, Nancy Edwards, Ginger Hageman, and Amy Smith. The Junior class had excellent reason to yell like a tribe of Banshees with a representation such as that! We had pride, too, in the fellows who upheld our name on the soccer field. Junior boys also fought through on the basketball court. Spring fired the class with enthusiasm and brought many out for baseball and track.

Our talents are not limited to sports; Dot Klix, Helene Pfeiffer, Pat Dickinson, Joyce Sampson, Jay Trackman, and David Knoderer contributed to the band; others to the glee clubs and in the literary field. We worked on the school paper and yearbook. Marianne Rowell became assistant editor of "Shadows," and Helene Smithline became advertising editor of "Shadows" and business manager of the "White Hornet." Others took part in the varied activities of the Dramatic Club.

Donald Lelong was elected vice-president of the school and Vinnie Marriott, Mac Hemion, and Lee Appleton participated as representatives of our ideas in the Student Council.

The Prom climaxed a very grand year. Our greatest expectations became realities and we bid the seniors good-bye with one of the grandest and gayest of Proms.

As seniors we shall uphold our proud reputation.

SOPHOMORES

Soph-history

After a summer of spectacular world events we Sophomores trooped through the halls of V.H.S. with an air of confidence and responsibility, conscious of the fact that we would be the builders in a world of peace. With this in mind we immediately set our minds to education, an opportunity which we are so privileged to possess as citizens of the United States.

We plunged wholeheartedly into extracurricular activities, from which we emerged with many achievements.

After having had two weeks to renew old acquaintances we were confronted with the problem of the Sophomore dance, which was to be given October 16, 1945. With the fine cooperation of all the committees the "Barnhouse Boogie" was a whirling success.

We had every reason to yell loudly this year having so many Sophomore fellows who have demonstrated their athletic skill in the various sports. We were very proud of Graham Ingold, Jimmy Brighton, and Donald Carroll, who shone on the gridiron throughout Verona's numerous victories. Out on the soccer field Jimmy Kingham, Max Pelka, Louie Wierdo, Ray Rinne and Gordon

Brown held their own. Graham Ingold, Max Pelka, Harry Easton, Oscar Nilsson, Bob Hermey, Arthur Castillo, John Gibson, and Peter Jelstrom played a wonderful game of basketball.

Claire Schmick and Estrid Paulsen were present at all the games as cheerleaders to promote our school spirit.

There were a great many students representing the Sophomore class who displayed musical talent in the band, orchestra, and glee clubs.

Sophomores participated in many other activities: Dramatic Club, White Hornet, and Shadows.

Besides our capable class officers: President, Ray Rinne; Vice President, Jimmy Brighton; Secretary, Nancy Von der Heyde; Treasurer, Donald Foss; the duties of Secretary-Treasurer of the Student Council were handled by Sue Smith. Our homeroom representatives were Ruth Shaw, Donald Foss, and Gordon Brown.

The Class of '48 has succeeded well in all its endeavors and we are striving toward a higher goal as Juniors!

FRESHMEN

Class History

At last, we're in high school. Now we can cross that "junior stuff" off our list. Many say your high school years are the best years of your life, and we hoped so, as we, the class of '49 ventured into a new and exciting world with a new goal to reach. Those first September days we tried to be most angelic, but soon, after viewing the Seniors, we let out our breath and acted more natural.

After we got our teeth into this business of being a freshman, we elected class officers who turned out to be: President, George Mills; Vice-President, Donald Clapp; and Secretary, Betty Ann Jennings.

Though we were tied down with more homework than we were accustomed to, the freshmen were well represented in almost all extracurricula. Didn't about twenty of the freshmen's handsome muscle-men go out for football? We don't guarantee that these boys, too numerous to mention, are any Bucky Hatchetts yet, but just give them a chance. In the field of basketball "our men" really went to town. Be seeing you on the J.V. next year, guys!

We were also well represented in the Glee Club, Dramatic Club and on the "White Hornet" and "Shadows" staffs.

If you have heard sour notes in the band and orchestra you know it couldn't have been Dalmar Von der Heyde, Judy Hall, Robert Schoof, Virginia Herried, Richard Edwards, Jimmy Wheaton, Harry Smith or Steve Peterson, for they're all accomplished musicians of the Freshman Class.

Besides doing good work the freshmen can also take the cup for having fun. Our dance on April 12th was dubbed by all as an extra special success.

We shall look forward to a more happy sophomore year, now that there is peace in the world. We hope we will lay a good foundation in Verona High that will make us good citizens of the world of tomorrow. So fellow freshmen, eat all your spinach this summer and come back next year as sophomores with even more vim, vigor and vitality!

25th Anniversary Edition

ROBERTA KAUTZMANN, *Adviser*

ALTA ANN TURNER, *Editor*

"Shadows" got off to a good start this year when an extra large number of pupils met in room 17 to discuss the 25th anniversary edition of the yearbook. Way back in 1921 when the younger generation attended high school in the Bloomfield Avenue School, "Shadows" was born. In that graduating class there were only ten members; so publishing a yearbook was comparatively simple. At that time *our* high school was only a blueprint, promising wonderful opportunities to those who were to go there. Two of our best-liked teachers, "Doc" Goeltz and Mr. Wilkin, were then on the faculty. We don't know very much about that class of '21 except that they started a tradition which has brought a great deal of pleasure to Verona students for twenty-five years.

We're not going to write pages on the excellent job done by the editorial staff. Let it suffice to say that everyone from the editor on out did one grand job. It took a lot of work and patience to complete

this year's "Shadows," but the members of the staff and their committees have all done a piece of work of which they may be proud.

Acting as faculty adviser was Miss Roberta Kautzmann who deserves a deal of thanks and appreciation for the time and cooperation she gave to the staff.

While we're dishing out these thank-yous we'd like to get in a word about Dave Wilson. Dave was last year's editor, and the time he spent explaining a few of the ins and outs of yearbook publication to ye editor of '46 proved a big help.

Something out of the ordinary was done by "Shadows" on February 1st. They gave the Anniversary Waltz, a dance much enjoyed by everyone who attended.

The work is finished now, and the 25th edition of "Shadows" is a reality which will bring pleasant thoughts whenever we leaf through its pages.

THE WHITE HORNET

ANNE MEYER, *Editor*
EDITH BURTON, *Adviser*

Verona's Greatest Newspaper

Under the auspices of such excellent facilities as numerous, cooperative staff members, precise organization of these staffs, and student moral support, the White Hornet successfully continued to be published this year. Verona's school newspaper, under the direction of Editor Anne Meyer, Managing Editor Grace Kusenberg, and the faculty adviser, Mrs. Edith Burton, succeeded to keep up the practice originated by Dave Krohn and Bob Hyde, who revived the paper six years ago.

The product which appeared every three weeks aptly showed that a great deal of time and effort had been put into it by all staffs, namely: Ann Tobler heading the grand list of participant members of the News Staff; Richard Rizzo and the never-failing Advertising Staff; Marvin Solomon with the

Sports Staff; Dick Ferris and Shirley Douglas clicking with the Photography Department; and Shirley Zink directing the Typing Staff.

Ann Truex and her ambitious Circulation Staff kept the sales at a high and noteworthy peak. As behind every well conducted publication there must be a strong financial organization, the Hornet was fortunate in having Helene Smithline tackle this feat.

A bang-up dance sponsored by the paper given in March, in addition to financial aid, provided another fun-packed evening to add to our school social calendar.

The school loyally supported the endeavors of the Editors to make the paper in every sense a true representative of the school activities, and an all-around interesting journal.

DRAMATIC CLUB

"The biggest club in Verona High School and the largest enrollment in its history." This was the acclaim of the Dramatic Club this year as it boasted 137 members.

The active organization was ably headed by Peg Longley, President; Dave Hemingway, Vice-President; Estrid Paulsen, Secretary; Doris Krauss, Treasurer; and Rosalyn Sachs, Corresponding Secretary. A great deal of the success and support of the club can be attributed to these officers who were such competent leaders.

At the annual initiation party horrified Freshmen and well-warned upperclassmen had to "face the music," rotten tomatoes, molasses, shaving cream, egg shampoos, or whatever the initiation committee had handy. New members to the count of 22 were brought into the club.

In January a one-act radio play, "Search Me," by Robert Middlemass, was presented in assembly and for the P.T.A. Frank Butler and Carolyn Priest had the leading roles.

All decked out in their splendor, a large group trooped to New York to see "Dear Ruth," a current Broadway production. The show, the trip, and the tip-top time all summed up to one grand success.

Mentioning successes, we can't overlook the biggest event of the Dramatic Club, the annual school play. With such an excellent cast, the cooperation of all those backstage, and the indispensable help of Mr. Butterworth, it was destined to be a hit.

THE BAND

The combined Verona High-Junior High Band was again a shining factor this year, in that it did a swell job at the football games with its music and maneuvers, thereby adding color and spirit to the school's rooters and winning team.

Mr. Schill, (Uncle Eddy) our indispensable director, this year as always, deserves much of the credit.

This year the Band was in the limelight, not only because of its music but because of its glamorous Drum Majorette, Gloria Axworthy, who was elected by the students in a contest sponsored by the Band.

The Band also sponsored a dance with Passaic Valley, and a roller skating party.

Not only on marches and school songs, did the Band work, but on some classical and concert music for its part in the Music Department's annual March concert.

Another garland was presented to the Band for its part in the V-J Day parade and celebration. A letter from the mayor was received commending its work.

The Band will miss the services of its Student Director and President, Sonny Casta, who has held this office for two years, and of all the other seniors who will graduate.

THE ORCHESTRA

The Orchestra, again under the direction of Mr. Schill, was a predominant factor in the Music Department for its wonderful work in assemblies, the March Concert, and other programs.

The orchestra was also an enhancing addition to the graduation ceremonies in June for which the members spent long hours practicing.

The school was again honored in having Roger Hermann representing Verona in the All-State Orchestra.

This section of the Music Department will greatly miss its graduating seniors: Alta Ann Turner, Carol Priest, Iris Schuham, Anna Stephens, Les Verhoek, Bob Singewald, Ralph Smith, Jack Shelly and Richard Wolff. Sonny Casta, who has been Student Director and President of the Orchestra for two years, will also graduate. His originality of ideas and untiring efforts will not be forgotten. Credit also goes to the executive committee which consisted of Bob Singewald, Les Verhoek, Richard Wolff and Jack Shelly. To Mr. Schill, whose thoughtful planning and work were well spent, the Orchestra gives a big vote of thanks.

Student Council

Because of the visiting Evaluation Committee this year the Student Council has had to be on its toes, particularly the cabinet.

Besides the annual assembly the council gives to acquaint the freshmen with the laws, committees, and customs of the school, they also gave a program on manners. This was conducted as a forum with a chairman to introduce the speakers and ten participants whose topics were on behavior in different phases of school life. This assembly was given twice, for both the upper and lower classes, and it was greatly enjoyed by both groups. Everyone had the privilege of directing questions to any speaker.

Another important practice started this year by the Student Council was the leading of large classroom discussions on improving the school. These were extremely successful and many ideas were brought to the council meetings.

The Student Council took part in the Suburban Conference meetings and there were several forums at the different schools to which we sent representatives.

The 1945-46 term of the governing body was very profitable. Congratulations!

I.S.S.

This year as in the past a large group of French students gathered in the cafeteria once a month for a meeting of the International Students Society.

The competent officers of this organization were: President, Anne Meyer; Vice President, Una Stockelbach; Secretary, Iris Schuham; Corresponding Secretary; Marianne Rowell; and Treasurer, Milly Johnson. Carol Baldwin was in charge of providing refreshments.

At the meetings French songs were sung and several very clever French plays were presented by various members. All conversation was supposedly in French, which created a little atmosphere and gave the students further practice.

The outstanding event of the year was the Christmas celebration. Many of the old French traditions were observed and la Dame de Noel visited the party to give gifts to all "good" members. And of course we won't soon forget Mac deVesty, his face blacked, giving out handfuls of coal to the "naughty" ones.

Through the I.S.S. many of the members procured the names of boys and girls from France and Algeria and corresponded with them during the year.

The society's activities were enjoyed by all this year and undoubtedly helped us become more familiar with the language, customs, and people of France.

We wish to give a round of applause to Miss Cheney for the success she has made of I.S.S.

The Girls' Glee Club, consisting of exactly one hundred girls, has again completed a memorable and successful year. Due to the enormous size of the club it was divided into two sections: one, for the Seniors and Juniors and the other, for the Sophomores and Freshmen. Under the direction of the new music teacher, Miss Messick, the members worked diligently to prepare programs of entertainment for students as well as for the faculty.

With the able assistance of Mr. Schill, the Boys' Glee Club reached newer heights in music. The pleasure this group of thirty-two boys brought both to the students and to themselves with their ever-popular spiritual and barber-shop singing was greatly appreciated and well remembered.

FOOTBALL

The first Suburban Conference championship in its history was the just award for our 1945 football team. Under the watchful guidance of coaches Woody Litwhiler and "Skip" Smith our record was seven victories against one lone defeat. It was the most successful season ever completed by a V.H.S. grid team.

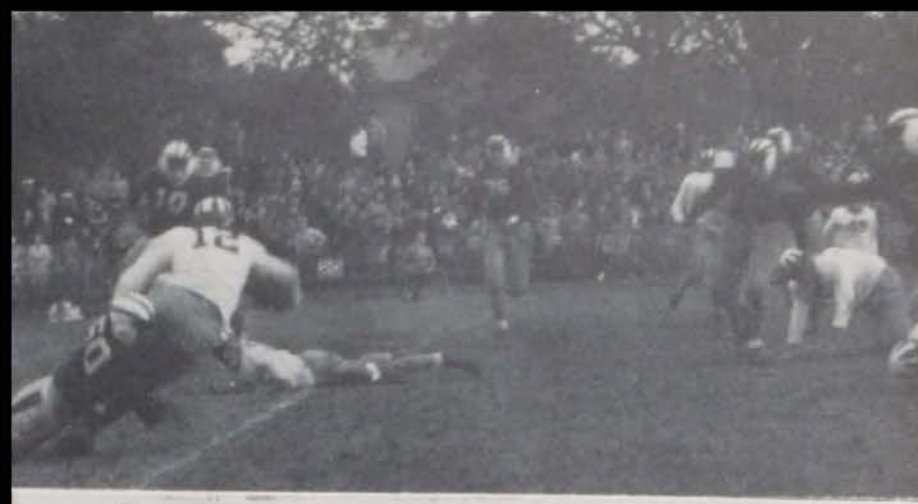

For the second consecutive year, arch rival Caldwell was defeated. This time the final score read 18-0 as Bucky Hatchett, completing a glorious football career at Verona, romped for all three scores.

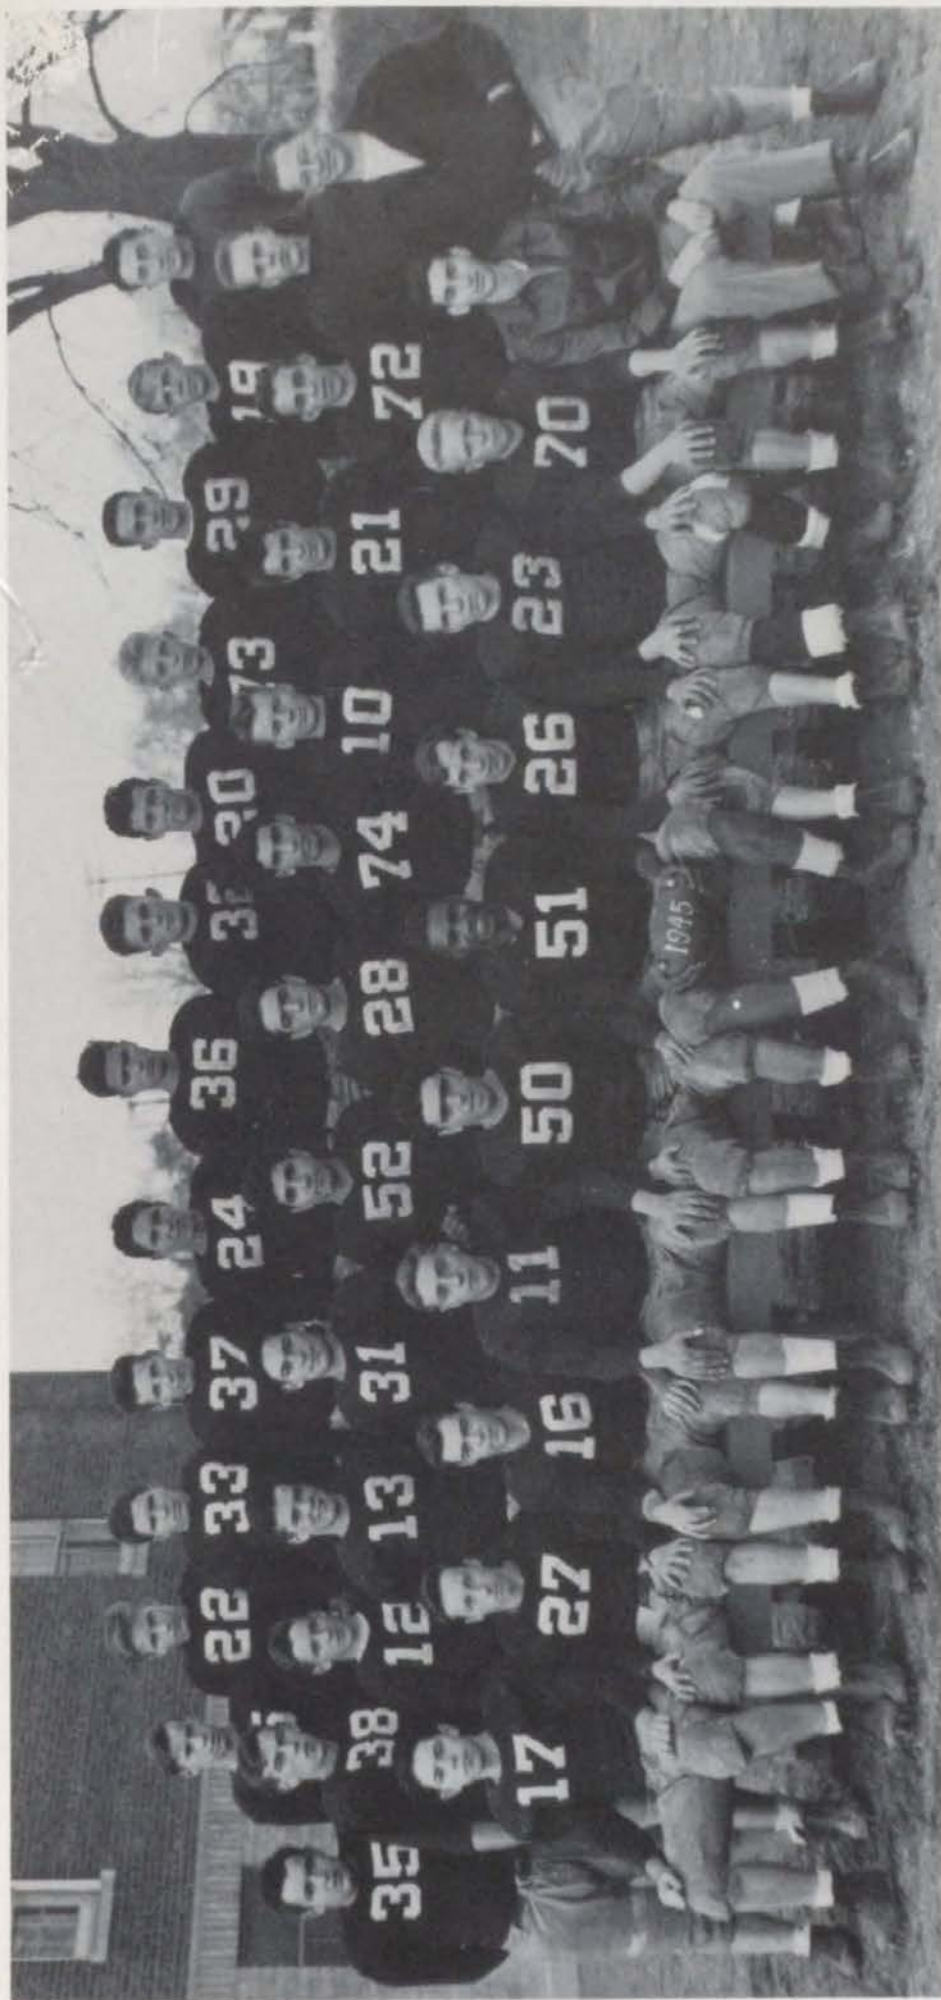

Besides Caldwell, our win column shows victories over Summit, 13-6; Glen Ridge, 12-6; Madison, 26-0; Passaic Valley, 40-0; Hawthorne, 26-7; and Millburn, 19-12. Our lone defeat came at the hands of an undefeated Newark Academy outfit, 26-13.

Lettermen lost through graduation are Captain Bucky Hatchett, Al Denicola, Frank Massa, Bob Cougan, Dick Carroll, Bud Cummings and manager Azad Mardirosian.

Lettermen, the nucleus of next year's team, are Vince Marriott and Jimmy Towart, captains-elect, Gene Watts, Graham Ingold, Jim Brighton, Vince Denicola, Mel Nager, Don Carroll, Vince Cestone and Sal Riccardi.

The Squad was feted with a banquet at the "Rock Spring Country Club" by loyal townsfolk to display their pride in the team. At this affair Captain Bucky Hatchett accepted, on behalf of the team, a trophy emblematic of the conference championship; a fitting tribute to a great team of whom V.H.S. may well be proud.

First row: Walker Howell, Norman Farley, Bud Cummings, Frank Massa, Albert Denicola, Bucky Hatchett (captain), Richard Carroll, Bob Cougan, Graham Ingold, Azad Mardirosian. Second row: Ed McKenna, Ted Gearty, Patrick Gearty, Gene Watts, Melvin Neger, Vincent Cestone, Vinnie Denicola, Vinnie Cerio, Don Lelong, Wayne

Sager, George Schiabor, Ed Williams, "Woody" Litwiler (coach). Third row: Donald Carroll, Chuck Coates, Harold Hasse, Tom Murry, Jimmy Brighton, Vinny Marriott, Dave Settle, Jim Towart, Jimmy McCumsey, Sal Riccardi, Dick Morrison, Lew Abrams.

This year's soccer team was one of the few Verona High School has had that didn't end up with a fairly good season. Their record was 2 wins, 1 tie, and 7 defeats. When the season started the outlook wasn't too bright with only two veterans returning from the previous season. But the boys tried hard and they never gave up. As you will notice by the scores below they merely needed a goal at the right time and their record would have been reversed.

In two games with Montclair they broke even winning, 2-0, and losing 2-1. With Summit they did the same—winning, 21-0, and losing by the same count. Up against Harrison, the Group II champs, they lost, 4-2, and tied, 1-1. With the remaining teams they failed to register a victory. Losing to undefeated East Orange Group IV champs, 1-0, 3-1, and Chatham Group I champs, 2-0 both times.

Those who received letters were Honorary Captain Jack Timken, Sam Vitale, Mike Bartolo, Bill Hoatson, John Puleo, Dick Ferris, Phil Fear, Bob Perry and Marvin Solomon, all seniors. Underclassmen were Captain-elect Art Walscheid, Lou Wierdo, Dave Earle, Al Ashley, Tommy Thompson, Bill McInnes and Lee Appleton.

Come on you underclassmen, we're counting on you to show "Doc" how it should be done when the soccer team starts practicing next fall.

Second row: Bill Hoatson, Dick Ferris, Jack Timken, Frank Bartolo, Marvin Solomon, Bob Perry, John Puleo, Lee Appleton. Third row: "Doc" Goeltz, Fred Brooks, Dave Earle, Ray Rinne, Max Pelka, Frank Greasley, Gordon Brown, Walter Cheatle, Paul Collins, Robert Casale, Allen Ashley, Pete Williams, Manager

First row: Mac Hemion, Philip Fear, Bucky Hatchett (captain), Vinnie Marriott, Glenn Noback. Second row: Skipper Smith,

Bill Hoatson, Jimmy Towart, Marvin Solomon, George Schiabor, Graham Ingold, Paul Conners.

BASKETBALL

Spurred on by Captain William Hatchett the 1946 basketball team turned in top performance right through the season. The scoring ability of Hatchett received statewide mention in the sport columns. Fine play by Mac Hemion was another big asset to our excellent team. For the second consecutive year Verona tied with Glen Ridge for The Suburban Conference Championship. The last game with Caldwell proved to be the eighth win in ten games, with losses to Summit and Glen Ridge. Rounding out the varsity five were Glenn Noback, Vinnie Marriott and Phil Fear. Others who saw a lot of action were Graham Ingold, Marvin Solomon, and Jimmy Towart.

"DOC" GOELTZ

BASEBALL

With the first breath of spring the crack of the old hickory stick warned all here-about that Verona would be in there pitching all nine innings of every game. Doc Goeltz made the most of every letterman on the team. Names like Captain Frank Massa, Sammy Vitale, Mike Bartolo, Vin Cestone, Glenn Noback, Mac Hemion, Dave Earle, and Graham Ingold—wearers of the V—made Verona a tough competitor—and a respected opponent. Among the valuable players backing the veterans were George Schiabor, Alan Ashley, Oscar Nilsson, Vinny Marriott, Donald Clegg, and Norman Farley.

Freshman aspirants showed some fast-coming material.

Although graduation finds Captain Massa, Sammy Vitale, Michael Bartolo, and Norman Farley moving on to bigger and better things the 1947 aggregation looks promising.

TRACK

"SKIP" SMITH

The 1946 track season opened the fifth year of undefeated competition in dual meets. The team this year ably upheld its record for strong, clean competition in any meet. As usual the Hillbillies were well-trained to contest Clifford Scott, Summit, Glen Ridge, and Caldwell. The record of achievement by "Skipper" Smith's boys is something of which to be proud. The Conference Championship is to be decided after we have gone to press, but we are counting on a sterling performance by sprinters John Payne, Don Carroll; quarter milers Don Knowles, Roger Hermann, and Ray Davis; half-milers Marvin Solomon and Bob Cassell; milers Bob Brighton and Harold Haase; hurdlers Captain Bucky Hatchett, Jack Timken, Richie Carroll, and Arnold Marks; pole vaulters Mac De Vesty and Sal Riccardi; high jumpers Bob Davis and Hatchett; and weight men Hatchett, Vince Cestone, Lew Abrams and Wayne Sager.

Ann Tobler, Claire Schmick, Estrid Paulsen, Nancy Edwards, Jean Morrison, Amy Smith, Ginger Hageman, Carol Baldwin, (Captain), Carol Ericson, Anne Meyer.

"Fight! Team! Fight! Fight! Team! Fight!"

Yes, Verona's illustrious cheerleaders were at it again this year. With all their pep and school spirit they did a super job getting the crowds to cheer at the football and basketball games.

In May of '45 a committee assembled under the direction of Miss Shepherd, to choose, by a strict point system, the ten peppiest and most able girls to serve on Verona's cheerleading squad. This was a difficult task, and the girls selected were: Estrid Paulsen, Claire Schmick (substitute)—Sophomores; Nancy Edwards, Ginger Hageman (substitute), Amy Smith, Carol Ericson—Juniors; and Jean Morrison, Anne Meyer, Ann Tobler, Carol Baldwin—Seniors. As captain the cheerleaders again elected Carol Baldwin.

There have been many fine rallies in V.H.S., but this year the cheerleaders really surpassed everything with that Thanksgiving Pep Rally! No one will ever forget the speakers from Caldwell, the lovable "dummies" swinging from the baskets, the gym roaring with voices, or the SURPRISE—Richie Carroll, the ravishing bride in white, Reverend Bucky in black robes, and Don Lelong, the handsome groom smeared with cheerleaders' lipstick! All the credit for this splendid production goes to the cheerleaders and their captain. The hours of hard practice and wonderful cheering won't soon be forgotten. How 'bout an individual for each of our girls in maroon and white?

GIRLS' A.A.

The Girls' A.A. was organized under the direction of Mrs. Van Houten for girls who wish to participate in athletics after school. The purpose is to provide recreation, develop sportsmanship, and help keep the girls in good physical condition.

This year the executive officers of the A.A. were: President, Catherine Morley; Vice-President, Clestine Wiggins; Secretary, Carolyn Struble; Treasurer, Betty Bresnahan.

As student council representative, Mary Gearty did a grand job as did Mrs. Van Houten who contributed much of her time as the adviser of this group.

The fall, winter and spring sports consisted of speedball, basketball, and baseball. Many clubs were organized in the A.A.

Joan Allen organized the swimming club for the girls who wanted to swim down at the "Y." This year co-ed bowling was introduced, and it proved to be a favorite with both girls and boys. After school in the fall Miss Kautzman and the girls of the riding club were seen waiting for the truck to take them to their "mounts." This year's beginners found what a grand sport riding is, in spite of aching muscles. Undoubtedly they'll come back for more—to compete with some of those first class riders.

The dance, "Huba Huba Hop," given November 16 by the A.A., was a great success. Some of the profits went to charitable organizations.

A lot of credit should be given to these girls for their work in making the Girls' A.A. so successful.

SENIOR CLASS HISTORY

(Continued from Page 31)

On December 14th we gave our last dance. This year's Christmas Dance was one of the most wonderful of all with beautiful decorations representing a Colonial inn.

Later in the year the school play again claimed some senior talent.

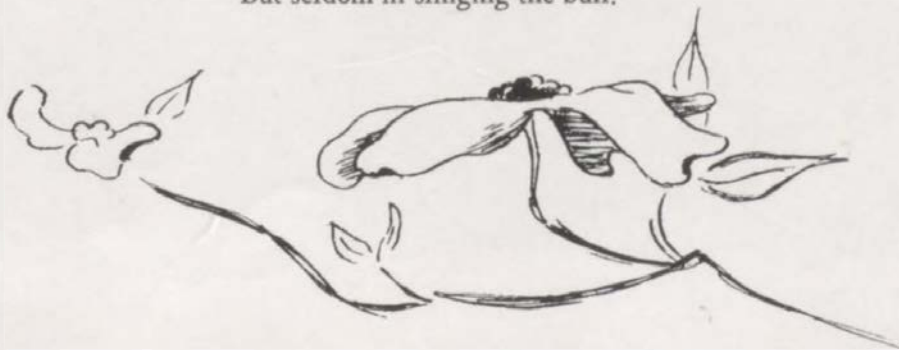

Finally, we found ourselves garbed in the traditional cap and gown. The speaker was reminding us that these past four years had been also a preparation for new experiences. As our name was called we accepted the roll, and placed the tassel on the other side of the mortar board. This was the end and the beginning.

Mind Your P's and Q's

To those who remain:
 Let your courage not wane,
 And remember class '46.
 Take warning today
 If you're planning to stay
 And intend to keep out of a fix.
 For inventing excuses
 Of dubious uses
 Including the cutting of classes,

May cause you to squirm
 Like the turn of a worm,
 And swear that the teacher needs glasses.
 But she will not sit there
 And calmly admit
 You're clever at pulling the wool.
 You'll often have luck
 In "passing the buck,"
 But seldom in slinging the bull.

FRIEND

The "Voice with a Smile"

WHEN the nation needed her in the emergency of war, she had the task of speeding the calls that hastened victory. Often no less thrilling are the peacetime messages she handles today . . . a call that may save a life . . . an urgent message to someone a hundred or a thousand miles away . . . an answer that *must* be obtained.

There's something about telephone operating that makes each day interesting. Surroundings are pleasant — associates friendly — the pay is excellent from the start, with steady increases. It's career work in a service to the people of your community.

Interested? Talk to your Vocational Guidance Director. She can tell you more about this important work.
