**ART IN THE WORLD
OF SCIENCE**

FOREWORD

These past months, since the advent of Sputnik and later the Vanguard, special emphasis has been placed on the roles science and mathematics are to play in the later lives of students who are now in school. But is the emphasis to be placed entirely on these two fields? What role will art play in this brave new world of science? Is art to be completely neglected, suppressed in a super world of technology? Art in all its forms—painting, sculpture, music, drama, the dance, literature—must be maintained. To have a world, a decent world anywhere near the Utopia of which men dream, art must exist in harmony and union with science.

DEDICATION

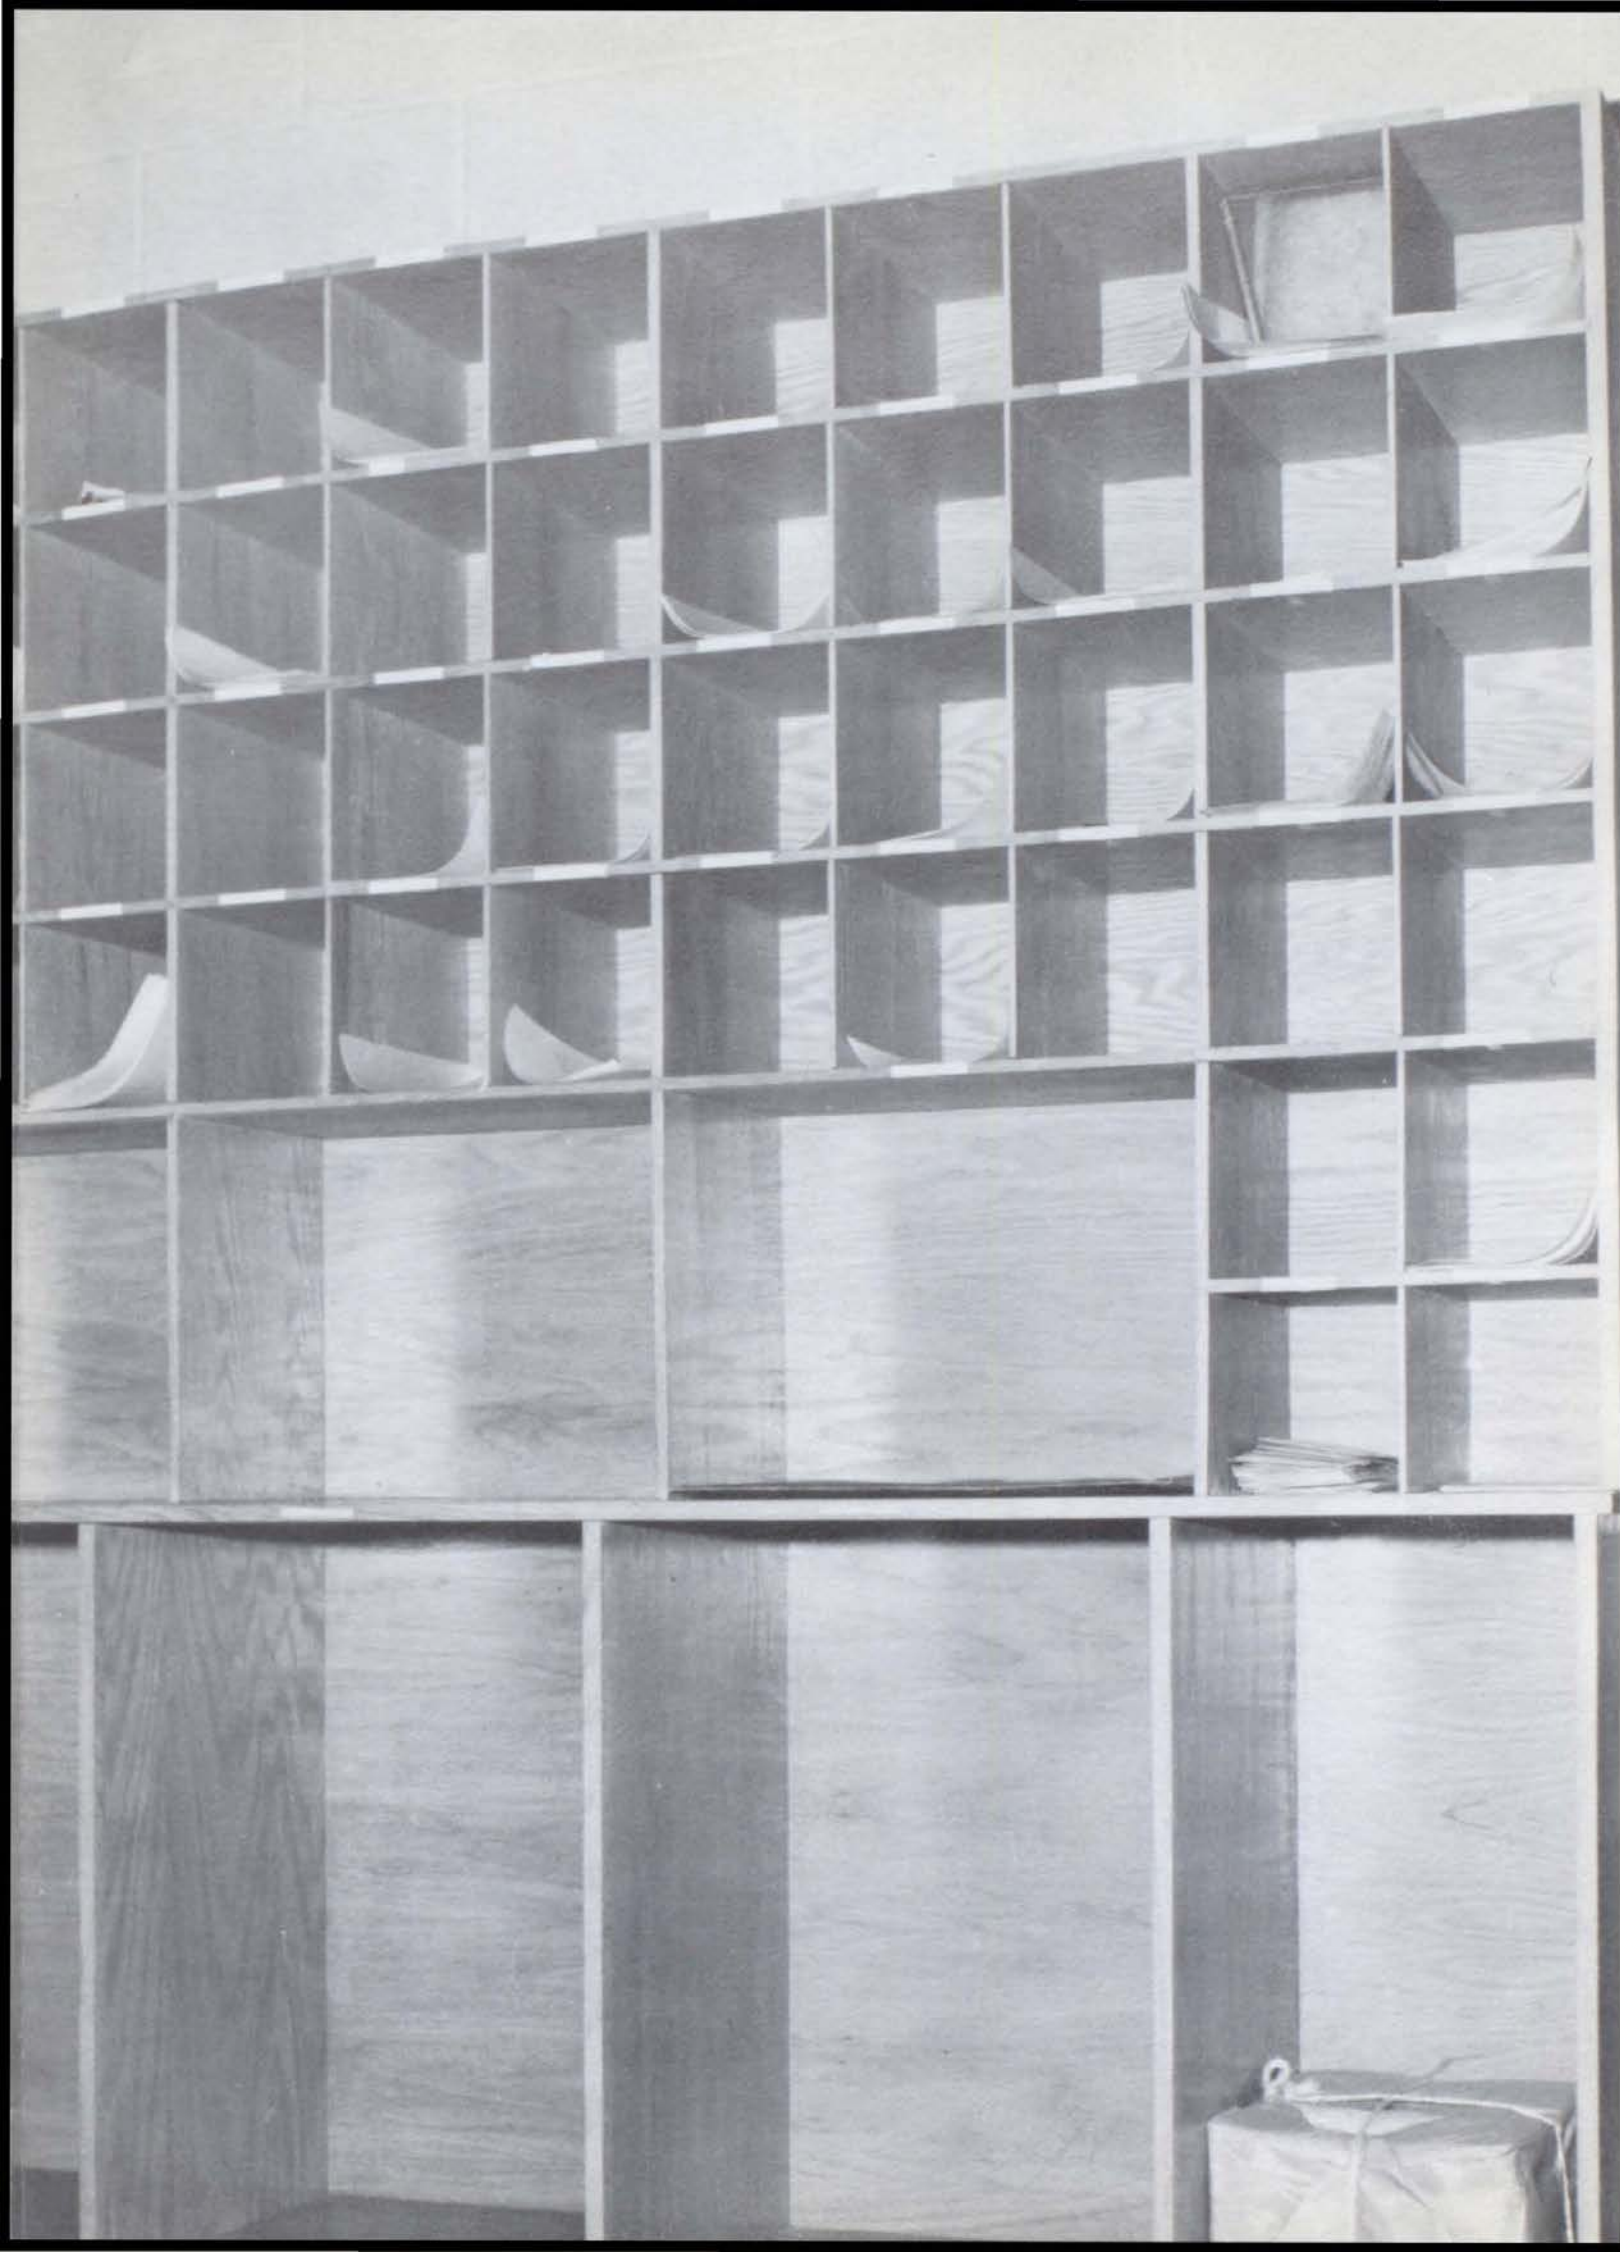

Mr. Willard came to V.H.S. in the fall of 1958 to serve as our school principal. Throughout the school year, he has shown himself to be deeply interested in the school, the faculty, the curriculum, and, most of all, the students. All who have met him cannot but help being impressed by his willingness to serve in any way possible and by his genuine sincerity.

To many of us, he has given time and advice, and to nearly all he has given the incentive to rise to greater achievements—personally and academically.

It is with thanks and gratitude that the yearbook staff dedicates the 1959 SHADOWS to Mr. Edwin A. Willard.

Sports, S.A.S., the FAIRVIEWER and SHADOWS head the class of 1960's activities, and PERSPECTIVE is also represented. This year the Junior Class was known primarily for its money-making projects. A cake sale, splash party, card party and the selling of book covers were among the outstanding projects.

As we come near the close of our Junior year and enter our last year at V.H.S., we sincerely hope that we can live up to the standards of the previous senior classes of Verona High School.

1961

The class of '61 was well represented in school activities, during the school year, having boys out for every sport. The Varsity football cheerleaders received the support of two Sophomore girls.

The Sophomore Class did not only go out for sports, but well stocked the FAIRVIEWER, SHADOWS, the Student Government and many other organizations.

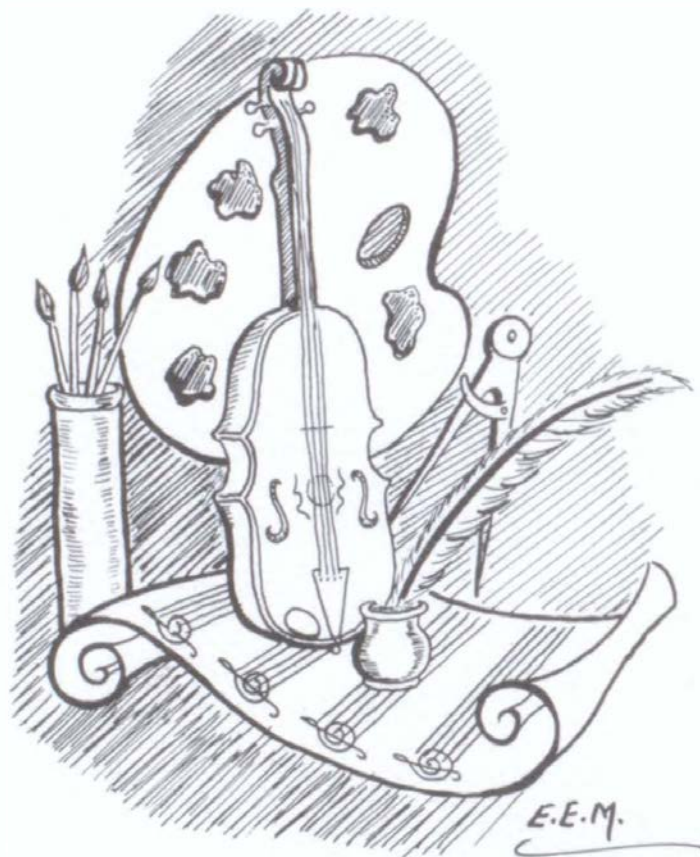

Our "Harvest Moon" was a great dance and a financial success. We are all looking forward to two wonderful years of being "upperclassmen" at V.H.S.

Samers, Esser, Suess, Falconer,
Kahn, Citrano, Buermann, Graman,

Giving credit where credit is due can be done very easily. This year's STUDENT COUNCIL certainly has become the most active organization in the school. The students were well informed on all proceedings by their homeroom representatives.

The students, for the first time, were invited to sit in on the meetings of the Council. The Student Council sponsored highly successful canteens, supported a Greek orphan, and ran a student-employment service as some of its major activities. Miss Howell has helped the Council in many ways. The Council has listened to every student opinion and carried out the school's needs.

The GIRLS' ATHLETIC ASSOCIATION, under the supervision of Mrs. Karl Henthorn and its officers, has upheld its tradition of being one of the most active organizations in VHS. During the past year the GAA has sponsored hockey, volleyball, basketball, and softball teams, all of which were very successful. They honored the senior cheerleaders and twirlers with gifts for their services. The GAA is also the largest club in the school, consisting of nearly 250 girls. In the course of a year the girls go skating, riding, and picnicking, putting on a lavish show at the end of the year.

The VARSITY CLUB is an organization for those who work to uphold the high standards of sportsmanship in VHS. To be eligible, a senior must have attained a letter in one sport. During the course of an athletic season, a club member must be a good sport at all times and be in good standing with the coach. If a member of the club is suspended from or asked to leave the team, he is automatically expelled from the organization.

The responsibilities of the TRAFFIC PATROL consist of planning, executing, and timing. This group successfully conducted numerous fire drills throughout the year, and directed classes into assemblies. Student monitors in corridors are also members of the Patrol. Since this year's Patrol consisted entirely of senior class members, opportunities will be open next year to students of other classes. To serve on it, a "B" average is required.

Assisting the nurses, running errands and cheering the patients are a few of the duties performed by the JUNIOR VOLUNTEER NURSES. It is a club organized to give girls from fifteen to seventeen years of age an opportunity to serve as nurses' aides. The girls work between two and three hours a week at Mountainside or Community Hospital. This organization is extremely beneficial for those girls who wish to further their education in the field of nursing.

Exchanging students is a goal soon to be realized by the SCHOOL AFFILIATION SOCIETY. In its effort to promote peace and world friendship through a better understanding between people of different countries, the S.A.S. will play host to a student from the Sophie Scholl Schule, our partner school in Germany. We, in turn, may send a Verona High School student to Germany. Gifts from our partner school have been on display frequently in the hall showcases. Adviser to this society is Miss Fricke, who has taught in Belgium under an exchange program for teachers.

FIRST ROW: Smith, Spear. SECOND ROW: Daniels, Incitti, Waehling, Stauber, Cristodero. THIRD ROW: Coombs, Dembicks, Becker.

A successful audition in the fall is one of the requirements for membership on the school ASSEMBLY COMMITTEE. Ably led by Mrs. Buhlmann, the committee—consisting of sophomores, juniors, and seniors—has served in many other capacities in addition to conducting opening exercises at assemblies. The members have aided in planning programs and in welcoming speakers and other guests at the assemblies.

Providing music at the Upsala College Homecoming was one of the many activities of the Verona High School **BAND** and **ORCHESTRA**. Aside from this performance, the band had an outstanding part in the Memorial Day parade and at Commencement. Well remembered will be the fine job at football games, assemblies, and pep rallies.

In order to raise money for expenses, such as the awards presented at the end of the year, the members held a dance in February and their annual Spring Concert. Much credit is due to Mr. James Ringle, the band's capable conductor.

FAIRVIEWER HEADS

Dave Levy, Editor; Mrs. Kalijarvi, Faculty Adviser; Florence Goldberg and Rose Wurgoff, Senior Advisers.

Deadlines, headlines, and bylines were a few of the chief concerns of the FAIRVIEWER, the V.H.S. paper. After completing ten issues, the staff heaved a mighty sigh. Although the work was hard and the responsibility great, the staff carried out its job competently. The FAIRVIEWER members kept all students well informed by printing important and interesting school news dealing with such topics as sports, clubs, and people. By sponsoring a highly successful canteen, the FAIRVIEWER alleviated its financial burdens.

Meeting deadlines kept the busy staff of SHADOWS working assiduously to finish the yearbook on time. With the excellent help of Mr. Dimmers and the leadership of Joan Mebius, the staff members have produced a well-illustrated treasury of our never-to-be-forgotten days at Verona High School.

In years to come, as we skim through these pages, we can reflect upon the wonderful experiences of our school year 1958-1959.

"Pure thoughts, pure words, pure actions," the slogan of the TRI-HI-Y, was carried out by our chapter again this year.

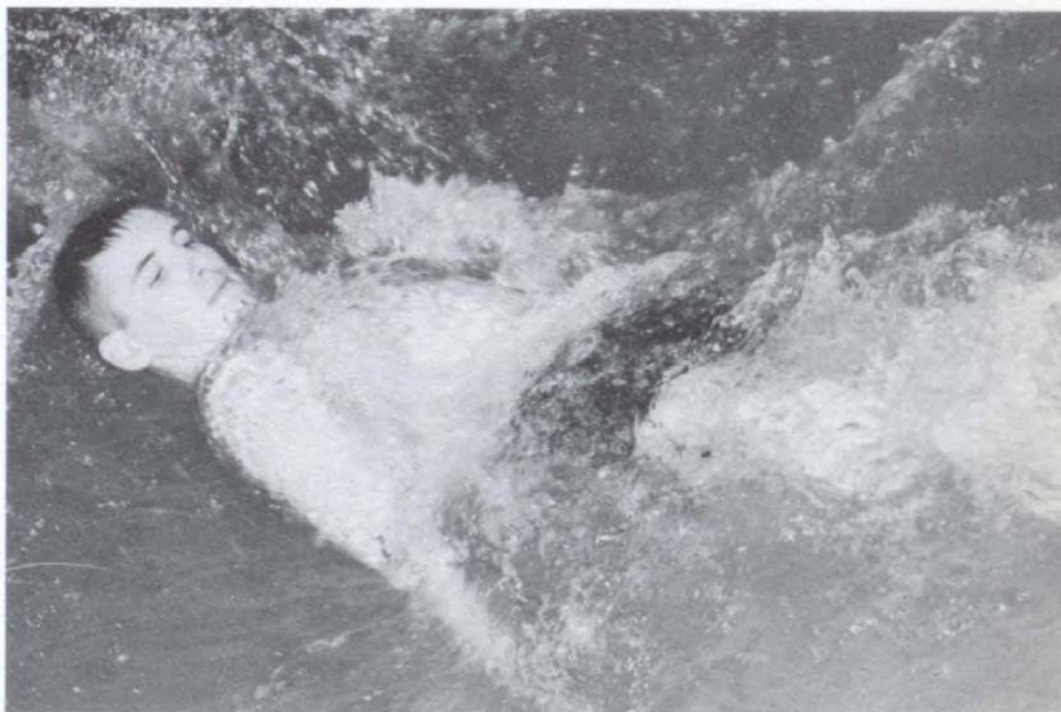

Despite the fact that most of the members were new to the club, it proved a very successful year, with regular meetings held once a week under the direction of Miss Hamer. Upon payment of a small membership fee, the girls were given the privilege of using the facilities of the Montclair Y.W.C.A. as a group.

A number of service projects were carried out successfully, among them sewing cancer dressings and taking orphans to a splash party.

The staff of SHADOWS is proud to congratulate junior Jed Graef on his obtaining the New Jersey Inter-Scholastic Backstroke Championship on February 28, 1959.

The main objective of the JUNIOR RED CROSS is performing charitable deeds. Under the direction of Mrs. Arnold, this group has conducted the annual enrollment drive, supervised the filling of gift boxes, and made decorations for a dance at the Basking Ridge Veteran's Hospital. In addition, the VHS Junior Red Cross visits various homes and hospitals to be of service.

THE VERONA-CEDAR GROVE TIMES, via the FRONT PAGE CLUB, has been the instrument of informing the people of Verona about V.H.S. activities through a series of weekly articles written and edited by this organization.

Under the guidance of Mrs. Rader, the Front Page Club has grown in size and importance and now has a large staff of reporters.

Opportunities for creative writing among the students are the objectives of PERSPECTIVE. This literary publication, issued each spring, is written and edited entirely by V.H.S. students. Any pupil may submit an original manuscript to the Editorial Board for approval. With the aid of Mrs. Rosenberg, their adviser, this group examines the entries and selects the best for publication. The contents of PERSPECTIVE include a variety of poems and stories.

"Who took my robe?" was often heard ringing through the music room five minutes before the CHOIR was scheduled to appear on stage. Featuring many types of songs, the Choir has appeared at many assemblies through the year. Its main event was the Spring Concert, and this year the Choir offered its services to outside organizations such as church groups. At Christmas, accompanied by adults, the Choir presented "The Messiah."

Each spring, auditions are held, and every year Mrs. Leonardson has successfully directed her Choir. This year there were over 90 students in the Choir.

Hot drinks, fresh pretzels, and delicious apples were some of the commodities sold by the CONCESSIONS COMMITTEE at the home football games. Housed in a newly constructed refreshment stand, this committee ably supplied food and drink to hungry spectators. This efficient committee, advised by faculty member Mrs. Hartzell, is comprised of juniors and seniors. Profits from the sale of refreshments go to the Student Council.

Scholarship, character, leadership, and service are the necessary attributes for acceptance into the NATIONAL HONOR SOCIETY. Five per cent of the junior class in the spring and ten per cent of the senior class in the following fall are elected into the Society by the faculty. The twenty-six members comprising the Verona Chapter had as their responsibilities a tutoring service, changing the bulletin board, acting as guides for various occasions, and sending sympathy and get-well wishes. A hundred dollar scholarship fund was established this year to be granted to a deserving senior.

Monthly meetings, conventions, and visits to nearby State Teachers Colleges are the activities of the FUTURE TEACHERS OF AMERICA. The monthly meetings are held at members' homes with featured speakers from different teaching fields. Two days of practice teaching done by the junior and senior members climaxed the year.

The club was fortunate to have as one of its members the recording secretary of the New Jersey Future Teachers of America.

AT DESK: Mrs. Moore, Daniels, Marley, Weber, Stauber, Sobel, Murray, Woehling, Wittrock, Hess, Palmieri, Clark, Berke, Kaplan, McClusky, Cushman, Carell, Griesenbeck, Evenson, Sutton, Edelman, Whiting.

Mrs. Moore, the librarian of the school, has an able LIBRARY COMMITTEE consisting of twenty-two students who assist her in typing, checking out, and filing. The students work in the library during their free periods, checking books out, preparing them for the shelves, filing cards, and typing. These are valuable and necessary jobs for the Verona High School Library which is rapidly increasing its quantity and variety of books.

Arriving in January, Yukiko, who is a girl of 17, and Edgar, 16, spent two weeks at V.H.S. attending classes and other school functions. They resided at the homes of Virginia Payne and Tom Towne.

FOOTBALL

The Hillbilly FOOTBALL team gained much-needed experience by having the underclassmen play in many of the games. This experience should bolster the team's potential for next year. This year's team demonstrated steady improvement throughout the season under the direction of the new Head Coach, Tom Sellitto, assisted by Mr. Morris and Mr. Armengol. Next year's team will lose All-Conference players Arnold Wallen, Steve Buermann, and Cliff De Michele. The other gridiron standouts who will leave via graduation are: Dick Sunshine, Mike Lombardi, Harry Tappen, Bart Smith, Carl Esser, Rich Camp, Tom Towne, Paul Jennings, Dave Carpenter, Steve Turro, and Frank Schummel.

Soccer

This year the V.H.S. SOCCER team ended an exceptionally successful season by sharing the Group III State Championship title with the Chatham eleven. The defeat of River Dell and Stineart High, two previously unbeaten teams, placed Verona in the playoff position. The two Verona losses were extremely close contests.

Returning next year will be a fine nucleus of experienced players, including co-captains John Dean and Hank Lins. Next year's team will lose eight seniors, including such standout players as

co-captains Don Williams and Bob Hess; Dick Carroll, Greg Kahn, John Keimel, and Dave Wands.

This year's co-captains made the Essex County first team, and Bob Helmstaedter qualified for second team. Don Williams made the All State Soccer Team also being selected as New Jersey's outstanding player, while Bob Hess was a second team selection.

The tremendous success of this year's team—which went far above all expectations with only four returning lettermen—was gratefully attributed to Coach George Stiefbold.

This year the Verona High BASKETBALL Team placed second in the Suburban Conference with five wins and five losses. Under the determined leadership of Coach "Bucky" Hatchett, the team posted an overall mark of 8-11.

In Conference play the squad beat Chatham and Madison each twice, split with Summit, and dropped two to rivals Caldwell and Millburn.

Entering the State Tournament, the Hillbillies trounced Rahway in their first encounter. Unfortunately Championship hopes were extinguished in the second game when Cranford beat us.

The outlook for next year is promising, although departing seniors Flavell, Williams, Skibiak, Dente, and Camp will be missed. Built around returning lettermen Geck, Danbeck, Congdon, Cerefice, and Gaffney, and bolstered by this year's strong J.V. team, the outlook for the future is bright.

Bowling

Under veteran coach John Burguillos, prospects for the 1959 BOWLING team look very good. This year's team is composed of four returning junior lettermen and one senior letterman of two years ago.

After two close defeats to Belleville and Bloomfield, the Hillbilly keglers forged ahead for four straight wins. While the VHS pinners are definitely out of the league title race, prospects look very good for the League Tournament championship and a State championship.

Golf prospects this year are good. Under the direction of Anthony Iuso who succeeded last year's coach, "Skip" Smith, the team boasts three returning lettermen: Greg Kahn, Ed Picklesimer, and sophomore Nardy Terry. Filling out the roster are: Jerry Cestone, Bob Simmonds, Pat Morris, and Gaeton Cestone, who have all had at least one year's experience.

Tennis

Although this year's TENNIS team has lost the services of three lettermen by way of graduation, the team foresees an improved record this year. The prospect appears very bright with the return of five lettermen; Captain Tom Ruck, Bob Drent, Laird Coates, and sophomores Bob Helmstaedter and Lee Arberg comprising the backbone of this season's team.

The new coach, Ed Mazzer, who has succeeded Robert Walker at the helm, hopes to climax the season by taking his team to the State Tennis Tournament at Princeton. There are several promising sophomore and junior candidates filling out the roster who could well advance this year's team, to new heights.

Practice at Verona courts.

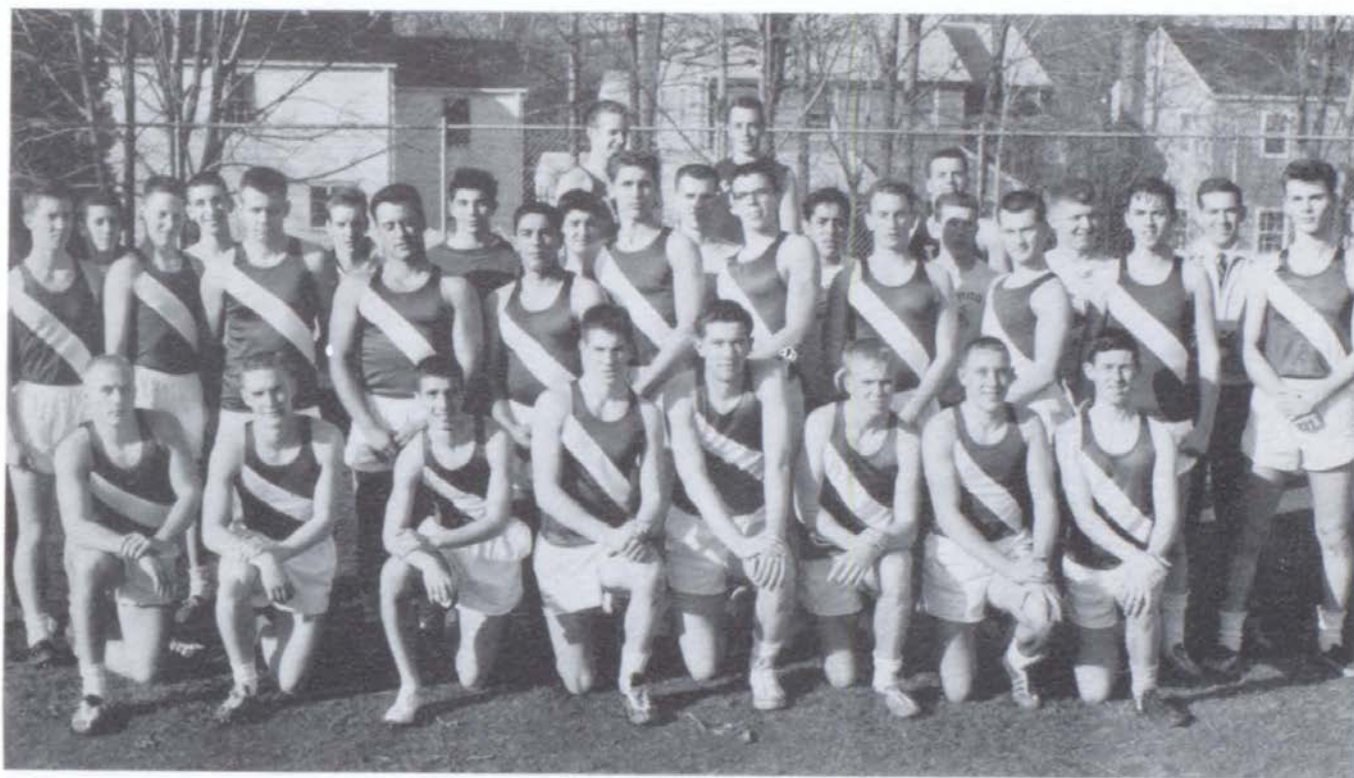

Under its new Coach, Sven Peterson, the 1959 TRACK Team will be aiming to better last year's finish in the Suburban Conference.

There was a sizable showing of returning lettermen this year, and Coach Peterson expects his big point-getters to come from this group. In the 100 and 220 yard dashes Tom Suess and Frank Schumell are the most experienced, while in the 440 yard run, Sophomore John Seebach will lead the way. In the half-mile and mile run, Bob Hess, Roy Harder, and Jeff Guttenger are strong contenders. Most of Verona's points in the hurdles will come from Steve Buermann and Tom Edgerton. Dick Carroll will handle the pole vault while the top weight men will be Bill Flavell, Dave Carpenter, and Don Gray.

These, as well as many others will be seeking to make Verona's track season a success.

Baseball

The 1959 BASEBALL Team is under the capable direction of Coach Woodie Litwhiler and Assistant Coach George Stiefbold.

This season, the team is seeking its first Suburban Conference title since 1955. Although the team lost many good ball players last year, it is looking toward a promising season. Pitchers Ed Skibiak and Harry Tappen, shortstop Doug Gaffney, and third baseman Don Cerefice are the mainstays for a winning season.

Girls' Sports

Under the sponsorship of the G.A.A., the GIRLS' SPORTS have been very successful. The activities included this year were hockey in the fall, volleyball and basketball in the winter, and softball in the spring.

During the hockey season, a group of fifteen girls, coached by Mrs. Barbara Henthorn, played three games with Glen Ridge, Livingston, and Passaic Valley. All of these games were won by Verona, and the season came to a successful close.

The turnout for volleyball and basketball was very good. Volleyball teams were chosen by Mrs. Henthorn to play other schools. Here again, Verona was undefeated. Basketball, under the direction of Mrs. McGarry, lost only one game.

Softball, coached also by Mrs. McGarry, was the last activity for the year.

Pep rallies were presented by the cheerleaders before each home game and before the Thanksgiving game. Verona's soccer team also received

the inspiration and cheers from the cheerleaders at all of the home soccer games and at several of the away games.

The basketball cheerleaders organized for the first time a pep rally which took place before Verona's first Suburban Conference game. The basketball cheerleaders included Captain Sue Griesenbeck, Pat Reddington, Assistant Captain Sue Fritche, Helen Hess, Helen McClusky, Alyce Weber, and substitutes Karen Drehman and Maureen Seiler.

The TWIRLERS paraded down the field every Saturday afternoon ahead of the V.H.S. Band. Under the direction of Mrs. Rosenberg and head twirler Lynne Murray, the twirlers practiced many hours every week to present enjoyable entertainment for

the football fans. The squad also performed at pep rallies and in victory parades. Next year's squad will perform without the assistance of seniors Lynne Murray, Joan Messinger and Gaye Harrison.
