MARY E. HAMER

DEDICATION

Modest, unassuming and demure is a description that fits Miss Hamer well. It is her wish to remain unheralded and obscure, while working diligently to accomplish praise and glory for others. Yet, she has contributed so much to the students and student activities of V.H.S. that recognition of her assistance and cooperation must transcend personal desires.

Miss Hamer has been a member of the faculty at V.H.S. for the past 18 years and has been associated with the Montclair Night School for nine years. She is a member of the National Education Association, the New Jersey Education Association, and the New Jersey Business Education Association.

It is in recognition of her assistance in class and club financial transactions and her love for the students that the yearbook staff gratefully dedicates the 1960 SHADOWS to MISS MARY E. HAMER.

SENIOR CLASS OFFICERS

JAMES CITRANO

"What, are you serious?"

Being a very capable football captain is one of Jimmy's many qualities. Always with the guys, Jimmy is a great one for having fun. One day he hopes to be a singing barber with a law practice on the side. Leading class meetings will keep him busy enough 'til then.

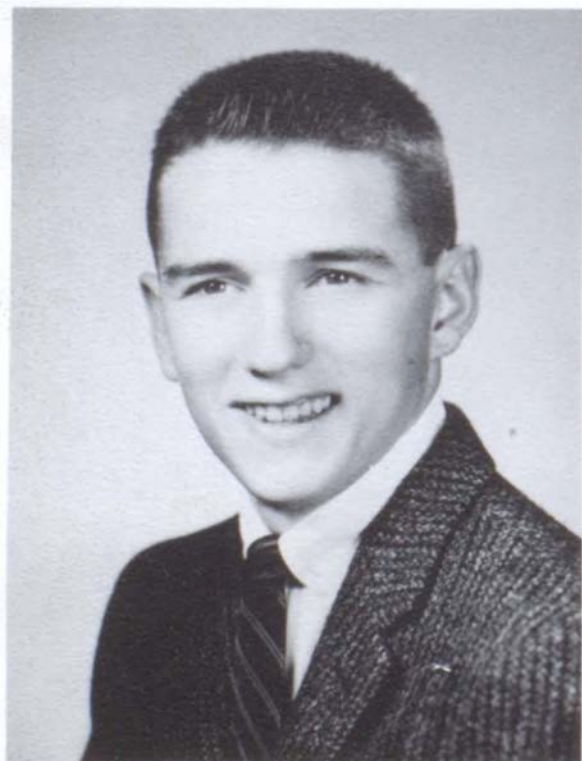

Activities: Football 1-4, Co-Captain 4; Basketball 1, 2; Baseball 1, 2; Track 3, 4; Student Council Vice President 3; Class President 1, 2, 4; Dramatic Club 3; Sports Editor Shadows 4.

CARL GECK

"O.K. Hank!"

Football heroes aren't the only heroes. Carl undoubtedly is a hero in V.H.S. Stabber is tall, dark-haired and good looking and has a most genial personality. Mischievous eyes characterize this all-around guy from Sleepy Hollow.

Activities: Baseball 1; Basketball 1-4; Soccer 1, 3, 4; Shadows 3, 4; Vice President of Class 4; Student Council 2, 3; Traffic Patrol 4.

HELEN HESS

"After the verb 'To Love', 'To Help', is the most beautiful verb in the world."

Dimpled and always smiling, Helen works hard at everything she does — whether it's taking notes at the class meetings or having fun at one of those senior parties. Helen hopes someday to jitterbug on a tabletop, to meet Frank Sinatra, and to teach in Europe.

Activities: Secretary of Class 2, 3, 4; F.T.A. 2, 3, 4, Secretary 4; G.A.A. 1-4; Fairviewer 1-4; Shadows 2, 3, 4; Glee Club 1, 3; S.A.S. 3, 4; Basketball Cheerleader 3; Soccer Cheerleader 4; Front Page Club 4.

JOHN ALLHUSEN

"Do it tomorrow, you've made enough mistakes today!"

Contrary to the old proverb, John thinks that horses are man's best friends. He spends a lot of his time horseback riding, which is probably the reason why owning a large ranch in Oklahoma is in his future plans. Sophomore and junior drivers are on John's list of pet peeves.

Activities: Soccer 1-4; Track 3, 4; Band 1-4; Orchestra 1-4.

ROGER AMIDON

"I was not always a man of woe."

Roger, wake up, the bell rang three minutes ago! You know how the kids always need their sleep!! Someday Roger wants to be an electrical engineer or something more exciting, like a private detective.

NINA ABELEW

"God helps those who help themselves."

Nina can usually be seen staying late in lab, trying to discover what went wrong with her experiment. She is outstanding in both of her special interests—twirling and dancing. She abhors dropping her baton at pep rallies and her goal in life is to get accepted to a college and graduate.

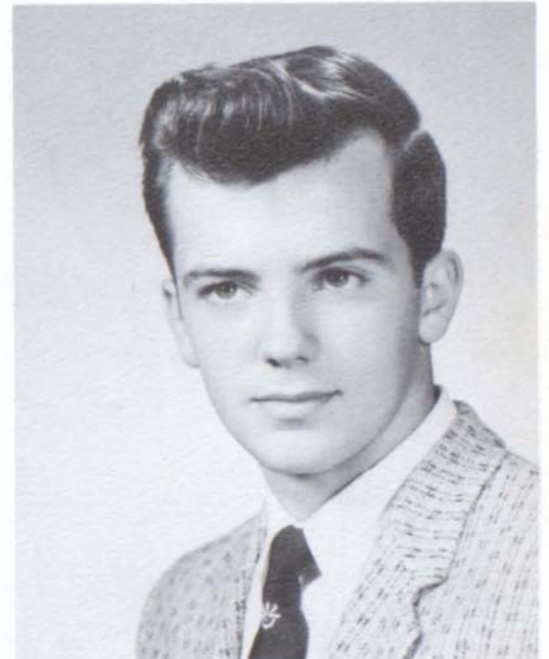

Activities: G.A.A. 1-4; Dramatic Club 1, 2; Glee Club 1, 2; Twirling 1-4; Fairviewer 2, 4; Shadows 3; Front Page Club 3, 4.

RICHARD ALOIA

Rich is noted for his clean shaves. He enjoys wine, song, and there's a special woman that he enjoys. He would like to own his own business in the future.

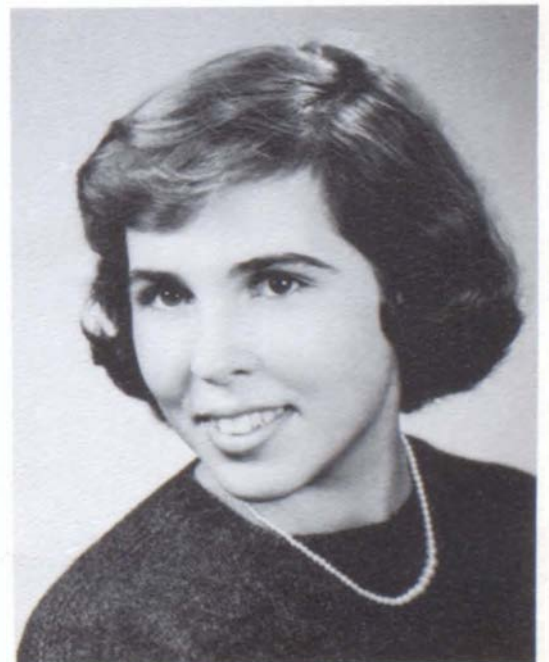

SUSAN ANDERSON

"By golly!"

This quiet senior is noted for being the only girl in mechanical drawing. She can often be seen putting books on the shelves in the library. She enjoys swimming, but thinks weight isn't so pleasant.

Activities: G.A.A. 3; Glee Club 1; Library 1, 2.

NANCY BALLARD

"Let's shag, men."

Refusing to cut her hair is the main factor to Nancy's identity. Nancy's pet peeve is not being able to carry a tray with both hands and still get through a swinging door. Helga hopes to conquer American history soon.

Activities: Choir 4; G.A.A. 4; Meridians 4; Front Page Club 4.

CLASS OF 1962

Having greatly enjoyed its first year in Verona High School, the Class of '62 is looking forward to two more wonderful years.

The members of the Sophomore Class have shown an abundance of school spirit by supporting many of the school's organizations. The class officers, President Tim Lally, Vice President Judy Fader, and Secretary Andrea Kaye, have done a wonderful job with their fine leadership. The sophomores hope to equal or if possible excel the records of previous classes and will strive to set an expedient example for following classes.

The Student Council accomplished many tasks this year under the able leadership of President Doug Gaffney, Vice-President Jeff Somers, and Secretary Margie Maley. The Council was advised by Miss Anna V. Howell.

The activities of the Council are governed by the ideas and suggestions of the students. The homeroom representatives carry these ideas to the attention of the Student Council where action is taken.

The formation of a Safe Driving Club and the support of a Greek war orphan were two outstanding accomplishments of this year's Council.

The twenty-eight members of the Verona Chapter of the National Honor Society were selected on the basis of scholarship, character, leadership, and service. Functions of the Society this year included tutoring, delivering the *New York Times*, and ushering. Financial aid was granted by the Society to a worthy senior in the form of a hundred dollar scholarship. Under the guidance of Miss Mary Alice Shockney, who has served as faculty adviser for eight years, the Society fulfills its responsibilities and continues to serve the school.

The Front Page Club, supervised by faculty member, Mrs. Florence Rader, is a literary organization which furnishes articles for the *Verona-Cedar Grove Times* weekly. The students wrote varied articles on school news and activities, such as clubs, sports, and outstanding personalities in V.H.S. To many of the members, this was a new and interesting experience, which proved valuable, giving the members an insight on journalism.

This year's capable co-editors were Karen Carlson and Debbie Pliskin.

FRONT PAGE CLUB

With the aid of Miss Morgan as their faculty advisor, the junior and senior editorial boards of *Perspective* selected and compiled literary works for two issues, a precedent in the publication's history. The two editions which appeared in the winter and spring, recognized outstanding, original, and creative writing on the part of Verona High School students. The writings included short stories, poems, and essays.

The hard work which the members of this group have put into it has made this year's *Shadows* a memorable one, one which, in future years will bring back fond memories of the happy times shared at V.H.S.

FAIRVIEWER

Deadlines have been the main objective of the FAIRVIEWER staff. Writing, rewriting, and headlines were familiar cries with Jerold Graff as editor-in-chief. Mrs. Frazer, faculty adviser, was a great aid to everyone. Hectic rewrites yielded many fine editions of the VHS school newspaper. The staff worked hard to bring interesting articles concerning school affairs to the student body.

TRI-HI-Y

"Pure thoughts, pure words, pure actions." This is the slogan of the girls in the Tri-Hi-Y. This year the Tri-Hi-Y, with the aid of their advisor, Miss Hamer and president, Maureen Griffen, carried out a number of community projects. The organization's services included providing hand-made Christmas gifts for the Children's Hospitals, holding a sale of baked goods, and furnishing a night of fun at the "Y" for underprivileged children.

LIBRARY COMMITTEE

The Library Committee, under the direction of V.H.S. librarian, Mrs. Moore, consists of students who volunteer their services. The members work on a regular schedule and must fulfill the minimum requirement of one hour per week.

The activities of the student librarian include shelving books, typing, filing, covering and jacketing books, and checking books in and out.

The spirit and ambition of the committee members have greatly contributed to the proper functioning of our library.

G. A. A.

The Girls' Athletic Association, a prominent organization of V.H.S. has been responsible for all girls' sports this year. The main objective of the G.A.A. is to teach the importance of good sportsmanship and team spirit and to offer to the girls of V.H.S. an opportunity for learning and using new athletic skills.

The President of the Girls' Athletic Association is Nancy Weisgerber; Vice President, Gail McKelvey; and Secretary, Diane Norcross.

To aid the executive board a representative and an alternate from each gym class are elected.

Throughout the year, the girls enjoyed a wide variety of sports. Hockey and soccer were offered during the fall season and in the winter, basketball, volleyball, tumbling and modern dance. Softball was the main sport of spring.

The biggest event this year was the G.A.A. Show. Many girls took part in production and "behind-the-scene" work and enjoyed it immensely.

The G.A.A. gives girls needed exercise.

GLEE CLUB

Melodious sounds were heard all day drifting from the music room. The Verona High Choir and Glee Club practiced hard to achieve the high musical standards set by their instructor, Mrs. Leonardson. Early morning rehearsals were a main part of their works. The selection of music helped make singing enjoyable and interesting. The Glee Club was very helpful in that it taught the students techniques toward better musical skills. The Choir worked on choral singing rather than individual development. Many groups in this area had been entertained by the Choir. This year the Choir made a record. Their performances brought pleasure into the lives of all who heard them.

In order to perfect the fine routines and music they presented at the football games, the Band members worked long and hard both after school and on Saturday mornings. They also provided music at pep rallies, assemblies, commencement exercises and the Memorial Day Parade. In addition to the annual Band Dance, a well performed Spring Concert completed the year's activities and helped to raise funds to alleviate such expenses as the cost of uniforms and awards.

CANTEEN COMMITTEE

Many students enjoy interesting canteens at Verona High approximately every month. The committee consists of representatives from each class which meets every Wednesday night. It plans the canteens to make them very interesting, for the committee is self supporting and depends on the attendance for funds. The Verona Recreation Department sponsors this activity and is a great asset to the committee.

JR. VOLUNTEER NURSES

Ask any nurse at Mountainside or Community Hospital, and she'll tell you how invaluable the Jr. Volunteer Nurses are to them. Girls from fifteen to seventeen years of age two or three hours a week, each week for the work as nurses aides at these hospitals for entire school year. Assisting the nurses and cheerfully helping the patients bring fun, diversion, and experience to the girls. Many aspire to be real nurses someday, and this work helps to acquaint them with the profession.

After one year of devoted work, each girl receives a cap. After each additional year of work, she receives a bar for her cap.

JR. RED CROSS

The purpose of the Junior Red Cross is to be of service to our country and work for better human relations throughout the world.

In November, the students enrolled by giving small donations and helping to fill gift boxes which were sent to orphans and refugees overseas.

Many students helped the Red Cross by useful jobs throughout the year.

Under the direction of Mr. Burguillos, the adviser; Jack McTague, president; Helen Hess, vice president; Nancy Weisgerber, secretary; and Nancy Ballard, treasurer; the practice teaching for seniors at the end of the year was very successful and instructive.

CONCESSIONS

As a part of the Student Council, the Concessions Committee worked hard at home football games to make the spectators happy. Pretzels, hot dogs, soda, cocoa and apples were among the refreshments sold at the games. This committee, headed by co-chairmen Carla Russ and Nancy Weisgerber, and advised by Mrs. Hartzell, consisted of fifteen seniors and five juniors, all striving to make the football games enjoyable ones.

They have supervised all the fire drills and have initiated a new and more efficient system for leading students into assemblies.

ASSEMBLY COMMITTEE

The Assembly Committee planned the programs and led the opening exercises for all assemblies. Mrs. Nancy Chase was the advisor for this group. The committee aided in the selection of paid performers. Each assembly was led by a member. He read a passage from the Bible and led the entire audience in the Lord's Prayer, a patriotic song, and the Pledge of Allegiance. Then the member introduced the main feature of the day such as the speaker, master of ceremonies, or a film. Finally he closed the assembly by leading the audience in the Alma Mater.

MERIDIANS

The Meridians, formerly known as the School Affiliation Society, has achieved a milestone in its effort to promote peace and world friendship through a better understanding between people of different countries by having a German exchange student from the Sophie-Scholl-Schule at Verona this year. We, in turn, hope to send a Verona High student to Germany in the near future. Plans are being made for gifts to be sent to the partner school in Berlin. The club is sponsored by Miss Fricke, who recently served as an exchange teacher in Belgium.

CITIZENS' CLUB

The Verona High School Citizens' Club was founded last year by Alan Gutterman, Alyce Weber, and Jim Woldow. The aim of the members of this club has been to become better informed and more aware of the local civic and political issues. Under the able faculty direction of Miss Carol Cannon, this club has carried out many worthwhile activities. Perhaps the most successful of these was the "Candidates Assembly" in the fall.

HERALD TRIBUNE FORUM DELEGATES

Between January 23 and February 14, 1960, it was the pleasure of Verona High School to be host to two foreign students from the *Herald Tribune* Forum. Lisa Lotte Palaudan Andersen, from Denmark, stayed with Janet Geiger; Milan Vojnovic, from Yugoslavia, stayed with Luke Curtis. Our visitors went to many luncheons given by students and civic groups. Basketball

games, parties, and dances were also attended by Lotte and Milan.

To top off their stay, three seminars and an assembly at VHS were held at which time their views on religion, juvenile delinquency, and racial prejudices were expressed and discussed.

It is our regret that Lotte and Milan could not have stayed for a longer period of time.

Lotte always has an infectious smile.

Milan helps keep the beat at a party.

Milan and Lotte enjoy one of the many dinners given in their honor.

Mr. Anderson shows Lotte how a boiler works in a physics class.

We sure picked a pretty delegate when we picked Lotte.

A record crowd at Verona's field saw a power-packed V.H.S. unit climax a winning season by smashing arch-rival Caldwell in the annual Turkey Day classic. The victory marked the first winning season for Coach Tom Sellitto, and the right to the coveted Caldwell-Verona trophy.

The Verona offense was well over par this season. A very aggressive line made it possible for the four experienced backs to display their running and passing skill which characterized Verona's attack all year. This offensive unit was the third highest scoring in Essex County.

Verona's gridiron future looks bright with a fine crop of lettermen slated to return next year.

SOCCER

Harold Holmes is about to put the ball in the goal for another point.

Winning State Championships is becoming a habit with the V.H.S. soccer combine. The team climaxed its third consecutive State Championship season by defeating Springfield Regional High 2-0 for the Group III title. The overall season's record was 16-1-2, the best record compiled in Verona soccer history.

This year, as in the past, Verona placed several players on the All-State Team. Bob Helmstaedter received honors as the first team center halfback; Harold Holmes, who set a school record of 21 goals in one season, obtained a second team berth as center forward; Butch Congdon, in his first soccer season, made third team goalkeeper, and Hank Lins rounded out the Verona All-State quartet taking honorable mention.

Next year, prospects again appear bright, with the return of seven lettermen including co-captains Bob Helmstaedter and Harold Holmes.

The question arises, how long will this remarkable team continue to win State Championships? The most probable answer is, as long as we have the consummate coaching of George Stiefbold.

Quite a crowd in front of the net.

Emphasis was put on hustle and the results were rewarding. They played with enormous spirit and drive. Doug Gaffney's amazing shooting and passing spotlighted the season. Butch Congdon, Norm Goldberg, and Rich Danbeck grabbed those necessary rebounds, along with Carl Geck. Don Cerefice, and Ed Huff have added that extra drive which contributed to the team's success.

The Verona High keglers, once again piloted by veteran coach John Burguillos showed much improvement during the 1959-1960 campaign and gained valuable experience. The high point of the season came when Captain Harold Frieder led the squad to victory over a strong Caldwell unit. Jerry Cestone, John Hein, Sig DeSantis, Tom Cavallere, and Norman Hahn all turned in some fine performances.

HOCKEY

A new attraction for sports fans came to Verona High with the forming of the first Hockey team. Under the able coaching of Mr. Tom Morris, the team played in the tough North Jersey Hockey League. Although they compiled a losing record, Verona provided some stiff competition for the front runners. Losing few seniors via graduation, most of the fifteen man squad will be returning next year.

Tri-captains Carl Mickelson, Tom Suess, and Seldon Russell talk with Coach Herb Babb.

TRACK

Verona's thinclads, under new coach Herb Babb, are expected to improve upon last season's fourth place Conference finish.

Returning sprinters, Tom Suess and Brian Courtney, rate highly in the 100 and 220 yard dashes. Distance-wise, Verona had Seldon Russell in the mile and Dave Kerr in the half-mile. John Havekotte and Tom Edgerton represent strength in the hurdles while Bob Knox and Carl Mickelson will head the weight-men.

GOLF

Prospects for this year's season looked extremely good considering the fine record set by the team last year. Aspirations proved true when six out of seven lettermen plus new additions turned in another successful season. Coach Gordon Galtere was a great aid to the team by giving them the benefit of his knowledge and experience.

BASEBALL

Bad breaks and hard luck rode on the shoulders of the Verona High baseball nine as they battled to retain last year's Suburban Conference Championship. Led by Captain Doug Gaffney and lettermen Don Cereface, Butch Congdon, Woodie

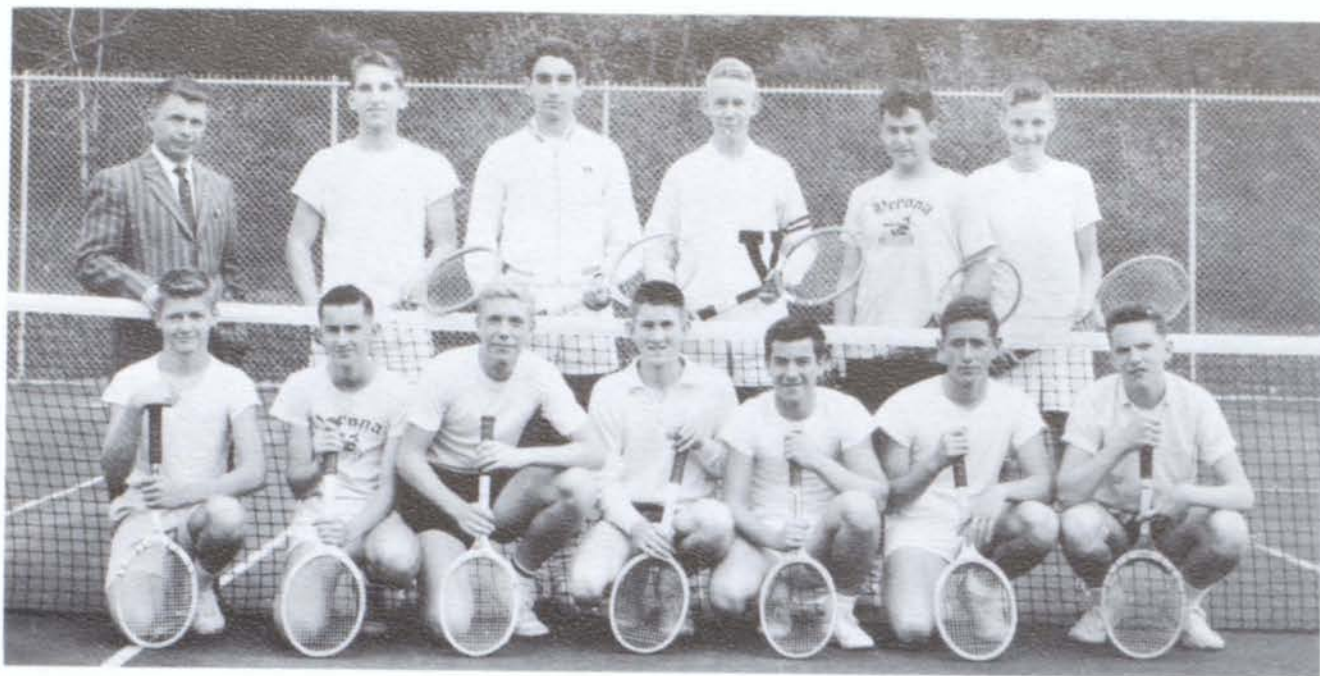

Litwhiler, Jon Dean, and Dom Martorelli, the team battled gamely against the stiff conference competition. Coach Litwhiler felt the squad played heads up ball and showed fine spirit and ability throughout the year.

Jed setting another record for Verona.

SWIMMING

Verona's one-man swimming team, Jed Graef, established a group B record of 60.5 seconds in the 100 yard backstroke. This gave Verona the State Swimming Championship. Jed also has won the National AAU 100 and 200 yard backstroke championship for the past four years.

TENNIS

Coach Mazzer returned this year with valuable experience which helped the team. Returning lettermen, Bob Helmstaedter, Lee Arberg, and Mark Straus formed the nucleus of this year's team. A successful freshman team produced several capable players who filled the vacancies left by graduating players. The high point of the season was the trip to Princeton for the State Tournament.

CHEER

This year was the first year Verona had a soccer cheerleading squad, but we're glad to say it won't be the last. The squad consisted of six girls who were chosen in June of last year with Captain Pat Reddington and Assistant Captain Helen McCluskey. They brought tremendous spirit and pep to the soccer

SOCCER CHEERLEADERS

FIRST ROW, left to
right: H. McCluskey,

Something new has been added to the football cheering squad. And that something happens to be four new cheerleaders. Not only was the size of the squad increased but its pep, vitality, and spirit also increased. The girls were very busy during the season creating the many posters that could be seen decorating the halls during football season. These girls did a terrific job this year and many thanks to Captain Caryn Wittrock and Assistant Captain Penny Cameron. The cheering season ended with a pep rally around a huge bonfire before the Thanksgiving Day Game.

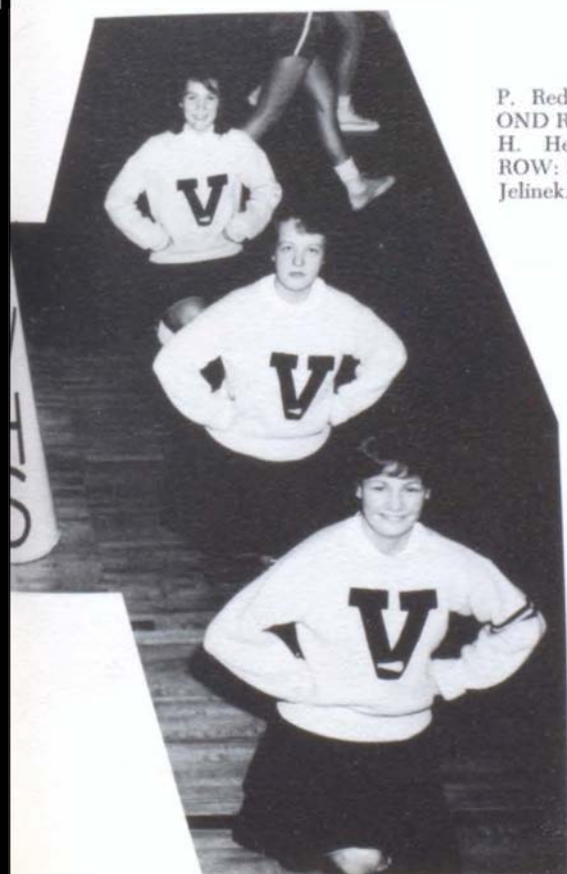

LEADERS

team. They hope in some small way they helped the team to win the 1959 soccer championship. Before the games the girls made huge banners signifying that they were behind the team, win or lose. We are very proud to say that the team usually won and we say "Hats off" to these fine girls who did such a marvelous job.

P. Reddington. SECOND ROW: L. Fields, H. Hess. THIRD ROW: S. Woehling, B. Jelinek.

This is the time when we look back and think of all the good and happy times we have had. For the basketball cheerleaders some of the happiest moments that they will have to remember will be the season of 1960. Captain Penny Cameron and Assistant Captain Pat Reddington did a wonderful and very commendable job.

FIRST ROW, left to right: J. Geiger. SECOND ROW: N. Ablew, L. Gellein. THIRD ROW: B. Gauss, P. Schumell, L. Verbalousky. FOURTH ROW: G. Redlhammer, S. Parkhurst, D. Blaine.

TWIRLERS

Under the direction of Mr. Ringle, faculty advisor, and Janet Geiger, head twirler, the Twirling Squad marched and twirled with outstanding skill this year. The squad performed at all pep rallies and introduced original routines at each

football game. A new double-time marching step greatly increased the effectiveness of the squad. The girls practiced every day after school and twice-a-week with the band during seventh period.

COLOR GUARD

The Color Guard was new to V.H.S. this year. Under the direction of Mr. Ringle, faculty advisor, the squad performed with precision at each football game. Marching at the head of the V.H.S. Band, the squad carried the United States and V.H.S. flags flanked by two guns and two swords.

LEFT TO RIGHT: T. Intile, B. Kanady, J. Baker, J. Ginsberg, D. Gaffney, S. Bird, J. Opalinski.

FIRST ROW, left to right: C. Olsen, H. Berndt, H. Edelman, M. Dixon, B. Cristodero. SECOND ROW: A. Persak, E. Van Popering, B. Healy, F. Morris. THIRD ROW: J. Dunn, B. Shields, J. Sherman, J. Mapletoft. FOURTH ROW: N. Kemm, J. Mitchell.

GIRLS' SPORTS

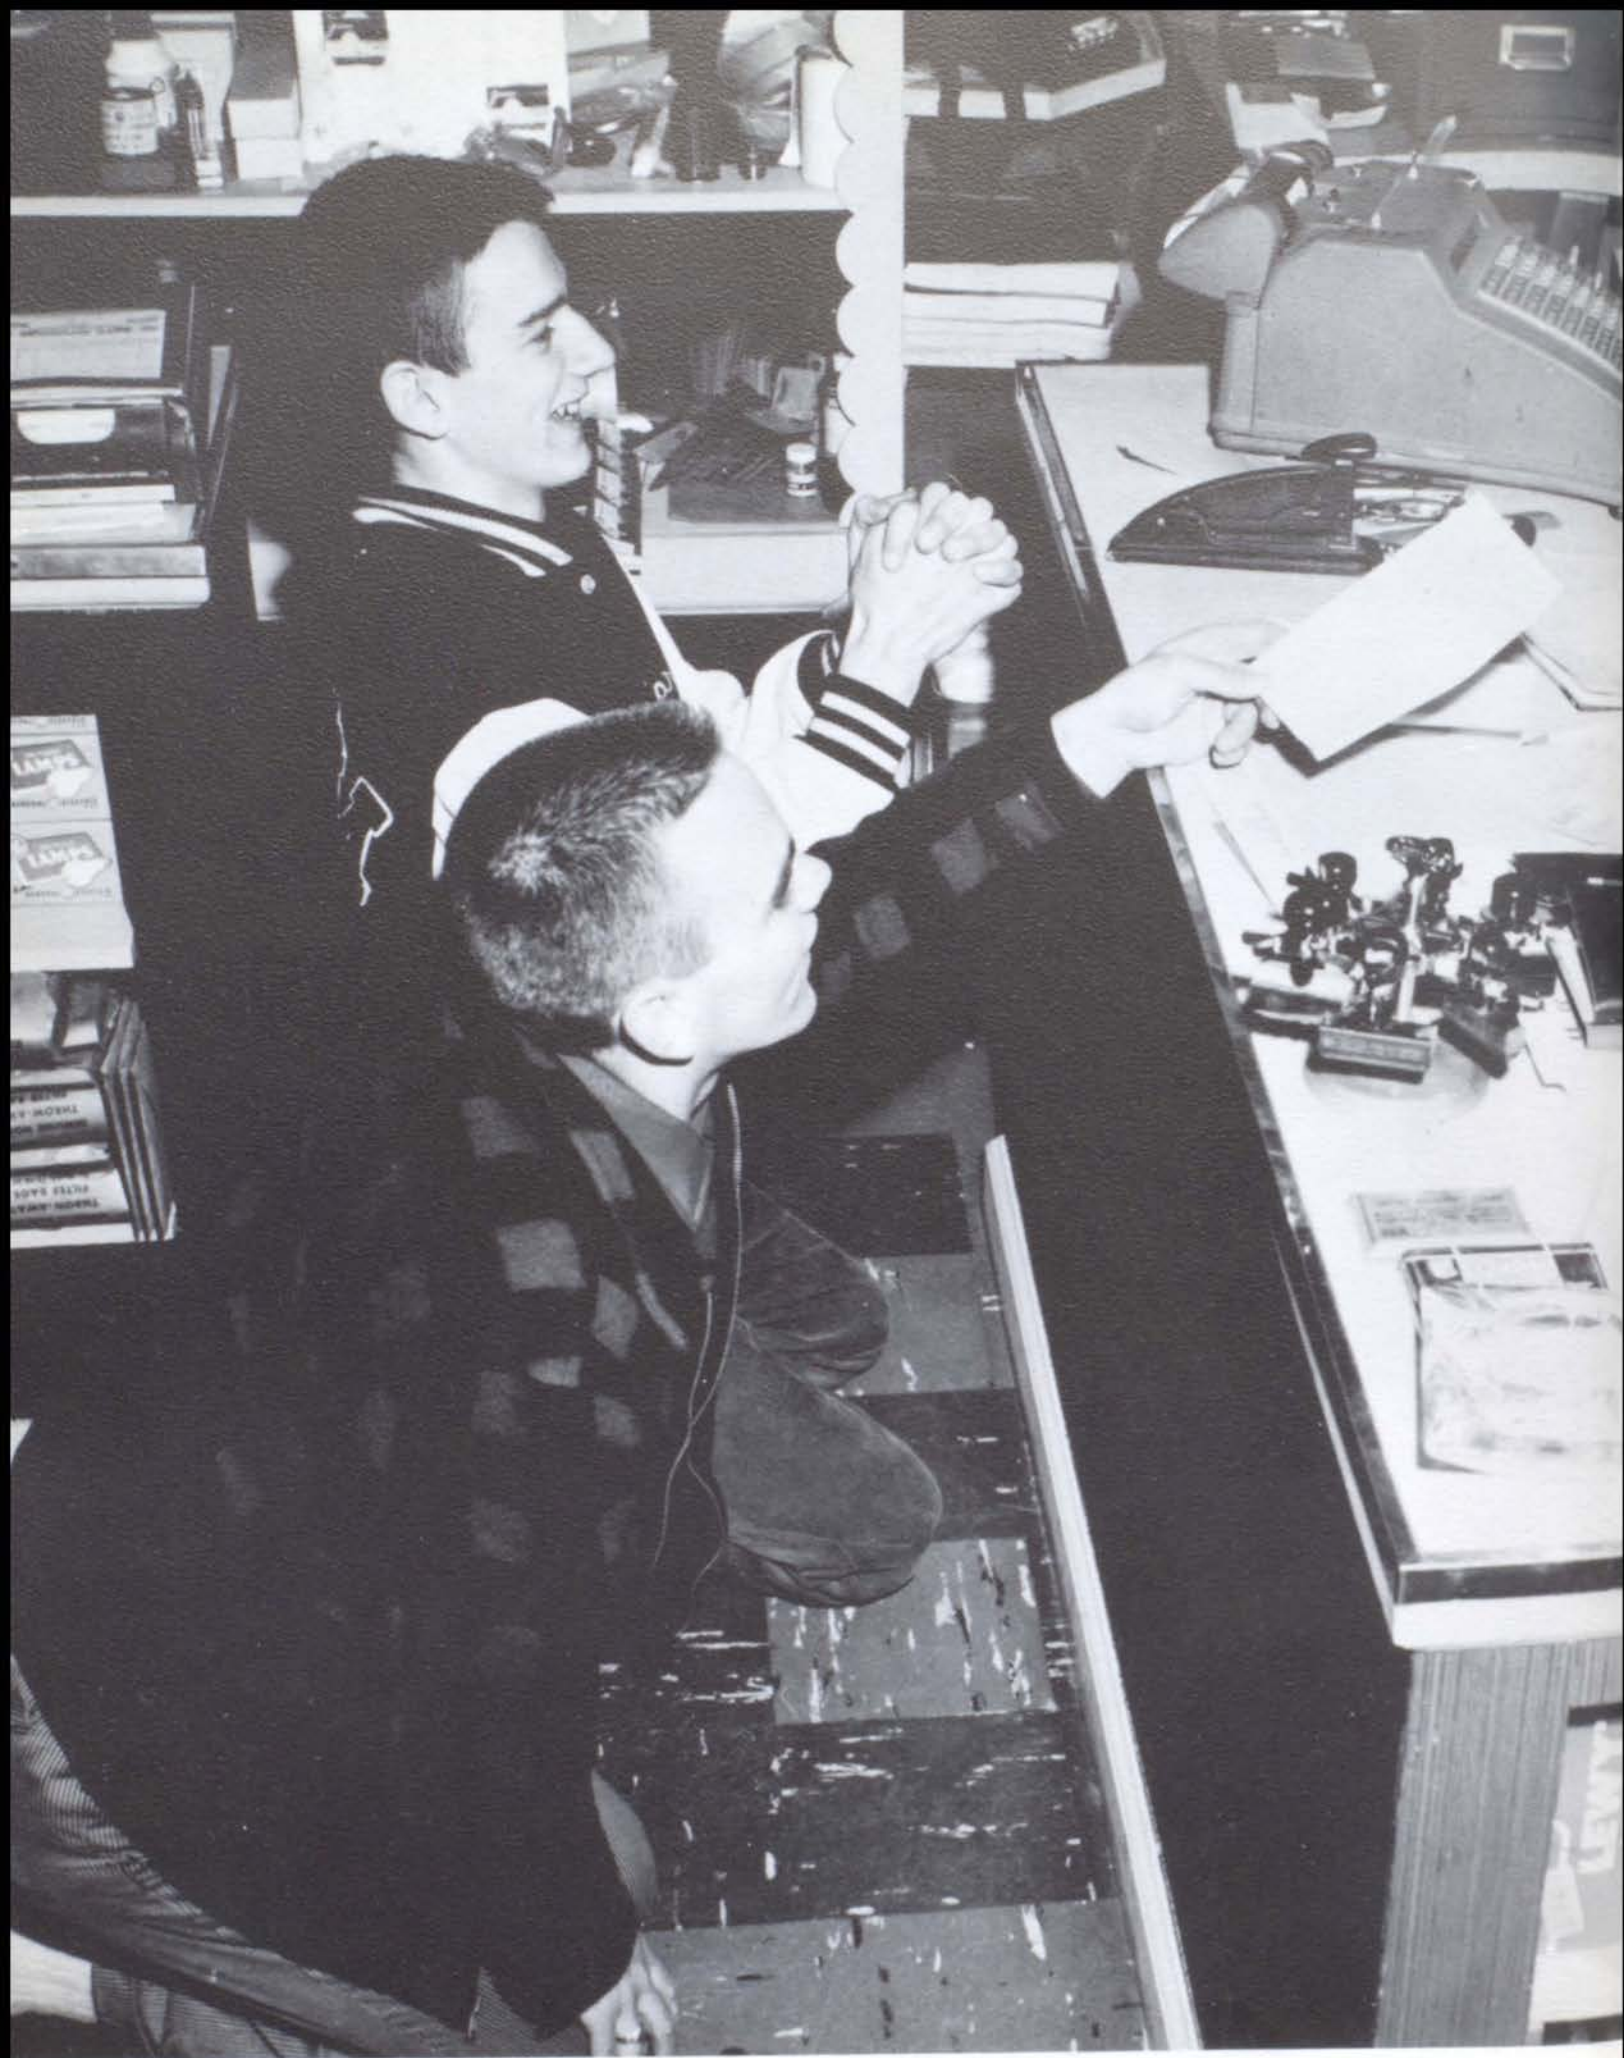

Under the sponsorship of the G.A.A. and the direction of Miss Marie Cardillo, the Girls' Sports schedule has been very active. Starting in the fall with hockey, the Verona eleven played a five-game schedule. After losing games to Glen Ridge, Madison, and Millburn, the girls finally beat Caldwell twice to finish with a 2-3 record. The soccer team had a very successful season.

The winter was filled with many activities for the girls. Among these are the basketball, volleyball, and tumbling teams. Both the basketball and volleyball teams played other schools and were successful in their competition.

To finish the full year of sports the girls enjoyed softball.
