Foreword

The year 1960-61 shall become but a shadow in the thoughts of us who have experienced it as a year in Verona High School. Yet this shadow will remain a part of each one of us, reminding our hearts and minds of all those joys and sorrows, successes and failures, which have helped lead us toward maturity. Indeed this year will not be forgotten. It shall always endure in our memories.

DEDICATION

Verona High School has been enriched by the talents and charm of Miss Louise Fricke for the past twelve years. During this time she has been recognized as a competent and inspired teacher of the French language. Her dramatic classroom techniques reveal clearly her devotion and love for the art of teaching. Students of V.H.S. who have learned French under her skillful guidance are well aware of Miss Fricke's dynamic personality. Her sparkling wit and friendliness will be only two of the fond remembrances of all who have been associated with her.

Miss Fricke's contributions to our high school are many. She has initiated and directed our foreign exchange program and has been the hard-working adviser of the Meridians Club.

It is in gratitude for her contributions to our school as a teacher and a friend that we, the staff of *Shadows*, dedicate this yearbook to Miss Louise Fricke.

STUDENT COUNCIL

The Student Council, under the leadership of Miss Howell, the faculty adviser and officers Jeff Somers, President; Anthony Di Stefano, Vice President; and Ginny Maley, Secretary, carried on its activities through the year. Consisting of a representative and alternate from each homeroom, the Council acted as a "clearing house" for student ideas on school problems, rather than a governing or legislative body.

The Council helps control the Cafeteria, runs the annual Kick-Off-Dance, holds receptions for guests and delegates and gives financial aid to clubs. The Student Council is one of six members in the Suburban Conference of Student Councils.

NATIONAL HONOR SOCIETY

The Verona Chapter of the National Honor Society was established in 1952 under the direction of Miss Mary Alice Shockney. Fifteen per cent of the senior class are members. These students must maintain a B average and must be in the upper quarter of their class. Scholastic ability, leadership, good character and the desire to serve the school are all evident in these students. Some of the functions of the group consist of a tutoring service, the sending of get-well greetings, and acting as ushers for school programs. They also act as hosts at the annual alumni party. The Society awards two scholarships at the end of the year.

SHADOWS

The members of the various *Shadows* staffs can be found running about the halls snapping pictures or interviewing someone. Mr. Paul Dimmers once again displayed great patience when deadlines were cut close and great assistance to the hard working staffs.

The co-editors this year were Gail Scriven and Margie Maley. The *Shadows* serves the purpose of bringing back the fond memories, the glory, honor and pride of the winning team or high academic achievement to the past and present students of V.H.S.

FAIRVIEWER

The main objective of the *Fairviewer* is to give the interested students in V.H.S. the experience of publishing a newspaper. The staff of this year's *Fairviewer*, headed by editor-in-chief, Mike Stieber, and faculty adviser, Miss Harding, put in many hours of work in preparing features, editorials, sports events and news articles for each issue of the paper. The *Fairviewer* gives all students the right to express their views on controversial issues through the "Letters to the Editor" column. This year was a very successful one for the *Fairviewer*, with great participation from V.H.S. students.

FRONT PAGE CLUB

FRONT PAGE CLUB

Mrs. Rader, faculty adviser, and Janice Stauber, editor.

The Front Page Club is the organization that publishes a weekly column in the *Verona-Cedar Grove Times*. The co-editors of this column were Janice Stauber and Ginny Redhammer, and the adviser was Mrs. Rader. Articles for the club are written by the students of V.H.S. and concern any activity or occurrence in our school. This year letters from Betty Whittle were included in the publication. The purpose of this column is to inform Verona residents of all the major events taking place at the high school.

PERSPECTIVE

PERSPECTIVE EDITORS

Betsy Hull, Nancy Ellis, Ginny Redhammer.

Under the guidance of Mrs. Sredl, *Perspective* is published once a year in the spring. The book affords the students of V.H.S. an opportunity to submit short stories or poems and any other literary material to be read by the entire student body. Each article submitted must be approved by the editorial board to be assured that only the very best will be published.

G.A.A.

The Girls' Athletic Association, under the supervision of Mrs. Downs and its officers, Gail McKelvey, President; Lynn McTague, Vice President; and Secretary, Jill Ward has upheld the tradition of being one of the most active groups in V.H.S. The purpose of the G.A.A. is to stress good sportsmanship and team spirit. This year's program included basketball, volleyball, soccer, field hockey and a G.A.A. sponsored picnic. The show this year was Modernized Fairy Tales and, as always, it was a great success.

TRI-HI-Y

This year the Tri-Hi-Y operated as an informal group rather than an organized club. Under the advisership of Miss Hamer, this group of junior and senior girls worked in co-operation with the Montclair Y.W.C.A. in planning various service projects and social functions. The girls sponsored several splash parties and went on a hosteling trip at the end of the year.

LIBRARY COMMITTEE

The Library Committee is a service organization comprised of V.H.S. students who voluntarily give their assistance in the library. They help Mrs. Moore keep the library the well-run part of the school that it is. The members of this organization are the "unsung heroes" of V.H.S. who enable the rest of the students to get the most from the library.

JR. VOLUNTEER NURSES

The Junior Volunteer Nurses is an active V.H.S. organization in which the members work for two to three hours a week at Mountainside Hospital. These girls run errands for the nurses and try to cheer up the patients. Any girl from age 15 to 17 can join. This organization is beneficial to any girls who wish to pursue a nursing career.

JR. RED CROSS

The purpose of Red Cross service is to help people help themselves. In all its activities the organization relies on the principle that people everywhere give their best in service to one another. The JRC has two annual projects . . . Red Cross enrollment, and the filling of gift boxes for underprivileged peoples in foreign lands. This year the group made a student directory including names, addresses, homerooms, and telephone numbers. Although it was the first time a directory like this was compiled, the project was a successful one.

CHORUS

The Chorus is a new addition to V.H.S. this year. It offers the students who enjoy singing an opportunity to do so. This year, under the direction of Mrs. Leonardson, the combined choruses and choir performed at both the Thanksgiving and Christmas assemblies. The Choir also gave its annual successful concert for the interested citizens.

MARCHING BAND

This year the Verona High School band and concert band were extremely active. With Mr. James Ringle as director they put on a concert, accompanied the choir in "H. M. S. Pinafore" and held a very successful dance. The band was heard and enjoyed by the entire student body at each assembly. As in previous years, the band played at the football games and pep rallies and performed interesting routines at each game. This year Rick Bogel and Griff Dixcy were fortunate enough to make All-State Orchestra.

TEENS FOR SAFE DRIVING

Teens for Safe-Driving is a club new to V.H.S. this year. It is sponsored by Mr. George Stiefbold, driver education instructor. DRAMATIC CLUB

The Dramatic Club is one of the most popular clubs in our school. Its 130 members met regularly during the club periods to promote a stronger appreciation of drama and to entertain each other with talent sketches and dramatic scenes from different plays or comedy monologues. Mrs. Marion Loyd was the adviser of this club. President was Barbara Standfast, and Nancy Jorgenson and Dee Dee Newcomb were Vice President and Secretary-Treasurer respectively. The Dramatic Club also performed a one-act play for the entertainment of the students and faculty.

TRAFFIC PATROL

The Traffic Patrol, under the direction of Kay Akeson and Ellen Young, played a very important role in V.H.S. Mr. Johnson is the adviser. The purpose of the Traffic Patrol is to make the halls and heavily-traveled areas of our school less congested. This is accomplished by the committee members who lead students into assemblies, conduct fire drills and try to find quicker and better ways in which the students can pass to class.

ASSEMBLY COMMITTEE

This year's Assembly Committee, under the advisership of Mrs. Chase and with the aid of Paul Vichness and Mike Loewenthal, helped to choose and plan assemblies for the benefit of the students of V.H.S. Among the assemblies this year were the Colgate 13 and a talent show in which V.H.S. students participated. This organization also conducted opening exercises and had its own assembly.

The purpose of the F.T.A. is to promote interest in the part of the high school student in teaching. It inspires young people to look into teaching as a career. At club meetings, the members see films, have discussions and invite guests who speak about phases of teaching. They have had teachers, administrative personnel, college students, and special teachers who instruct deaf, dumb, blind or mentally retarded children. Each year the seniors "practice teach" in the field in which they are interested.

FUTURE TEACHERS OF AMERICA

Kathy Kozma and Barbara Cristodero headed this year's Concessions Committee aided by Miss Valk as faculty adviser. This year's committee faithfully served food to the hungry football spectators. Such things as hot dogs, pretzels and coke were sold by the members on the committee, who walked around so that the spectators could be served without leaving their seats. The Student Council is the sponsor of this organization.

The purpose of the Meridians is to promote international understanding, to encourage the exchange of students and projects, and to uphold friendship with partner schools like the Sophie-Scholl-Schule in Berlin, Germany. Seventy students of our school belong to the club. Their adviser is Miss Fricke. President is Barbara Cristodero; vice-president, Martha Dixon; treasurer, Nancy Ellis; and secretaries, Ann Yellott and Pat Hansen. This hard-working club this year was host to Dieter Uhe, our second exchange student from Germany. The first exchange student from Verona High School, Betty Whittle, spent the year at the Sophie-Scholl-Schule.

AUDIO SQUAD

The Verona High School Audio Squad serves our school behind the scenes throughout the year. Under the sponsorship of Mr. Harold Butterworth, this closely-knit team of ten students performs such necessary functions as broadcasting daily announcements, setting up the microphones for assemblies, and aiding all school organizations that are in need of the services of the group. The Audio Squad also functions in an operating capacity during all canteens, dances, P.T.A. meetings, and home football games.

YOUNG CITIZENS CLUB

The aim of the Verona High School's Young Citizens Club is to better acquaint its members and other students with politics in general, more specifically, local politics and government. The club was organized in 1959 by Alan Gutterman, Alice Weber and Jim Woldow. Under the faculty leadership of Miss Carol Cannon, the club carried out many worthwhile activities. One of these activities was a "mock election" held in November. The President was Paul Vichness, Vice President, Mark Pollard and Secretary was Christine Avondoglio.

HERALD TRIBUNE FORUM DELEGATES

This year Verona High School was fortunate in having as its delegates for the *Herald Tribune* Forum Zoë Allen from England and Per Seglen from Norway. Zoë and Per stayed three weeks with Margaret Young and Paul Vichness respectively.

During their stay three seminars were held on the subject of comparative education. The last two workshops were open to the public and proved to be very interesting. It was fun having Zoë and Per in Verona and it is hoped that they will return someday, for many lasting friendships were made with these two wonderful people.

YOUNG PHYSICIANS CLUB

The Young Physicians Club was new to V.H.S. this year. It was introduced by the Essex County Medical Association and functions under the guidance of Mr. Johnson, the faculty adviser, and Randy Bazilauskas, President. The club met during club period and also held activities out of school. The functions of this club consisted mainly of talks and

films on different phases of medicine. The purpose of the club is to give those with an interest in medicine and a desire to continue in the field an opportunity to explore their interest. The members hope to be able to work in local hospitals sometime in the future.

GYMNASTICS CLUB

About thirty boys and girls met regularly during club periods and on Tuesday and Thursday mornings to share their common interest, that of learning how to train their bodies and how to bring them under the control of their minds. This club might have been

one of the most informal ones in V.H.S., however, it offered concentration and discipline. Two facets of the program, training and relaxing, seem to contradict one another, but Mr. Peterson and Mr. Stiefbold, advisers, know how to combine them both.

FOOTBALL

The Hillbillies did a tremendous job this year for a team with only four starters from last year's squad. Coach Tom Sellitto was aided by tri-captains, Dom Martorelli, Don Cerefice and Don Gray. The only setback of the season was the one loss to Millburn. Quarterback, Tom Edgerton, with the help of the backfield, did an outstanding job in ground gaining with the great blocking of the seven iron horses on the line. The team not only received the State Championship and the Suburban Conference Championship, but also tied the school record of eight wins and one loss.

First row, left to right: Coach Morris, B. Morehouse, S. Picker, B. Sunshine, B. Farrell, H. Dubin, R. VanCauwenberge, R. Luzzi, M. Inglesino, B. Wermuth, N. Keller. Second row: Coach LaPare, R. S O C C E R

Coach Stiefbold, with the help of captains, Harold Holmes and Bob Helmsteadter, did an amazing job this year leading Verona to their fourth-straight State Championship. With twelve wins and five losses, we were among the top teams of the State. The only team that overpowered Verona was Chatham, but the rest of the games were decisive victories.

This year's V.H.S. Basketball Team did not do well. Some bad breaks and lack of height were major factors in a poor 4-14 season.

After losing the first three games, the cagers defeated Glen Ridge 43-41 in overtime. A long losing streak of six games followed, before their first conference victory over Chatham, 56-50. After five more losses, the team wound up the season on a happy note by defeating rival Caldwell 48-45.

Don Cerefice and Jack Wurgaft, co-captains, led the team with 14 and 10 point averages, respectively. Wurgaft, along with Rocco DiMaio, was the leading rebounder.

Have the alumni lost their touch?

Coach Tom Morris is proud of his big six this year. With John Seebach as captain, and Dick Harper and John Higgins as co-captains, the team had an excellent season with 4 wins and 5 losses. The high scorer for the team was Dick Harper, while John Higgins, the goalie, did the best net tending in the league.

BOWLING

First row, left to right: F. Tempesta, P. Giannetti, T. Leuzarder. Second row: S. DeSantis, Coach Burguillos, T. Kempczynski, T. Madison.

Mr. B's boys, under the leadership of Captain Sig. De Santis, compiled a record of 14 wins against 16 defeats this year. This record is a great improvement over last year's totals. Tom Kempczynski was credited with both high game and high average. Other members of the team were Joe Ruoto, Pat Giannetti, Fred Tempesta, Tim Madison, and Tim Leuzarder. With two of this year's Keglers returning as a nucleus, Mr. B. and Verona can look forward to an even better season in '62.

TRACK

This year's track team had to apply extra effort because of a shortage of seniors. The team's coach, Mr. Babb, placed special emphasis on the field events.

Five returning lettermen headed the squad. Tom Edgerton and John Havekotte ran the hurdles. Brian Courtney competed in the 100 and 220 yard dashes. Other promising prospects included John Seebach in the broad and high jumps and in the javelin competition. Bob Weldon gave Verona added strength in the pole vault. Although this was a rebuilding of Verona "thinclads," they were outstanding in several events.

GOLF

Left to right: E. Furbeck, B. Falconer, S. Zarillo, N. Terry, S. Mongioui, R. Malmstrom, D. Harper, J. Simmonds.

Under the excellent guidance of Coach John Lenaeus, and with the aid of returning lettermen Nardy Terry and Ricky Malmstrom, the golf team did reasonably well in Suburban Conference competition this season. Steve Zarillo, Sam Mongioui, Dick Harper and Jack Simmonds were new recruits this year replacing four seniors lost because of graduation last year.

First row, left to right: T. Shefrin, D. Straus, M. Straus, A. Weinstein, E. Moser, L. Ormland, B. Helmstaedter, J. Krupp, Coach Podems.

This year's tennis team found itself with five returning lettermen. Bob Helmstaedter and Mark Straus, co-captains, Brian Jones, Larry Oremland, and Ed Moser. All previously earned varsity letters. Dave Straus, Alan Weinstein, and Tom Shefrin also saw action. The new coach this season was Gary Podems, physical education instructor in the grammar schools.

The toughest competition in the conference was experienced with Millburn and Chatham, but Verona gave a good account of itself.

This year's baseball team was composed entirely of sophomores except for senior Don Cerefice and junior Mike Lurski.

Backed by Coach Woody Litwhiler, the team was a strong one.

The nucleus was composed of John Scarano, Bruce Wermuth, Tony Bonito, Pete Parsells, Chuck Nigro, Billy Morehouse, and Jim Haas.

The season was a fairly successful one despite the boys' inexperience in working with each other.

Decorations in the cafeteria, posters in the halls during football season, canteens and pep rallies, all for the purpose of promoting school spirit, are just a few of the things the football cheerleaders did during the past season. Under the direction of Diane Norcross, captain and Patti Duffy, assistant captain, these twelve girls hope they played some small part in giving the football team the pep, energy, spirit and vitality it needed to win the State Championship. Hats off to the girls who put so much time and effort into making this year's cheerleading the best!

The Color Guard proved its worth for a second time this year. The squad could be seen marching in advance of the band carrying the American and V.H.S. flags flanked by two guns and two swords. It performed at each football game under the direction of Mr. James Ringle.

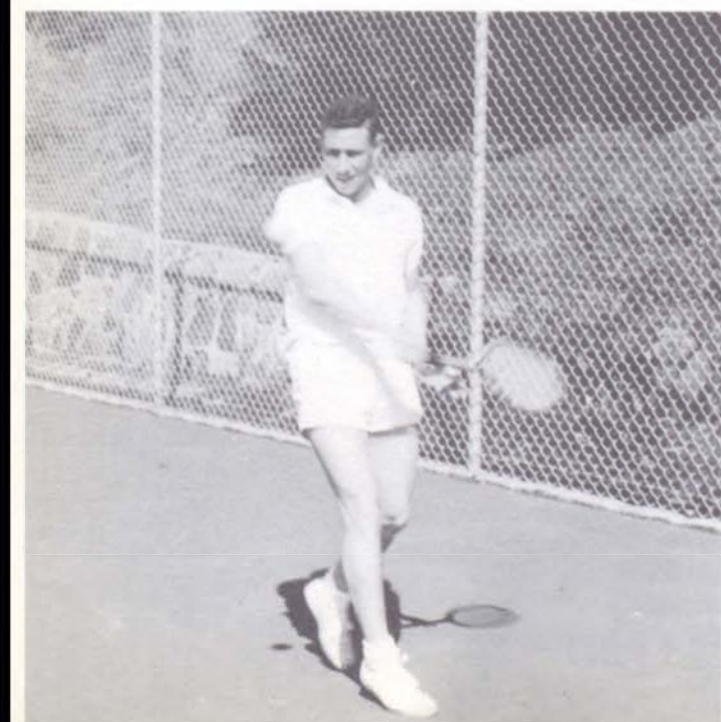

TWIRLERS

The Twirling Squad, under the direction of Mr. James Ringle, faculty adviser, and Barbara Gauss, head twirler, displayed throughout the year the skill and precision for which they had been chosen. Their many hours of after-school practice were well rewarded by

fine performances. They marched and twirled at football games and pep rallies and presented original formations and skits at both. They also marched in the Memorial Day Parade.
