

SHADOWS 1972

you've got a friend

Words and Music by Carole King

When you're down and troubled And you need some love and care And nothin', nothin' is goin' right, Close your eyes and think of me And soon I will be there to Brighten up even your darkest night. You just call out my name And you know wherever I am I'll come runnin' to see you again. Winter, spring, summer or fall All you have to do is call And I'll be there. You've got a friend. If the sky above you Grows dark and full of clouds And that ol' north wind begins to blow, Keep your head together And call my name out loud: Soon you'll hear me knockin' at your door. You just call out my name And you know wherever I am I'll come runnin' to see you again. Winter, spring, summer of fall All you have to do is call And I'll be there, yes, I will. Now ain't it good to know That you've got a friend When people can be so cold? They'll hurt you, yes, and desert you And take your soul if you let them; Oh, but don't you let them. You just call out my name And you know wherever I am I'll come runnin' to see you again. Winter, spring, summer or fall All you have to do is call And I'll be there, yes, I will. You've got a friend. You've got a friend, Ain't it good to know you've got a friend.

In all our efforts for education—in providing adequate schools, research, and study—we must never lose sight of the very heart of education: good teaching itself. Good teachers do not just happen. STUDENT COUNCIL OFFICERS — Mike Santoro, Fran Santomeno, Bob Shand, Eric Kraeutler, Roger Chiocchi.

Under its new constitution which provided for weekly meetings and divided representatives into five committees, the Student Council was better organized this year than in previous years. Movies and several dances were sponsored by the social committee, and the policy committee helped to develop a revised final exam policy, but most of the Council's efforts were concentrated on the controversial Smoking Lounge proposal. Starting early in October, the Council officers and members put a great deal of time and effort into developing a viable proposal, going through the right "channels" before presenting it to the Board of Education, only to receive a negative decision.

Board of Education, only to receive a negative decision. Although no significant changes were effected, the 1971-72 Student Council, its officers, and advisor—Mf. Arnold, succeeded in acting as a liaison between the student body and the school administration, and providing a platform for student ideas.

directed by Mrs. Ruth Garoni

Acting and production experience is an integral part of the Dramatics Club. The production of "Harvey" in March was this year's main event. This successful production was also accompanied by the presentation of one-act plays during the year. The year ends with the annual cast picnic.

Usually seen working (?) in the Student Activities room, or borrowing paper clips, KO-REC-TYPE, and other assorted items from Mrs. Dyer, this year's SHADOWS staff was proud of almost making their first deadline, although they didn't even come close to making the other three. Even with problems like lost pictures, staff changes, missing editors, a missing advisor, lack of funds, a photography staff of one, and the general disorganization of Alice and Ellen, the yearbook went to press in time to be distributed before graduation. The Editors of SHADOWS '72 hope that our yearbook will reflect the time and effort put into the publication, that it will be an accurate representation of the '71-'72 school year, and that it will remain as a tribute to the Class of '72.

INTERNATIONAL WEEKEND

Under the direction of chairman Judi Liberman, this year's International Weekend was held on the 28th, 29th, and 30th of January. Involving nearly 80 exchange students visiting the U. S., and that many Verona hosts, the weekend began Friday afternoon when the students all met at a reception at the high school. That evening, activities were held in the gym followed by a party at Ellen Cohen's house. Highlights of the rest of the weekend included a panel discussion, a party on Saturday, and finally a brunch on Sunday morning, when the exchange students left their weekend hosts. Through the efforts of Judi and her committees, the weekend was highly successful and enjoyed by all who participated.

Karen demonstrates to Eugemio the reason she was voted most talkative.

FAIRVIEWER — Patrice Jordan, Lois Olinger, Barbara Kolich, Gary Eisdorfer, Steve Klein, Janet Kaplan, Margaret Hein.

Attempting to set a record for the least amount of issues per year, *The Fairviewer* was only published four times this year. This misfortune was due to a severe lack of student support, which left Editor Steve Klein with a working staff of about four students, a rather poor showing from a student body of 1,000, and hardly enough to run a successful student newspaper.

JOURNALISM CLUB — Pat Foley, Steve Randolph, John Farley, Mrs. Nadler, Tom Stuart.

Mrs. Graef's Greenhouse Club keeps the plants alive and well and living in Room 22.

The party was a roaring success until an uninvited guest arrived, escorted the members of the club to school and promptly suspended 17 of them. Three days later the "Senior 17" were reinstated and welcomed back by the 7 who got away. The highlight of this year for the V. H. S. Ski Club was the weekend ski trip. MARCHING BAND

Usually heard complaining about early morning practices and the muddy field, the members of the Marching Band provide halftime entertainment at all football games, and play at pep rallies. Under the leadership of Drum Major Pete Wannamacher and Mr. Owens, the "Marching Maroon and White" demonstrate their skills in marching and music in routines to the music from "Promises, Promises" and songs by "Chicago". In November, the Band en-tered in the West Essex Marching Band Competition. They re-ceived a "good" rating, which was exceptional in the face of strong competitors. Finally, the Band marched in the annual Memorial Day Parade.

The band stares in amazement as they learn they have to play "Mr. Touchdown" for the 100th time this year.

CONCERT BAND

Practicing every day 7th period, the Concert Band is best known to the students of V.H.S. for playing in assemblies. But during the year they have many other activities which include several concerts for the public, and the annual hoagie sale to raise money for the band exchange, this year with Admiral Perry High School in Rockville, Maryland.

"Montreaux or Bust!!!"

STAGE BAND

The Stage Band, comprised of some members of the other bands, has always been appreciated by the students of V.H.S. for its superior assembly programs. This year, the Stage Band is known for more than that, as it was selected as one of twelve high school jazz bands to represent the United States in an international competition at Montreux, Switzerland. Most of their activities in the second half of the year were dedicated to raising money for the trip in June. Some of the fund-raising activities included a concert with Jersey City State Jazz Band, raffles, soliciting, and a Don Ellis concert. Besides preparing for the trip to Montreux, the Stage Band also took third place in the Ramapo Stage Band Competition, and attended the Northeastern Stage Band Competition at Berklee School of Music in Boston.

Hours of practice from September 1st to Thanksgiving Day, hearing "Get off the Ball" a hundred times, watching football films over and over, all paid off for the members of the successful 1971 Varsity football team, and for their fans. The senior-dominated squad, coached by "Big Al", "Turk" Sutter, the "Rocc", and Mr. Lenaeus, posted an outstanding 7-1-1 record, sharing the Suburban conference Crown with Summit. Verona's offense, led by Hassert, Ciccone, Hiteshew, and Coppola, was able to overrun conference foes behind the great blocking of "Bo" Battista, "Sick Nick", Black, DeMaio, and Fox. On defense, "Big Sal", and "Spider" Bruso stubbornly gave up yardage, which is reflected in opponents' scores, including two shutouts. Verona High received an additional honor this year as the team was recognized in the Saylor Ratings as the best Group II school football team in the state.

SOCCER

Tim Bannon shows off style that helped give us a winning season.

With only a few varsity men returning from last year, most people predicted a mediocre season for Coach Stiefold's team. As usual, the team proved otherwise. In the face of strong conference competition, they posted an outstanding 8-4-2 record, good enough for a second place Suburban finish behind New Providence. In state tournament play, the Hillbillies defeated Vailsburg, then bowed to a strong Lawrenceville team, who went on to win the Group II title. The Varsity's final record was 9-6-3.

Hot-t looks for an open man.

With the help of returning starters George Hegarty, Tim Bannon, Rick Price and Joe Albano, and the addition of Dave Lehman to the lineup, the Varsity Basketball team enjoyed a highly successful season. The season opened with a home game against Glen Ridge, the Hillbillies winning it in the final seconds 63-62. The rest of the season proved to be just as exciting. The team won four of their next six non-conference games, losing the two by close margins. In the conference, Coach Gaffney's men had little trouble, overpowering all but top-rated Summit. Verona ended up 12-2, taking 2nd place in the conference. In the opening round of State play, the Hillbillies were defeated by a powerful West Side team. Verona's overall record for the season was 17-6.

Todd looks futiley for an open teammate.

Softball, the Spring Show, the G.A.A. weekend, and annual Banquet finish off the year for this active club, which has the largest membership in the school. Assisting Carol this year were V. P. Under the leadership of Captain Betsy Osmun, and advisor Mrs. Roberts, the Varsity football cheerleaders are busy all year with their many spirited activities, which include cheering at all Varsity football and basketball games, two pep rallies, making posters for the halls, decorating the team room before each game, entering in several cheering competitions, and contribution enormously to the enthusiasm for all sports in VHS.

This year the soccer team was fortunate in having their own Varsity cheering squad once again. Under the leadership of Captain Jeanne Gregory, these girls contributed to the enthusiasm of the ever-increasing numbers of fans at the games, and continued in this spirit in cheering for our highly successful J.V. basketball team.

Usually seen practicing in some remote corner or hall in the school because they've been thrown out of every other place, the Freshmen cheerleaders, under the leadership of Captain Gail Mc-Mickle, cheered their football and basketball teams on to successful seasons, and served as a unit of spirit for the class of '75.

"Quick, snap it now! My smile's freezing!"

JUNIORS

The most active class this year was the class of 1973. Inheritors of '72's refreshment stand, their newest contribution has been the soda machine, better known as the "dime eater". They've successfully held a smorgasbord, corsage sale, and car wash, all as fund raisers for their prom. As this year's #2 they've tried harder, soon to be rewarded by their being #1 in the fall.

"A necktie tied on the door knob, huh?"

"If John has six apples and he gives two . . ."

"Just wait till 3 o'clock and . . . FREEDOM!"

"Anyone want a history book - cheap?"

"Next one to make a wisecrack gets hit with this wet noodle."

The dog kids love to bite . . .

"If you think we're funny you should see the photographer!"

Freshmen and Sophomores are together in ONE thing, anyway.

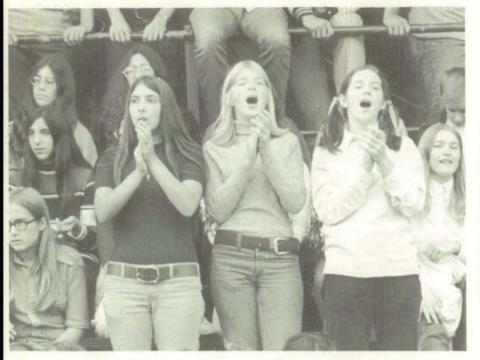

SOPHOMORES

Best known as the first sophomore class to successfully pull off a Sophomore Dance since the year 1969, this year's Sophs also took the prize for the longest spirit chain of the four classes. They are most easily recognized by their incessant question: "Wanna buy a candy bar?"

136

"It's the only way to fly."

"We are the freshmen, freshmen, freshmen of V. H. S.!"

"What'd you say the answer was, Valjean?"

"Act just like you don't see him."

Three Frosh try to act natural and don't succeed.

FRESHMEN

Most frequently dubbed as the "shortest class to hit VHS in years, the Frosh are most often seen bounding over tables in the Senior Lounge and diving between the legs of upperclassmen on the way to the cafeteria. Their one fund-raiser for the year was the T-shirt sale.
