TAKES

**A CLOSER
LOOK**

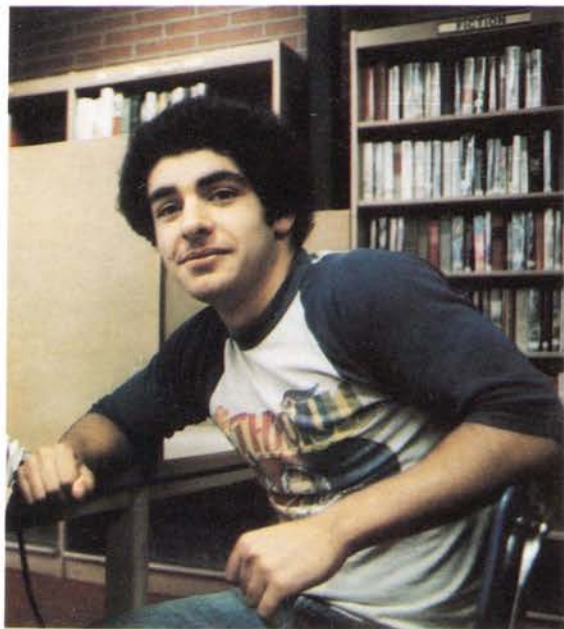

VERONA
HIGH
SCHOOL

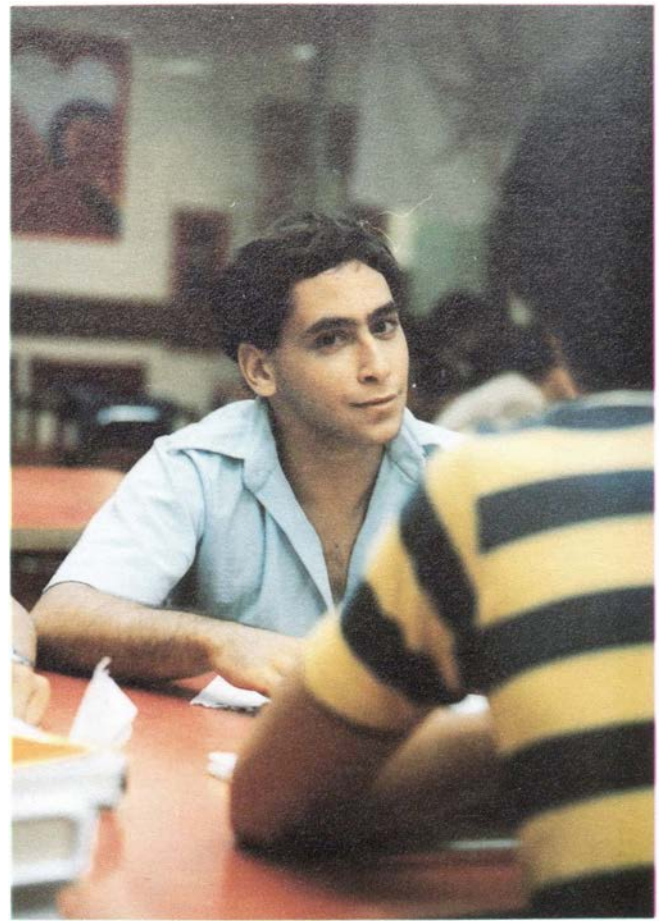

And if we close all our eyes together
Then we will see where we all come from
Pictures of us spinning the circling sun
Pictures of us show that we're all one.
Why don't we sing this song
All together
Open our heads
Let the pictures come . . .
The Rolling Stones

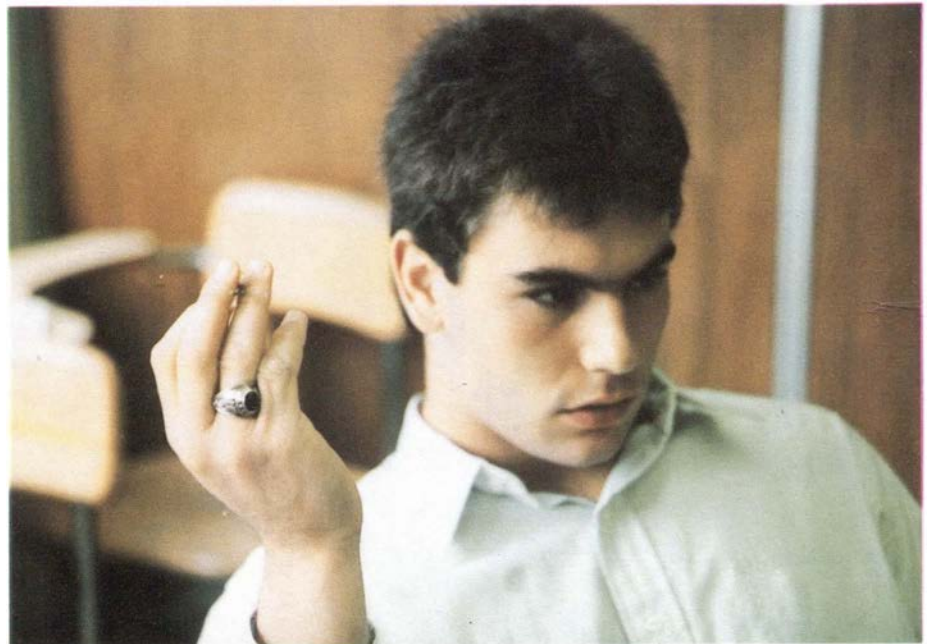

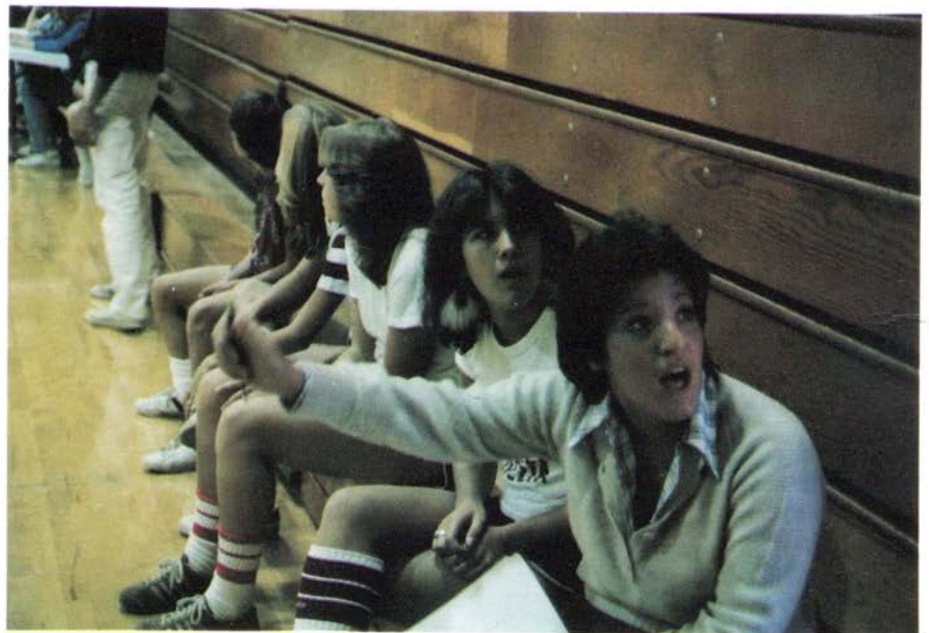

A picture is worth a thousand words . . .

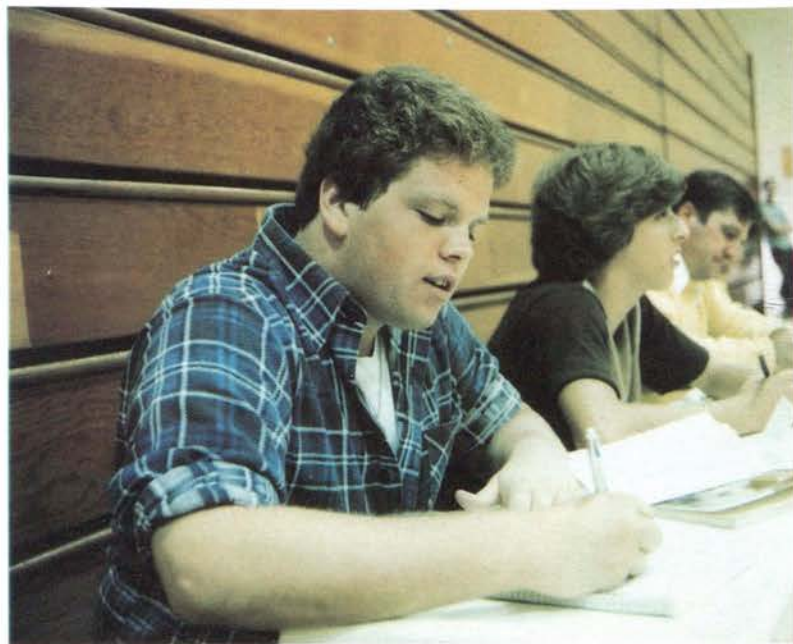

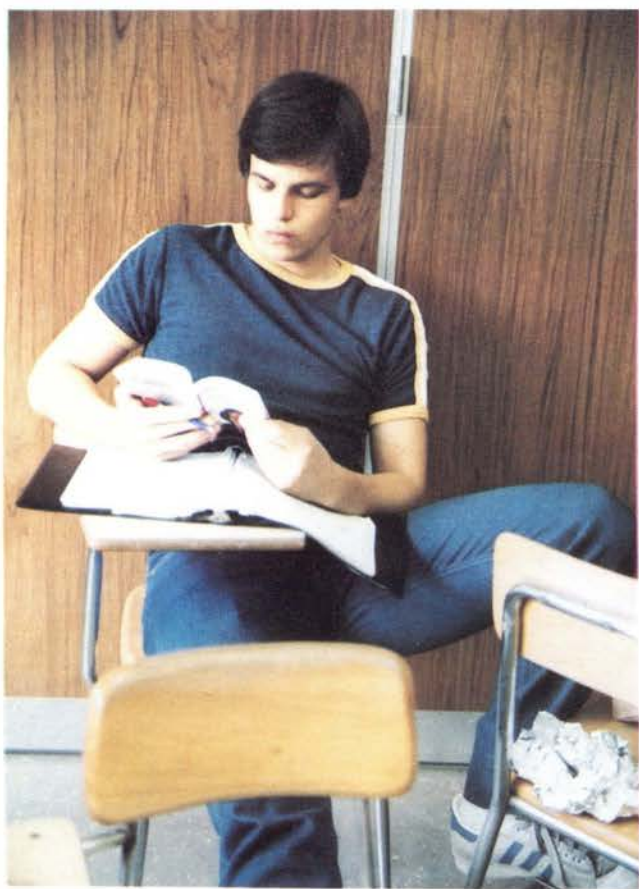

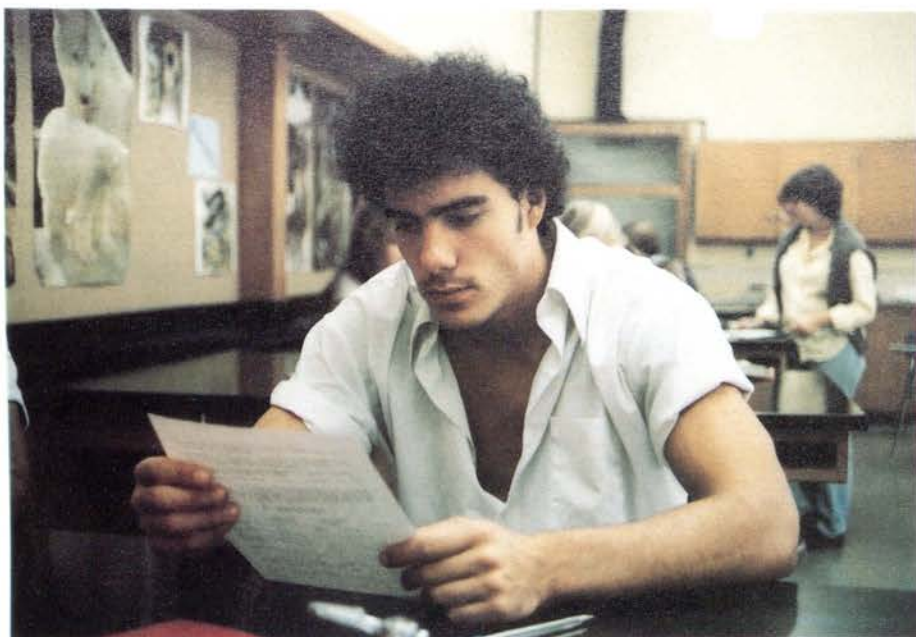

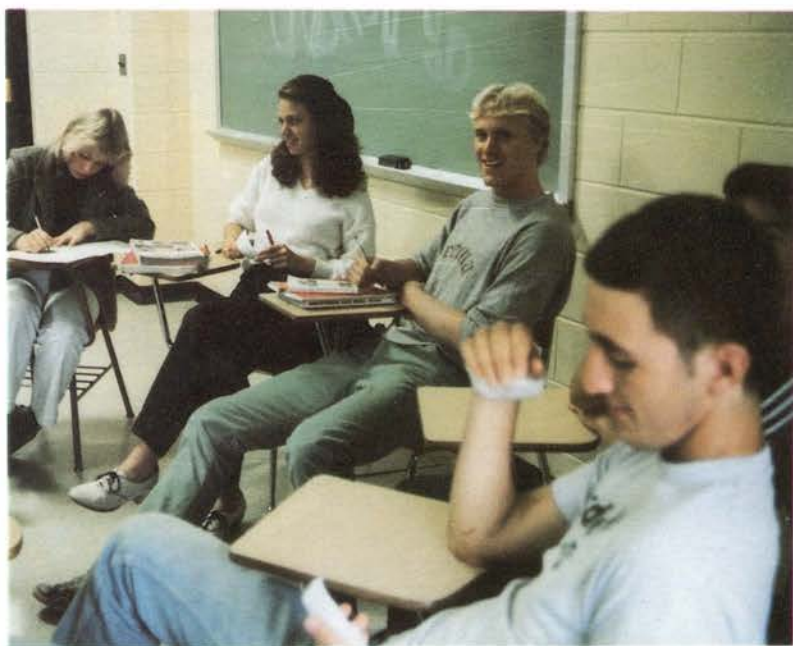

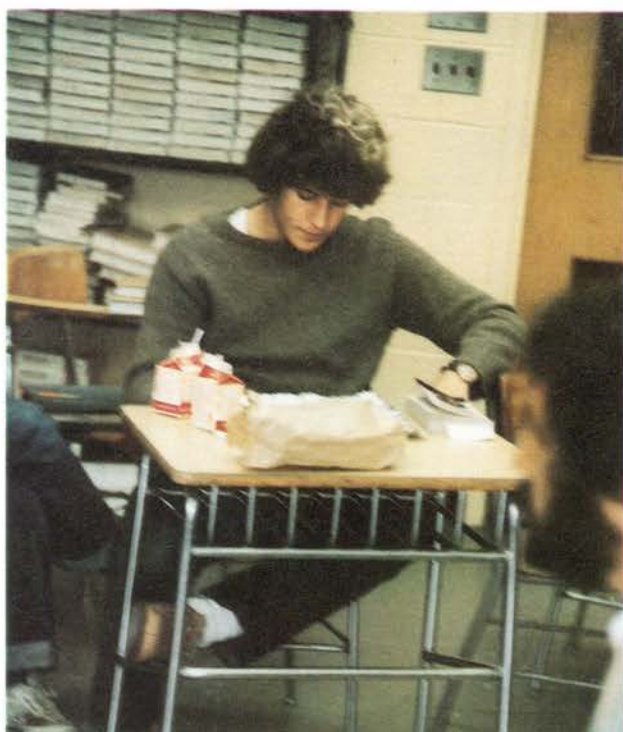

I've been aware of the time
going by
They say in the end it's the
wink of an eye.
Jackson Browne

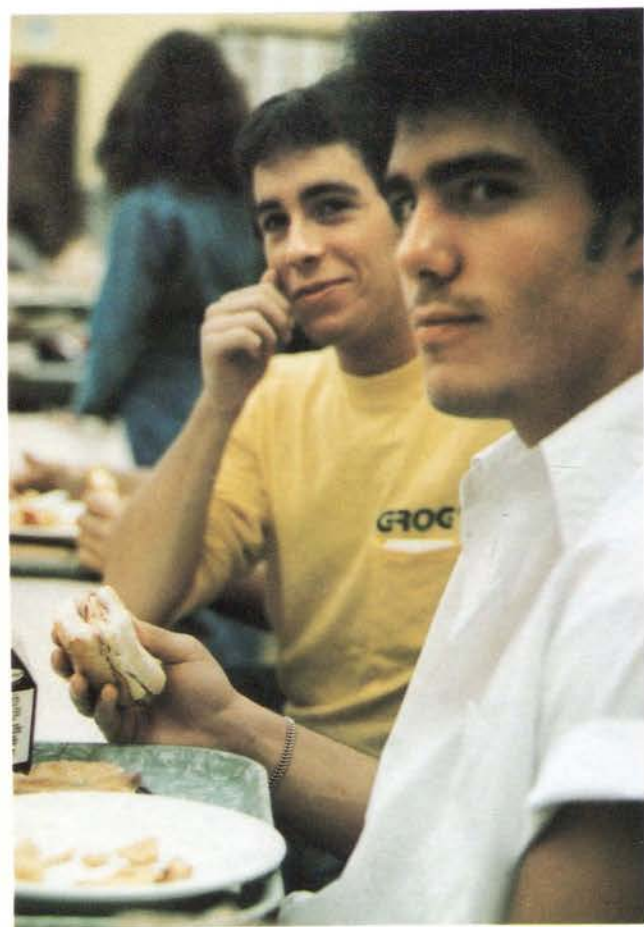

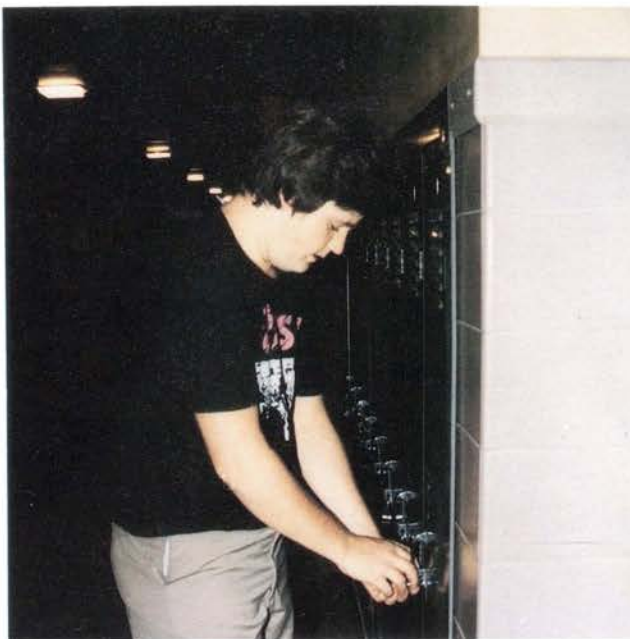

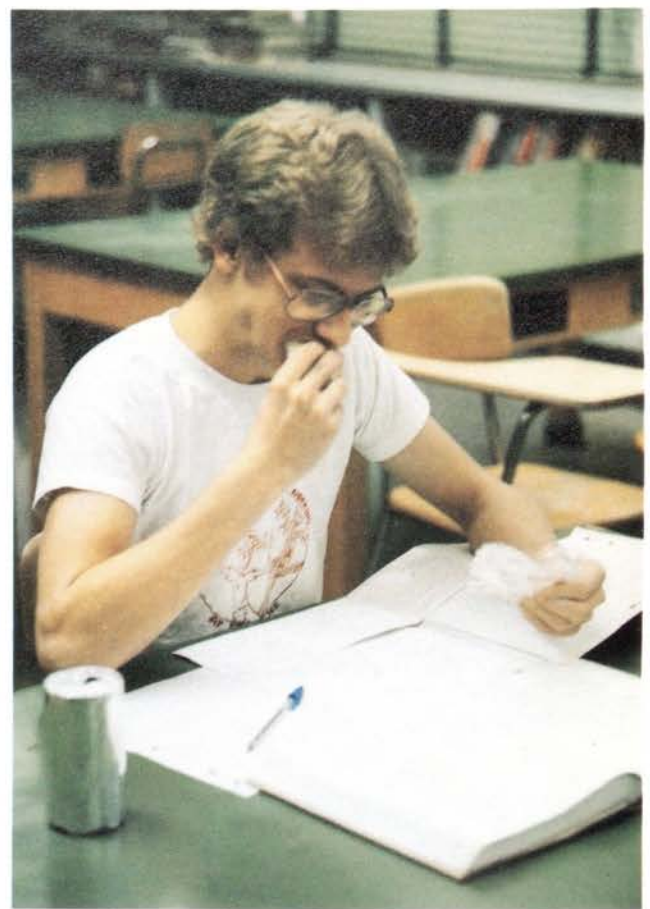

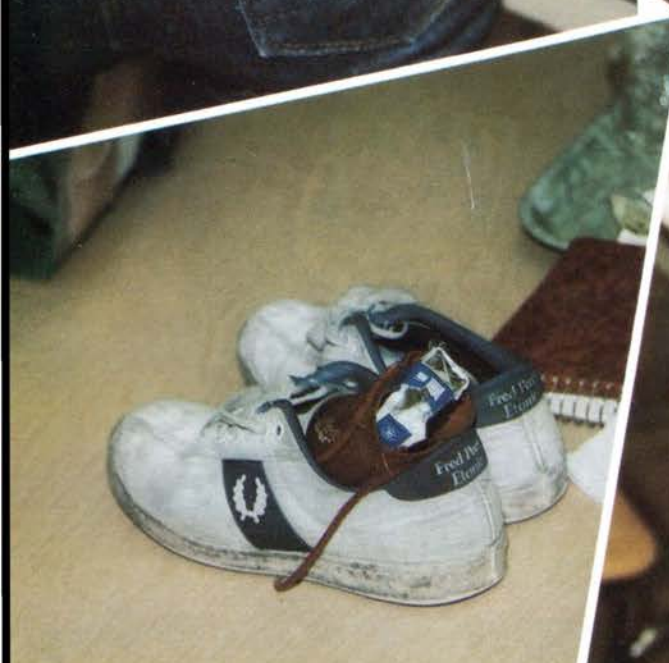

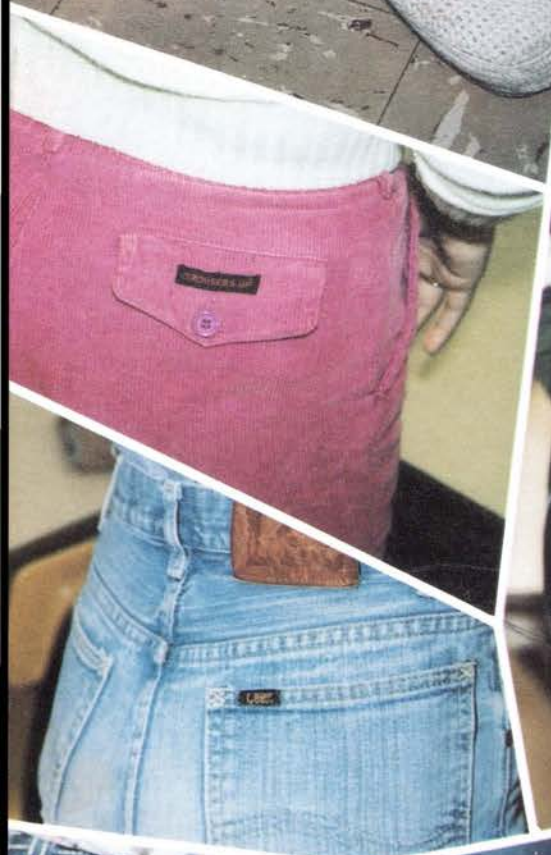

Visions that keep stirring my soul
Visions that will never grow old . . .

SUSAN LORRAINE HENNING

March 27, 1963 - March 2, 1981

A friend holds a place inside of you forever
That's always living, even when she's gone,
And that memory can't be surrendered.
When she's not here, it helps us to carry on.

We took for granted she was always with us,
We never realized she was no near.
We never dreamed that we could ever want her
So close to us until she isn't here.

If we meet again, we'll be reunited.
In missing her now, no one is alone.
We hope her world holds happiness forever.
She'll live in our hearts and souls wherever we may roam.

LM

"It's such a hollow feeling and when it comes down to bein' friends,
It never ends."

To Sue:

We've seen fire and We've seen rain,
We've seen sunny days that We thought
would never end,
We've seen lonley times when we
could not find a friend.
But we always thought that
We'd see you again.

All the world's a stage,
And all the men and women, merely players;
They have their exits and their entrances,
And one man in his time plays many parts.

Winners and Losers
Rossington Collins Band

There are winners, there are losers
Now I'm wonderin' which one am I?
There are leaders, there are followers,
Am I a leader, would you follow me?

Spend all my time trying to find
Answers to questions that are haunting me
And like all men who are trying to see
I'm still fighting, fighting to be free!

Spend my time trying to find
The key that might unlock the mystery
And when I find out what I can be
Well then I wonder, will I be free?

BEST OF LUCK ALWAYS TO THE
