1934

Festival

*Verona High School
Verona, New Jersey
Shadows 1984*

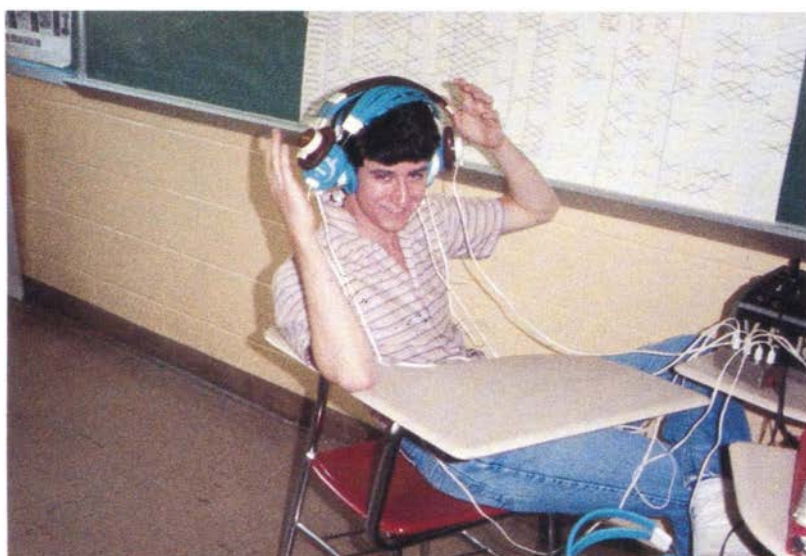

The festival begins as friends join together . . .

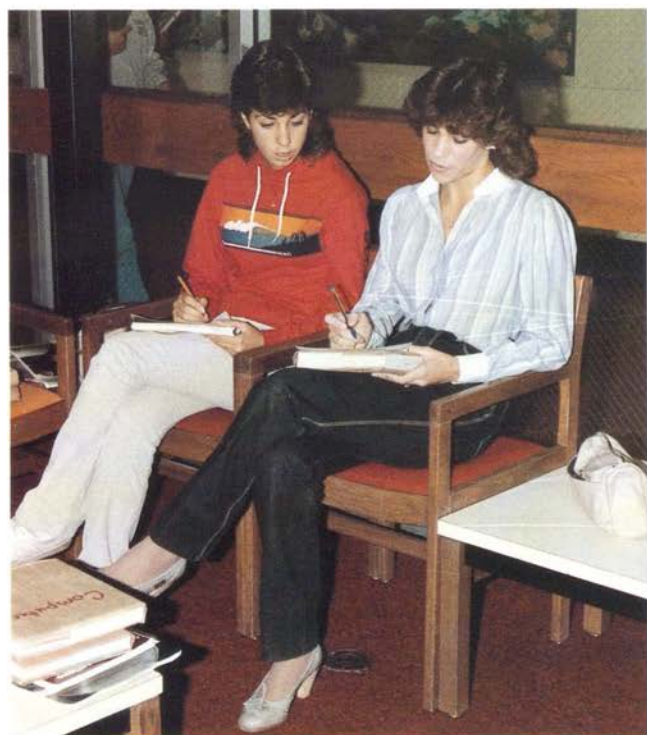

All the good times will be remembered forever.

The music of mirth is a favorite melody . . .

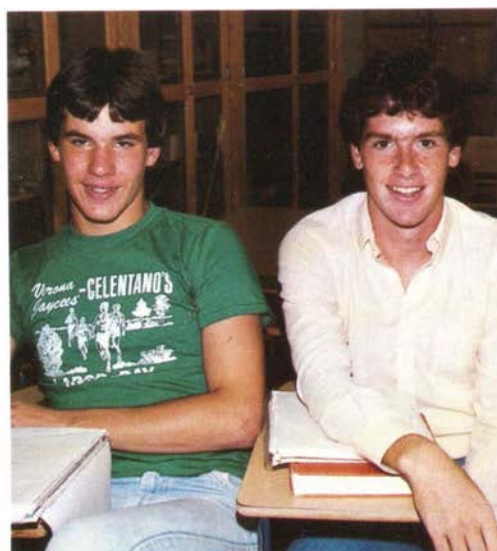

Happiness is present in the form of harmony.

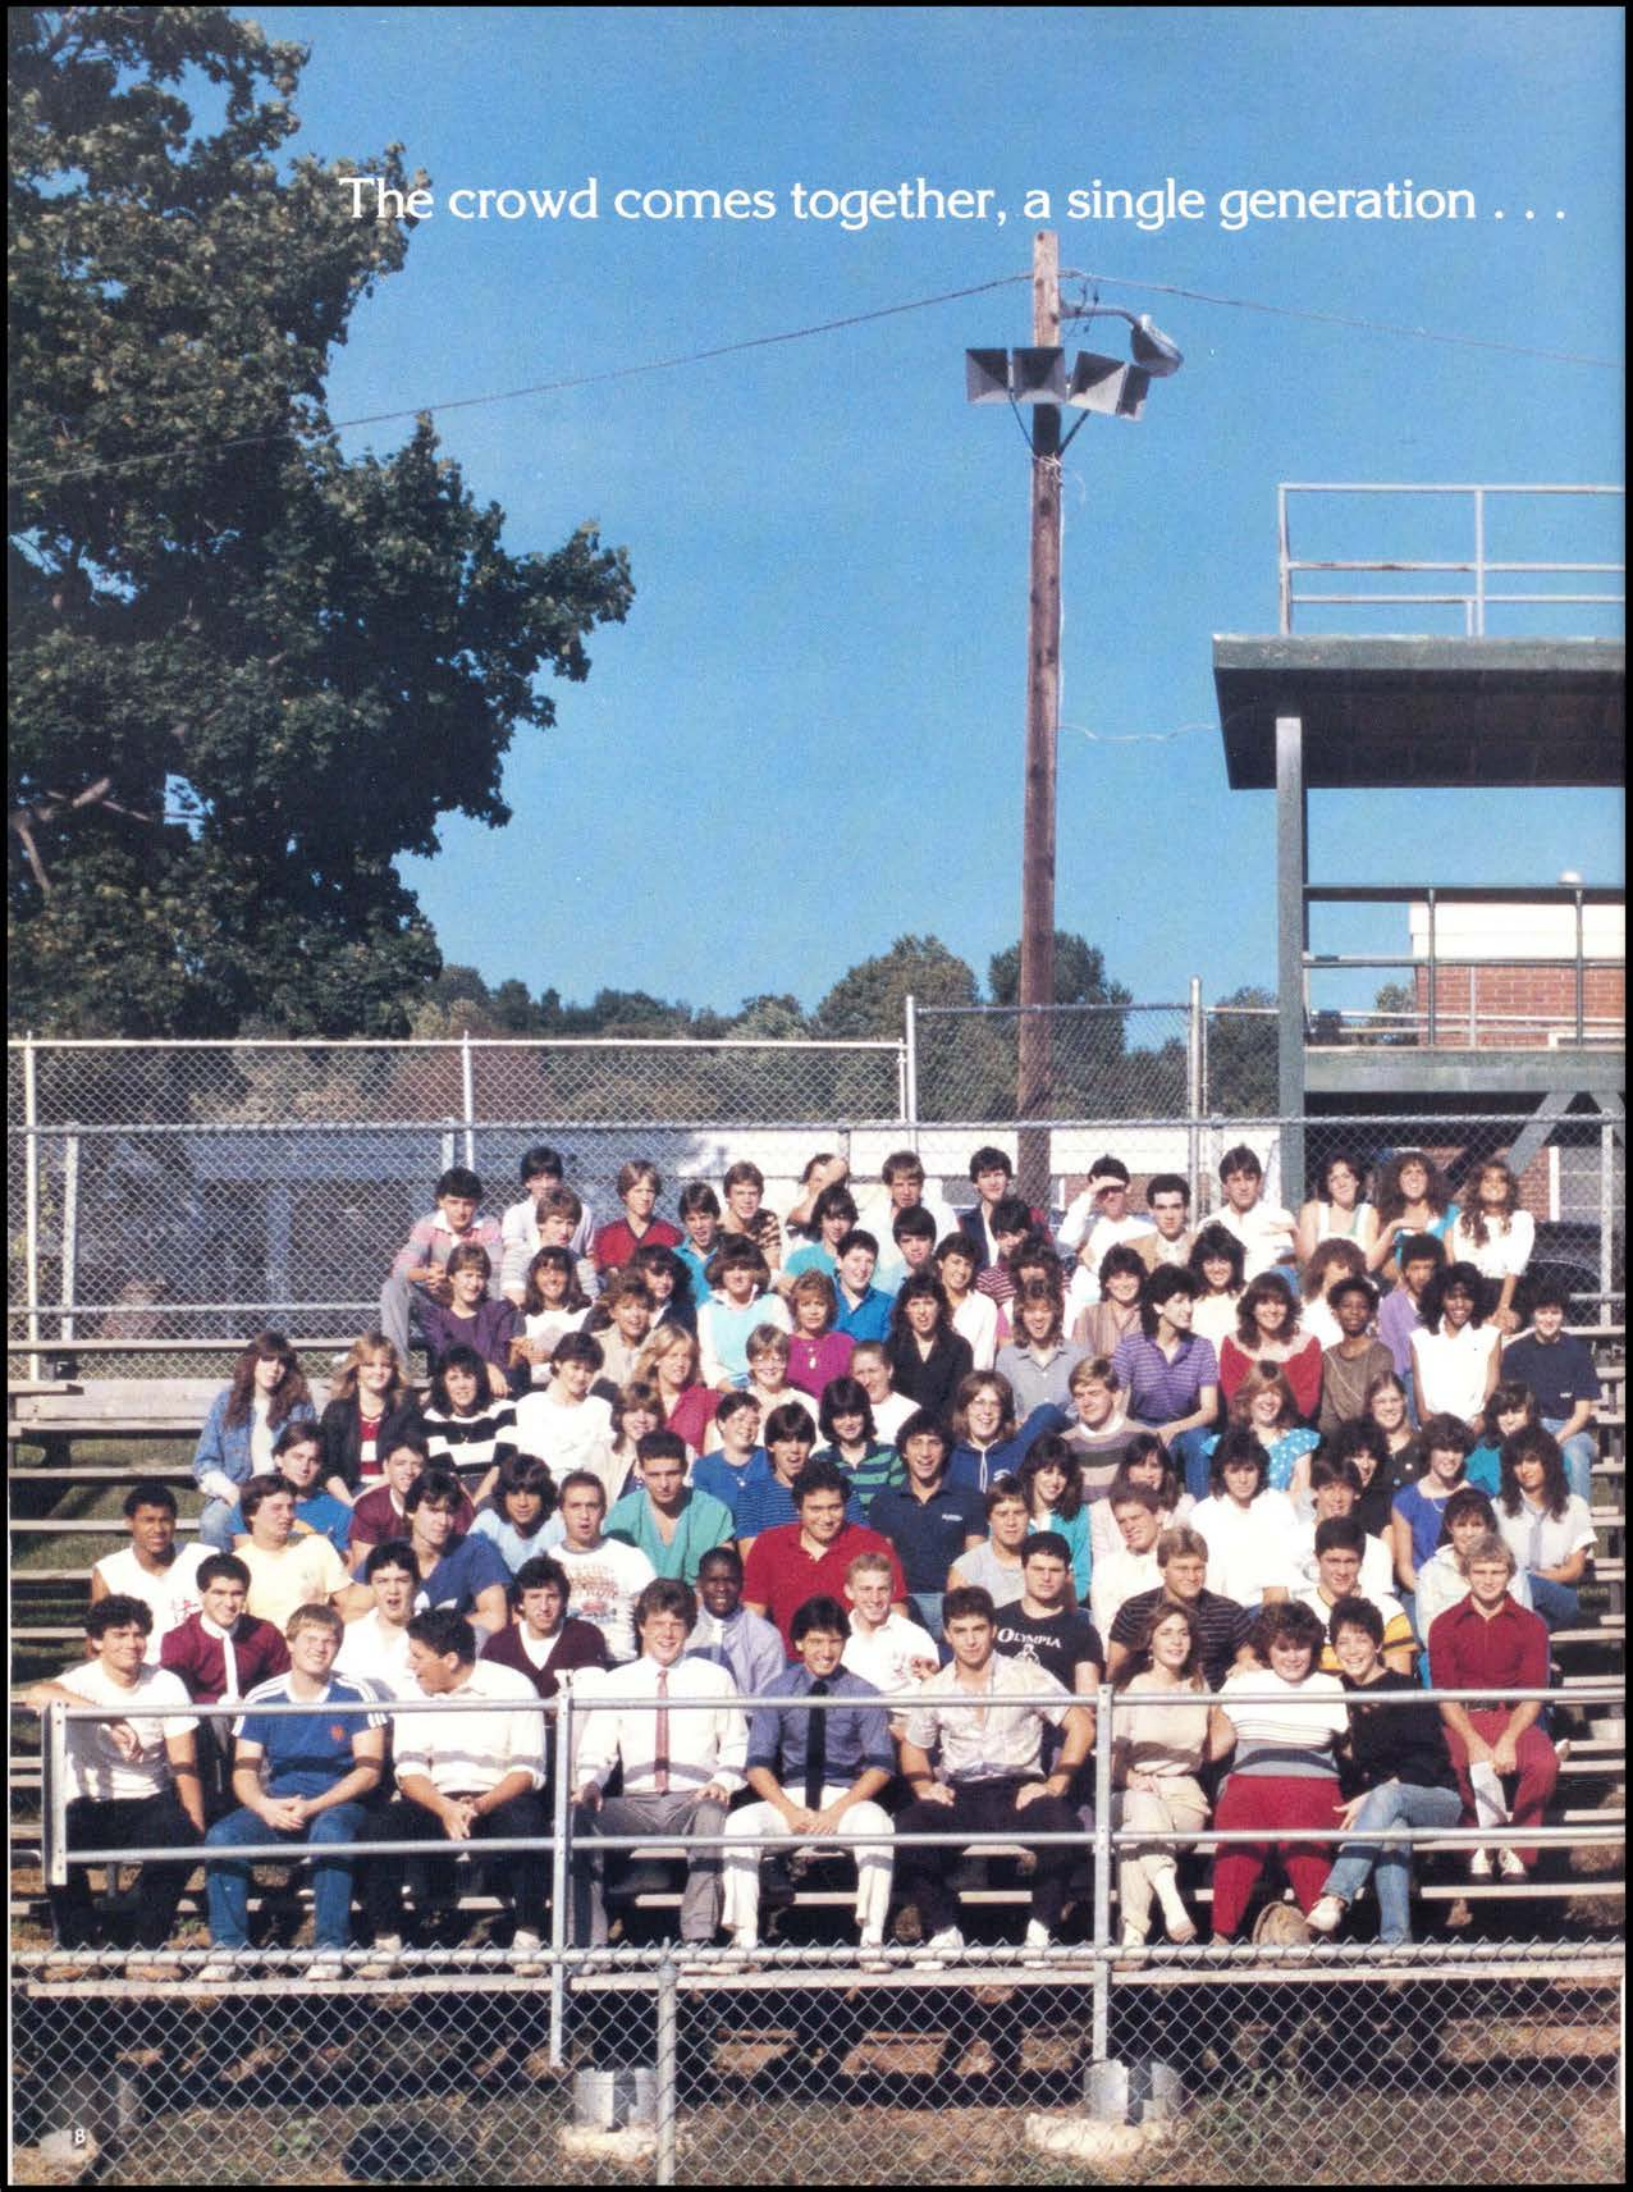

Friendships are born, long to endure . . .

Memories are made, each day there are more.

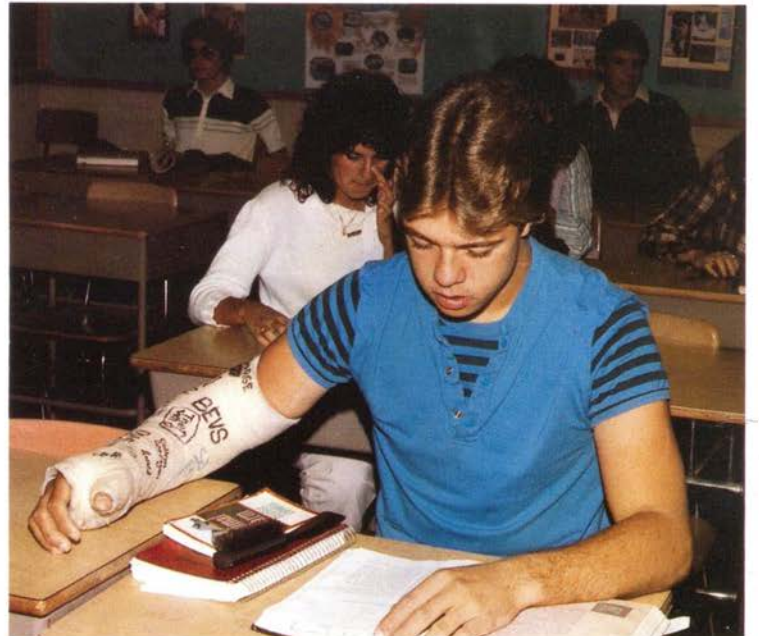

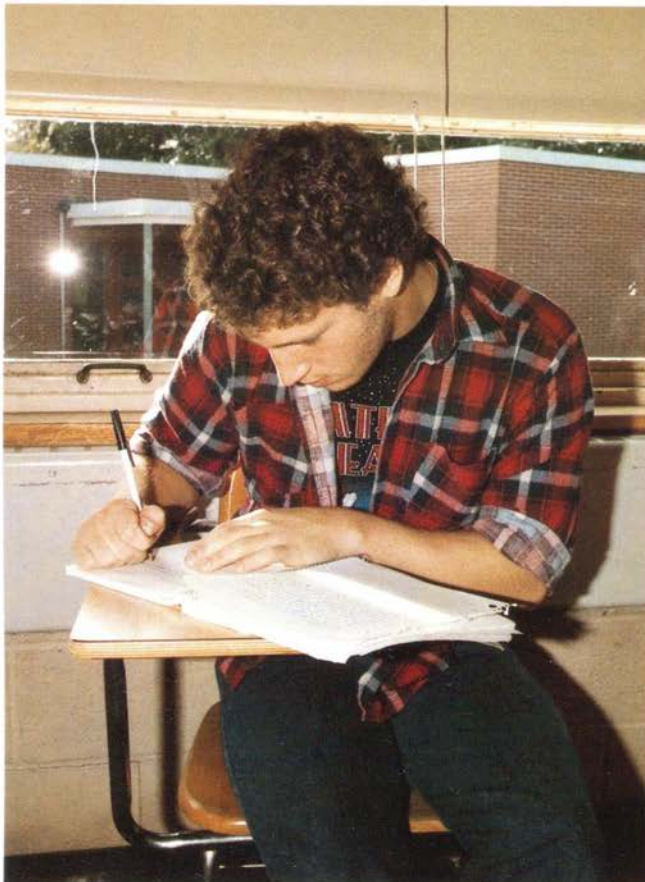

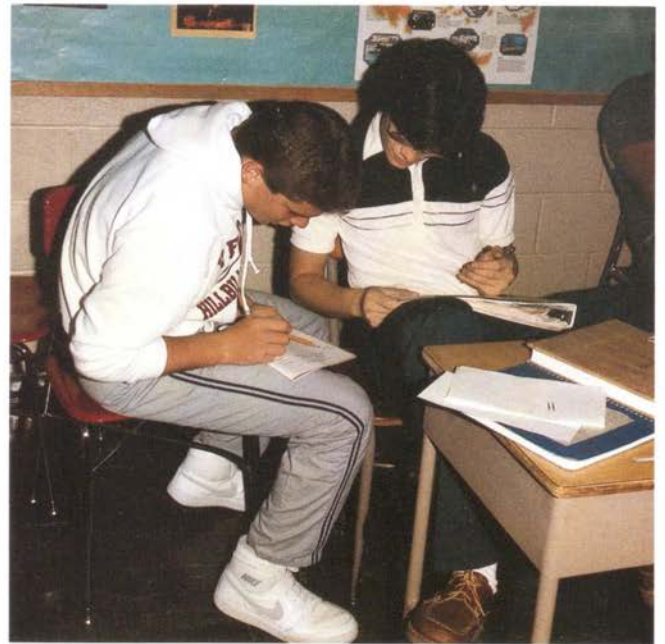

The crowd comes together, a single generation . . .

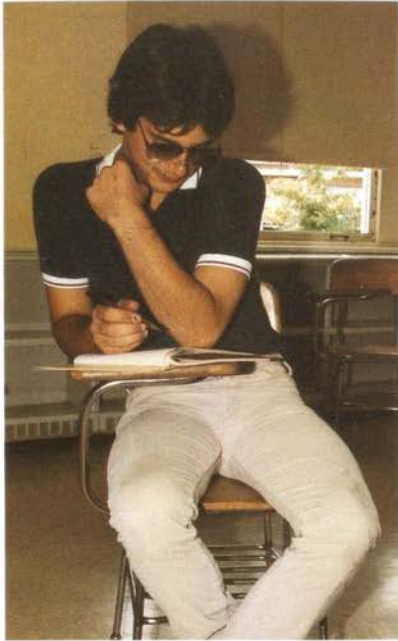

The emotion is clear, it's true jubilation.

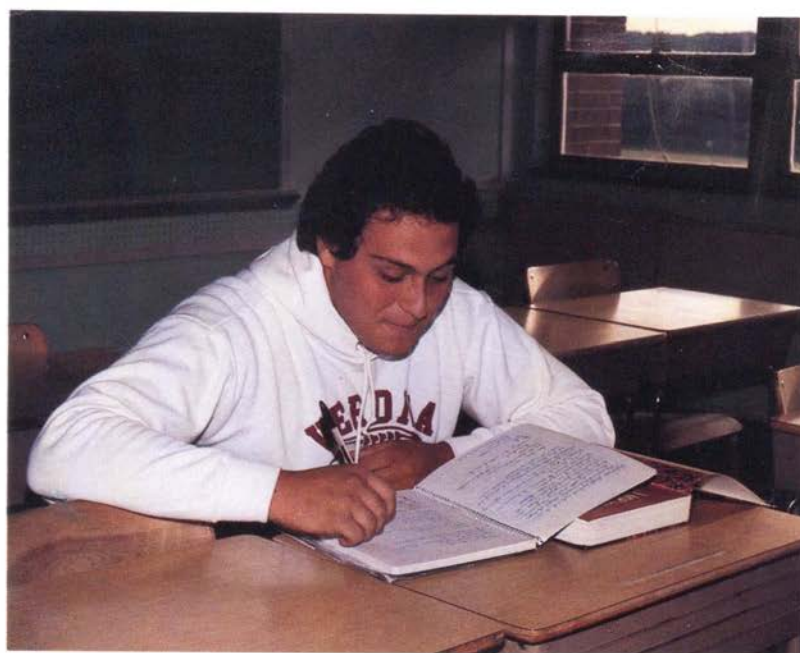

The road is not easy and there are times of distress . . .

Everyone realizes this is the way to success.

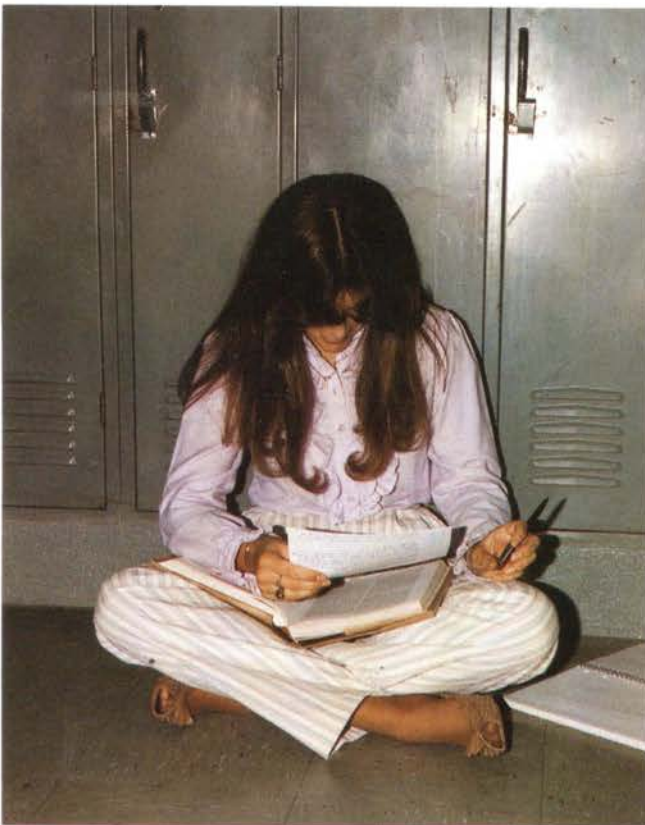

No one sits idle, there is work to be done . . .

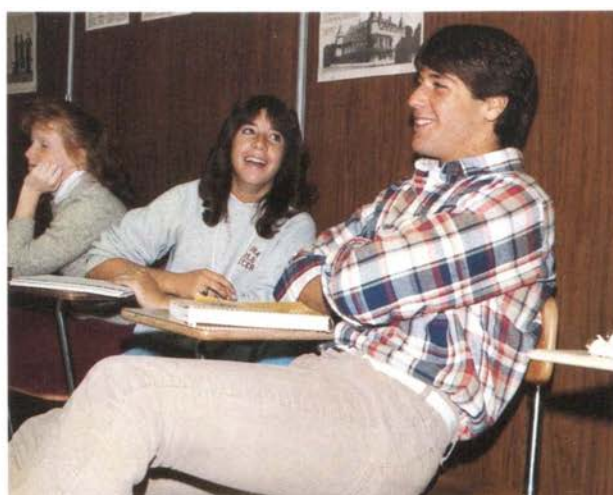

When the hard work is over, it's time out for fun.

Individuals and groups show real determination . . .

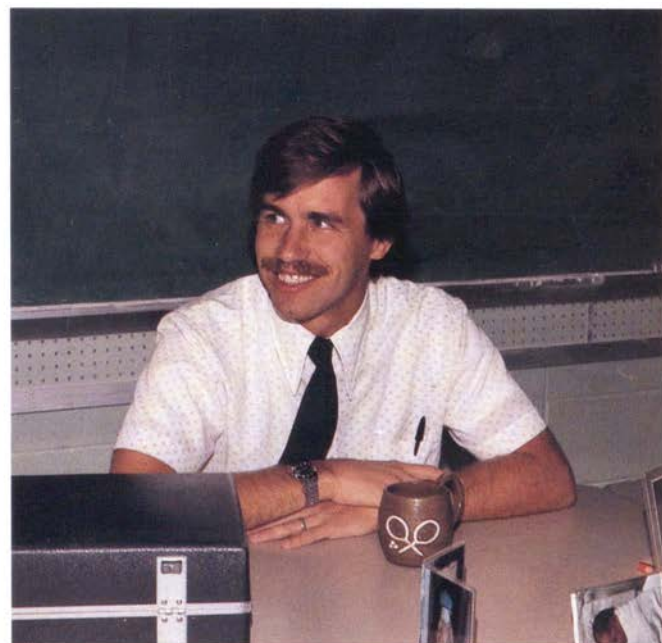

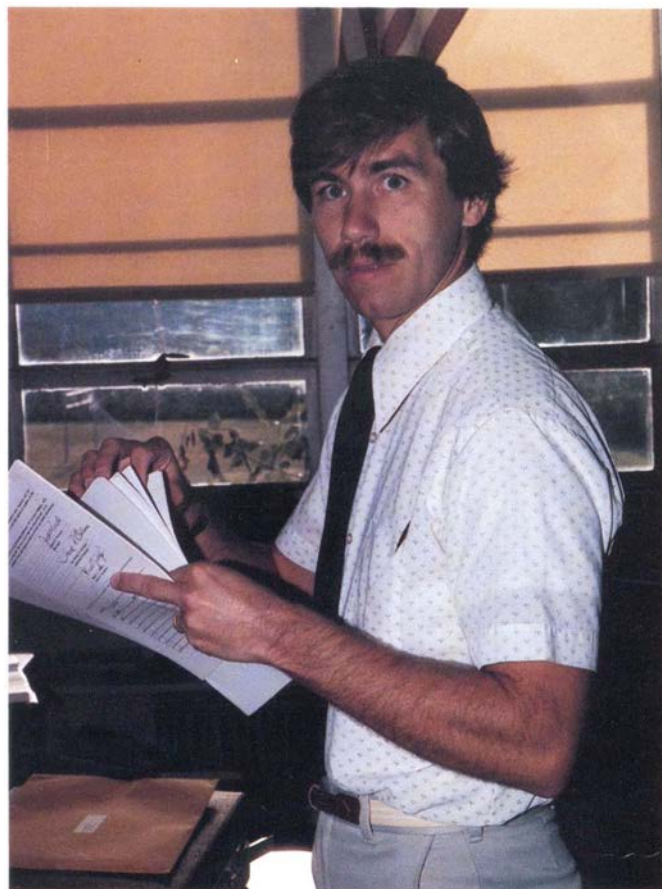

Everyone enjoys the festival of celebration!

A festival of THANKS . . .

The class of 1984 is proud and pleased to dedicate its year-book to Mr. Gerald Lamb. We've gotten to know this special man through his being our class advisor, the girls' tennis team coach, and a very popular math teacher. Known for his warmth, friendliness, and sense of humor, Mr. Lamb adds a human side to mathematics. We're grateful to Mr. Lamb for the time he has given us as a dedicated teacher, a devoted coach, and a patient and hard-working class advisor. It is with the greatest pleasure that we pay tribute to this special man by dedicating the 1984 *Shadows* to Mr. Gerald Lamb.

Carol is trying to imprint her name on her finger.

Did she just call on me? ... because I don't have a clue to what she's talking about.

"Come on, cut it out, I'm trying to work."

Tracey concentrates? .

Kathy, Pat, and Billy learn enthusiastically.

Come on Eric, say something intelligent.

Mmmm, wouldn't a Big Mac taste good right now?

Kim's thinking: "Boy, Jamaica looks good right now."

George, stop posing and plug in the typewriter.

Note how hard it was for Sean to peel his eyes away from the FAIR VIEWER.

Steve can say "goldfish," can you say "goldfish" Dave?

Ellen tries to teach Kelly, but does Ellen know what she's teaching?

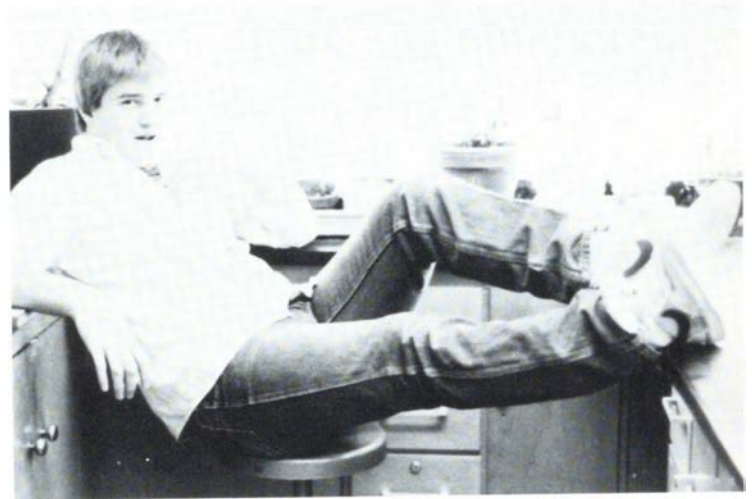

Debbie has the "All-American" smile.

Zac, the man, gives his cool pose.

The Freshmen sit and watch the upperclassmen.

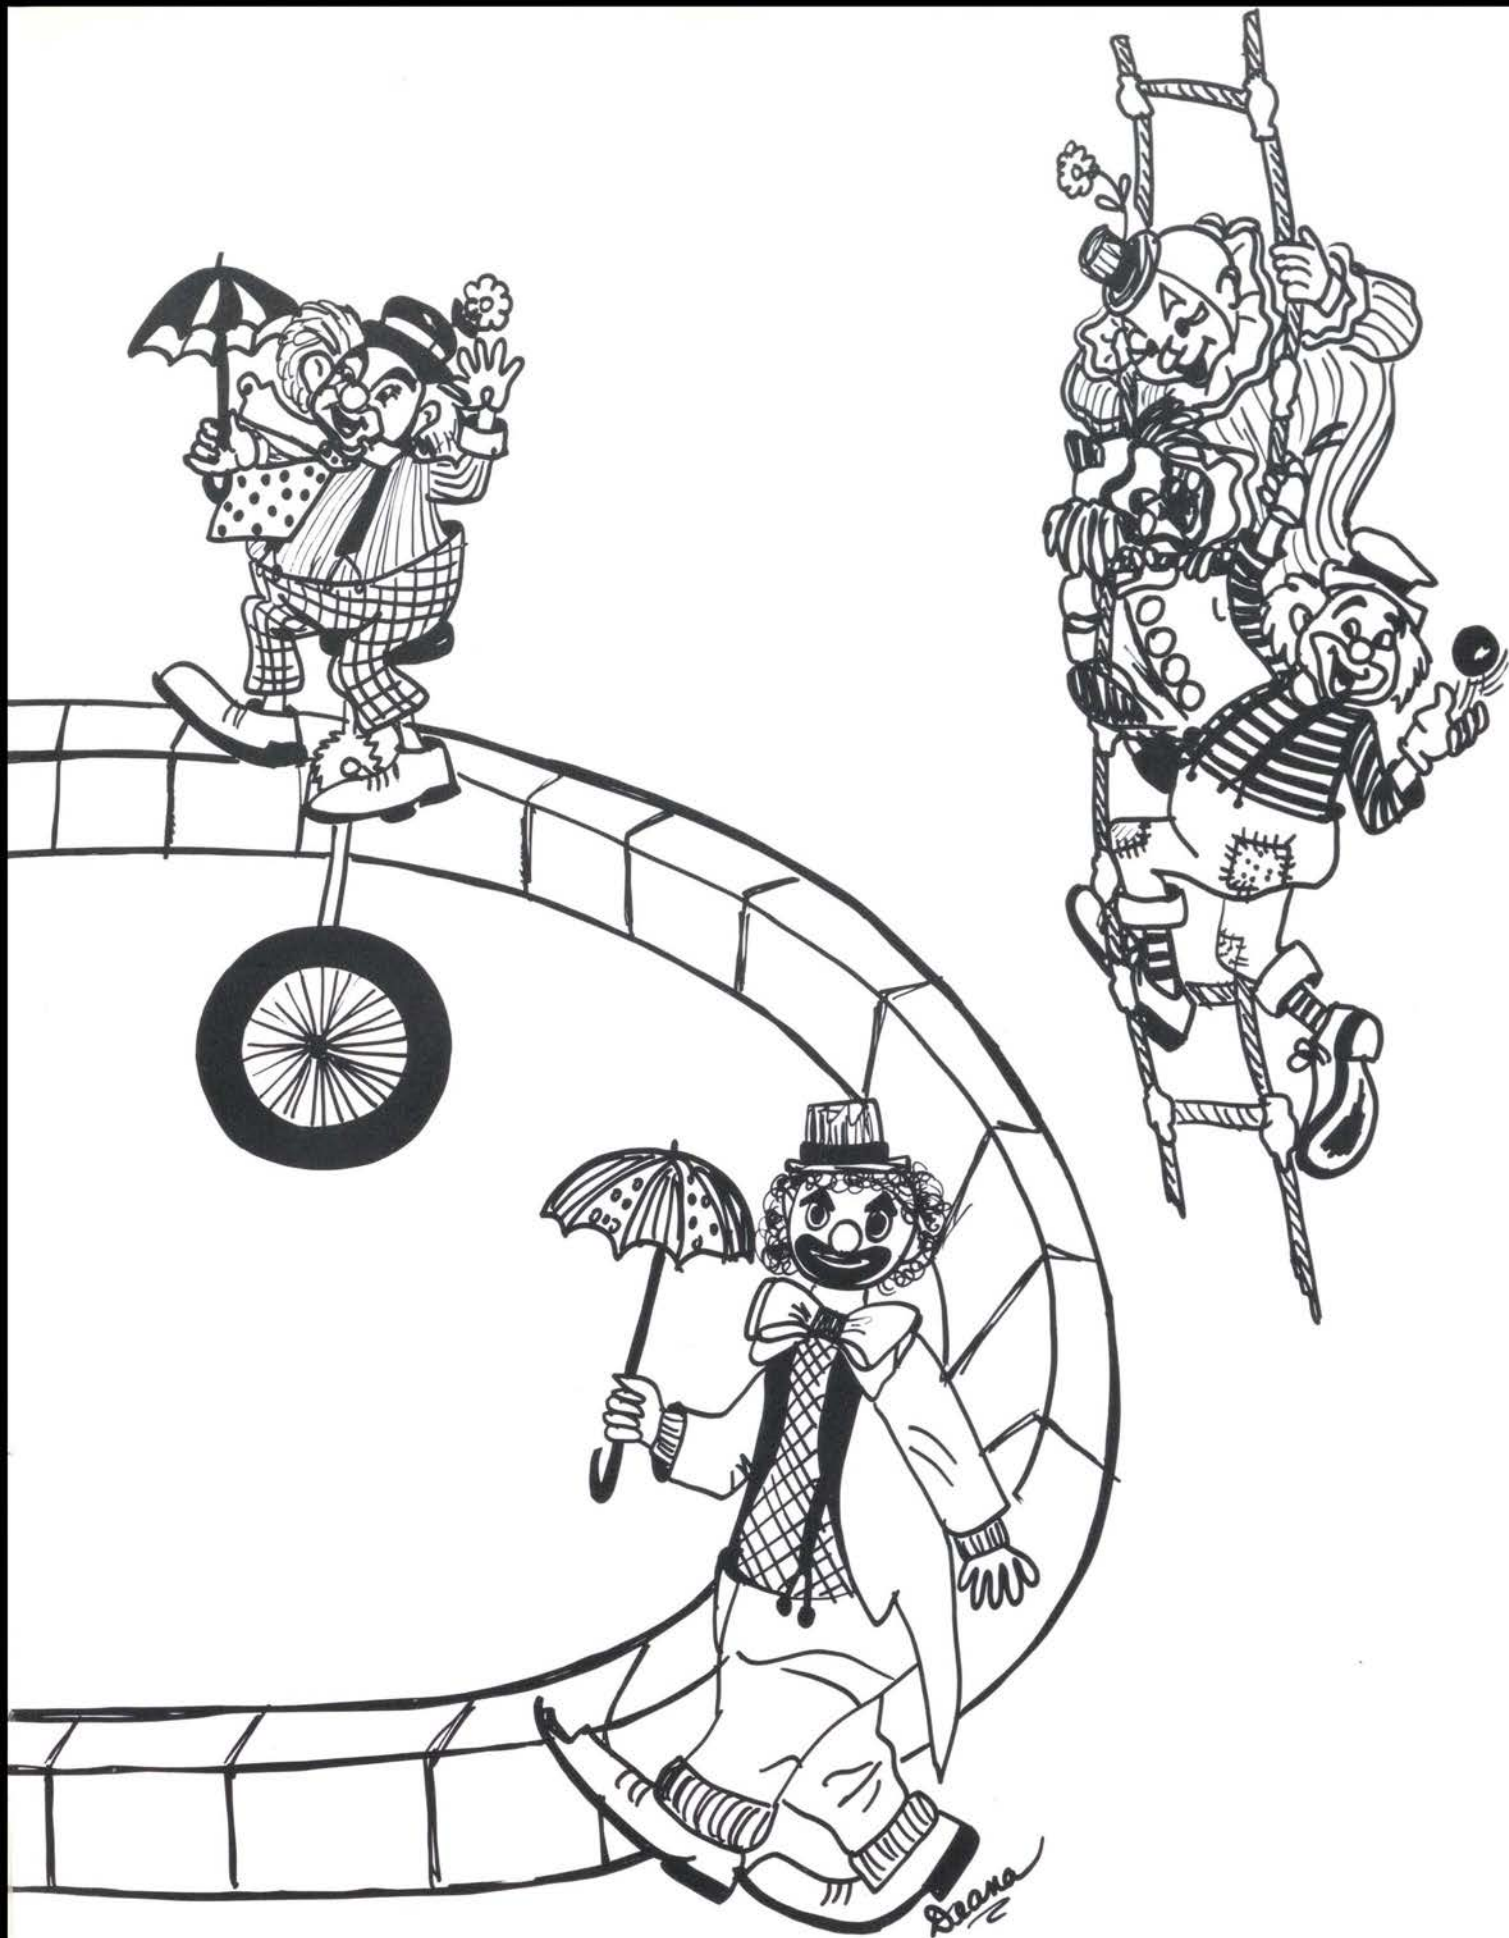

Kevin has the "muscle head" look.

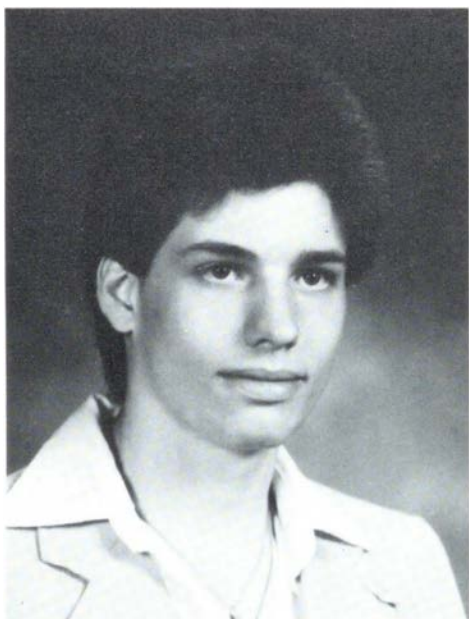

Kelly and Jennifer smile for the camera.

GIRLS' TENNIS

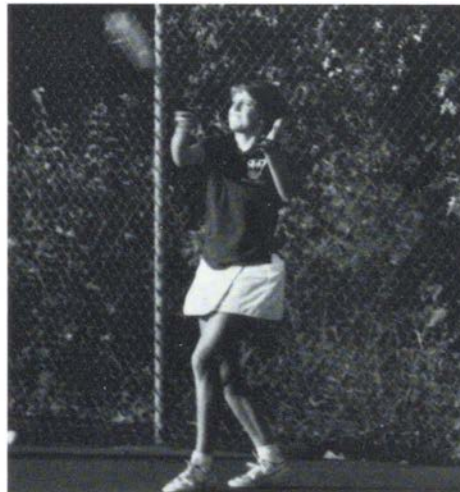

1st Row: L. Morgan, M. Vincent, T. McGovern, B. Pollner. 2nd Row: V. Maddock, A. Berr, H. Santanastasio, F. Frazer, Coach Gerry Lamb.

"I didn't serve it that hard, get back up!"

I have to hold this position until that bird drops the ball.

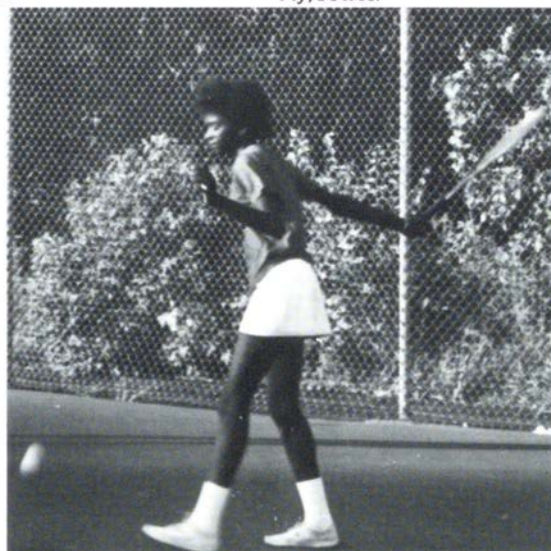

Fly, be free!

Mr. Lamb suffers the agony of defeat.

I wish I hadn't tripped at that point.

I should have brought my golf clubs.

Girls' Tennis

The girls' tennis team had its best record in at least twenty years this past season. The number of matches won this year has almost doubled from last season, and tripled from the one before. Coach Gerry Lamb, who has been with the girls for three years, was proud of the 11-11 record. Mr. Lamb received the coach of the year award.

The tennis team consists of eight players and two managers. Since it is a young team (one freshman, four sophomores, three juniors, and no seniors), next year promises to be even more exciting.

Although all three tournament matches were lost, Mr. Lamb feels that it was due to inexperience in that type of competition rather than a lack of ability. He predicts a real comeback next year. Mr. Lamb was especially pleased with the girls' cohesiveness and playing as a team, not just as individuals.

Coach Terri Soriente led the girls' gymnastics team through another difficult season. Each girl exhibited tremendous balance, endurance, and determination in her routine. The meets were held on Tuesdays and Thursdays in the gym after school. Supportive parents and friends were there to cheer Verona's team on. Although gymnastics is an individual sport, the girls came together and offered team support to one another. The outlook is very optimistic for next year!

Football cheerleading is an activity which takes much time and effort. It begins early in September and continues until Thanksgiving day at the final game of the season. This year the advisor was Mrs. Turner, who led the squad consisting of thirteen girls during this season. Cheerleading not only includes cheering, but also fund raisers, baking, preparing pep rallies, painting signs and illustrating school spirit. Practices are usually daily for one or two hours, depending upon the amount of work to be done and cheers to be learned. Cheerleading is an activity which takes time but is worth it because it is fun.

The 1983 girls' varsity soccer team demonstrated tremendous improvement over previous years. Coached by Mr. Bob Graham, the girls had a great season with twelve wins, four ties and four losses. This is fantastic, especially considering the fact that the team has been only four years in existence. Their success is accounted for mainly by an unusually spirited and aggressive attitude towards the game of soccer. Perhaps Mr. Graham summed it up best when he stated, "I am very proud of my girls."

The 1983 Hillbillies continued the winning tradition of previous years by achieving victory in thirteen out of its twenty games. Verona's record, (13-5-2), boosted coach George Stiefbold's career record to 354-101-80.

Verona's biggest disappointment occurred in the state tournament against New Providence. All out efforts from both teams kept the official game time tied 0-0. Verona lost 4-3 in a shoot out.

Team leaders in play included Co-Captain Ken Simon, who made 1st team all state, he also led the team in most goals scored. Jim Roche, Co-Captain, along with Fred Paulsen led Verona's strong defense. All five losses were only by one goal. In all, the team played up to its Hillbillie character.

Verona High's football team had a good season. The team finished at four wins and five losses. The year was highlighted by Coach Rotella's 200th win, and a hard fought 3-0 win over Caldwell on Thanksgiving Day. The team played hard all season against much larger schools and never gave up. Next year's team looks strong with the addition of two undefeated J.V. squads to the varsity lineup.

The Verona High School wrestling team has had another fine year. Coached by Mr. Jim Sauer and Mr. John Beverly, the small, relatively young team finished strong. Captains David Werner and Brian Kloss were the team's only Seniors. The coaches expect to have a more experienced team returning next year. Other team members included Steve Costigan, Ron Catania, Sam Zarro, Pete Bush, Tom Munning, John Mannion, Mike Comperchio, Anthony Marta and Dan Kearney.

BASKETBALL CHEERLEADING

Each year Verona's rowdiest fans are at Verona High School Basketball games, and one reason for this is the Verona Basketball Cheerleaders. The squad, captained by Julie Stanisci and Katherine Eklund, provided extra spark to both the boys' and girls' basketball squads. Once again the crowd was thrilled by the electrifying cheers from our most loved fan, Mike Vizzone.

GIRLS' BASKETBALL

The girls' basketball team, under the direction of coach Bob Graham, has had a fine season. The team was relatively young, consisting of only two seniors. Captains Dawn Scott and Chrissy Fleno led their team to an approximately 500 season. The team received honors, placing second, in the West Essex Chamber of Commerce Christmas Tournament, only losing to a tough Caldwell team. Coach Bob Graham feels that with the majority of players returning next year, a successful record is in the future.

BOYS' BASKETBALL

The 1983-84 Varsity Basketball team, coached by Doug Gaffney, is a very competitive team. This year's team has kept up on tradition by winning the West Essex Chamber of Commerce Tournament for the third year in a row. This year's team has only one returning senior starter, the captain, Mark Dente. Other returning players are Ken Brown, John Lubrano, Matt Zebrowski, Sean Farrell, Dennis Murphy, Chris Venezia, and Steven Aldiero.

SKI TEAM

Again this year the boys' and girls' ski teams had a good season. The ski team, under the supervision of Coach Ramano only practiced on dry land early in the season due to unfavorable weather conditions. The team competed against other teams at Vernon Valley/Great Gorge. Practices were held at Vernon Valley two or three times a week. Returning Seniors included Joan Raymond, Kim Shapses, Kathy Kuhne, Ken Simon, and Bryan Mulroe. The ski team began its season in December and started competing early in January.

Over the past several years, the V.H.S Golf Team, under the supervision of Coach Jack Moran, has been one of the best squads in Essex County. Over half of last year's team returned to represent the maroon and white. With the large number of experienced golfers on the squad this year, the team was able to compete successfully.

'Court' on the courts.

Coached by Mr. Bob Graham, this year's tennis team was much stronger than last year's. Most of the doubles players returned from the previous season, providing the experience the team needed. There were promising freshmen as well as very strong returning singles players to supply the depth every good tennis team relies on. Because of all of this, combined with a great outlook and high enthusiasm, the boys did extremely well.

As Verona is a small school, there were some really tough opponents this year, but the team made a great showing.

The 1984 Varsity track team, under the direction of coaches Rotella, Romano, and Fareshian, has had a fine season. Although the core of the track team was underclassmen, Verona was quite competitive at each and every meet.

Several track team members qualified for conference and state meets. More importantly, all members showed a great deal of self-improvement.

This year's baseball team, coached by Mr. Bob Roma, had another good season. Many seniors returned to the team to provide a strong core. The team members' professional attitudes and dedication made their efforts a success.

The great number of underclassmen and outstanding freshmen who joined the baseball teams this year are a solid base for excellent teams in the future. The enthusiasm contributed by each team member, made up in spirit, what the team lacked in size, in comparison with some of the larger schools in the conference.

Dana, the weekend's over, you can stop smiling now.

I'll see your Swede and raise you an Irishman!

International Weekend 1984 was once again a tremendous success. The weekend took place on February 2nd and ran through the 5th. The weekend began with a welcoming party on Thursday afternoon in the library, where refreshments were served to the visiting students and their hosts. On Friday night an international buffet was served in the cafeteria and afterwards everyone was invited to attend the Varsity Basketball game.

Saturday was the highlight of the weekend. It began with a panel discussion at which many controversial subjects were discussed, such as the pros and cons of President Reagan and nuclear war. Later that evening the students attended a dance in the school cafeteria. The night was a huge success. The weekend ended on Sunday with a brunch for everyone involved in the weekend. Sunday afternoon the guests left and the weekend came to an end.

The entire weekend was under the leadership of Mrs. Crawford and Miss Valvano and a variety of student chairpersons. The success of this weekend was due to the great enthusiasm from the students, their parents and their guests.

SHADOWS

The 1984 SHADOWS staff has been working since May, 1983, to produce this superior quality yearbook. Under the direction of Mrs. Rita Solomon and Mrs. Mary Jo Belott, the staff completed the many tasks which go into creating a yearbook. This year, much of the work was done by Mrs. Solomon's Journalism class. This group met first period every day and spent most of their time working on Shadows exclusively. An after-school staff also contributed greatly at their weekly meetings. Mrs. Lampert's seventh period Business English class donated their time and typing skills to the yearbook effort. Working together, these groups completed the yearbook in March and sent it off for publication. It is hoped that their hard work and talent have resulted in a successful and enjoyable yearbook for Verona High School's students to enjoy throughout the years.

NATIONAL HONOR SOCIETY

The Verona High School Chapter of the National Honor Society is currently under the direction of Mr. Robert Intile. Students who satisfy high standards of conduct and extra curricular involvement, and who achieve either a 3.6 average junior year or a 3.2 average senior year are inducted into the chapter. The chapter holds numerous fund raisers during the year to finance the scholarships which are awarded at the end of the year. The Honor Society also performs services for the school, such as tutoring and maintaining the bulletin board in the cafeteria.

FRENCH HONOR SOCIETY

The French Honor Society, directed by Miss Michelle Valvano, is composed of students who have maintained at least an "A" average in French and are also strong in other academics. Entrance into the French Honor Society is recognized through induction, much like the induction into the National Honor Society. In the past, the French Honor Society has sponsored bake sales and, in cooperation with the Spanish Honor Society, has sponsored a teachers' Christmas party.

SPANISH HONOR SOCIETY

To qualify for the Spanish Honor Society, a student must have an "A" average in Spanish and must have at least three years of high school Spanish. The inductions take place in May of the students' junior year. Entrance into the Spanish Honor Society is a recognized distinction for one to achieve. An example of a Spanish Honor Society activity is the teacher Christmas party, given in cooperation with the French Honor Society.

C.O.E., D.E., C.I.E.

Verona High School offers three different types of work study programs. C.O.E., or Cooperative Office Education, under the direction of Mrs. Byrne, gives students a chance to leave school early and work in office related jobs. C.I.E., or Cooperative Industrial Education, gives students the option of attending classes part of the day and going to work in a local business in the afternoon. C.I.E. is under the direction of Mr. Jack Moran. D.E., or Distributive Education, is under the direction of Mr. Throne. D.E. students attend school in the morning and then go off to work in a trade related job such as a teller or a mechanic. All work study programs require that students maintain a minimum C average and accumulate enough credits to graduate. The C.I.E. students receive 1 credit for every 75 hours worked. D.E. and C.O.E. students receive 1 credit for every 100 hours worked up to a maximum of 10 credits. C.O.E. students benefit by taking a special course that teaches better working habits.

FRENCH EXCHANGE PROGRAM

In February and March, a group of 13 students accompanied by Miss Valvano, spent three weeks in France as part of the annual school exchange program. Verona High School was paired with L'Externat de la Trinite, a private school in Lyon. The first few days of the trip were spent in Paris, and the students spent the remainder of the three weeks living with French families in Lyon. In March and April, a group of French students stayed in Verona, completing the exchange. The program was an unforgettable experience for all those involved.
