GROWING UP

VERONA  
1950

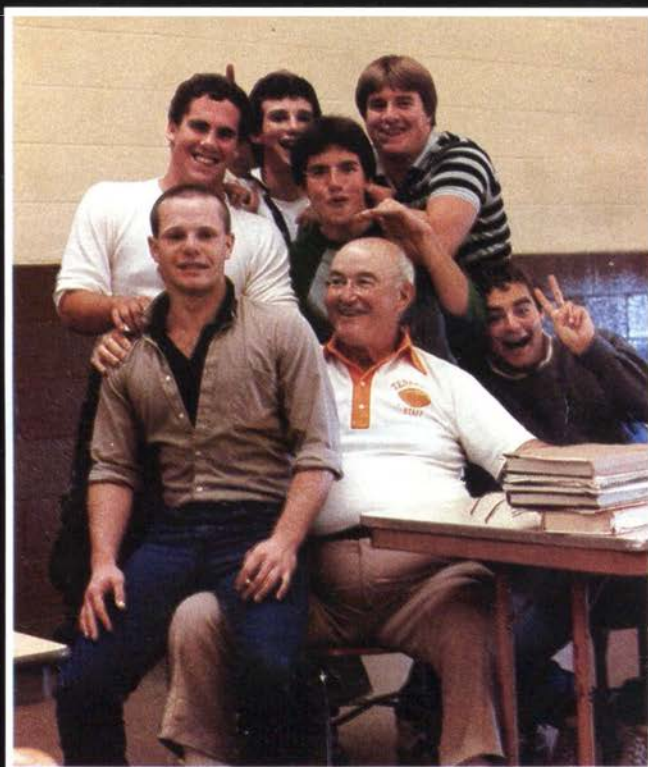

Dedication:

## To One Who Has Helped Us Grow Up

The class of 1985 is proud to dedicate its yearbook to Coach Al Rotella, The seniors know this dedicated man as head football coach, gym teacher, and friend. He is known for his compassion, wit, singing ability, and his great sense of humor. Coach Rotella has been a committed teacher and a hardworking coach at VHS through three decades.

The Verona schools and community are going to feel a loss next year due to his intended retirement. The class of 1985 has chosen to pay tribute in this small way to a man who has played such a large role in our years here at Verona High School. It is with great pleasure and wishes for happiness that we dedicate the 1985 SHADOWS to "Coach" Al Rotella.

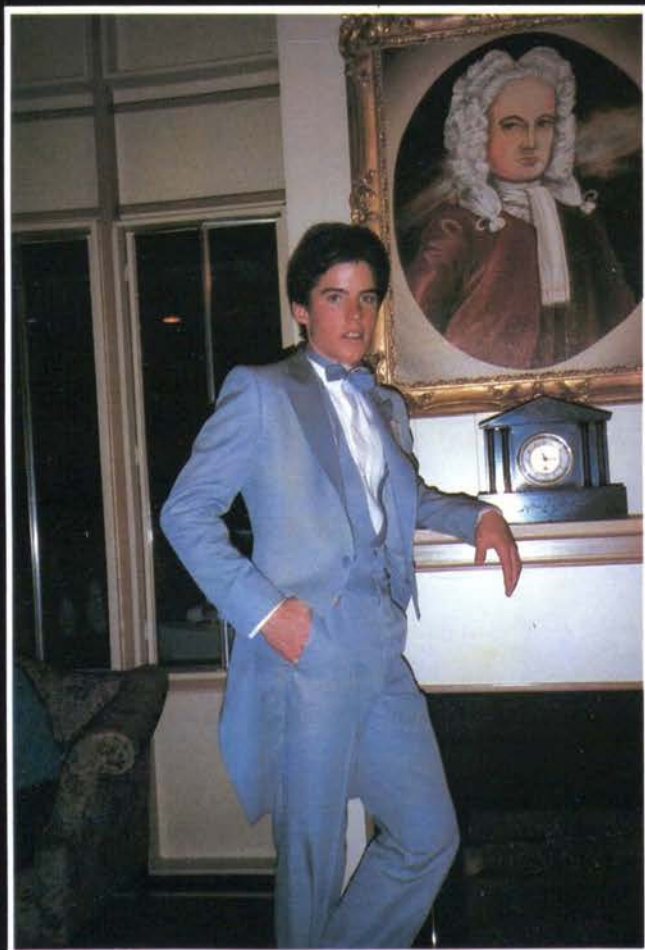

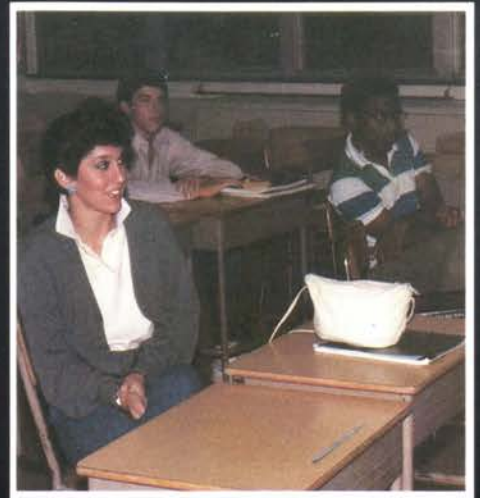

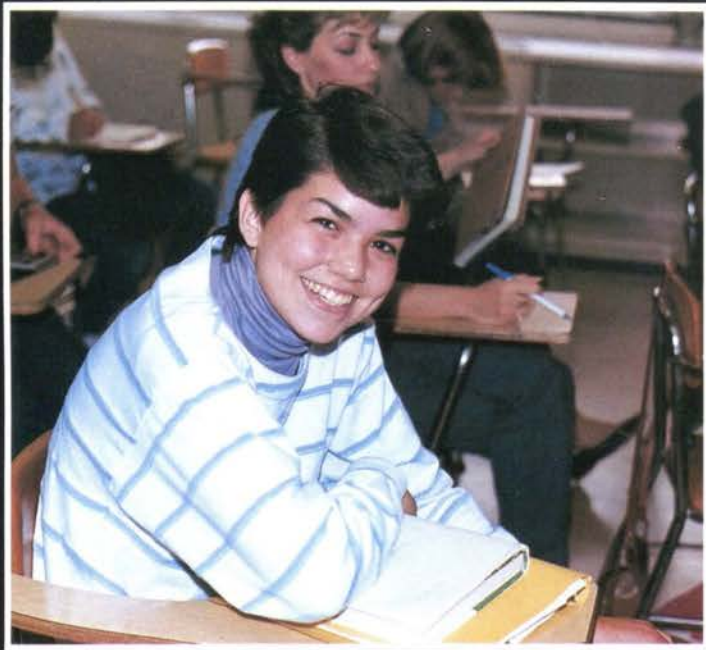

Grow old along with me  
The best is yet to be . . . Robert Browning

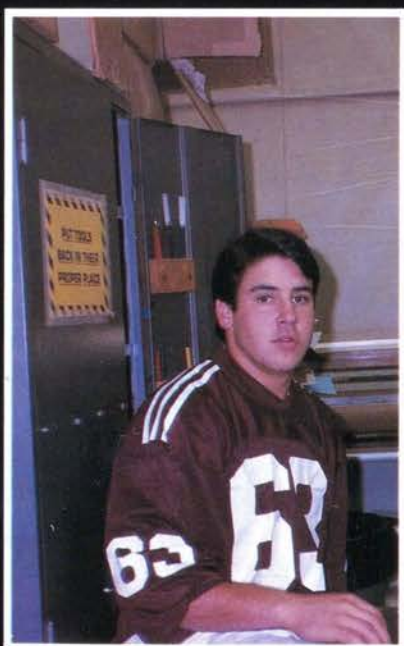

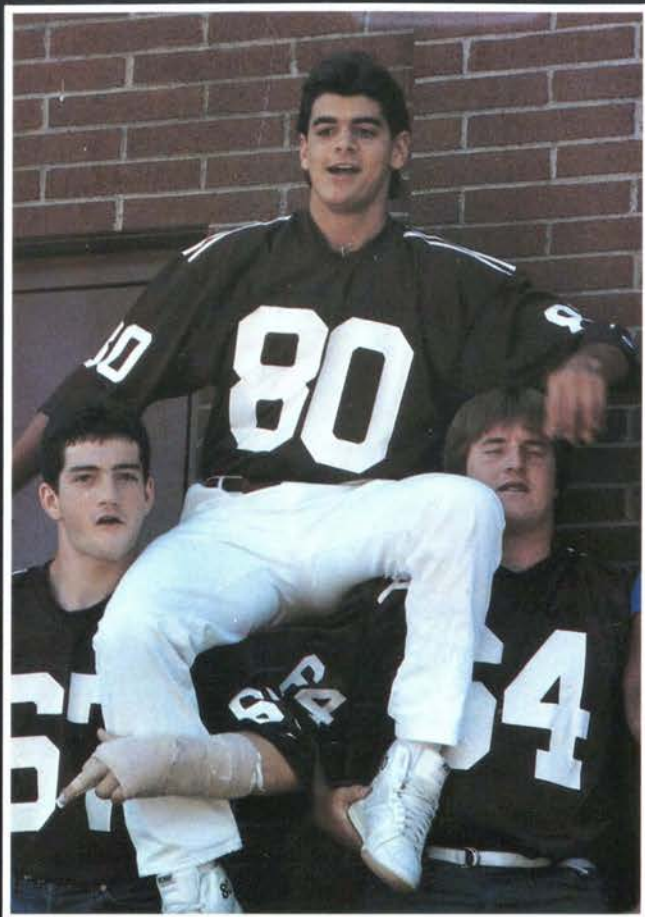

Together . . .

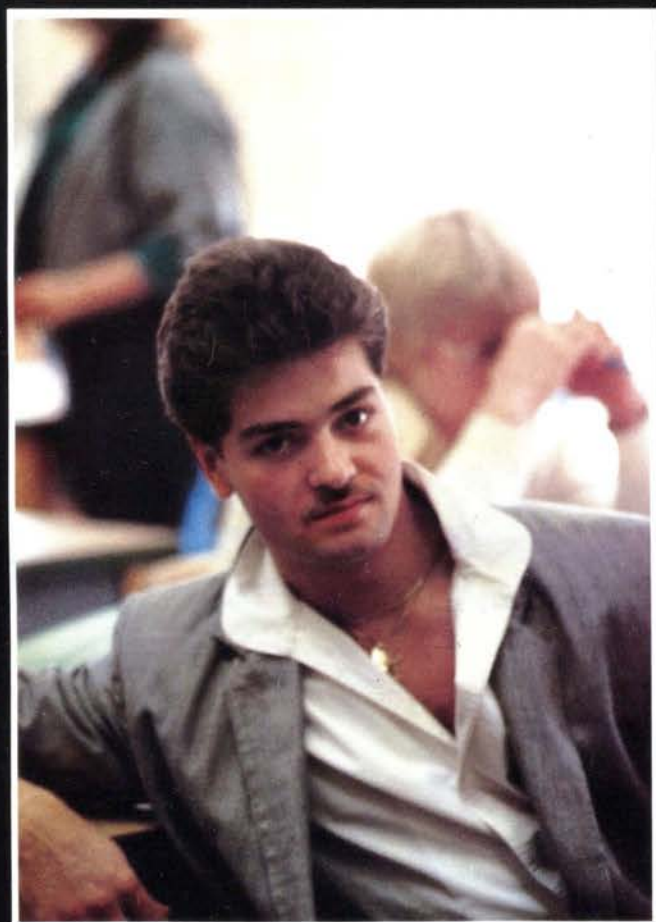

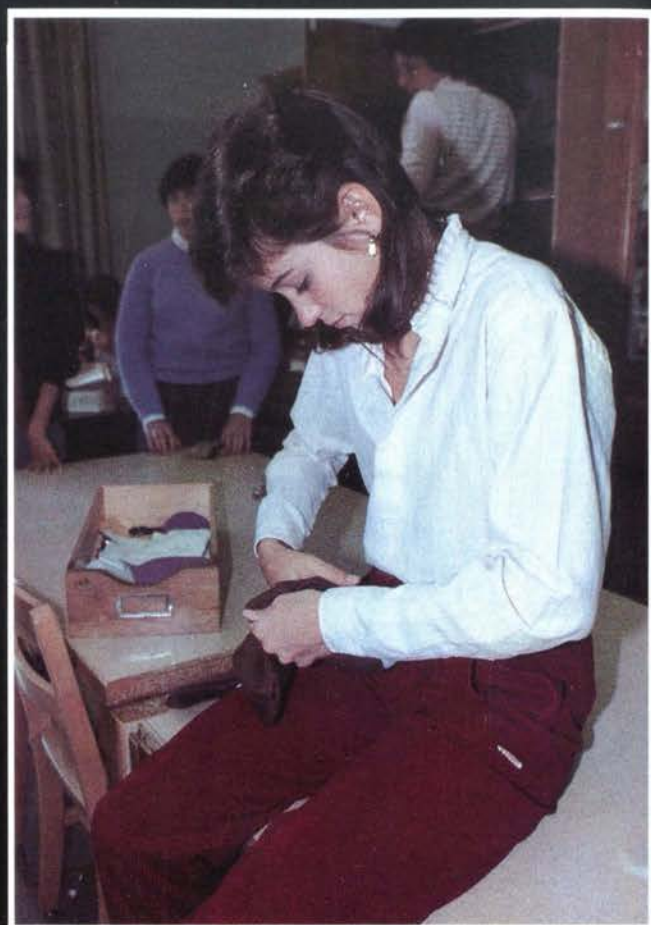

We saw the years go by.

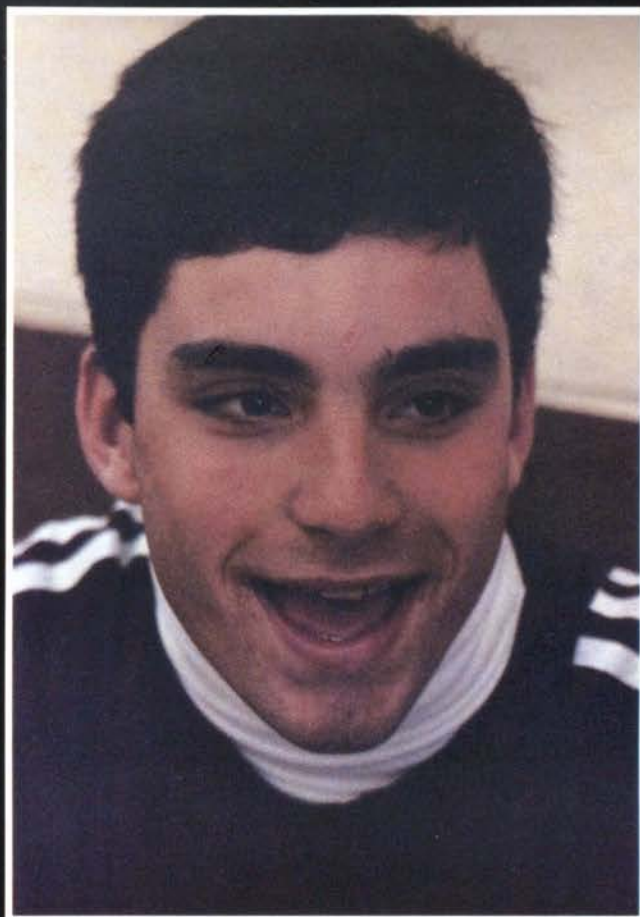

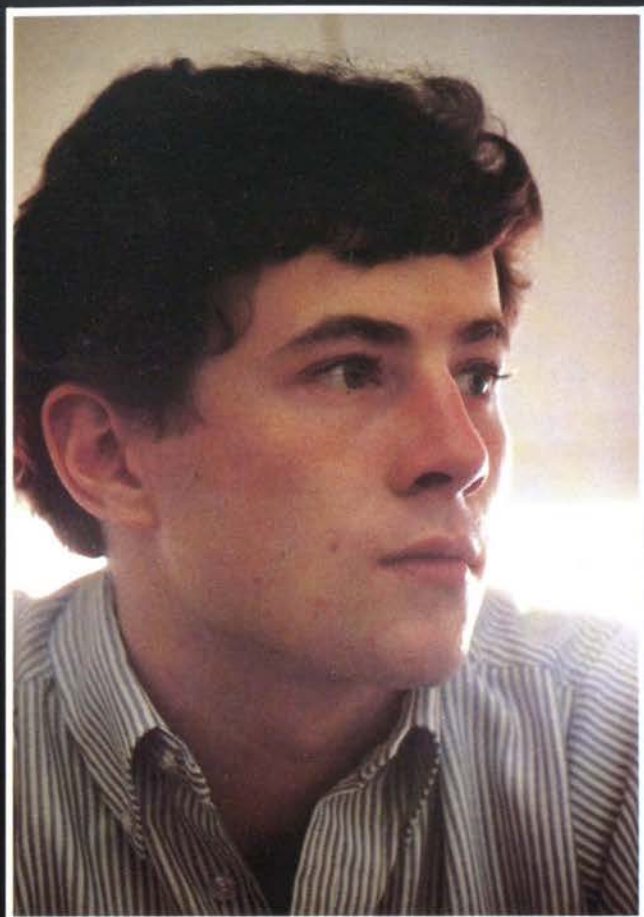

I strolled all alone . . .

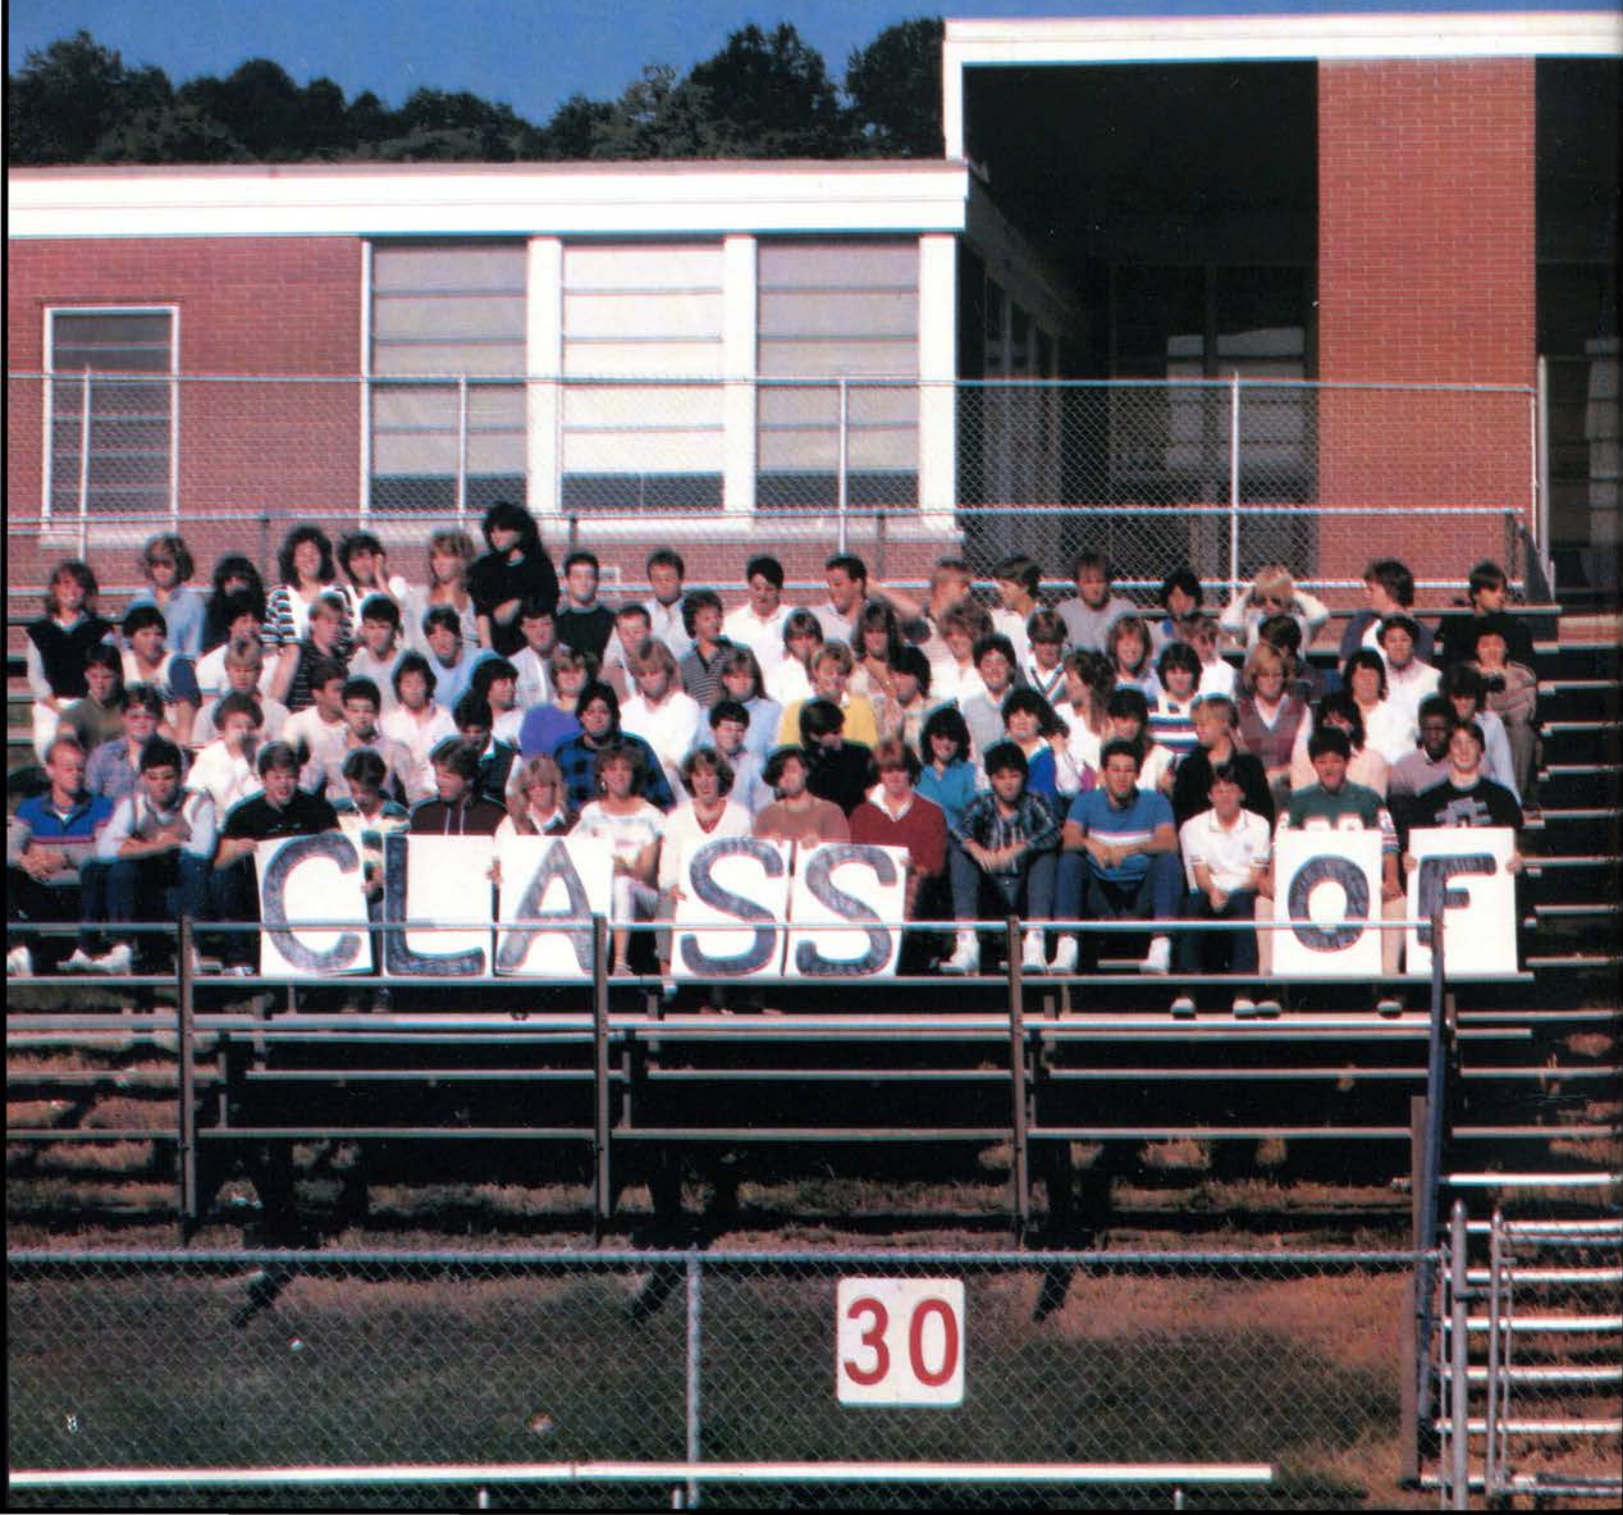

Came out with my soul untouched . . .

I hid in the crowded warmth of the crowd . . .

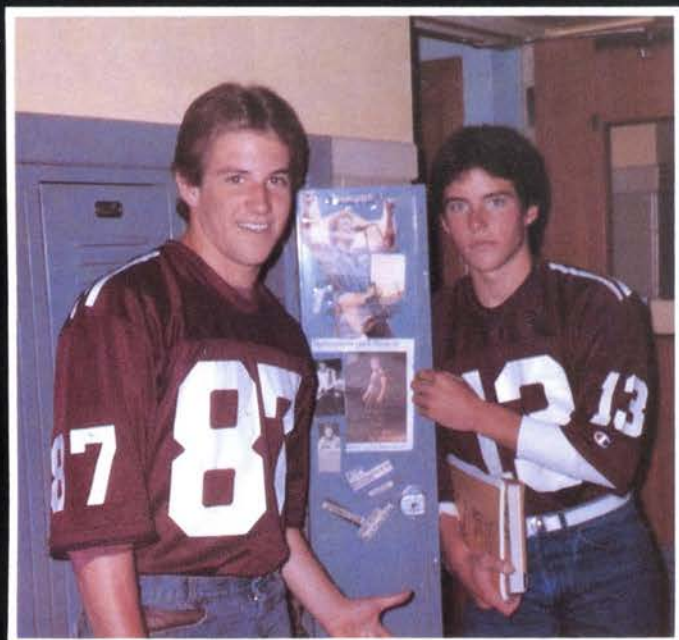

When they said sit down I stood up.

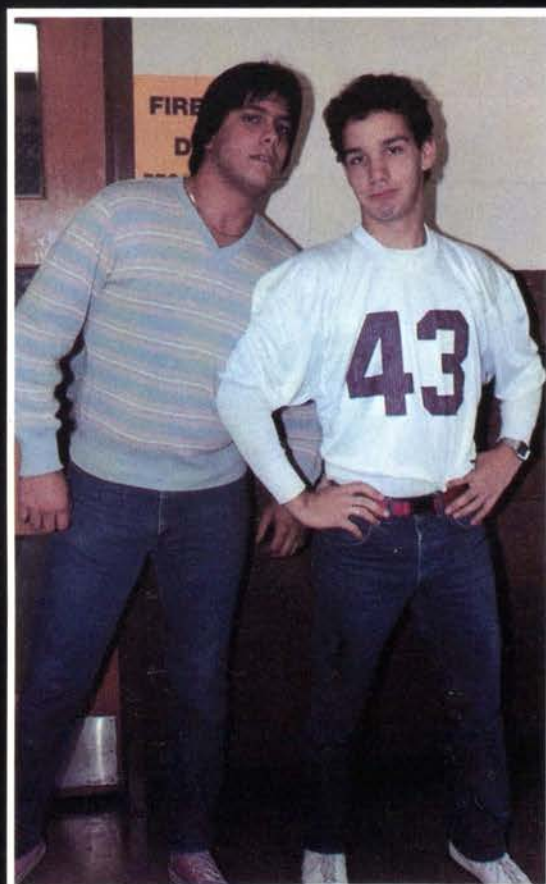

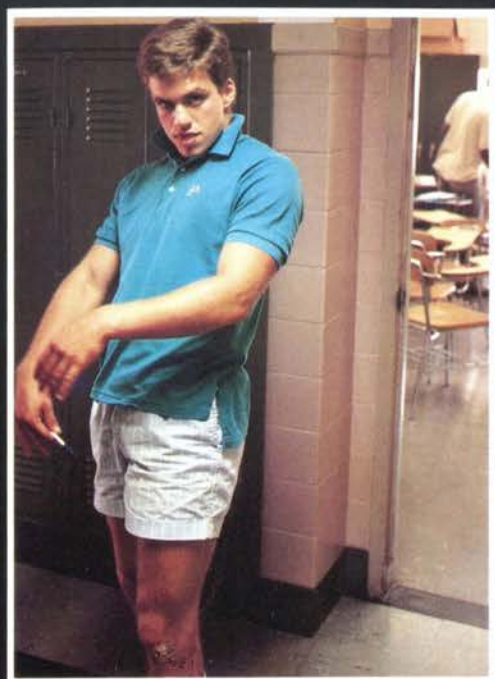

## New friends and old friends . . .

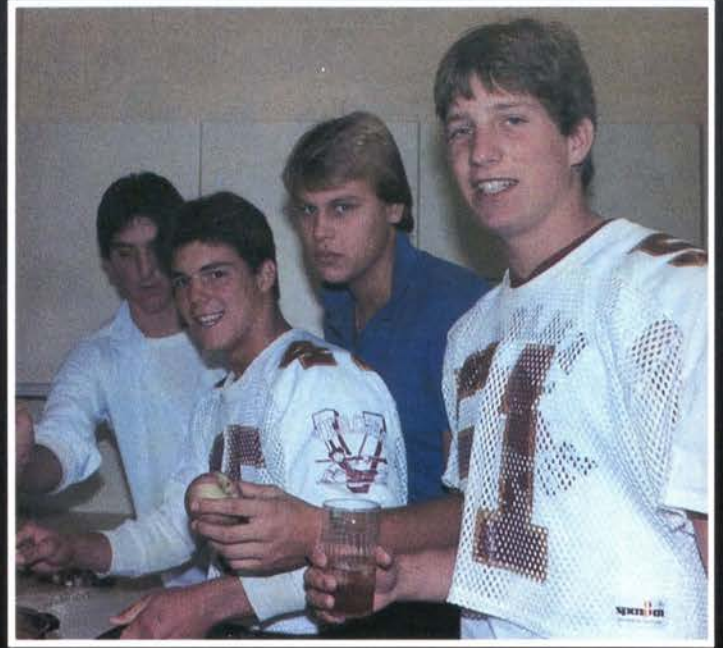

## Good times and bad . . .

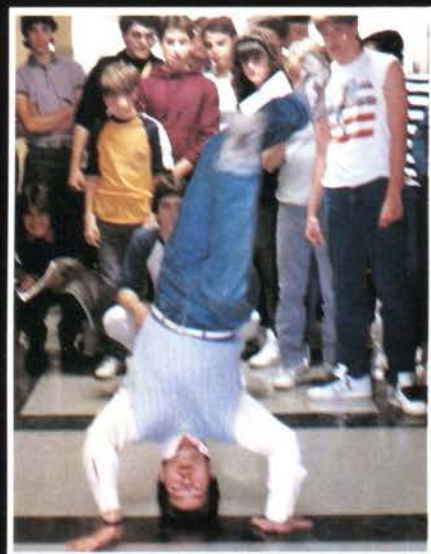

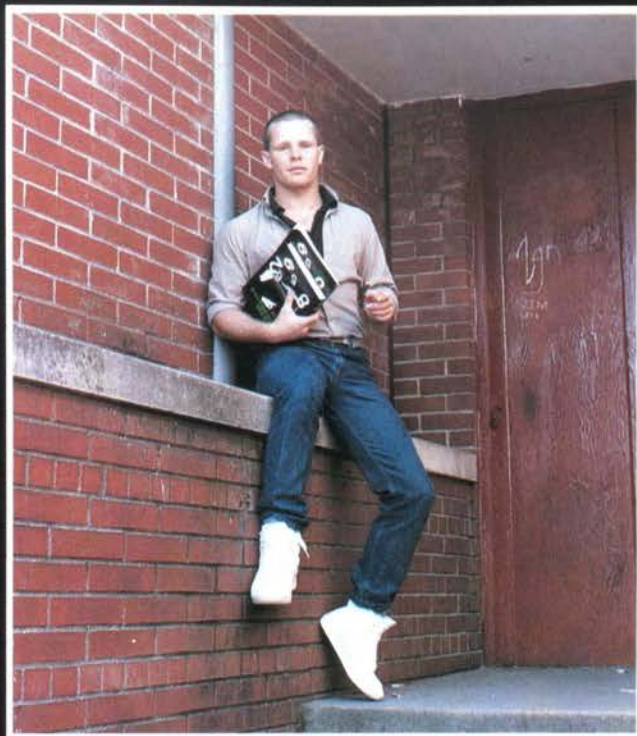

Just hanging out . . .

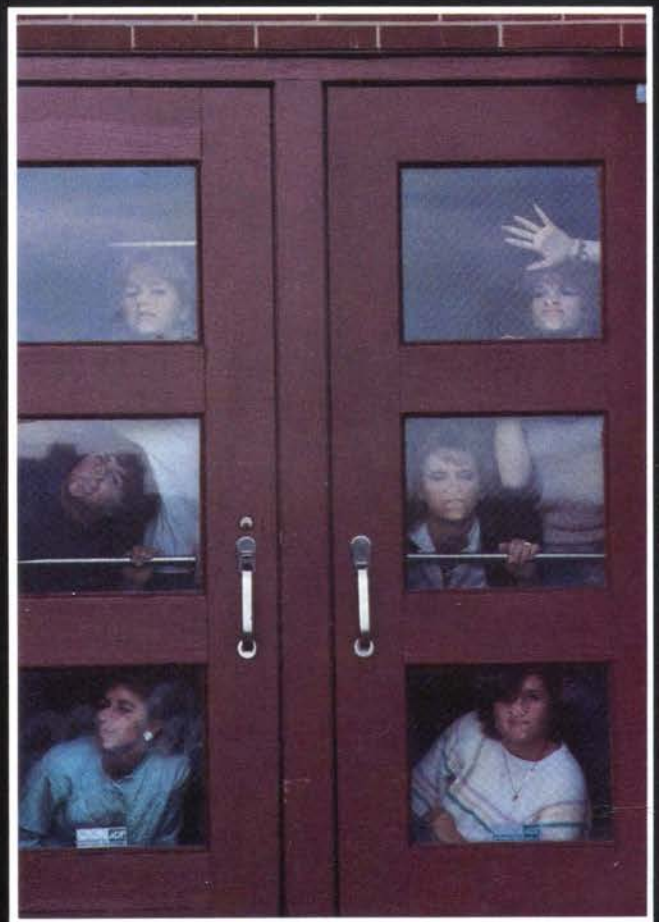

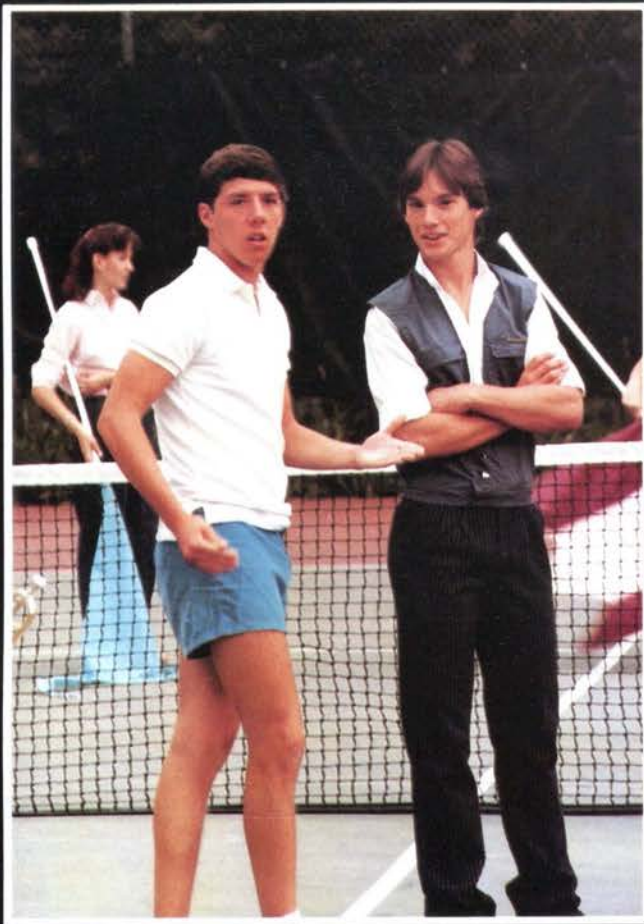

## Games, classes and fads.

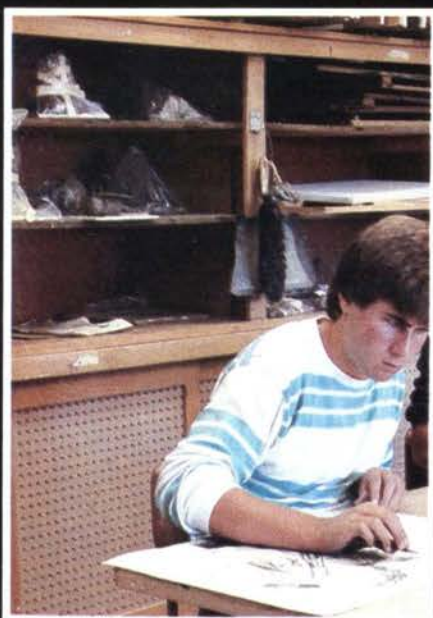

Changes come around real soon . . .

Make us women and men. (John C. Mellencamp)

#### PHILIP ANTHONY MALONEY

Phil Maloney was a person whom our "Class of 1985" will never forget. Phil never failed to have a smile on his face, and he always managed to keep us all laughing, even in the worst of times. Many of us who were lucky to have known Phil since elementary school know that he always wanted the same thing out of life, and that was for himself and the people around him to always be happy.

No matter where Phil is, he will always be our friend and classmate. We always know that he is with us, giving us security and cheering us on to new and better things in life, hoping that we will all, someday, achieve the goals that he would have wanted for us as well as himself.

We, the class of 1985, along with many others, look up to Phil Maloney with more love and pride in our hearts than could possibly be imagined.

1985 is the first year Verona has full fledged varsity status as a team. With this year's new status, the team can participate in local and holiday tournaments, as well as in the New Jersey State Wrestling Championships. Coaches Jim Sauer and John Beverly's teams had only Junior Varsity status in the 1983 and 1984 wrestling seasons; and only club status prior to 1983. Special regards should be awarded to these coaches for the long hours they have contributed to the sport in order to make it successful in Verona. Verona's first varsity captains are Harshad Vaidya and Peter Bush. Leadership is also offered by seniors Mike Burns, Mike Compierchio, Tom Munning, and sophomore Chris Ratte.

Both the boys' and girls' ski teams had fine seasons this year. The ski team raced at a different mountain, Hidden Valley. The team, under Coach Romano's supervision, had a late start and had to practice on dry land only in the beginning of the season. The team practiced about two or three times a week and sometimes took a trip up to Hidden Valley. This year's team is very young and consists of only three returning seniors: Sonny Furman, Danny O'Neill, and Mike Murphy. The team started its season in late November and had its first competition in January.

This year's cheerleaders consist of two seniors, Geraldine MacFarlane and Susan Brodbeck. The group is coached by Donna Gueterri. Basketball fans are always the loudest cheering their team to victory. But what really causes this excitement and entertainment is the Verona Basketball cheerleaders. During time outs and also halftime, the cheerleaders go out to the middle of the court to entertain the crowd, and rally the fans behind the team.

This is the first year in Verona High School's history that there is cheering for wrestling. Since the same girls cheer for boys basketball, girls basketball, and wrestling, they must be very dedicated and willing to give up their free time.

## 1984-1985 SHADOWS STAFF

The 1985 SHADOWS staff has been busily at work since mid-1984. The yearbook staff is under the direction of Mr. Maurice Moran. A large part of the work was produced by this year's Journalism class, with Mrs. Solomon in charge. Other interested students contributed their time and effort after school.

This year's SHADOWS staff was supplied with a TRS-80 computer to help with a large portion of the written material in the yearbook.

The SHADOWS staff last year was forced to complete the huge task of creating a great yearbook in a tiny, cluttered environment. This year the staff was fortunate enough to work in a larger area, allowing more room for layout and organization.

The SHADOWS staff hopes that the entire student body thinks of the 1985 SHADOWS as a complete success.
