

SHADOWS

61

**THESE ARE THE TIMES TO HOLD ON
TO . . .**

**Shadows 1991
Verona High School
151 Fairview Avenue
Verona, New Jersey 07044**

Time through a freshman's
eye moves fast,
Little did we know how soon
it would pass.

**Rush from class to class
in anticipation,
Pretending to be cool, a senior
imitation.**

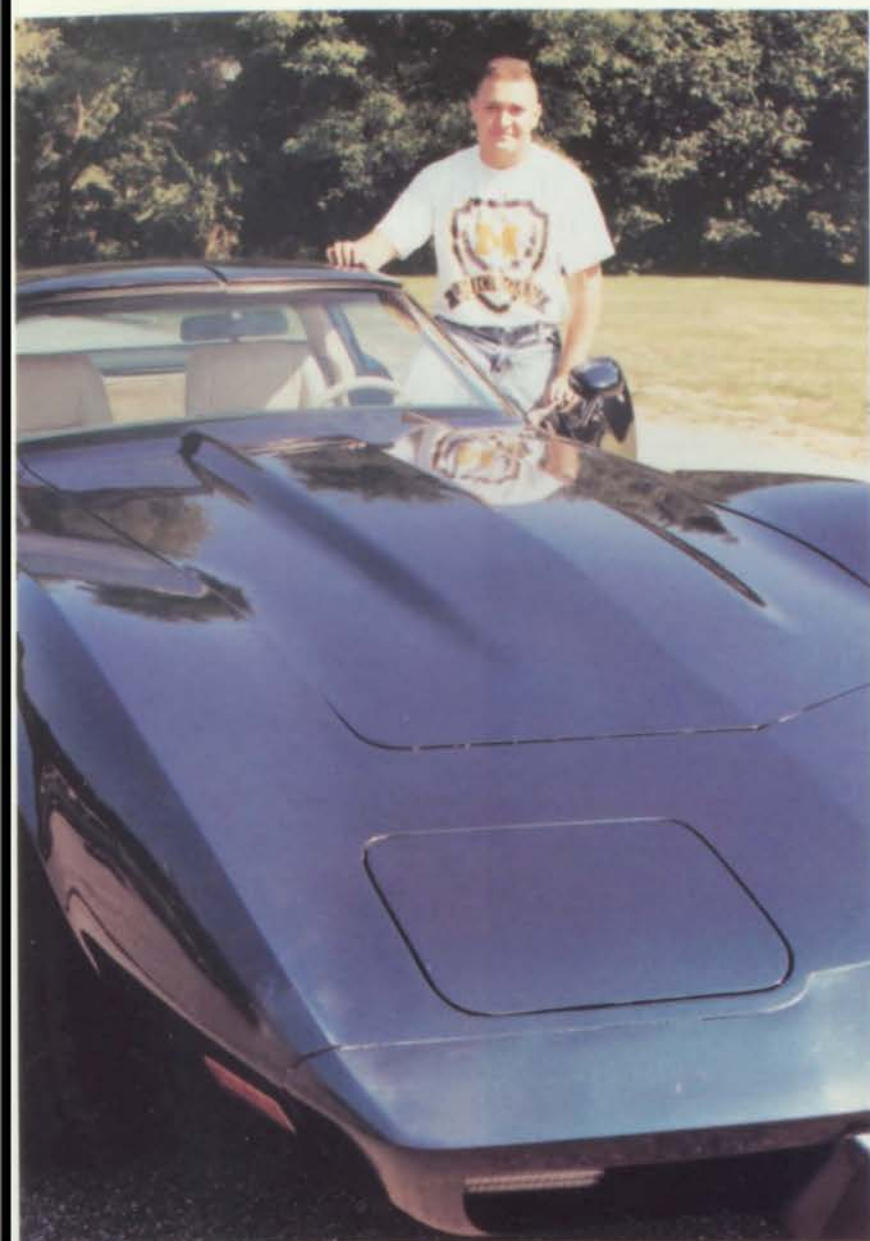

Time for a sophomore is similar
to the year before

At the end we realize that there
are only two more.

We've been here a year,
we know
the routine.

To us, freshman year,
we wish
was only a dream.

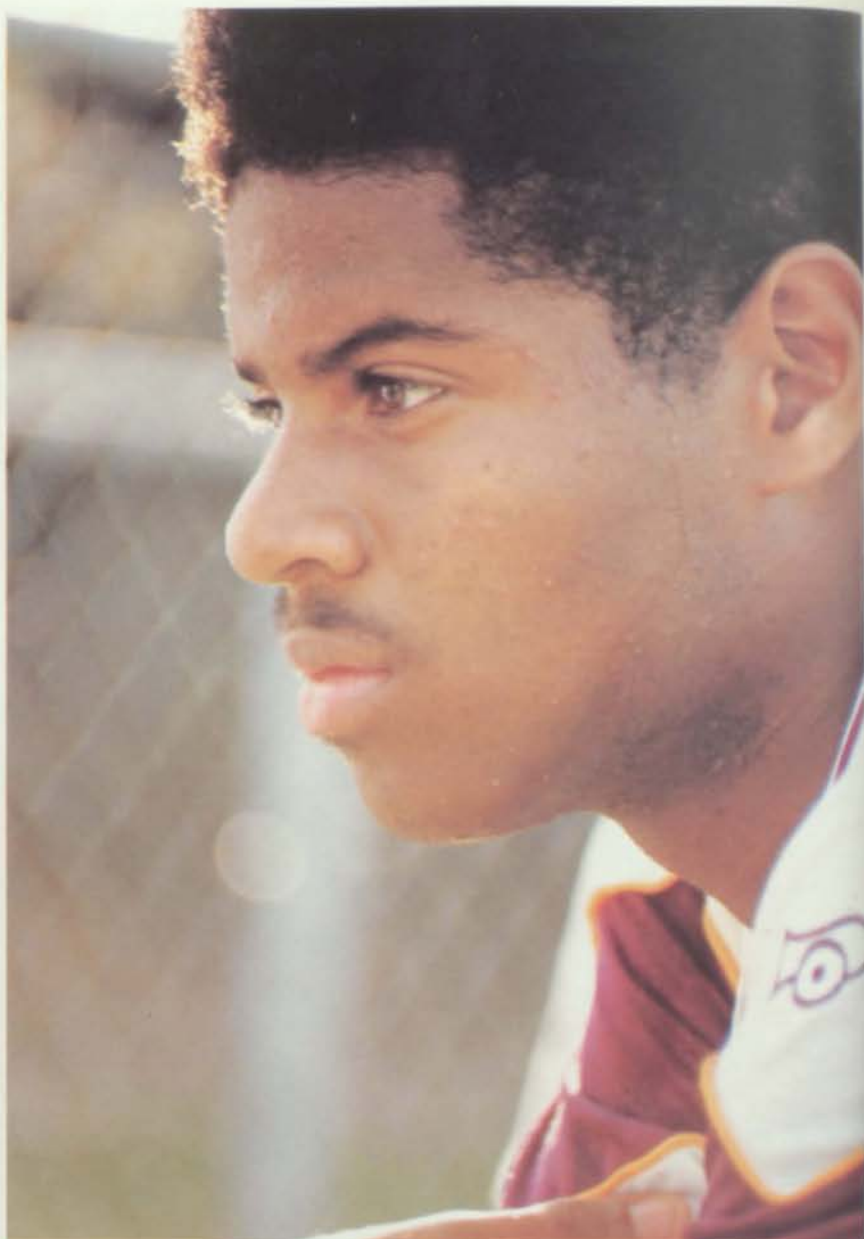

OUR LAST TIME

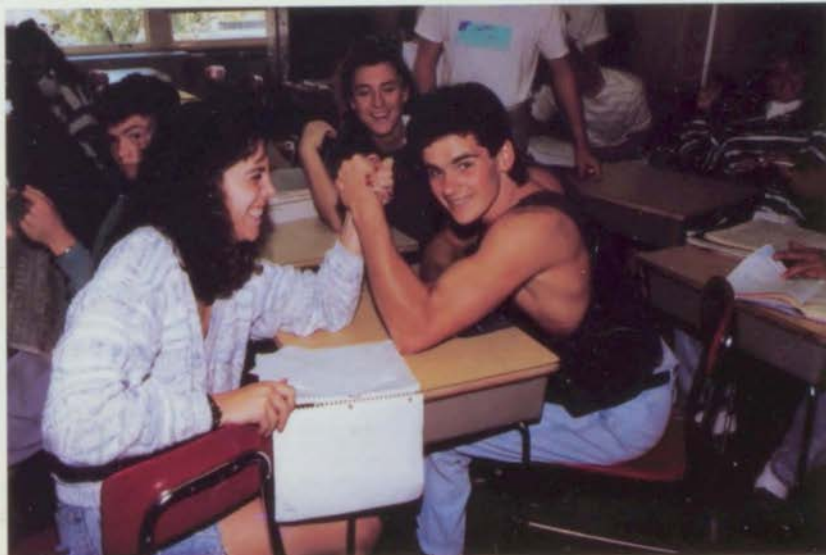

TOGETHER

OUR MEMORIES

A junior's time crawls
as classes
are dragged out.
College info, driver's ed.
and S.A.T. scores
lurk about.

We get all dressed up for a
breathtaking prom night,
And by this time everything
seems just right.

Good times flow for the new seniors
once more?

And it's us this time giving new
freshmen the tour.

As it's time for us to leave the ranks of
high school,

We can still faintly hear
"where is the swimming pool?"

*Recognizing three who
dedicate themselves to*

Making Tough Times Easier

The class of 1991 has chosen to depart from the traditional dedication of the yearbook to just one member of our faculty. We feel that dedicating the yearbook to one person is too limiting because there are many people who have played significant roles in our high school career. While we wish to take this opportunity to thank all of the faculty at Verona High School, at the same time we would like to spotlight three special people with our warmest regards.

Mr. Sutter is known for his unique personality and sense of humor. "Sutts" is admired by senior football players for his dedication to them as their freshman football coach in 1987. With his patience and understanding he has taught us the rules of the road in driver education. And we will always remember his ability to brighten the halls of VHS with the merry tunes he sings while strolling along.

Although Mr. White has only taught at Verona High School for three and a half years, it is obvious that he has made many contributions to

VHS. A devoted English teacher, Mr. White also brings a great sense of humor to his work, which makes his classes very enjoyable. He is always available for extra help or advice. This year, Mr. White took on the responsibility of supervising the production of SHADOWS 1991. The dedication, perseverance, and determination of Mr. White enabled this year's yearbook to be a success.

English is considered by many to be a difficult class, but Mrs. Grosman always demonstrated the patience and understanding to get us through it. She is not only an English teacher and the department's area coordinator, she is also a friend. She is a teacher who is always there for her students, whether it's for extra help, recommendations or just a little understanding.

We, as the class of 1991 spotlight Mr. Morris Sutter, Mr. Thomas White, and Mrs. Phyllis Grosman in SHADOWS 1991 for all of their dedication, and for the fond memories of them that we will take with us.

Tony Pops is currently picking olives for a family owned oil-production factory in Athens... Georgia, that is... Karen Kearney is a trainer and breeder of pedigree animals with partners Fido, Fluffy, and Polly... Sheevani Patel wrestles alligators for the touring show of incredible and daring feats... Al Reising met Elvis in a Dunkin' Donuts and went on to be the manager of his current world tour... Rausch is recovering from injuries sustained from jumping from a bridge after the Dallas Cowboys beat the Giants in the NFC Championship Game... Mark Rossi went bankrupt after attempting to bring multi-colored plaid leisure suits back into style... Jeffrey Testa is an experienced used car salesman who uses the slogan "I've driven the car myself!"... Peggy Ward was expelled for being late to class and did not graduate with us... Mark Zjawinski, constantly mistaken for Elvis Presley, is forced to hide out at home for the rest of his life... David Richards discovered Jesus in a 24 hour convenience store and is now selling Bibles house to house... Michael Mariniello is a clavichord player for the famous German polka band Liverwurst and Wienerschnitzel... Bill Spagnardi plays the role of the Skipper on the new Gilligan's Island television series... Noah Lord is the national spokesperson for generic "Money Saving Brand" companies... Tina Quine is trying to break the world's record for cartwheeling around the world... Tracey Roth is the star of her own demolition derby and stunt car show in Las Vegas... Dianne Scully, after years of experimenting to find the formula to turn lead into gold, found the magic recipe, but misplaced it in her messy lab... Shawn Yaney is moonlighting as a stand-up comedian, magician, clown, carpenter, horse jockey, brain surgeon, Maytag repairman and IBM representative in his spare time..."

SUDDENLY THERE WAS ANOTHER FLASH OF BLINDING LIGHT AND THE WIZARD WAS GONE. JOHN AND CRAIG HAD AN EMPTY FEELING, LEFT WITH AN INCOMPLETE LIST OF THEIR CLASSMATES' FUTURES, AND CALLING OUT TO THE WIZARD, "WAIT, THAT'S NOT EVERYBODY..." "WELL," THEY THOUGHT, "I GUESS WE'LL HAVE TO GO TO THE REUNIONS AFTER ALL..."

The Football Team finished the year with a 7-2 record. The team just missed making the state playoffs and taking first place in the conference by losing to Cedar Grove in a sudden death overtime game 15 to 14. Under new head coach Kevin Carty the Hillbillies surprised many opponents with an outstanding passing and running game. Highlights of the season include a 27-0 win over playoff team Mountain Lakes and a 35-13 win over Glen Ridge on TV3.

PEP RALLIES

The 1990 Varsity Football Cheerleaders started the season with their annual pep rally before the first game against Mountain Lakes. Their time was occupied by making signs, long practices, filling the players' lockers with candy and preparing their dance for the game against Cedar Grove. The 2nd annual bonfire was held at Linn Drive to rally up spirit among the V.H.S. student body.

The Boys' Soccer team knew they had a tough schedule this season, but worked hard all year. Despite the team not being at full strength all season due to injuries, the season was not without its highlights. Those include well played victories over Glen Ridge, Caldwell, Bayley Ellard, and Cedar Grove.

The girls on this year's team will never forget "the outrageous bus rides with crazy Norm."

Cross Country runners begin a typical meet by starting off in the middle of an open, usually wet field, and then disappear into the woods for about twenty minutes. While this doesn't make for the greatest spectator sport, the Boys' Cross Country Team had a difficult, but worthwhile season. The girls' team also had a tough yet successful season making new coach, Ms. Nancy Wright's first year on the job an enjoyable one.

Mr Gaffney returned this year to coach the Boys' Varsity Basketball Team which is returning five letter winners from last year's squad.

The biggest obstacle the team faced was a height disadvantage due to the fact that there was no player over 6'1". Team work was essential to the team's success.

The team was led in scoring by junior Dan Nigro. Senior captains Al Griffin and Pat O'Hara anchored the squad. Other senior players were Mark "Fred" Rossi, Steve Falcone, Robert Trafford and Michael Mariniello.

This year's Girls' Basketball team had all their returning players except for three. In the past the girls had successful seasons and hoped to keep that Verona tradition going. The team consisted of five seniors, six juniors and two sophomores. Before each Friday night games the girls went out to dinner and got themselves psyched before the game.

This year's wrestling team was led by first year coaches Gene Murphy and Angelo Corbo. The three seniors, John Miller, Albert Reising, and captain Kris Rauschenberger worked hard on winning and teaching the underclassmen how to win. Although the team record wasn't good there are many individual records which were very good. Six wrestlers had over a .500 record.

This year the VHS hockey team, captained by senior John Larangeira and juniors Pete Scaraggi and Kevin Goodwin, moved up to play in the American "B" division. The five seniors — Larangeira, John Stafford, Brian Buckley, Joe Auriemma and Eric D'Alessandro all had fine seasons, as did juniors Scaraggi, Goodwin and Bill Wrovsky. Jeremy DiStefano and Dave Skinner anchored the defense, as sophomore Chris Bellino led the team in scoring. Despite the move up, the team was still very competitive and had a winning record.

The VHS ski team had a successful season as the veterans improved greatly and the newcomers caught on and learned rapidly.

The team was led by Boys' co-captain Bill Laing, the team's only senior, captain Darrell Kingston, Girls' captain Amy Foran and co-captain Rachel Kron.

These dedicated skiers began their races at 5 p.m. and often did not return until 10 p.m. Despite these grueling hours, they were able to perform well and maintain their sanity!

The winter cheerleaders this year, led by captains Teresa Canonico and Dana Tenuto, proved to have a very successful season. The girls cheered at all home boys and girls basketball games as well as home wrestling matches. Some weekly bake sales were held so they could raise money to fill the lockers with candy for the players. The squad showed great spirit and helped to psyche the teams for some very rewarding victories.

After a rough 14-8 season last year, this year's varsity baseball squad returned with high expectations. Verona brought back six starters from last year's team, including four seniors. Pat O'Hara, John Miller, Rob Trafford and Vin Ferruggia are the four who emerged as leaders of a youthful group of players. Two experienced junior starters also returned to boost the Hillbillies — Dan Nigro and All-Conference selection Chris Checchetto. Although young, this year's Hillbillies entered the season with good enthusiasm and great talent.

The 1991 Softball season was a rebuilding year due to the loss of nine players to graduation. With only three returning starters, this year's team faced a tough schedule playing such teams as Whippany Park, Mountain Lakes, and Cedar Grove. The team, which plays its home games at the F.N. Brown School, was led by senior captains center-fielder Marissa Serpico and shortstop Shannon Malone.

The Verona Girls Track Team entered this season looking to its senior leadership to guide it to victory. Laura Camp, Tracey Roth, Dianne Scully, Laura Wilson and Christina Anderson led the team to victory as they improved their times and throws throughout their senior season.

The Boys Track Team looked to improve on a 5-4 1990 record. Their weight team, coached by Mr. Bowes, featured Kris Rauschenberger, Bill Spagnardi, and John Crickellas. The runners, guided by Mr. Fuller and Mr. Leporati were led by Mark Rossi, Al Bouye, Brent Jones, Dave Richards, Denis Hynes and Jeff Testa.

While many of VHS's sports teams were at a rebuilding stage this year, with many underclassmen, this senior dominated squad expected to be very competitive this year. The team featured Tim Kealy at first singles, Chris Salese at second, John Odell at third, and Mark Ochab and Todd Muller at first doubles.

The VHS Golf Team, guided by its coach "Brother" Moran, holds its home matches at Montclair Country Club. Which six golfers will compete is determined by last match's scores. A unique golf team tradition is the passing of the "bent putter" from each year's captain to his successor. Captain Evan Heimall had proud possession of it this year.

"For the times that we're apart, close your eyes and try to feel the way we do today, and then if you can remember. . . Keep smilin', keep shinin', knowin' you can always count on me, for sure, that's what friends are for. For good times and bad times, I'll be on your side for ever more. That's what friends are for!"

Jen D. Laris Meg Jen M. Sue Christina Janet and Shannon:

The times we had we'll always cherish: Our queer sayings — "Gondolies" "What are you saying to me?" "Read a novel, just don't forget the book marker!" "Sicker than that" "Boutique" "What a beautiful thing" BonJovi concert — "Can I get on your shoulders?" The park. Sleepovers, Meg and Laris — Soph. year. Out to dinner nights at J.B.'s. Sue's house, the shore at 4. Jen's house — nights 1, 2 & 3! Shannon's yard fiestas - the courts - "stars are bright and give reasons to live." Sweet Sixteens. "B.J.L." Shannon "I'll walk home, yeah, walk home." Shanine's pants worn all week. Carnival — Mark & Mike in the jeep. Sue and Meg goin' cross country! "Stress" Girls orangin'. Ring Dance: Miami-Vice "Freeze" Laris: "They're really here." Going on many "jogs" Eighth period TCBY's. Gettin' Madonna tickets — the Madonna concert. "Strip show and clubs.!" Endless cruises. Long friend and life talks at J.D.'s. Scavenger (man) hunts. Prom night '90 — Cafe Society. Allnighters. New York. Laser light shows. Concerts. Gigs (Rausch's). Split and Lookout — Sue's log. "How great." New Year's Eve '91!!! — Many plans and dreams. Now college and the future! Scary! Great friends make great memories! Time spent well!

Jen D. — I'll always remember great times with great friends. Summer '89, long talks at my house, J.M.'s house, "She's gonna die," Shannon's sleepovers - courts; 8-4-89, The Boneheads — poets, 11-28-89 — Evan — thanks for the memories!

Laris — To all my friends — dudettes and guidettes, you're great! We've had special times — happy and sad, boring and wild; thanx for it all! Meg — my other half — B.F.F. — the older ones, our shore days, "But we do," Lola, and our babblin' long talks. Dan — you're special — luv ya. Sensitivity. Love ya girls! "Everybody Dance Now!"

Meg — Friends, friends — you drive me crazy, but you're all the best! Definitely goin' cross country. Sue, Laris: remember — the cast, bus stop down the shore, Lola, and all the unmentionables. To all my pals — Love Peace and Happiness; and always remember, "Groove is in the heart!"

Sue — "Destiny is no matter of chance, it is a matter of choice. It is not something to be waited for but something to be achieved." I hope you all achieve what you wish for. Never forget — "Nice weave", "shave it!" Cross country — definitely! To all — Love and Peace!

Christina — To all the girls who mean so much to me. ILU all and will never forget how great you've made my VHS years. Always remember much dancin' with Jen and Laris. Lip Sync with Jen. Sue: Thank for many talks and hockey journeys. Shan: I'm your peer. . . yeah, food, yeah! Janet: Sorry about Newark trip with them alone! Very special thanks to my buddy Jen M., I'll never forget how great a friend you are. I never thought I'd meet someone so like me, but so different. To my fellow Boom-botzers: Never lose the ability to "wiggle it" and girls — "Don't fear change, it's for the best." B.J.

Janet — "Let us remember lessons learned and profit from the past and may we build a bridge of dreams that shall forever last." Special thanks to all my friends. Especially Shannon, you're everything I always thought a good friend should be. . . and the friendship I share with you means very much to me!!! Will always remember unforgettable times with Danny — ILU!

Shannon — To all my peers — thanks for the memories - you guys are great. Jen and Sue, never forget the lawn chair motif — courts. Sleepovers, Sue's, shore at four. Janet and Tara, thanks for always being there - "The special bond that keeps us close is made of many things, the warmth and understanding that a lasting friendship brings." Thanks — Peace!

Jen M. — Thanks to all my friends who put up with my problems (with men, etc). You never realize how good it is to have a friend until you need one. Too many special places and times to remember. Cree: You'll always be #1! (V.M., S.T., C.B., Kealz) all the gigs, etc. . . HOUSE YOUR BODY!

As we stand on the stairs to our future, I see:
