- Wrestling with Cecil in the hallway
- Fighting with the vending machine during lunch
- Aceing one of Mr. Trietler's tests

Things

High School, some of the best and worst days of your life. From the torture of waking up early, to sitting through classes, and then eventually going out; read on as we rewind *A Day in the Life of a Senior...*

1

6:30 Wake-Up

Time to get up! It is what all students dread, falling out of bed and wishing they had a few more hours to sleep. Unfortunately, it's off to school...

2

7:55 Breakfast

Jim, Ryan, Ashley, Juli, Dana and Kaitlyn are just in time to grab some breakfast. They catch up on a few things, while Tyler snatches some delicious sausage.

3

9:00 Class Time

Krishma, Larry, and John collect their thoughts and get ready to face another day in Family Living. In this course seniors get to take on the roles and responsibilities of being parents.

4

11:30 More Class Time

Ricky sits through class sporting his hot new Armani visor while pondering his afternoon workout routine. Ricky isn't alone, many seniors spend their days day-dreaming of what's to come later on.

5

12:00 Lunch Time

Seniors enjoy the privilege of going out-to-lunch, but don't always make it back in time! Favorite out-to-lunch spots include Anna Capri, Burger King, Panera, Ray's, Wendy's, V.V, Munchies, T-Bell, and the Willowbrook Mall Food Court.

6

4:00 Game Time -

Kamakshi aggressively chases down a Whippany Park player while Cate hustles to back her teammate up. As usual, senior athletes help lead their teams to another successful season.

7

8:00 Let's Go Out

Margaret, Vanessa, Kim, Nicole, Kerry, Erika, Juli, Veronica, Ashley, Dana, Cristina, and Jenna all gather together to hang out in the lot. Whether it is after a pep rally showing their school spirit, on a weekend, or just during a school night, seniors love to hang out.

8

10:00 Party Time

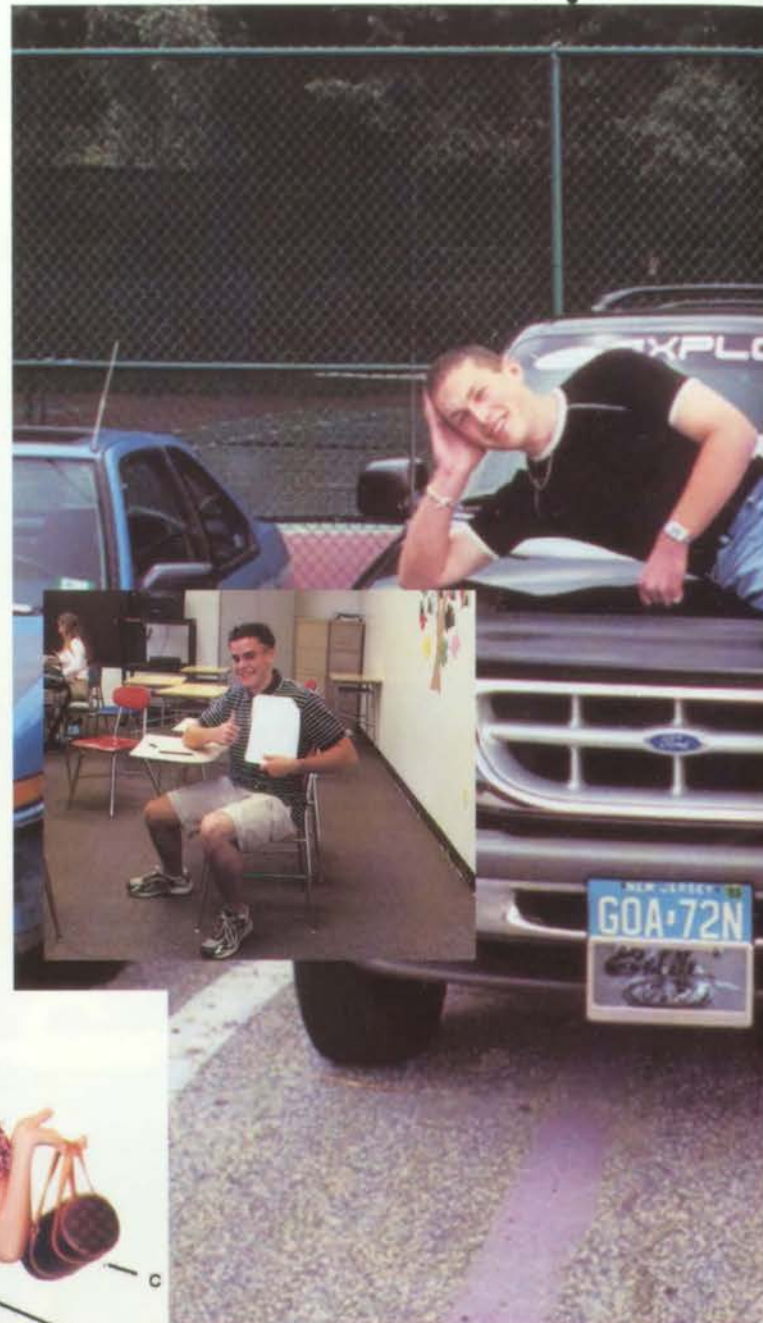

Parties? Who doesn't love them? Nicole, Courtney, Sarah and Juli all meet up at the nearest shin-dig. Hanging out with friends and just having a good time is what helps seniors get through the hardships of the week.

Laning- "In third grade the entire class took a trip to Verona Park for some experiments with water. At the end of the lake Mrs. Salge was bending over testing the water when I accidentally knocked off her glasses after trying to point out some ducks in the distance. My other teacher, Mrs. Solomon, devised a plan to hang me upside and retrieve the glasses. The plan worked and everything turned out to be ok." Tyler Manley

Brookdale- "In fourth grade we put on a wax museum show. To give ourselves gray hair we used baby powder but we got a little carried away and ended up covering the bathroom floor with powder. A teacher found out and made us clean the bathroom, so we used toilet paper. When we had to get rid of the mess we put it all in the toilets and clogged them all. We got in big trouble." Courtney Perkins

Forest- "In third grade I was bending over to tie my shoe in the corner of the room. My teacher Mrs. Pirello was walking backwards and not paying attention and tripped over my back. She ended up landing in the recycling bin and accusing me of doing it on purpose." Bobby Goman

Starting from top left corner going clockwise: Emily Reilly, Veronica Piombo, Kim Ferrari, Mandy Aquilante, Nicole Molinari, Colleen Dunleavy, and Sarah Ramirez; Cassidy Smith, Katie Menton, Courtney Perkins, Caitlin Schaffer and Jess Farawell; Andrew Lapone, Andrew Zebrowski, Dan Fitzpatrick, Bobby Goman, Jeff Kessler, Ryan Kistner, Mike Devita and Zach Gordon; Angela Castaldo, Rebecca Force, Jess Klein, Ashley Waitts, PJ Potts, and Devin Villarosa; Top of next page going clockwise: Johnny Bastedo, Mike Manley; Nicole Staselewicz, Christine Rademaker, Kim Ferrari, Rachel Bennet and Colleen Dunleavy.

Little Beginnings...

You know you went to F.N. Brown if you: played kickball everyday, sat on Mrs. Ruscin's leather couch, got a birthday bear hug from Doc, saw Matt Gessel make Mrs. Manhardt pass out, played suey, crossed through the brook, had coffee talks, heard Mr. Day tied Mike Galife to a chair, had your box ball privileges revoked.

You know you went to Forest if you: played Aladdin, mastered the 24 game, was a witness to "the gushers case", played suey in the pit, crossed over the bridge and tied your shoe, swung on the vines, were involved with the zoops currency.

You know you went to Brookdale if you: played octopus on the playground, ate meal worms for lunch, hatched a chick from an egg, were involved in "The New Jersey program", know about Futerman biting Joe Albano, know about the "Girls bathroom incident", remember the tire swing.

You know you went to O.L.L. if you: had to run a mile every year, your grade consisted of twenty people, you witnessed Gerald Tobia's accident, you went to Fairview lake in fifth grade, you put your hand in the penny jar, you are a pro at estimating thanks to Mrs. Harrison.

You know you went to Laning if you: rudely interrupted Mr. Graham, went on strike in fourth grade, 10-4 still lingers in your head, remember the stinky bear incident, know that Field Day rocked.

...A Little Time in the Middle...

Allison Bane, Kim Ferrari, Kristie Errico, Emily Reilly, Cassidy Smith, Sarah Ramirez, Courtney Perkins, Devin Villarosa, Vanessa DeNotaris, Kamakshi Parekh, Regina Ram, Tiffany Torres, Julianne Mangano, Annie Zaks, Nicole Molinari, Kerry McLoughlin, Katie Menton, Stephanie Mury, Jessica Farawell, Kate Moore, Christine Rademaker, Caitlin Schaffer, Nicole Pignatello, Kaitlyn Conlan, Margaret Schoenebaum pose with Coaches Mr. Smith, Mr. Conlan and Mr. Mury before an eighth grade soccer game.

Clockwise from top left: Chris Soderman, Mike Devita, Ricky Congero and Gerald Tobia all enjoy a little hang time at the eighth grade semi-formal. Huddling together for a group hug, Annie Zaks, Nicole Molinari and Dana Banta smile for the camera while on the fifth grade trip to Stokes State Forest. Waiting to leave for the semi-formal, Larry Schiffenhaus, Jimmy McDonough, Matt Gessel, Matt Grimes, Brandon Camacho, Tyler Manley, James Juhn, Dylan Meade and Mike Manley say cheese for the camera. At a bowling alley in fifth grade, Chris D'Amato and Ryan Kistner wait their turn to bowl a strike. For Halloween in sixth grade, Colleen Dunleavy and Jenna Klein dress up to go trick-or-treating. Sipping hot chocolate in front of a cozy fire, Regina Ram, Kate Moore and Joelle Piercy defrost themselves after a long day of sleighriding. Waiting for school to start, Maria Rivera, Erika Kiel, Katie Menton, Courtney Perkins, Margaret Schoenebaum, Jen Feret, Allison Bane, Ashley Waitts, Julianne Mangano, Kristie Errico, Colleen Dunleavy, Annie Zaks, Kerry McLoughlin and Vanessa DeNotaris pose for a picture outside of the sixth grade wing.

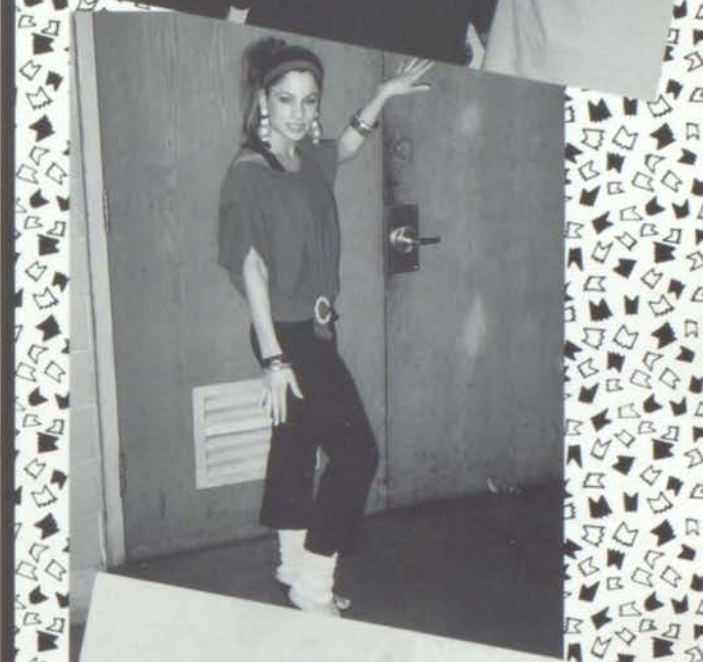

A Little Bit of SPIRIT!!!

Spirit Week! Kristie Errico, Christine Rademaker, Dana Banta and Cristina Nicastro wear maroon and white on Verona Day. Gina Sabatino, Mike Pierro and Vanessa DeNotaris wear pj pants and slippers on Pajama Day. Pete Ponzio, Courtney Perkins and Tia Stivala on Crazy Hat Day. PJ Potts, Mike DeVita, Matt Yavorski, Andrew Zebrowski and Tyler Manley represent their favorite teams on Sports Day.

Kat Gibbons, Danielle Petruzzello and Emily Reilly support their favorite artists on Favorite Band T-Shirt Day. Marissa Deluise brings back old fashions on 80's Day. Mr. Galbierczyk and Tyler Manley show a striking resemblance on Student-Teacher Reversal Day. Larry Schifffenhaus, Ricky Congero, Erika Kiel, Annie Zaks, Cate Schaffer, Christina Jeannetti, Joe Corbo and Mike Galife stand in the decorated senior hallway on Class Spirit Day.

While on February break,

Although these letters will be torn down and
the balloons will deflate, the memory of the
class of 2004 will remain in these halls forever.

STUDENT COUNCIL

The Student Council officers are elected annually by popular vote. All grades vote for the school election, and each grade votes individually on their own class officers. Dear Cassidy,

Congratulations! We are so very proud of you. We have watched you develop into an amazing young woman who is more than ready to take on the new challenges ahead. As you continue to this wonderful "journey" remember we are *always* here for you. We love you.

Mom, Dad, Sean, Shannon, Maggie, and Clover

May you live a long life full of gladness and health,
With a pocket full of gold as the least of your wealth.
May the dreams you hold dearest be those which come true,
The kindness you spread keep returning to you.
May the friendships you make be those which endure,
And all of your grey clouds be small ones for sure.
And trusting in Him to Whom we all pray,
May a song fill your heart every step of the way.

CONGRATULATIONS CLASS OF 2004!!!!

Story of a Life (Harry Chapin)

I can see myself it's a golden sunrise
Young Boy, open up your eyes
It's supposed to be your day.
Now off you go, horizon abound
And you won't stop until you've found
Your own kind of way.
And the wind will whip your tousled hair,
The sun, the rain, the sweet despair,
Great tales of love and strife.
And somewhere on your path to glory
You will write your story of a life.

And there are times you'll change your stride,
There are times you can't decide
Still you'll go on.
But the question echoes up before me
Where's the magic story of a life?

Now sometimes words can serve me well
Sometimes words can go to hell
For all that they do.
And for every dream that takes you high
There'll be a dream to pass you by
I know it's so true.
And I can see it clear out to the end
And I'll whisper to you now again-
For more than all the ghosts of glory
You make up the story,
You're the only story
Of a life.

Matt,

Congratulations! You're a great brother, and I hope you know that I will always be here for you, just like I've always been.

Love,
Tori

Matt,

We hope the future brings you all the wonderful things that you deserve. You always made us proud-and always will. We're amazed at how quickly you've grown into a mature, intelligent, caring young man- don't forget that we're always here for you.

Ronnie

May the Good Lord be with you
 Down every road you roam
 And may the sunshine and happiness
 Surround you when you're far from home
 And may you grow to be proud
 Dignified and true
 And do unto others
 As you'd have done to you
 Be courageous and be brave
 And in my heart you'll always stay...

...And when you finally fly away
 I'll be hoping that I served you well
 For all the wisdom of a lifetime
 No one can ever tell

But whatever road you choose
 I'm right behind you, win or lose...

Dear Gerald,

The time certainly did fly by these past four years. When you first entered Verona High School you seemed to be such a little boy. We were concerned how you would adjust to new friends and a new environment. We watched you find yourself by participating in the marching band, baseball, football, theater, and most of all, hockey. We watched you grow into a wonderful young man that we are so proud of. You allowed us to experience wonderful times that only you could have given us.

That smile, charm and the ability to always make people feel comfortable around you is a gift that no one can take away. Best of luck in college, and always remember that Mom and Dad love you dearly.

The world is your canvas, paint it your way. May your life always be colorful and
make you smile, leaving your trace of footprints inspiring others to follow.

They say there is a universal plan
For every woman, for every man.
We do believe there is a higher power
But in our darkest hour it is hard to understand
So we start to question, start to doubt
We lose faith in what life is all about

You will have questions

Why did the right road take the wrong turn?
Why did our heartbreak, why did we get burned?
Just like the seasons there are reasons for the path we take
There are no mistakes
Just lessons learned

Do not give up, keep on looking deep inside.
Let your heartbeat be your guide
Because there is a gift, for those who keep believing
You will find that what you have been needing is right before your eyes
You will hold the answer in your hands.
Then you will know and you will finally understand

No matter how many times you stumble or fall
The greatest lesson is loving yourself through it all

You are and have always been a joy and an inspiration to us. Your humor makes us smile, laugh and cry. We will be by your side in any endeavor you choose because, to quote your hero, Gilda Radner, "It's always something." You've given us so much to be proud of, not only in the past 4 years, but throughout your 18 years, and we expect great things of you. We repeat, because it's a phrase that bears repeating, the immortal words of the great contemporary philosopher, Lewis Black, who said, "If it wasn't for my horse, I never would have spent that year in college." Because of your horse, or, more correctly, your former horse, you will have the opportunity to spend four years in college. Spend wisely and follow your dreams!

Dear Ger,

I can't believe you finally made it through Verona High School, I always knew you could do it. I'm really going to miss you when you go away for college. Though you may be bigger than I am, I will always be older and much wiser. You're a smart kid, have faith in yourself because I always did. Make sure you kick butt, infiltrate, then take over. I will miss you so much (you should really think about Rutgers) that I might have to hang out with Joe instead. Lots of luck at school, they will be honored to have you.

This is a time of new beginnings and cherished memories. It is a time to dream and to look forward to the journey in front of you.

The ability to triumph begins with you. Believe in yourself and use the skills that God has given you. Never let go of your dreams. Work hard but never forget the importance of having fun.

You have such a bright future and so much to offer. We are very proud of you and will always be there to support you. We are your biggest fans.

We love you. Always.
Mom and Dad

Dear Gerald,

What could I say about the end of your high school career? Its been great these past four years, through the good times and the bad. You always make everything better even when you don't try. It has been fun getting to know you more just by talking or hanging around with you and your friends. I have had a lot of fun and I hope it was fun for you too. I really hope you have a great time at college and we could share stories about what happened to us while we are apart. Never forget about all the fun times we have shared, like going around trick-or-treating, playing sports together, and even just hanging around with a couple of friends.

Love,
Your brother Joseph

P.S. Never forget that friends come and go but a brother lasts forever.

Vanessa, you are a special young lady... all your own. But as you grow and learn we want you to know of one thing that will never change and that is our endless unconditional love for you. We wish you the best and may God guide you each day.

Love Dad, Mom & Joelle

"We're all assigned a piece of the garden, a corner of the universe that is ours to transform."

Marianne Williamson

Gina,
Eighteen years ago you began,
and transformed our piece of the garden
adding to it beauty, joy, and infinite love.

In your quiet manner you've found ways to shine, doing things you loved most and being true to your heart. You are aware that life is a journey, not a race, and you take time to enjoy those you meet along the way, especially family. You remain true to your convictions and are not afraid to be your own person. You recognize your weaknesses and work to overcome them. You have achieved every goal you've set. Stay young at heart, there is nothing we could wish for you more. Use your talents and creative nature, to achieve your dreams and make a positive impact on your corner of the universe. Don't forget to add that little "extra" into all you do. Make God a priority keeping him before you for guidance, along side you for support during hard times, and behind you for encouragement and protection.

We will always be there for you in all you do.
You are a fabulous daughter and an awesome big sister.
We are so proud of you and love you very much!
Congratulations on a job well done!

Love,
Dad, Mom and Diana

The word that is most fitting for this special time is Pride. You exemplify its very meaning and have earned it with your solid values, hard work and perseverance. You are committed to everything that you do and have always put your family first. A trait to be admired! As you prepare to go forward we are confident you will not just succeed, but you will excel. We wish you the very best in college and all future endeavors.

Thank you for your positive energy, your friendship and your love.

You have brains in your head.
You have feet in your shoes.
You can steer yourself in any direction you choose.
You're on your own.
And you know what you know.
You are the guy who'll decide where to go.

Annie Piggs Schaffer Radz Kimmy

Annie: Even if we never talk again after tonight, please remember that I am forever changed by who you are and what you meant to me. **Schaffer:** We have told each other this many times, but you truly are one of my best friends ever and kind of mean the world to me. I believe we became so close just because we both know what it means to let go and enjoy ourselves. I love how the best times I have had these last few years, have been with you. I will never forget the times we have had and of course the times to come. You mean so much to me and will always be a huge part of my life. **Piggs:** Before I met you, I did not know what it meant to have a best friend. You truly taught me what friendship was all about, and how important it is to a person. You are an amazing person who has taught me so much. I have so much fun with you and can talk to you about anything. You are someone I respect very much and love you more than you know. Thank you for making a difference, not only to my high school years but for the rest of my life. I love you babe. **Radz:** You are an amazing person, and an amazing friend. You have done so much for these past few years and having you as a friend means so much. You are a strong individual who has taught me many things about life. The two of us know how to make each other laugh and I totally love that. Through all the rough times, I know you are there for me, and you sure know I am always here for you no matter what. **Kimmy:** I have had a ton of fun with you, throughout the years. Even though we might not have spent as much time together as we would have like this last year, I will always know you are here for me in any situation. I can talk to you about anything and most likely you will always have the same complaints! I love you for everything you have taught me and I know when I am with you, I always have a smile on my face.

As you can see, all four of you have taught me so many things in all different ways. I love the fact that I know, I had four best friends throughout high school and I will always have four best friends forever. **Devin:** I truly love the fact that we have become so close over the past few years. You are a fabulous person and mean a lot to me. **ILY Jacqu:** You have no idea what your friendship meant to me this year. You don't with me through some of the hardest times I have had, and never complained once. I love the fact that you could call me at any time and we could talk for hours. You always make me laugh and with out a doubt have become one of my best friends. **ILY!! Nucci, Jill O, Cate, Gill, Steph:** You girls have also been there for me this year and I have had an absolute blast with you. You each have added so much to my senior year different ways. Nucci, our hours on end convos, Jill, your sincerity and of course your parties. Cate, one of the sweetest girls I have met. Gill and Steph, you are both absolutely hilarious and keep me laughing! You are amazing people! I love you all! **Molli & Ashley:** I have had some fun times with each of you that I will never forget. I appreciate the fact that we became so close throughout the years. **ILY! Katie, Jess, Katie B:** You girls have been my savior throughout the years. You don't know how much you girls mean to me. I know every time I am with you I will always be laughing. I love the three of you very much and will miss you terribly this year. KD-don't worry, I'll come back to make fun of you! **"The Boys" Chris, Z, Lapone, Larry, Devo, Yava, PJ, MP, Bert, Nash:** You guys all mean so much to me and played such an important part in my senior year. I love you all for who you are, and the impact you had on me this year, always, and will continue to have for the years to come. I don't think I would have wanted to party with anyone else during the best years of my life. You guys are the greatest and always kept me smiling. **Chris:** Having you as a best friend and as someone I can count on all the time, meant so much to me. You were always there when I needed you and I hope I was as good to you as you were to me. **ILY To the Class of 2004:** You all have rocked my world and have left an imprint on my heart forever! Good Luck in all you do.

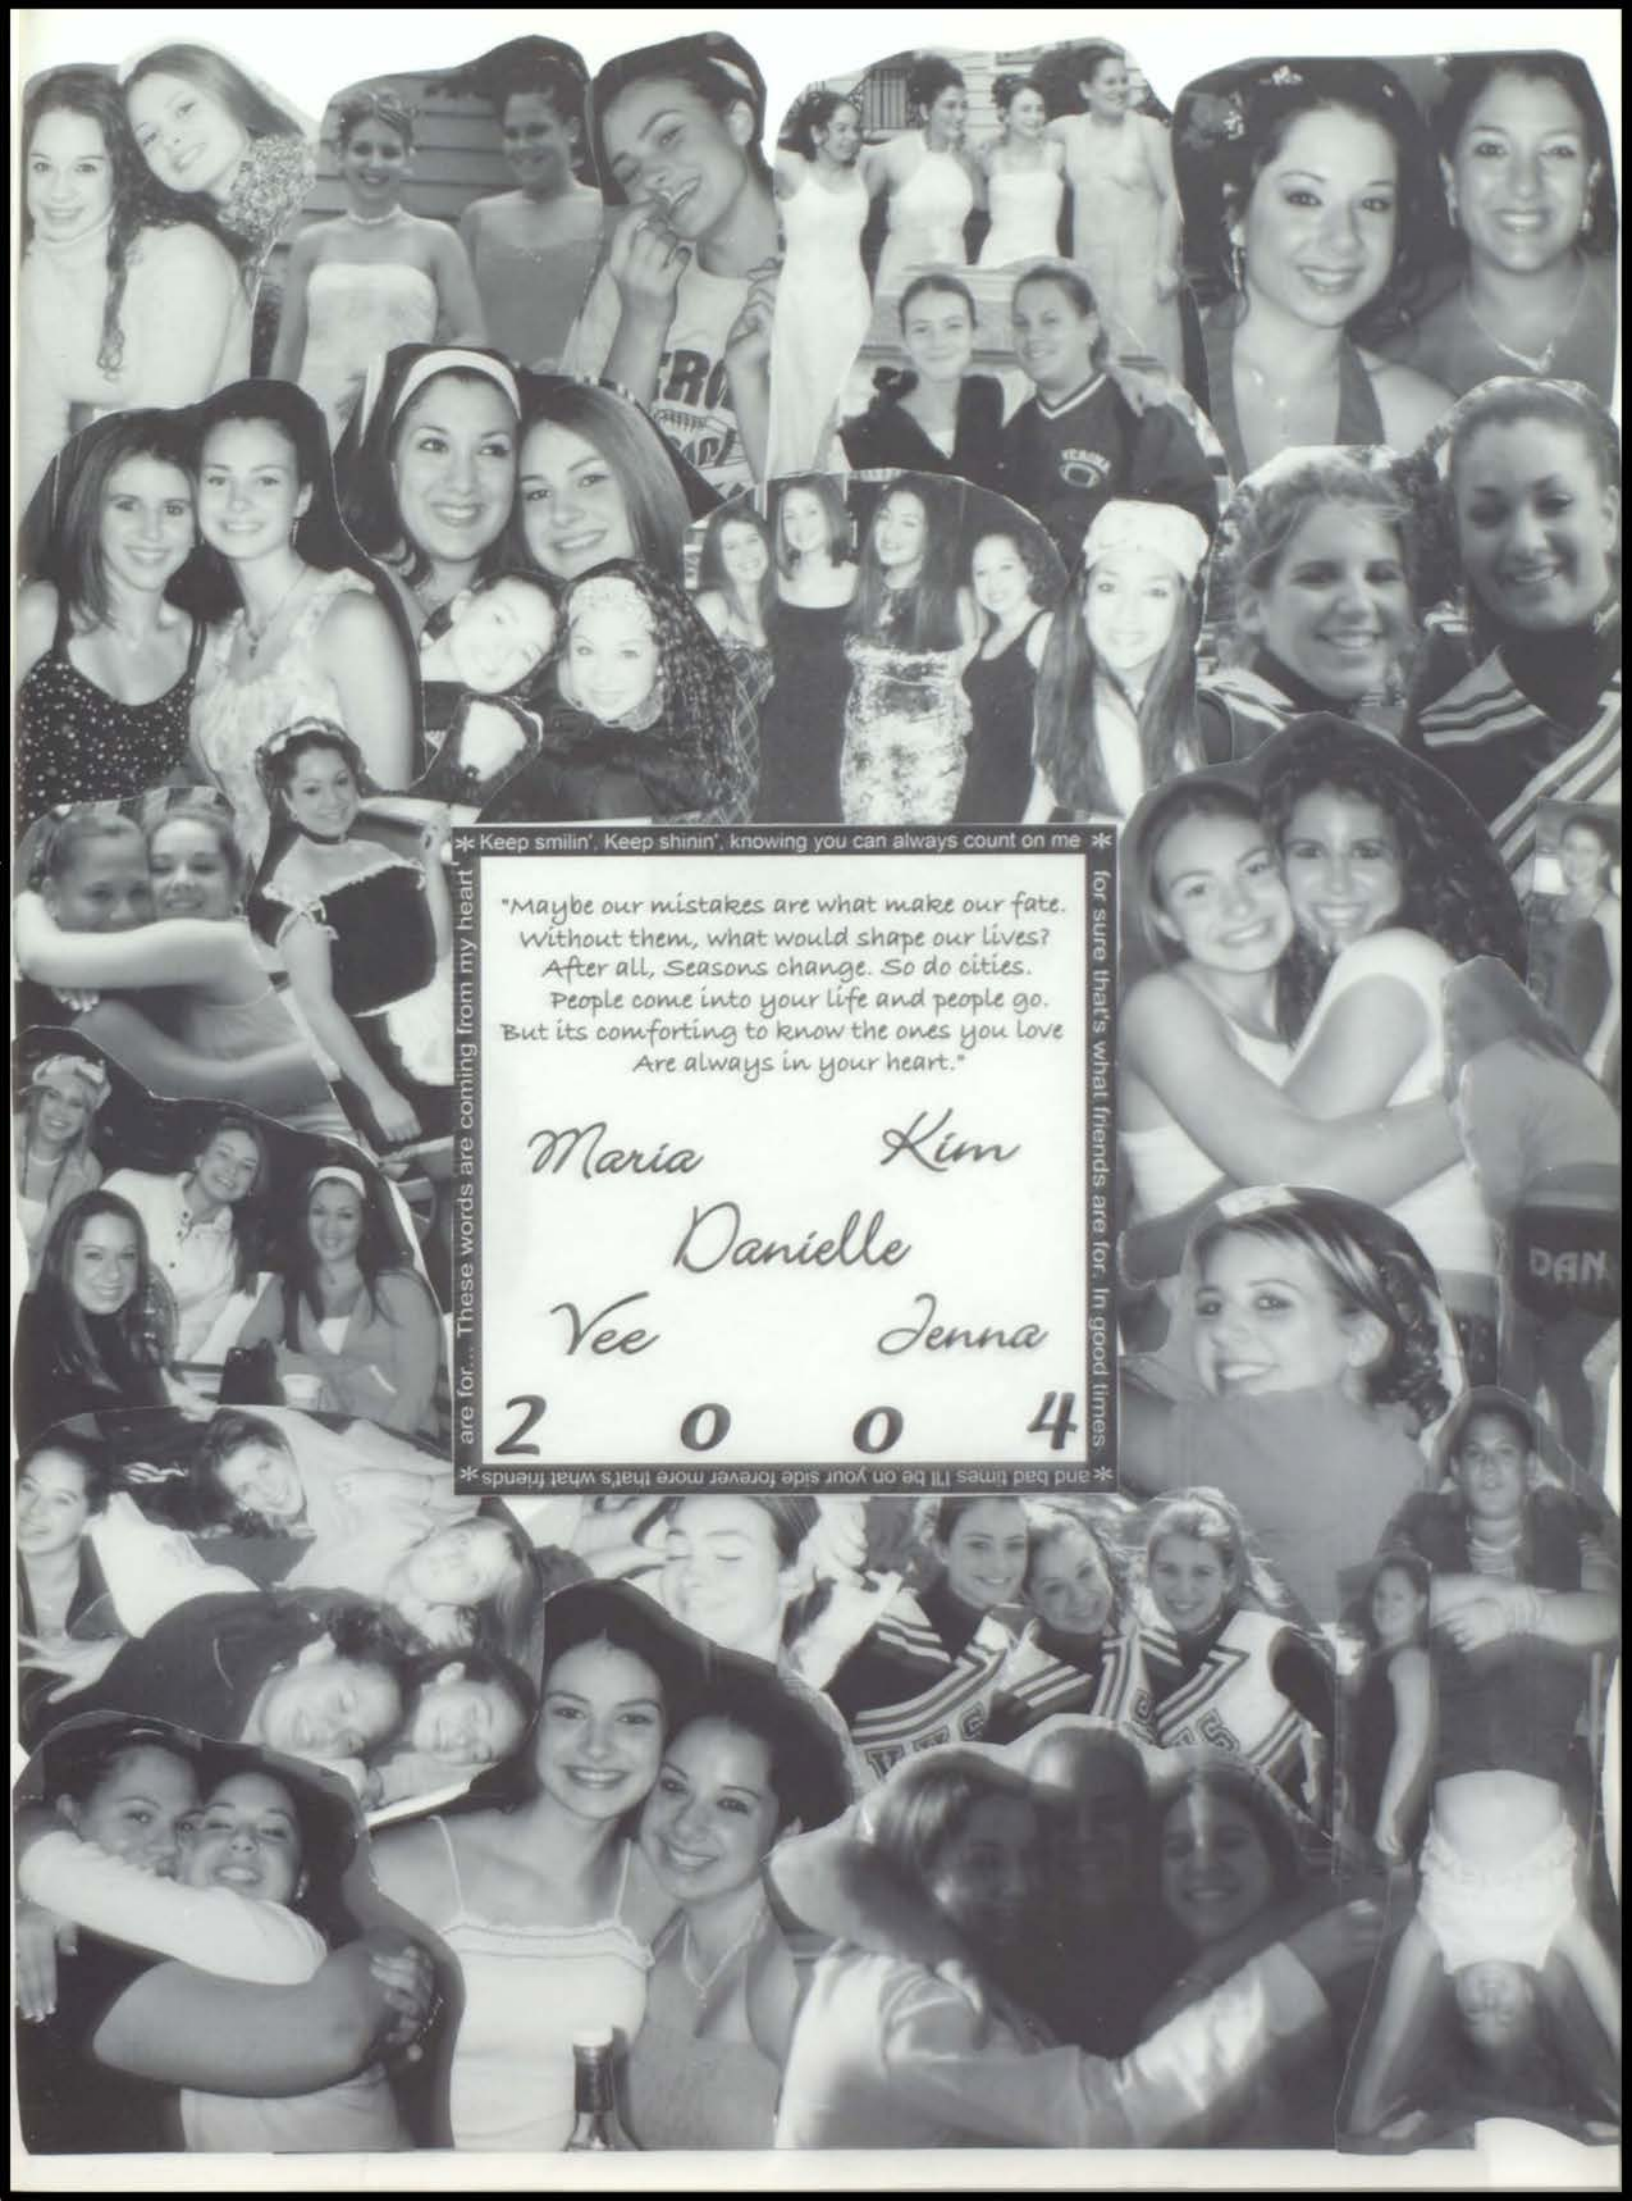

Piggs: Friends are the most important part of your life. Treasure the tears, treasure the laughter, but most importantly, treasure the memories. **Radz:** My "partner in crime". I can never thank you enough for all the times you've been there for me, all of the advice you've given, & all of the laughter we've shared. I wouldn't have been able to have gotten through everything w/o you. When there was no one that I could turn to always had you there. I'll miss you next year but we'll visit each other, you know that! **ILY! Schaffer:** My WB buddy! I've enjoyed running the school w/ you! Never forget all of the crazy times we've shared-they wouldn't have been the same if I didn't share them w/ you! Thanks for always making me laugh! **ILY! Kim:** From beginning to end, I've been w/ you. No matter how far apart we may be, we will always remain a "package". No one has shared more memories w/ me than you-never forget them! Thanks for always being there for me! **ILY! Annie:** My Yannes! It all started doing the plays back at H.B.I. Since then we've shared so many laughs, so many tears & so many memories. Thank you for always listening & always being honest. Soccer & bball... couldn't have survived it w/o you! **ILY! Sarah:** Our friendship means so much to me. Thank you for always listening, for trusting me w/ everything, & for being there when I needed you most. I couldn't have made it through everything w/o you. **ILY! Molli:** My fellow Nicole! Thank you for all of the memories & for being there to talk whenever I needed you! Bball would not have been the same w/o you! **ILY! Yall:** My girl! You know I heart you! Never forget all the laughs! **Devo:** Good times on the soccer bench! I'll miss your stories, you can always make me laugh! **ILY! Kerl:** Have known you forever & next year won't be the same without you there! Thanks for always giving me someone to talk to! **ILY! Vane:** We've had so many laughs & so many crazy times! Always remember, She's up in your nut & crackin' it! **ILY! Court:** You were always there when I needed someone to talk to & you'll never know how much that's meant to me. **ILY! Cnic & CJ:** My gym buddies! You girls can always make me laugh! I've had so much fun with you, two! **ILY! To my Forest guys:** The journey has been amazing & I am so lucky to have been able to share it with you all. Never forget the great memories we've had. **ILY & I'll miss you next year!** **AZ, MD, RL:** Thanks for always being there when I needed you. **ILY! Underclassmen:** especially my soccer/bball girls! **Schaffer:** Thank you for all of the laughs. Make the most out of every moment you will have in high school, it goes by too fast! **Class of '03:** Thank you for making my first few years all that they were. **CM, JG, CV:** You three are everything to me, thank you for always being there. **ILY! Javne & Gianna:** No one could ask for better sisters. Thank you for always supporting me in everything I've done. I'll miss you next year more than you guys will know. **ILY! Mom and Dad:** Where do I even start... none of this would have been possible if it wasn't for you two. A thousand thank-yous wouldn't come close to showing my appreciation for all you've done for me over the years. I love you so much. **To the Class of 2004:** I could not have asked for a better class to share my high school years with! Never forget all the good times I love you & I will miss you all! "There isn't much that I can do, but I can share an hour with you, and I can share a joke with you...as on our way we go."

Schaffer: In a thousand years and a thousand tears, I'll come finding my original crew. When I'm with my friends, I feel home. **Annie:** Whether we're partying, hanging out or just talking on the phone we're always having fun. We've been best friends since 5th grade ever since "ingles." I've been laughing since then. You're one of my best friends. I don't know what I am going to do without you next year. Even though you'll only be a phone call away I am going to feel like a part of me is missing. You can always make me smile. Thanks for always being there. I love you. **Kim:** You're one of my best friends and I hope that never changes. We've had so many fun times together whether partying, talking on the phone, going to the diner or just driving around especially during the summer. I am so happy for you and Jake. If he makes you happy than I am happy for you. I'm going to miss you next year. **ILY. Radz:** I guess everyone is right, we are alike in so many ways. I'll always remember all our chats about boys, partying with the guys, hockey and running from deer. We've been through a lot together. You're like a sister to me and I can't imagine my high school years without you. We share the same sick sense of humor. Never change. **ILY. Piggs:** My fellow WB fan, what am I going to do without you next year. Our phone bills are going to be outrageous! You're my fellow soccer slacker and you truly deserve to be a validictorian. Ha-Ha. I'm glad we became so close. You're one of my best friends. I can honestly say you're one of my only friends that I've never been in a fight with. **ILY. Devin:** We've known each other forever. We grew up together doing many crazy and stupid things, what were we thinking!!!! I know I can always come to you if I need anything and I hope you know I'm always here for you. Never forget hockey and all the fun times we've had together. I'm going to miss you so much next year. **ILY. Mike:** I couldn't imagine spending my last year at high school with anyone better than you. No one has ever made me as happy as you have these past few months. My only regret is that we didn't fall in love sooner. You're perfect in everyway. I Love You. **Chris, Z, Larry and Jimmy:** You guys are my best friends. I always knew I can talk to you about anything when I need to and I'm always guaranteed a good time. Thanks for always being there. All our talks over the years really meant a lot to me. I wouldn't change anything for the world. **ILY. To the guys Chris, Larry, Jimmy, Z, Yava, Nash, Devo, Lap PJ, MP, Bert:** No crew knows how to party like you. You guys made my high school experience, especially the weekends, unforgettable. Great times partying at the cove, lookout, estelle and everywhere else. My senior year was amazing thanks to all you guys. Without one of you it wouldn't have been the same. I just hope that nothing we stay together through college. **ILY. We grew up together practicing living at each other's houses playing crazy games of house, Jurassic Park and building forts. I'll miss you and boys. **Jill:** We've shared so many next year over the past whether partying or just hanging out. I'm so happy we became so close. You're always so fun to be around and I never know what to expect. You're the sweetest girl I've ever met, never lose touch. **ILY, never change. To all my junior girls:** Come visit next year, and don't forget to keep the parties going. **Katie and Jess:** I'm going to miss you girls so much next year. You girls definitely have to come and visit. Our fun times together: the city, RENT, Fudrucker, \$2 NY tee shirts and just driving around. You two are amazing and I can't imagine my high school years without you. **ILY. Class of 2004:** There's no other class I'd rather spend four unforgettable years with. I have enough memories from these past years to last a lifetime. Each and everyone of you have impacted my life in some way or another. I will miss you all next year and good luck in everything you do. I will never forget you, and I hope you will never forget me. Stay in touch.

* and bad times I'll be on your side forever more that's what friends

* for sure that's what friends are for. In good times

Hey my friend
 It seems your eyes are troubled
 Care to share your times with me
 Would you say you're feeling low and so
 A good idea would be to get it off your mind
 See, you and me
 Have a better time than most can dream
 Have it better than the best
 And so can pull on through
 Whatever tears at us
 Whatever holds us down
 And if nothing can be done
 We'll make the best of what's around
