## How Hillbilly

Hardcore Hillbilly You're ridiculously Hillbilly. You should get out of this town immediately before you turn into an actual Hillbilly. Your weekend activities probably include hanging in the woods, going to Pilgrim Diner, and attending Verona sporting events; fully painted and bursting with spirit! If you're not careful, cow-tipping might be included in the list very soon.

Veteran Veronian You're just the right amount of Hillbilly. You know the basics about Verona and may even occasionally show some excessive school spirit. You hand out in Verona, but you probably also venture outside the 2 mile box that is Verona, Once you go to college, you'll return for the holidays, but you won't be home every weekend suffering from Hillbilly withdrawal.

What is Cecil's last name?

a) Mon

b) Smith

c) Jean-Baptiste

a) I never had him, but I've heard stories
b) Is he the guy from Mr.
Bean?
c) Four; I have an exact tally in my notebook
d) Many; I've made a career out of it

#### Are You???

Perfect Panther We think you might be Panther. Where have you been for the last 12 years? Do you even live in Verona? You probably spend most of your time outside of Verona and are frequently absent from school. Once you go to college, you'll probably never be back. Take some time to learn about the wonders of V-town. because there are soooo many.

How many of Mr. Luks'
tests have you actually
finished on time?
a) Maybe once, but I did
terribly on it
b) I never had him
c) I don't have him, I have
Mr. Clayton <3
d) None; they take me at
least two periods

Do you find hanging out in the woods fun?

a) No, I hate the cold

b) No, why would you ever hang out in the woods?

c) Only if there's nothing else to do

d) Yes, especially when I'm wearing my running shoes

Mostly D's =
Hardcore Hillbilly
Mostly B's =
Perfect Panther
Mostly A's and
C's = Veteran
Veronian

Have you ever parked in a spot that's not a spot?

a) No; I always get here early enough

b) No; if there are no spots, I park on Fairview or Sampson

 c) Yes; the grass is reserved for me

d) Yes; My car can scale snow banks

### To Our Ashlee,

We are so happy and excited for you! You truly are our pride and joy!
Congratulations and best wishes to you and all of the Class of 2005!!
Love Mommy and Daddy

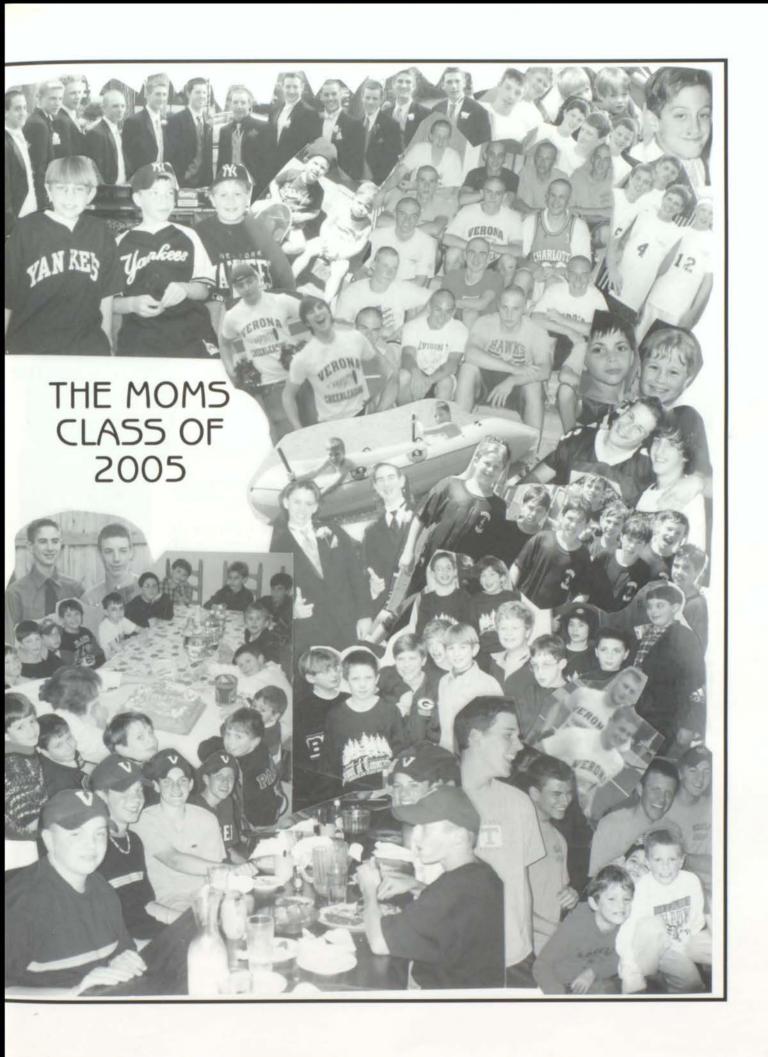

Thank you for sharing this 1<sup>st</sup> part of your journey with us. We have watched you grow in so many ways. Your traits of kindness, sensitivity, sense of humor, and sense of right and wrong are ones we admire and cherish. Our pride in all that you have accomplished with your music is overwhelming. We wish you happiness, health and success as you continue your journey, knowing that we are always behind you, 100% of the time.

Love, Mom, Dad and Jason

"Music is your own experience, your own thoughts, your wisdom. If you don't live it, it won't come out of your horn. They teach you there's a boundary line to music. But, man, there's no boundary line to art." Charlie Parker

It seems like yesterday to me, He was cradled in my arms, He played, he grew, I watched him close To keep him safe from harm. From pre-K to K, grades 1 thru 5, The years escape my grip, Middle School, then Junior High And all those camping trips. An Eagle Scout of Honor, His Mom and Dad are proud Of this achievement, he's one of two Who've made it from his crowd. His voice of changing pitch I hear, Metamorphosis disquised, Poof! a young man overnight, And I barely blinked my eyes. A busy day at school and yet Aligning wheels, no chore, Black as soot, his face and hands, A mechanic to the core. In the active pace of his world, Spirits are flying high, There is little time to ponder "past" Lest today will pass us by. And yet another milestone, My God, the years have flown, He's driving! And I daren't blink or he'll be fully grown. Now when his parents are busy I can hear my Toddy say "Hop in Grandma, I'll take you home," And we'll be on our way.

We love you Todd

Best Wishes, Mom and Dad

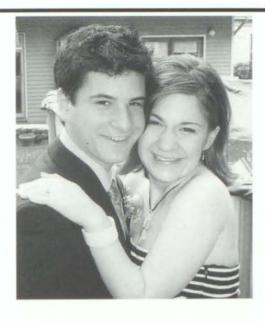

The doctor had said Allie would arrive 18 days sooner So when the day finally came she was quite a wee pruner.

She wasn't ready to make her entrance, not her cue But now she's a graduate so we give her her due.

Days spent with Nanna taught you to blabber Was it she that made you such a gabber?

Nursery school with Amanda and Eric, Then Laning, HBW The great miss Adelaide, was that really you?

A Bat Mitzvah never rivaled you were. The wee pruner was gone; A young lady was there.

Four years at VHS and the resume lengthens; Model UN, Peer Leader, Thespian, among National Scholars. The driving you do has cost a few dollars.

A wonderful daughter, caring sister, great grandaughter, too We could not be any prouder of you.

Isn't it remarkable to select a picture of you as a small child, sitting in the driver's seat, holding cassette tapes. It's exactly what you do 16 years later! You get in the car, select your music (CDs instead) and you drive away.

You are in the "driver's seat" of life. Many new roads are ahead for you. Proceed with caution at the roadblocks, discover detours to get you through but continue to enjoy your experiences on the easier smooth roads. You have the know-how to make the right choices throughout life's journey.
