Mr. Thomas F. Fallon
108 Summit Avenue
Waldwick, NJ 07463

Dear Mr. Fallon:

The students at Waldwick High thank you for participating in our ceremony for the 50th Anniversary of the attack on Pearl Harbor. We were very fortunate to have guests with such experience who were able to offer actual reactions to our questions. Your presentation was very informative and brought life to what we read and discussed in our history classes.

As a matter of fact, a lot of our students found it rewarding because the reality of some of the facts and figures opened their eyes to what a disaster the Pearl Harbor incident truly was.

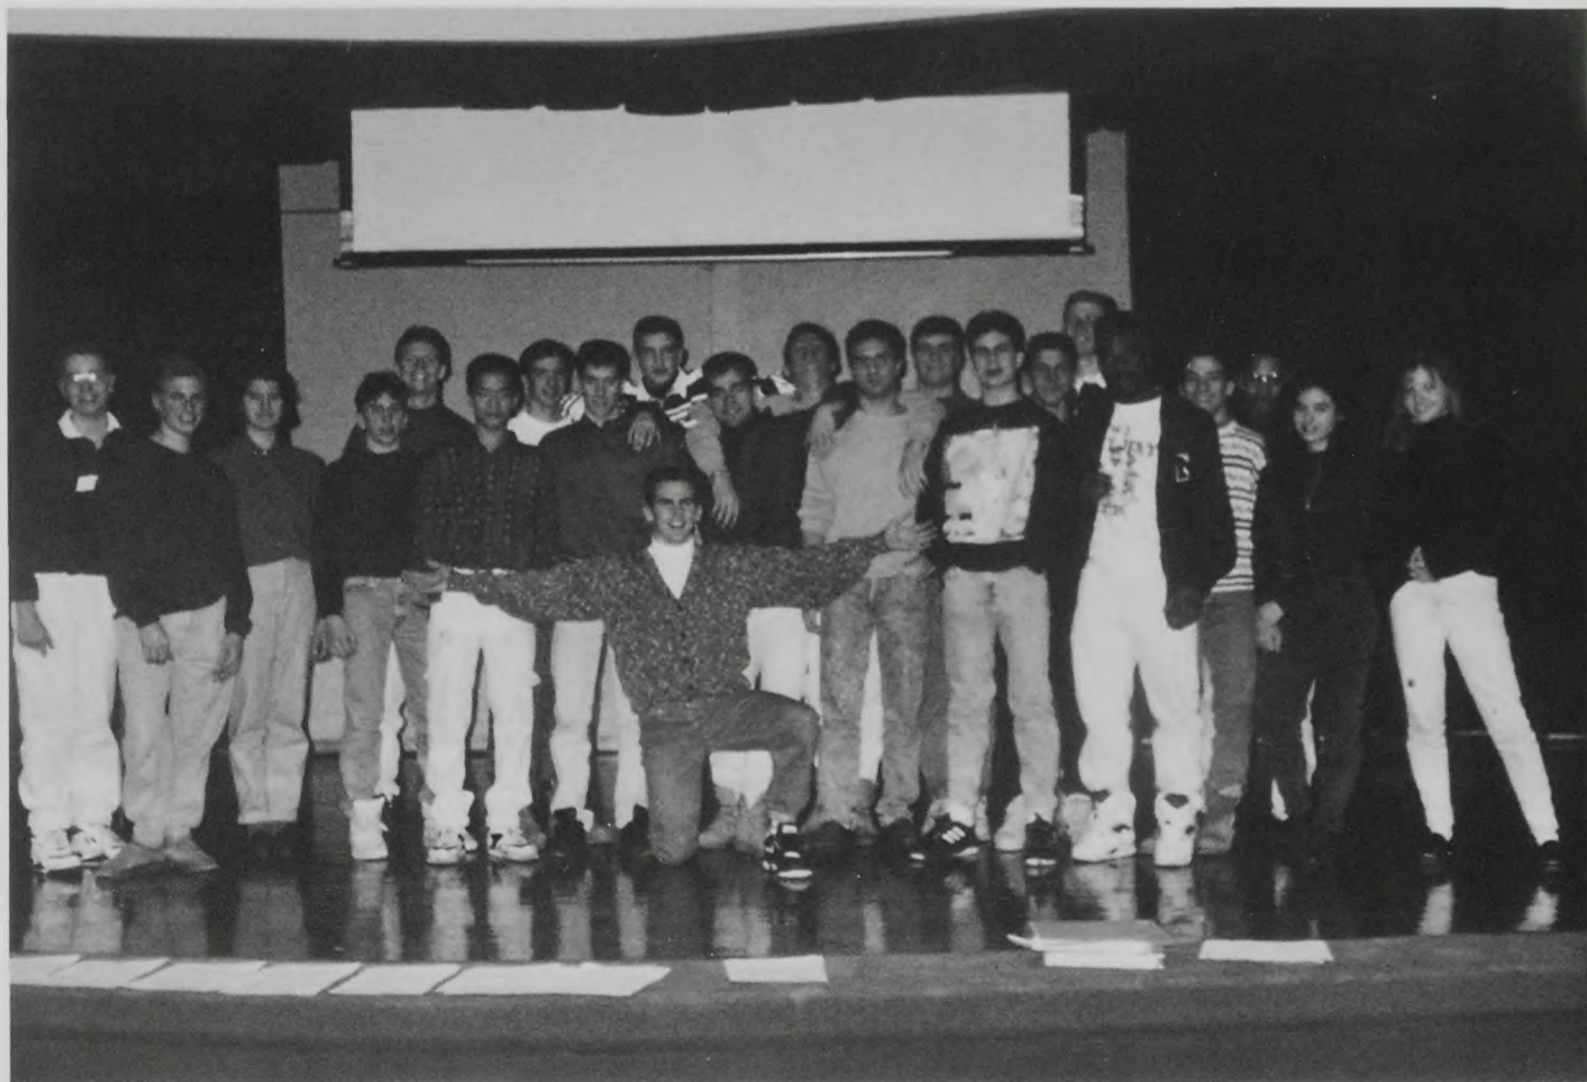

Once again, we would like to thank you for taking the time and making the effort to share your experiences with us in honoring all who took part in World War II.

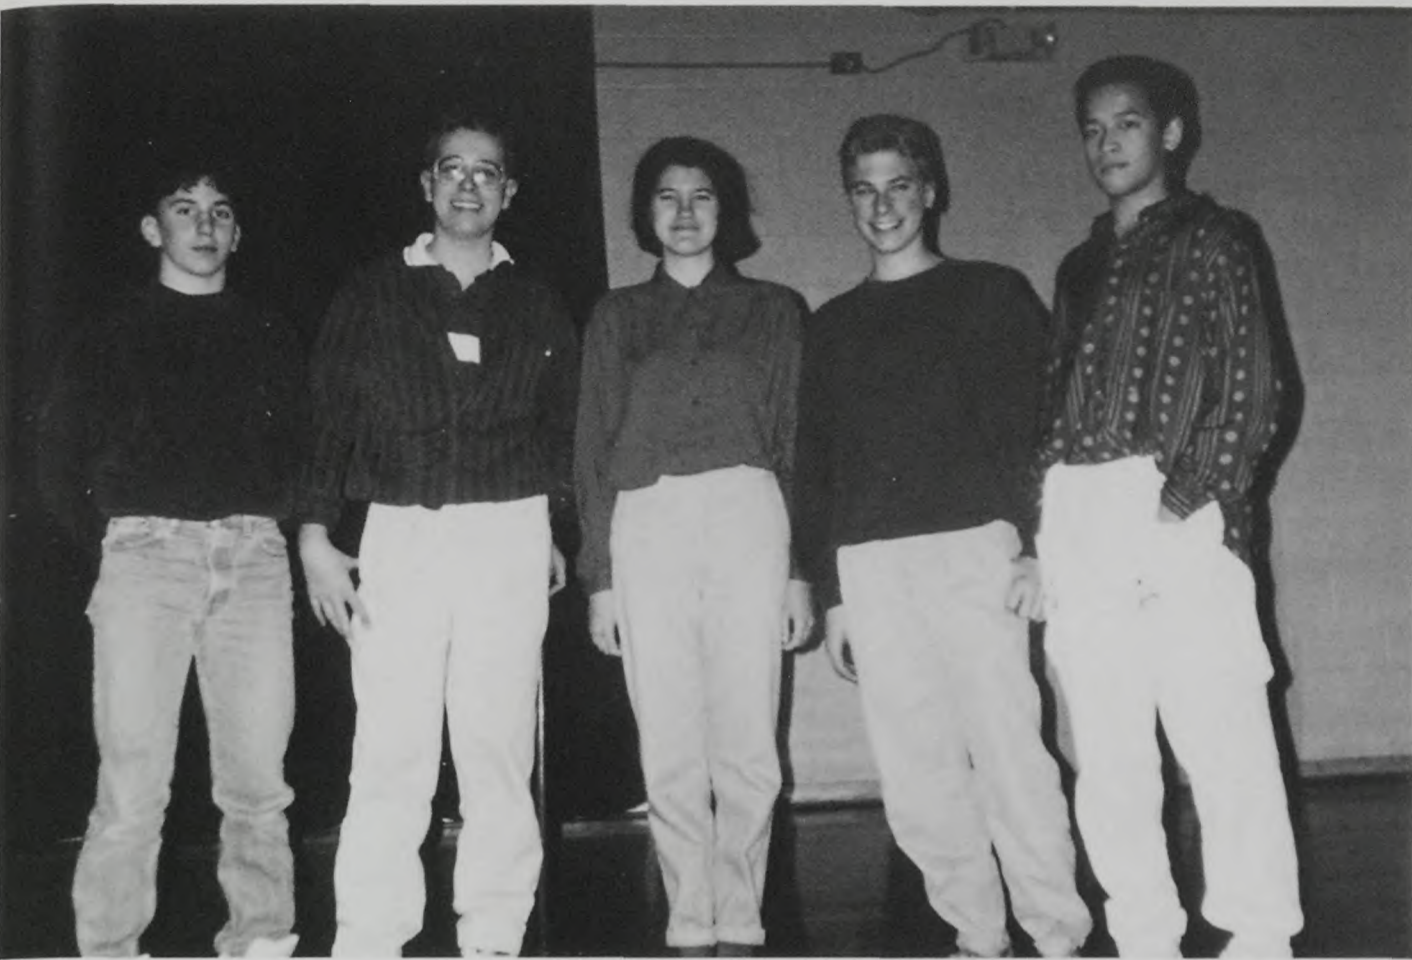

Thankfully yours,
Michael Pizzuto

EPILOGUE

AUTOGRAPHS, ETC.

AUTOGRAPHS, ETC.

As this year quickly comes to a close it is a time for us to reflect upon our four years at Waldwick High School. Although we must now go out into the world in order to reach our dreams and accomplish our goals we must also hold dear our experiences here and what we have learned from them. Working on Memories and Dreams has been an unforgettable experience and we hope that the yearbook itself will be just as memorable. We would like to thank Christine Johnson, Sabina Szalinska, Stephanie Cleary, Jennifer Madden, Mike Reidy, Leigh Wildermann and especially Mr. Heidloff for all their time and hard work; without them there wouldn't be a yearbook. Thanks should also be given to Mr. Surak and Mrs. Torralbas for their cooperation and understanding.

We wish everyone the best of luck in the future and we hope that you hold on to the memories as you strive to achieve your dreams.
